## Tonight's Game

Good evening and welcome to this evening's game in the prestigious Wiltshire Senior Cup, always a competition that I like forward to as it allows us to play other clubs from the County at Steps 2-5 who play in other leagues in a competitive match, rather than just pre-season friendlies.

Tonight we host Westbury United from the south of the county who play in the well run Toolstation Western League and a warm welcome to all the players, management, committee and spectators who have made the journey up north to the Gerard Buxton Sports Ground this evening. The two sides met in a pre-season friendly in the summer on the 3G pitch and our visitors ran out 5-0 winners that night and we will be keen to improve on that result here this evening. Indeed, our record against Westbury United over the years is not a good one. In fact, it is pretty atrocious. The two clubs have met 79 times in competitive matches stretching back to 1936-37 with Westbury winning 51 times to our measly 19 with 9 games having been drawn. The result of all 79 matches is included in tonight's programme along with most of the Wootton Bassett Town scorers over the years. When it comes to the Wiltshire Senior Cup we are still seeking that first ever win over our visitors in the competition having lost all previous 6 meetings, the last one being in Season 2012-13 when we lost 3-0. Of our current personnel, only manager Sam Collier has scored against Westbury in a competitive match, firing a hat-trick in our 4-3 defeat in this competition in Season 2010-11. Our last win against Westbury came in the FA Cup in Season 2009-10 when goals from Adam Field, Alex Green and Mitch Wyatt gave us a 3-2 win.

Securing that first win in this competition is going to be tough as Westbury are currently the only unbeaten side in the Toolstation Western League Premier Division having won all 8 of their opening league fixtures. Westbury's only defeats this season have come in the FA Cup and FA Vase. In the FA Cup they got through two qualifying rounds before losing 3-0 to Bitton and in the FA Vase it was a similar story as they again made it through the two qualifying rounds before losing to a late winner on Saturday against Saltash United 2-1 in the First Round Proper. Ironically the FA Cup win earlier in the season had come against Saltash United who are from the South-West Peninsula League.

## Reading City

What a great performance and result that was on Saturday against one of the title favourites Reading City. After throwing away a 2-0 lead against the other title favourites 7 days earlier what a contrast on Saturday as we put in a disciplined performance across the whole team for 90 minutes to defeat a very good side in Reading City. In Mitchell Parker they possess one of the top strikers in the league and had former Notts County and Gillingham player Charlie Allen, son of Martin Allen, pulling the strings for them in midfield. On the day we won the game thanks to a solid defensive display when not in possession coupled with some clinical finishing from the top drawer from Brad and Matt. How great it is to see Matt playing at the club where he started out and causing defences the same problems as he did 10 years ago. If only he had come back a bit sooner, he may have given Dip some competition for that 500 appearances record that gets ever closer after another excellent performance on Saturday. Whilst it is difficult to pick a man-of-the-match with the whole team playing so well but for me it had to be either Dale Richards or Charlie McCready and in the end I agreed with the Press Officer who opted to give the honour to Dale, despite a silly late booking that earned him the wrath of Sam. Hopefully we can take Saturday's performance into tonight's game and secure that first Wiltshire Senior Cup win over Westbury.

## Development Side

A baptism of fire for the new management team of Steve Chadwick and Mike Brewer on Saturday when their first game was a visit to defending champions Kintbury Rangers, With Kintbury having strengthened in recent weeks with the return of last season's top scorer Charlie Allsop the Development Team were on the wrong end of an 8-1 score line, Calum Courtney with our consolation goal. It can only get better from here for Steve and Mike and hopefully they can turn things around quickly ahead of Saturday's Fountain Trophies Cup game against Purton, who will go into the game in a confident mood after their giant-killing win over Bemerton Heath Harlequins, a side two levels higher up in the pyramid, in this competition.

4	I hear the drums echoing tonight But she hears only whispers of some quiet conversation She's coming in, 12:30 flight The moonlit wings reflect the stars that guide me towards salvation I stopped an old man along the way Hoping to find some long forgotten words or ancient melodies He turned to me as if to say, "Hurry boy, it's waiting there for you"	Toto - Africa

10	We move like cagey tigers We couldn't get closer than this The way we walk The way we talk The way we stalk The way we kiss	The Cure – Love Cats

## Sunday Side

The Sunday team maintained their 100% record this season with a come from behind win over Swindon Waiting Rooms. Trailing 3-0 manager Danny Groom must have thought he was going to taste defeat for the first time. However, 11 unanswered goals ensured Bassett progressed to the next round of the League Cup. Danny Hale was the star of the show netting four times. With league leaders Greyhound losing in the league it was a good day all round for the Sunday team who are how one of just 2 sides who have a 100% record in Division 1 of the Swindon Sunday League.

## Ladies Team

After losing their first league game of the season last week the Ladies side quickly returned to winning ways as goals from Gracie Bridger and Hannah Gulliver secured a 2-1 win against Swindon Town Development in the South West Women's League Eastern Division fixture on Sunday. The Ladies sit in 6<sup>th</sup> place in the table but have at least one, and in some cases three, games in hand over the teams above them in the table.

## Congratulations to our Girls

With her selection to the Wiltshire County FA's Under 16 Girls squad, Mollie Smith became the fourth girl playing within Royal Wootton Bassett Town's youth section to receive a county call-up. The Under 16 Yellow player joins twins Alana and Nalani Hunt, who play for Bassett's Under 13 Yellow team, and Poppy Wannell of the Under 13 Whites. Their achievements in being selected to play for Wiltshire is a testament to their ability and proof that girls can succeed playing in mixed football alongside boys. Hopefully it can also encourage more girls to start playing for the club. Today's programme gives more details of their achievements in place of the usual First Team player profile.

## Highway to Holland

Fundraising efforts for this year's Holland Tour kick off on Saturday (20<sup>th</sup> October) when members of the youth teams who will be travelling to the Netherlands take part in a sponsored cycle ride in Royal Wootton Bassett High Street. Starting at 8am, players from our Under 12, 13 and 14 teams will be taking it in turns to ride static bikes, covering the 336 miles between Bassett and Dordrecht, the location of the hostel where the teams will be staying in Holland. The sponsored ride will be taking place underneath the town's iconic Town Hall, where there will also be a cake stall, tombola and collection buckets to help raise further money. A similar event took place ahead of last year's tour, with players braving freezing conditions in March to raise over £1,000. Here's hoping the edition for this season's tour is just as successful (with the weather being slightly more accommodating!). Donations of cakes and tombola items are requested. Those interested in donating are invited to contact either Karen Watkinson or Claire Cranswick-Coates in order to arrange delivery and collection.

## Next Up at The Gerard Buxton Ground

We are home again this coming Saturday for the 3<sup>rd</sup> home game of the week when Brackley Town Saints are the visitors for yet another quick league re-match that is the common operating procedure in the Hellenic League this season. Since we drew 1-1 at Brackley three weeks ago they have risen to the top of the table, so another tough game is in prospect. Hopefully with our strong home record we can make it two league wins on the bounce on Saturday. Enjoy the game and hopefully progress to the next round of the Wiltshire Senior Cup.

Westbury are playing in the Premier Division of the Toolstation Premier Division for the first time since Season 2001-02 having won Division 1 last season.

They opened life back in the Premier Division with a 3-1 home win over Wellington, Dan Kovacs bagging a brace and Jamie Jordan with the other goal. Kovacs was again amongst the goals in a midweek home win against Shepton Mallet, firing a hat-trick in a 4-2 win, Ricky Hulbert with the other goal.

Westbury met fellow Western League Premier Division side Cribbs in the Extra Preliminary Round of the FA Cup and that man Kovacs was at it again scoring one of the goals in the 3-0 win, the other two coming courtesy of Jamie Jordan and Steve Hulbert.

Pacey youngster Callum Demkiv was signed in the summer from Melksham Town and he scored his first league goals in a Westbury shirt, bagging a brace in a 4-0 away win at Brislington, Waleed Bakali and Ricky Hulbert with the other goals. Demkiv was again amongst the goals as Westbury won 2-1 away at former Hellenic League side Shortwood United.

FA Cup Preliminary Round opponents were Saltash United where goals from Kovacs, and substitutes Josh Ferguson and Francois Allen saw Westbury through to the First Qualifying Round for the first time since 2003-04.

Next up was a trip across the water to the Isle of Wight to play Cowes Sports in the FA Vase where extra time was needed to progress to the next round, 5-3 the final score, two goals for both Callum Demkiv and Ricky Hulbert in this one. The first defeat of the season was suffered in the next game as they crashed 3-0 at fellow Western League side Bitton in the FA Cup.

Yet another cup game, their fourth in a row, saw them make further progress in the FA Vase, this time at the expense of Petersfield Town from the Wessex League who they defeated 3-1 on their own patch.

On their return to league action they maintained their 100% record with another four straight victories. First up a 3-1 away win at Shepton Mallet (so it is not just the Hellenic where you get to play the same opponents twice at the start of the season), two more for Ricky Hulbert in this one. This was followed by another good away win as Westbury left Odd Down with all three points courtesy of a comfortable 4-1 win. In their last home league game they again won seeing off one of the top sides Willand Rovers 3-1, inflicting Willand Rovers one and only defeat in the league so far. In their last league outing a solitary goal from Callum Demkiv gave Westbury a 1-0 at Plymouth Parkway to make it 8 league wins from 8 games.

Saturday saw a rare defeat as they went down for only the second time this season when a late goal ensured Saltash United gained revenge for their FA Cup defeat in the other big FA competition.

## Introduction to Westbury

Westbury is a town in the west of the English county of Wiltshire, most famous for the Westbury White Horse. Westbury is in the far west of Wiltshire, close to the border with Somerset. It lies at the northwestern edge of Salisbury Plain, 18 miles (29 km) southeast of the city of Bath, approximately 5 miles (8.0 km) south of the county town of Trowbridge and 4.5 miles (7.2 km) north of the garrison town of Warminster. Other nearby towns and cities include Frome, Devizes and Salisbury.

## Interesting Facts About Westbury

The most famous landmark of the area is the vastly impressive Westbury White Horse which is both the oldest and largest White Horse in Wiltshire.

The most locally well known resident of Westbury is Abraham Laverton (1819-1889), a wealthy Victorian mill owner, local politician and social benefactor. His legacy lives on in The Laverton, a community centre for the use of the inhabitants of the Town of Westbury. The building is a fine structure, it was designed in the 'Venetian' style by the celebrated architect William Jarvis Stent and is a Grade II listed building.

Westbury United Football Club have a number of players who have gone on to play for

Atyeo played over 600 games for Bristol City and scored 359 goals; he also played six times for England in which he netted five goals. He now has a grandstand named after him at City's Ashton Gate ground as well as a street in his home village of Dilton Marsh, a few miles from Westbury.

## Girl Power

With her selection to the Wiltshire County FA's Under 16 Girls squad, Mollie Smith became the fourth girl playing within Royal Wootton Bassett Town's youth section to receive a county call-up. The Under 16 Yellow player joins twins Alana and Nalani Hunt, who play for Bassett's Under 13 Yellow team, and Poppy Wannell of the Under 13 Whites. Their achievements in being selected to play for Wiltshire is a testament to their ability and proof that girls can succeed playing in mixed football alongside boys. Hopefully it can also encourage more girls to start playing for the club.

Here's an overview of the four girls and what they have achieved:

### Alana and Nalani Hunt

Twins Alana and Nalani Hunt are now in their third season playing for Bassett. Left back Nalani and winger Alana played a key role in helping their team win the North Wilts League Division Four title last season. Nalani finished with nine goals – third best on the team, while Alana scored five times. They have also helped ensure their team has made a solid start to life in Division Two so far this year.

In July they were selected for the Wiltshire County FA Girls Advanced Coaching Centre's under 14s squad despite having only just turned 12. The ACC is a bespoke programme designed to support the development of female players across the county.

### Mollie Smith

Defender Mollie has been playing for Bassett since joining as an Under 8 for the 2010-11 season. And throughout that time she has been an important member of a side that she continues to play for today.

Last season she played a crucial role in helping the Under 15 Yellow team finish runners-up in North Wilts League Division Three. And they have made a fast start to life in Division Two. Capable of playing across the back line, Mollie trained with the club's senior Ladies side during pre-season and impressed managers Jonny House and James Goddard. Once she has turned sixteen she will be eligible to play for them in the South West Women's Football League. On top of that, she has just been selected for the Wiltshire County Girls Under 16 representative squad.

### Poppy Wannell

Joining the twins in representing Wiltshire's Under 14s – and also playing up an age group – is Poppy Wannell of the Under 13 White team. A player who is comfortable in either midfield or up front, Poppy joined Bassett last season, initially playing for the Under 12 Girls. She finished as the team's top scorer, finishing with more than forty goals for them and seven hat-tricks. Poppy also finished as the leading scorer for the Under 12 White team in Division Four. This season, playing alongside Darcy Cox – another member of last season's Under 12 Girls side - she has struck six times for her team as they have made a decent start in the same division.

# Our History

## Royal Wootton Bassett Town FC • Club History

Situated six miles from Swindon, Royal Wootton Bassett Town Football Club was first established in 1882, making the club one of the oldest in Wiltshire. The club's early achievements came in the Wiltshire Senior Cup, making the final in both 1902-3 and 1903-4, although losing both. The club folded for a period pre-World War 1 before re-forming in the Calne & District League when it began playing at the Gerard Buxton Sports Ground which had been donated by a local dignitary for sporting activities within the town and opened in 1930.

Early successes included winning the Calne & District League in the 1930-31 Season, having finished runners-up the previous season, and then again in 1934-35. Following a move up to the Wiltshire League Division 2 promotion was earned again the following season and the team then remained in the top division in the county until the outbreak of war.

After the war Wootton Bassett Town F.C. recommenced in the County League with limited success until 1958-59 when they won their first Wiltshire League title. In 1987-88 the Wiltshire League Division 1 title was won, elevating the club into the Hellenic League, where they have remained ever since. The club finally won the Wiltshire Senior Cup in 1998-99 and repeated this achievement in 2000-01. The club have had three spells in the Hellenic Premier and gained promotion back in 2012-13.

Since the onset of the new millennium the club has expanded significantly, with the establishment of a thriving Youth Section, Ladies Section, Veterans team and Sunday side. The club now operates 27 teams from under 7s upwards. All play their games at the relocated Gerard Buxton Sports Ground, which opened in the summer of 2015. This growth led to the club being awarded Charter Standard Development Club status by the Football Association in 2008 before this was upgraded to Community Club status a year later. Wootton Bassett Town FC was the first club in Wiltshire to achieve this. International ties have also been established with Dutch amateur side FC 's-Gravenzande.

Season 2018-19 sees Sam Collier in charge of the First Team.

# From the Press Office

Sensing a let off, Reading sought to exert pressure on Bassett. But, with the home side disciplined and sticking to their shape, they continued to lack the necessary end product.

Half chances for Harry Grant and Charlie Allen both ended up off target. Reading finally registered another shot on target shortly after the hour when Gerrard tried again from range, but McCready was able to parry away another powerful attempt.

Bassett continued to create opportunities too, though Bohane and Bennett both snatched at shots from advantageous positions and failed to trouble Cavanagh.

With twenty minutes remaining, Reading finally used the wind to their advantage and breached the Bassett defence as Jack Powell set Parker loose, but the forward, attempting to lift his strike over an advancing McCready, sent his effort the wrong side of the post.

Parker, recently called up for an English non-league representative team to play in the Falkland Islands, was proving most troublesome for the visitors, but was having a frustrating day, steering over from a free kick while curling over after demonstrating quick feet to fashion space on the edge of the box.

Then, with two minutes of normal time remaining, Bassett ensured any goal the visitors did muster would be a mere consolation. It was a fantastic move that brought the goal too, beginning with McCready rolling the ball out to right back Cole. Working down the right wing, play was worked to Iggy Ilott who slipped through Lincoln. An excellent turn from the winger got him clear of his man and it appeared as though he would get the goal his performance merited. However Cavanagh kept out his low drive, but could not do enough to prevent Pagliaroli slotting home the rebound.

Despite the outcome of the game now being beyond doubt, Reading – to their credit – continued to try and push forward. They appeared on course to fail to get on the scoresheet though as McCready pulled off a pair of fantastic saves to tip a curling Powell effort and another Parker free kick that was destined for the top corner around the post.

However, they were eventually able to grab a consolation as Allen earned a soft penalty and Parker sent McCready the wrong way.

But it was far too little, far too late, with Bassett having wrapped up a fully deserved and impressive win.

**Man of the Match: Dale Richards** – aside from the booking he picked up late in the second half, Richards did not put a foot wrong all afternoon at left back. Sound defensively and adroit in possession, he stood out most among a whole team of players whose performances merited at least seven out of ten.

## Clinical Bassett cut down City

Gerard Buxton Sports Ground, 13th October 2018

Royal Wootton Bassett Town got back to winning ways with an impressive 3-1 home victory against Reading City.

## Royal Wootton Bassett Town 3 Reading City 1

A clinical attacking performance and robust defensive display secured an impressive 3-1 victory for Royal Wootton Bassett Town against much-fancied Reading City.

Powered by outstanding first half goals from Brad Pagliaroli and Matt Bennett, Bassett snuffed out the attacking threat their visitors posed despite playing against a stiff wind in the second period. Pagliaroli then secured the points with his second before Mitch Parker grabbed a late consolation for Reading from the spot.

That goal conceded was the only blot on Bassett's copybook on a day when Sam Collier's team put in a shift from front to back. No player shirked their responsibilities and not one can be described as having had a disappointing game.

After the frustration of last week's defeat at Wantage Town, Bassett knew they had another stern test on their hands given Reading's strong start to the season and the firepower they possessed.

That was on show early on too as Parker curled a free kick from the left edge of the area onto the post in only the fifth minute of a game, whose start was delayed courtesy of the opposition being caught up in heavy traffic.

Bassett eventually made the decisive first breakthrough in what had developed into a midfield battle on the half hour mark. After TJ Bohane had flicked on a Dan Cole throw, the visiting defence failed to clear and the ball dropped perfectly for Pagliaroli, who fired a perfectly executed half volley into the top right hand corner.

The response from Reading was almost immediate as a give-and-go with John Dennis on the edge of the area opened up space in the box for Ben Cook. He drew Charlie McCready off his line and was able to steer a cute shot around the 'keeper, but Dan Cole was perfectly placed to head clear off the line. Left back Rob Gerrard then placed a firmly struck shot from distance narrowly over.

But while Reading were misfiring narrowly, Bassett were in a groove offensively and doubled their advantage four minutes before the break. Pagliaroli played a perfectly weighted pass in behind the visitors' defence and, showing great desire, Matt Bennett shrugged off centre half Alfie Grant to be the first to the ball and arrowed a precise first time left-footed strike into the bottom corner.

It could well have been three prior to half time too, but, rather than squaring for either Bennett or Rob Lincoln who were both in space, Pagliaroli dragged a shot from a tight angle across goal after Steve Yeardeley had initiated a counter attack.

Still, it was a superb position to be in at the break. However, playing against the wind in the second half, there was going to be plenty of hard work to do in order to guarantee the points.

Bassett's job could well have been made easier three minutes after the restart though. Winning another header, this time to flick on a Dale Richards free kick, Bohane teed up an unmarked Mark James at the far post. But his first shot was repelled by Ed Cavanagh in the Reading goal, before Bennett's follow up and another James attempt at goal were brilliantly blocked on the line by Matt Hancock.

## WESTBURY UNITED CLUB HISTORY

### In the beginning ...

The club started in 1920 with the amalgamation of two local sides. Westbury Old Comrades FC had just won promotion to the First Division of the Wiltshire County League and to strengthen the side they joined forces with a local junior side, Westbury Great Western Railway XI. Together they became Westbury United Football Club.

In its first season the club finished third from bottom of the county league and after struggling throughout the 1920s, went on to great success in the 1930s.

### At Meadow Lane

In the 1930s Westbury won everything possible in Wiltshire football and in 1936 also reached the first-round proper of the FA Cup. They were led by a magnificent player called Billy Pearce, who captained the Wiltshire county side throughout the decade. Also in the side at the time was a prolific goalscorer called Bill Butler, who scored more than eighty senior goals in one season (including thirty in a month!).

The club then purchased and moved to its present ground in Meadow Lane, at a cost of £475 for the four-acre site. The very first game played on what was then the Jubilee Playing Field was against Bristol City and a crowd of around 4000 attended.

### Recent Years

In recent years the Club has, with the help of the Football Stadia Improvement Fund, been able to replace the drainage system on the pitch as well as erect fencing around the ground and a wall around the pitch. Following several seasons in the 2000s where the aim of promotion to the Toolstation Premier League wasn't achieved, long standing manager Paul Brickley stood down and there were six seasons of struggle from 2010/11 till 2015/16 under various managers, with the team finishing in the bottom three every time.

Matthew Bright took over as Chairman in November 2014, installing Shaun Gardner as 1st team manager. Bright aims to make the club more family orientated and make Westbury United the centre of the local community. The club now have a strong link with the local youth football club, Westbury Youth FC, which provides a pathway for youth footballers. Gardner's team finished the 2014/2015 season bottom of the league table but avoided relegation. In September 2015, Gardner resigned as first team manager. His assistant manager, James Goddard, was appointed as his successor after three games in temporary charge. Westbury finished the 2015/16 season in 20th position.

Season 2016/17 started with them winning half of their games up until the middle of November, followed by a run of nine games with only one win and one draw. Morale amongst the players was low and the officers of the club were concerned Westbury would be involved in another relegation battle; the decision was made to relieve James Goddard from his duties at the club after a home defeat by Chippenham Park, at that time a relegation rival. Westbury's reserve manager, Marc Lanfear, stepped in to lead the first team whilst a new manager was sought. He was assisted for those two matches by Nathan Hallett-Young; they won both of their games against two of the top three teams in the division.

Father and son, Neil and Joe Kirkpatrick, were appointment joint managers on 1 February 2017. They suffered defeat in their first three league games in charge, but after that they over-saw a five-league game winning streak, the first time Westbury United achieved this since 2009.

Westbury started the 2017/18 season with three teams: the first team competing in the Toolstation Western League Division One, the Reserves competing in the Wiltshire Senior League and the Development Team in the Trowbridge and District League.

The Kirkpatrick's had attracted a strong group of players and Westbury started the season amongst the favourites to be promoted. They started the season well, staying unbeaten for the first 13 league games, winning 8 and drawing 5. Chairman Matt Bright stepped down in early October to spend more time with his family, and Secretary Greg Coulson was elected to become Chairman at a Special General Meeting in early November. The club won the First Division and secured promotion to the Premier Division. They managed to score more points (95, previous best 91), score more goals (97, previous best 95) and concede the least goals (29, previous best 39) in the club's history.

## Fairford Town break home duck in Hellenic Premier

By Shaun Reynolds @95\_reynolds Chief sports writer **Swindon Advertiser**

<https://www.swindonadvertiser.co.uk/sport/16966358.fairford-town-battle-back-from-three-goal-deficit-in-hellenic-league/>

FAIRFORD Town recorded their first home Hellenic League Premier Division win of the season on Saturday, lifting Jody Bevan's side to 14th.

Dan Bailey bagged a second-half brace while Robbie James, Charlie Bailey and Jon Thomas were also on target as Fairford recorded a comfortable five-goal victory against sixth-placed Holmer Green.

After losing four and drawing two of their opening six games, the performance understandably delighted Bevan – who now has a two-week break in the league to hone his side's shape and tactics.

Bevan said: "We were fantastic all round, it was a great performance from start until finish.

"It's a result that's been coming. It's a great result for the club – the players, coaching staff and everyone connected.

"We haven't had too many good nights as such, but on Saturday we could enjoy ourselves.

"We've not got a league game now for a couple of weeks, and we knew a win would put us several places up the league table. We can now relax a little bit from the league, but really we've got ourselves out of trouble.

"We had a terrible start to the campaign where we underachieved, and the last few weeks have gone a long way to rectify it."

Fairford's improvement on the pitch prompted Bevan to underline the importance of not letting standards slip.

Trips to Virginia Water, Longlevens and Windsor provide Town with three potentially tough consecutive away fixtures in the next month – games which Bevan doesn't plan on leaving without reward.

He said: "We've set our standards now, and I don't want to be in a situation where we're looking over our shoulder in the table again.

"We should be looking onwards and aim to do as well as we possibly can.

"We've got a couple of cup games now, and there's some real competition for team places now.

"That gives players a chance to make their case, and I've got a genuinely good group of players.

"The atmosphere in the changing room after the game was excellent, and long may that continue."

Elsewhere in the Hellenic Premier Division, Sam Collier's Royal Wootton Bassett ran out 3-1 winners at home to Reading City, Brad Pagliaroli twice and Matt Bennett on target.

In Division One West, New College Swindon were downed 7-0 by Thornbury while Malmesbury Victoria made FA Vase progress after beating Roman Glass St George 2-0, Shane Bumphrey and Joe Tranter on target.

13<sup>th</sup> October 2018

With the Wiltshire Senior Cup reducing the number of league fixtures for this weekend to four there were still a number of key games affecting both the top and bottom of the table, with both Kintbury Rangers and Melksham Town Res knowing that a win might take them top of the table.

For Kintbury to go top they needed to win and hope that Melksham dropped points at Westbury. Kintbury did what they themselves needed to do by smashing eight goals past Royal Wootton Bassett Town Development at the Recreation Ground. A clinical first half performance saw Kintbury score five times before the break, Fabio Pinto led the way with a brace, with Charlie Allsop, Shaun Thorp and George Smith also netting. Royal Wootton Bassett managed one in response through Calum Courtney to make it 5-1 at the break. Kintbury took their foot off the gas a little bit in the second half but still managed to score three more with Charlie Allsop, Shaun Thorp and George Smith all getting their second of the game. As a result, Shaun Thorp moved onto 15 goals at the top of the goal scoring chart for the league.

Melksham Town Reserves had a tough looking fixture against a Westbury United Reserves side who had gone unbeaten in their previous seven games, the last three which had all been won. In a highly competitive game the only goal of the game came in the first half courtesy of Melksham's Leigh Rogers, ten days after firing a hat-trick against Trowbridge in Melksham's last game he scored the goal which sent Melksham to the top of the table. So, despite their impressive win, Kintbury had to settle for second spot, one point behind but with a game in hand.

Shrewton United, who had received the news in the week that manager Scott Young was stepping down after four years at the helm, went into their match against Trowbridge Town with caretaker manager Joe Sheldrake in charge. He got off to a winning start as Shrewton ended their recent disappointing run as goals from Craig Lewis and Charlie Uttersen secured a 2-1 win, Jordan Cullis with the Trowbridge Town goal. Shrewton remain in fourth place but the win lifted them to within two points of previous leaders Wroughton in third place.

At the other end of the table both Devizes Town Res and Pewsey Vale Development went into their game on the back of seven games without a win. Games between the two sides are usually tight affairs, last seasons two matches between the sides had seen just one goal scored and when the two met a few weeks back it had again finished 0-0, so another tight game was expected and so it proved. The match was decided right at the death when Kieron Kiff scored the only goal of the game following good set up play from youngster William Garrett.

Five sides were scheduled to be in Wiltshire Senior Cup First Round action but the game between Football ID and Marlborough Town was called off by when Football ID late Friday night when they pulled out of the competition with a large number of their players dual signed with one of the Chippenham sides also in the competition.

In the two ties that did get played, the big shock of the day was at the Red House where Purton met Sydenhams Wessex League Premier Division side Bemerton Heath Harlequins and defeated their higher league opposition courtesy of a 1-0 win. Purton's hero was Daren Regis who came on as a substitute to score his first goal for the club and send his side through to the second round. This win means that the league is now guaranteed at least four sides in the last sixteen as Purton join Marlborough Town, Trowbridge Town and Cricklade Town in the Second Round.

Cricklade made it through to the Second Round by defeating Ludgershall Sports in an all Corsham Print Wiltshire Senior League tie. The two sides had drawn 1-1 recently in the league at Ludgershall but this time Cricklade made sure of progress through to the next round with a convincing performance. Devan Bryan led the way firing a hat-trick to take him to 13 for the season, the other goals coming from Dave Coleman, Elliott Corp and Reece Gilliver in a 6-0 win.

Chippenham Town had a disappointing defeat on Saturday doing down 2-1 at home to a Dartford side who were below them in the table but moved level on points with Chippenham as a result of the win. The winning goal came from an unlikely source with Dartford keeper Deren Ibrahim scoring with a 70 yard free-kick which caught in the strong wind and floated over the head of the unfortunate Brad House in the Chippenham goal. Dartford had gone in front on 24 minutes but Chippenham equalised a minute before the break when Yan Klukowski's low cross was knocked in by Nat Jarvis. As well as scoring the winning goal Deren Ibrahim kept Chippenham out at the other end as they sought that elusive equaliser earning the Dartford keeper the man of the match award at the end of the game. Chippenham remain in 11<sup>th</sup> place after an encouraging start to their second season at this level.

Salisbury continued their good start to the season at Step 3 with a fine 4-1 away win at Chesham United to move into 8<sup>th</sup> place in the table following last season's promotion. The other promoted side Swindon Supermarine are finding life at this level slightly tougher and have yet to really find their feet. On Saturday they picked up a very useful point though at home against the league leaders Weymouth. However, they remain in the relegation positions despite this excellent result but with two games in hand will be hoping to move up the table when they get to play these matches. They can actually count themselves unlucky not to get their first league win at home after missing a hatful of opportunities against high-flying Weymouth. Former Swindon Town player Jerel Ifil, who played for Supermarine against us in a pre-season friendly, made his league debut for Supermarine having finally signed in the week. Conor McDonagh put Supermarine in front with a powerful header from Bradley Gray's cross but an error at the back allowed Weymouth back into the game, Calvin Brooks heading over Marine keeper Kevin Sawyer, a player who had helped us out of a goalkeeping crisis when we had met Flackwell earlier in the season. Supermarine then had plenty of chances to take all three points but it was not to be.

At Step 4 hats off to both Highworth Town and Melksham Town who continue to do well in their first season at this level. On Saturday, whilst Melksham were winning 3-2 away in the FA Trophy at Slimbridge, Highworth were in league action against high-flying Evesham Town. Goals from Callum Parsons and Ashley Edenborough put Highworth 2-0 up before Evesham pulled back two goals to level. Former Bassett player Rory Sproule put Highworth back in front and then Tourmani Sidibe restored the Worthians two goal advantage. However, for the second time in the match Evesham scored twice to draw back level, the equaliser coming in the final minute of the game to make it 4-4. The point lifted Highworth into 6<sup>th</sup> place, outside the play-off places on goal difference only. Melksham sit one place behind in 7<sup>th</sup>, their goals in their cup win coming from a Jon Davies penalty, Luke Ballinger and Neikell Plumber.

At Step 5 whilst we were securing our fine win over Reading City, Bemerton Heath Harlequins from the Wessex League were suffering a big shock losing 1-0 away at Corsham Print Wiltshire Senior League side Purton. Purton's hero was Daren Regis who came on as a substitute to score his first goal for the club and send his side through to the second round. Today's opponents Westbury also lost going down to a late winner at Saltash United in the FA Vase, 2-1 the score here. In the Western League Bradford Town, with Wayne Thorne taking charge for the first time, won 3-1 away at Wellington. The win was helped by Wellington having a man sent off as Bradford made the extra man count, and the win lifted Bradford Town into 5<sup>th</sup> place in the table.

At Step 6, New College's dreadful start to the season continued in the UHlsport Hellenic League Division One West as they lost 7-0 at Thornbury Town. Pewsey Vale picked up a useful point following a 0-0 draw with Newent Town. Malmesbury Victoria caused a shock when they won 2-0 away at Western League Premier Division side Roman St. George in the FA Vase. In the Wessex League Dave Coker's Amesbury Town remain second in the league after a big 6-1 away win on the Isle of Wight against East Cowes Vics. Laverstock & Ford went down 4-0 at league leaders Hythe & Dibdon while Downton secured a point in a 2-2 home draw against Alton. In the Western League the only Wiltshire winners were Calne Town who hit 5 without reply at home to bottom of the table Portishead Town. Corsham drew 0-0 at home with Radstock Town and there were defeats for Chippenham Park (2-0 at Oldland), Devizes Town (2-1 at Wells) and Warminster Town (3-5 at home to Chard).

## Diary of Wiltshire League Division One Title Winning Season - Wootton Bassett Town 1987-88

### Saturday 7<sup>th</sup> November 1987 Wootton Bassett Town 3 Corsham Town 0

#### Headline: Comfortable but uninspiring match

Wootton Bassett earned themselves a home tie in the next round of the Wilts Senior Cup with a comfortable if slightly uninspiring win against Corsham on Saturday. The first half saw Bassett well on top but failing to make the best of the time and space available to them. Too often the build up was good but the final ball failed to find the desired player. Even so Bassett went in at the interval 2-0 up, the first goal came after 25 minutes when a cross from the right to the far post was headed back for Frost to fire somewhat fortunately home with a sliced volley.

The second half saw Corsham come somewhat more into the game but despite the extra possession they never actually troubled Rees in the Bassett goal. The Bassett defence, and in particular Peter York, playing in an unfamiliar full-back position, dealt happily with all that Corsham could muster. Gradually Bassett regained control and following a period of pressure the game was made certain with 10 minutes remaining. Walker's legs were whipped away from under him when in a good position and Bowden converted the resulting penalty. Next week Bassett look forward to entertaining Avebury in the second round of the Ghia Senior Cup.

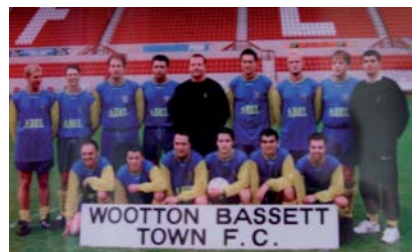

On the same afternoon.....

### Saturday 7<sup>th</sup> November 1987 Sanford Res 3 Wootton Bassett Town 3

#### Headline: Dreary game ends in a draw

Playing on a small pitch, Bassett took time to settle and the first 15 minutes saw both teams playing tight football, neither side looking likely to score. Against the run of play, the ball was passed to McLeod on the left wing, he beat the defender and fired in a shot which went through the keeper's hands - 1-0 to Bassett. Ten minutes later saw another good move by Bassett ending with White scoring a good goal at close range - 2-0 to Bassett. Bassett then relaxed and from a poor goal kick Sandford replied with a well taken goal making it 2-1. Close to half-time, Bassett's slack marking allowed Sandford to score again for the equaliser. Half-time 2-2.

Second half started much as the first with neither team making much headway. A long pass from deep inside the Sanford half was chased. Twine in the Bassett goal hesitated, and the Sanford attacker continued his run and fired past him to take the lead 2-3. Bassett never looked much like salvaging a point from a rather dreary game until about five minutes from the end when good close play on the Bassett right saw Bell slide the ball home from fairly close range for the equaliser making it 3-3. Bassett must learn to be more aggressive in their play and realise that results can only be obtained by hard work. Final score 3-3.

# Half Time Quiz

Lyric Quiz 2018-19

YEAR: **1983**

Name the artist (1 point) and song (1 point) from the lyrics below in songs that featured in the Top 10 in the year above. Answers are towards the back of today's programme.

- I wish I could fly, right up to the sky but I can't!  
You can,  
I can't  
You can!
- First, they take your pride  
Turn it all inside  
And then you realise  
You've got nothing left to lose
- Conquering myself  
Until I see another hurdle approaching  
Say we can, say we will  
Not just another drop in the ocean
- I hear the drums echoing tonight  
But she hears only whispers of some quiet conversation  
She's coming in, 12:30 flight  
The moonlit wings reflect the stars that guide me towards salvation  
I stopped an old man along the way  
Hoping to find some long forgotten words or ancient melodies  
He turned to me as if to say, "Hurry boy, it's waiting there for you"
- Some of them want to use you  
Some of them want to get used by you  
Some of them want to abuse you  
Some of them want to be abused.
- I made a break, I run out yesterday  
Tried to find my mountain hideaway  
Maybe next year, maybe no go
- Desolate loving in your eyes  
You used and made my life so sweet  
Step out like a god found child  
I saw your eyes across the street  
Who would be the fool to take you  
Be more that just kind?  
Step into a life of maybe
- Funny how it seems  
Always in time, but never in line for dreams  
Head over heels when toe to toe  
This is the sound of my soul  
This is the sound
- I play out my role  
Why I've even been out walking  
They tell me that it helps  
But I know when I'm beaten  
All those lonely films  
And all those lonely parties  
But now the feeling is off-screen  
An' the tears for real not acted, anymore
- We move like cagey tigers  
We couldn't get closer than this  
The way we walk  
The way we talk  
The way we stalk  
The way we kiss
