The Wiltshire FA have re-introduced the Wiltshire Premier Shield for Season 2019-20 after a break of 7 seasons. Whilst previously the competition involved just the 4 sides playing at Step 4 and above, the re-introduced Shield will now include the clubs playing at Step 5. This means there will be 10 teams entering this season's Shield and we will be one of the lowest level teams in the cup competition. The 10 teams will be Swindon Town, Chippenham Town, Salisbury, Swindon Supermarine, Melksham Town, Highworth Town, Westbury United, Bradford Town, Amesbury and Royal Wootton Bassett Town. The one and only season we have played in this competition before was Season 2001-2 when we defeated Bemerton Heath Harlequins in the First Round 1-0 before knocking out Swindon Supermarine 2-0 in the Second Round. We eventually went out at the Semi-Final stage losing 2-0 to Swindon Town. The First Round games are scheduled for October 7th, with the Second Round games in December. Last season all the clubs bar Swindon Town were in the Wiltshire Senior Cup, details of which are shown below.

Editorial & Club News

Welcome to this Season's FA Cup

A warm welcome to the players, officials and spectators from Aylesbury Vale Dynamos for this Extra Preliminary Round FA Cup fixture . I hope they enjoy their short stay with us this afternoon and we wish them a safe journey home.

After a good pre-season we have not made the start everyone was expecting and are now without a win against two sides we would normally be expected to win against. Our visitors today in contrast have made a perfect start winning both their opening league fixtures. They opened with a 2-1 away win at Leighton Town, who we beat at this stage of the FA Cup last season. They then followed that up on Tuesday night with a 2-0 home win over Crawley Town to go third in the league table after two games. They have in their ranks a mix of experience, with two players having played professional football overseas, and some exciting youngsters. Last season's top scorer Bruno Brito, who played professional football in Portugal, has scored in both of the two games played.

The winner of today's will be receive prize money of £2,250 and a home game against North Leigh in the Preliminary Round, whilst the loser will pick up £750. Hopefully it will be our Treasurer Mike Price who has the smile on his face come 5'O clock and I have another programme to produce. If there is a draw tonight the replay will be on Tuesday night at Aylesbury with a 7.45pm kick-off. The address is The Greenfleets Stadium, Haywood Way Aylesbury, Bucks HP19 9WZ .

FA Cup Nostalgia

Today's programme includes some FA Cup nostalgia with the "On This Date" feature looking back to our FA Cup Extra Preliminary Round win over Calne Town back in 2012. Later on in programme there is the match report from our very first FA Cup appearance back in 1938 which unfortunately ended in defeat. We then trace our side of the draw all the way to the final which saw Portsmouth beat Wolves 4-1 in the final.

Dev Team and Ladies

The Dev Team get their season underway next Saturday with a trip to Trowbridge Town. The rest of the fixtures for the month of August for the Dev Team are elsewhere in today's programme. The Ladies team kick off their season at the beginning of September with an FA Cup game of their own against Chipping Sodbury Town at home on Sunday 1 September. Their League fixtures start the following Sunday with a trip to play Marine Academy down in Plymouth in their first ever fixture in the South West Women's League Premier Division. All the Ladies fixtures for the season are again elsewhere in today's programme.

When Palmer tried to do this again, however, the ball was just too high, and rolled down the back of the net.

After another corner, taken by Palmer, Offer put the ball in the net to add still another and just afterwards Offer got his third goal, and the Hospital's fifth, from a corner taken by Winchcombe. Worsdell, the home team's inside left added the sixth and last goal, with a good shot. Fielding to the ball in the net soon afterwards, but he was offside. Rose was injured just before the end of the game, but not seriously. The teams were:-

Wootton Bassett – Palmer; Marsh and Drury; Brown, Moore and Bowles; Sawyer, Embling, Hunt, Gleed and Dunford.

Mental Hospital – Blagden; Huntley and Strudley; Harris, Jeffries and Palmer; Winchcombe, Rose, Fielding, Worsdell and Offer.

Footnote

That last season before the outbreak of the Second World War was a tough one for Wootton Bassett Town in the Wiltshire League. The side finished fourth from bottom. Star player Bobbie Brown was to be the first player to be called up for military training as the season ended. Bassett were hopeful with him being stationed at Devizes he would still be able to play for the club but in the end the league was to be cancelled the following season as war broke out and only friendly games were played, mainly against military sides.

That season Portsmouth went on to win the FA Cup and the route to Wembley that our side of the draw took that season was as follows:

- Prelim. Round: **Wilts County Mental Hospital** 6 Wootton Bassett Town 0
- 1st Qual Round: Wilts County Mental Hospital 0 **Devizes Town** 1
- 2nd Qual Round: **Devizes Town** 3 Paulton Rovers 0
- 3rd Qual Round: **Trowbridge Town** 4 Devizes Town 1
- 4th Qual Round: Trowbridge Town 1 **Cheltenham Town** 3
- 1st Round; Cheltenham T Cardiff City 1 / **Cardiff City** 1 Cheltenham 0
- 2nd Round: **Cardiff City** 1 Crewe Alex. 0
- 3rd Round: **Cardiff City** 1 Charlton Athletic 0
- 4th Round: Cardiff City 0 Newcastle Utd 0/ **Newcastle Utd** 4 Cardiff City 1
- 5th Round: Newcastle Utd 1 **Preston NE** 2

A Look Back To Our First Ever FA Cup Game

From the Mental Hospital to Portsmouth

Saturday 17 September 1938

The Wiltshire Gazette, Thursday 22nd September 1938

When Wootton Bassett visited the Wilts County Mental Hospital in the preliminary round of the FA Cup on Saturday, they were soundly defeated by 6-0. Yet, at the start of the game, it seemed as though the home team were in for a evenly-contested match, and at first Wootton Bassett were undoubtedly playing the better quality football. In the first half the Mental-Hospital lacked co-operation and team work, and although their play was not so greatly improved in the second half, it appeared that Wootton Bassett absolutely went to pieces.

The game at the beginning was closely contested, and Wootton Bassett opened the attack, so that Blagden, in the Hospital goal was kept hard at work. When the home team got away with the leather they missed several fine chances, including shots at an open goal. Eventually Offer put the Hospital one up. There were plenty of free kicks for each side during the game. Wootton Bassett took the ball away once to give the home defence a busy ten minutes, but luck was not with them. Play in the middle of the first half was fast, but indecisive, and it might have been anyone's game.

Eventually the Hospital began to get the better of the play, and were almost continually attacking, although finding difficulty in penetrating the visitors' defence, which worked hard. When they at last succeeded, Fielding added to the home score. So, at half time, the score was 2-0.

In the second half there were numerous corners, and most of them at the Wootton Bassett end. At the start Rose had bad luck for the Hospital with an excellent shot, but play became sluggish. Palmer, of the Hospital team, was cautioned by the referee after a charging incident. Winchcombe for the home team, was as usual working hard, and put some fine passes across the Bassett goalmouth, opportunities which were not always taken by the other forwards. Drury and Marsh, the Wootton Bassett backs, were working like Trojans, but corners came all too often. From one of these Palmer made the Hospital's score up to three with a finely judged shot, which with the combination of the wind and the turn on the ball, made it just into the visitor's goal.

Shrivenham on Tuesday Night

It was a disappointing night on Tuesday but we were our own worst enemies at times. Individual errors at the back were responsible for all three goals conceded and then young Rhys' indiscretion, which resulted in his sending off, certainly didn't help the cause, especially when we already had a player in the sin-bin at the time. Rhys reminds me of former player Geoff Swatton, who played under Pete Yeardley and Mick Byrne, always playing on the edge but a fantastic player who always knew where the net was. People need to remember that Rhys is still a youngster and still, in my view, trying to work out where that edge is. On Tuesday he stepped over it but he more than anyone will know he let his team mates down and will be keen to put it right as soon as possible. He will be punished for his misdemeanour by the FA in due course. What he probably needs now is one of the more experienced players on the pitch to give a little bit of guidance, metaphorically put his arm round him and steer him in the right direction. From what I saw on Tuesday the team has some fantastic individual players but we seem to be missing a good leader/organiser, someone like Mark Vaughan or Tony Maciek or Mick Byrne when he played, who can give that guidance and support to our talented youngsters from the pitch. This does not have to be your captain, hopefully a player will step up into that role today in what is the most prestigious competition in which we play.

Bluefin Sports Challenge Cup

The draw for the Second Round of the Bluefin Sports Challenge Cup has now been made and we have been drawn away against Stonehouse Town with the game scheduled to be played on Saturday 17th August 2019. Stonehouse are in their first season in the Hellenic League and play in Division One West having been promoted from the Gloucestershire County League last season, having finished in 3rd place in that league. They opened their first season in the Hellenic League with a 3-1 defeat at Clanfield 85, never an easy place to go as we found out two seasons ago when we scraped a 1-0 away win courtesy of a goal from a certain Sam Collier. Anyone wishing to travel to support the lads at Stonehouse the address of the ground is as follows, Oldends Lane, Stonehouse, Gloucestershire GL10 2DG..

Finally I hope you all enjoy today's encounter in the prestigious FA Cup, neither side playing here today will make the final at Wembley but you can be sure both will be keen to go as far as possible in this season's competition and I am sure you are in for a good game.

Opponents In Focus

With Aylesbury having dropped down from the Southern League at the end of last season it is hard to judge whether they have assembled a side to bounce back at the first attempt, subject to meeting ground grading requirements. It is interesting to note that they have played three sides from the UHlsport Hellenic League in pre-season. They opened their pre-season campaign with a 4-0 win over our opponents on Saturday, Holmer Green. They then met southern League Premier Division opponents Beaconsfield Town, going down 2-0 to higher league opposition. Their second Hellenic League opponents were another Premier League side, Ardley United, with Aylesbury winning 2-1 making it two wins out of two against sides from our division. Next up were Division One East side Risborough Rangers, a side who have moved over from the Spartan South Midland League Division One for this coming season. On the same sweltering night that we met Chippenham Town, Aylesbury went down narrowly 1-0. Their final pre-season game was against Spartan South Midland side Berkhamstead.

Saturday saw them open their Spartan South Midland league campaign with a trip to Leighton Town. On what can best be described as a "difficult pitch" both sides sought to get the ball forward as quickly as possible looking for knock-ons rather than playing through the midfield. Whilst the home side had the better of things in the first half there were few chances created until Aylesbury went in front on the half hour mark, midfield player Bruno Brito firing in with a powerful left foot shot. Leighton got themselves back in the game when a cross from the right to the far post was headed in. Aylesbury went back in front three minutes before the break when tall centre half Dan Wilson came up for a corner and rose above everybody to head powerfully into the net to make it 2-1. Before the break Aylesbury lost one of their centre backs Lewis Strafford after he landed badly and had to be assisted off the pitch. Second half saw limited chances for either side but Leighton ended the game with just 9 men (one sent-off and one in the sin-bin) and were unable to get the elusive equaliser as Aylesbury opened their league campaign with a win. Tuesday night saw them win 2-0 at home, Bruno Brito with his second of the season and young Abu Khan with the other goal that saw Aylesbury gave 3rd in the table .

Opponents History

Aylesbury Vale Dynamos is an amalgamation of Aylesbury FC and Bedgrove Dynamos, two local clubs with a rich history in local football. Aylesbury FC enjoyed a long history in senior and junior football dating back to the 1930's under the previous names of Aylesbury Vale, Haywood United, Belgrave, Stocklake and Negretti and Zambra FC, which was founded in the 1930's by workers at the Negretti and Zambra company then based in London's King Cross district. The company moved to the Stocklake Industrial Estate, Aylesbury.

In 1949 and by the mid 50's the premises had a bar, football, cricket and tennis facilities. The football club joined the Aylesbury District League in 1954. The social club changed its name to Stocklake when Negretti and Zambra sold the premises to the local council, who then leased the facilities; hence the different sections adopted the name Stocklake. Under the guidance of Chairman Mr Ernie Crotty, the club gained many honours including runners up in ADL's top divisions, before gaining intermediate status in the Wycombe and District League first and senior divisions. Sadly Ernie was killed in a road accident just before the club moved premises to the present location at Haywood Way in 1987.

After gaining senior status and promotion to the Chiltern League in 1988, Stocklake enjoyed many further successes including Division One runners up in 1991, Premier Division and League Cup runners up the following season and Wycombe Senior Cup success in 1995. Cup success was also followed on in the following season, this time the Berks and Bucks Intermediate Cup being added to the trophy cabinet. Belgrave FC was formed in 1983 by Jim Sullivan who lived in nearby Belgrave Road. Jim had two sons who were passionate about football but were limited to where they could play, so formed a team himself with the help of neighbours Lynne and David Hatcher. By 1990, under the guidance of Danny Martone, Belgrave had grown to five youth teams providing football for over ninety boys from the Quarrendon and Haydon Hill areas of Aylesbury. 1996 saw the forming of two senior teams under the Belgrave FC name and by the turn of the millennium teams were represented at all levels from Under 8's through to seniors,

At the start of the 2000/2001 season, the senior Belgrave FC team was renamed Haywood United following an amalgamation with Stocklake FC with Danny Martone voted in as chairman of the new club. Haywood United joined the Spartan South Midlands League and won promotion into Division One after two seasons. Notable achievements during the 2001/2002 season included league awards for the best kept and most improved ground; this included the erection of floodlights and perimeter fencing, which Danny and his hard working committee fought hard to establish. Season 2002/2003 saw a difficult start in Division One, but with the arrival of manager Jon Franklin and his assistant Keith Walker just after Christmas, the club eventually consolidated finishing in 9th place. Promotion was gained to the South Midlands Premier Division the following year after a campaign that saw 23 wins, 7 draws and only 4 losses. Haywood United proved themselves capable of staying in the Premier Division after finishing 3rd in the 2004/2005 season in a campaign that only include one loss in the twenty matches after Christmas.

Veterans & U18 Floodlit Team

The Veterans Section have entered two teams in the new Veterans Division of the Corsham Print Wiltshire Senior League. The County League has taken over from the Wiltshire FA running veterans league football having established a critical mass. The FA will continue looking to develop veterans football in the south of the county which is still unrepresented in the first season of the new league. In the final "season" under the Wiltshire Flexi-League the Royal Wootton Bassett Town Blue side went close to winning the title but eventually lost out to the most successful side in the veterans category, Marlborough Town.

Eleven teams have entered the new league and will be split into two divisions as follows:

North Wiltshire Division

- AFC Swindon
- Defence Academy
- Marlborough Town Vets
- Royal Wootton Bassett Town Blue
- Stratton Juniors
- Swindon Rovers

Mid Wiltshire Division

- Chippenham Yard Dogs
- FC Calne
- Holt
- Royal Wootton Bassett Town Yellow
- Trowbridge Tigers

The club has re-entered an U18 team in the Corsham Print Wiltshire Senior League. The U18 side were first members of the U18 Division of the Wiltshire Senior League in Season 2015-16 when they won the North Division but lost the play-off against the South Division winners Melksham Town to finish as runners-up. After finishing fourth in the North Division in Season 2016-17 they withdrew from the league and return for Season 2019-20 after a two year absence. The side will be managed by Shane Saunders, playing home games on a Thursday night.

Bassett will be joined in the league for Season 2019-20 by Calne Town, Chippenham Town, Downton, FC Chippenham, Melksham Town, New College Swindon, Pewsey Vale, Radstock Town and Shrivenham.

Hellenic Premier Round-up

Midweek Action: Binfield, Reading City, Fairford & Westfields make it two from two

Binfield made it two wins from two on Monday night with a 2-0 home win over near neighbours **Windsor** in a match that saw a bumper crowd of 271. A first half goal from Danny Horscroft gave them the lead at the break and they added a second through Asa Povey on 64 minutes. The following day Windsor manager Mick Woodham resigned on the back of two straight defeats.

Another side who made it two wins from two games on Monday night were **Reading City**. A solitary goal from Josh Blackwood just before the break was enough to secure the points in a 1-0 win over **Burnham**, who also are a side to open the season with back-to-back defeats.

Tuesday night saw two further teams secure a 100% record from their opening two games. Ben Hayes opened the scoring for **Westfields** on 6 minutes in their home game with **Longlevens**. Richard Greaves made it 2-0 before Brad Martin pulled one back for Longlevens. Late goals from Ryan Green and Aidan Thomas secured a 4-1 win to take Westfields to the top on goal difference.

Fairford have made a great start to the season and maintained their 100% record with a 3-1 win at **Lydney** to go second in the table.

Virginia Water picked up their first win of the season and remain unbeaten following a 3-1 home win over **Easington Sports**, two goals for Liam Whyte and one for Joel Drew, Callum Convey with the consolation goal for the visitors.

Two goals from Jack Taylor gave **Flackwell Heath** all the points in their local derby encounter with **Holmer Green** to secure their first points of the season.

Bishops Cleeve also opened their account for the season with a 4-0 home win over **Tuffley Rovers**, Jack Watts helping himself to a hat-trick, Liam Wright with the other Bishops Cleeve goal.

Whilst we were pressing the self destruct button once again in our local derby with Shrivenham (see elsewhere in the programme for the match report), **Ardley United** and **Brackley Town Saints** were sharing two goals and the points.

The club also entered the FA Cup and Vase for the first time and won the Buckingham Charity Cup in 2006. Season 2006/2007 began with Haywood United becoming Aylesbury Vale FC and saw Keith Walker and Steve Gleinster take over as joint managers and steadily build a squad. This was recognised in the 2008/2009 season, under the management of Mark Eaton, with a good cup run in the FA Cup and FA Vase, winning three rounds in the FA Cup losing to Level 4 side Gosport after a replay, and losing out in the 4th round of the FA Vase to Leiston Town. After Christmas the side suffered due to long term injuries and finished mid table. May 2009 saw a major new development in a new semi professional side vote for a name change. Aylesbury Football Club was formed under the leadership of Chairman Roger Dance and assisted by Vice Chairman Danny Martone.

Former Chairman Bill Harrison was made President of the club. Great success on the field of play was to follow, with the team having a fantastic run in the F.A. Cup. We were the last 'level five' team in the country to remain in the competition and were rewarded with a visit to Haywood Way for the F.A. Cup trophy, allowing the team, supporters and local people to get their hands on this famous trophy and make the most of this memorable occasion. We were finally knocked out of the competition by Wealdstone in a close game. A brave and superb display was witnessed by a bumper crowd of 800 plus.

Meanwhile, away from the midst of F.A. Cup drama, our success continued, becoming 'Double Winners' Winning both the Spartan South Midland League and League Cup capping an extraordinary season and gaining promotion to the Southern League Division 1 Central. Steve Bateman took over in 2013/14, steered the club to safety in his first 6 months in charge. Then in 2014/15 with Bateman at the helm FC has their most successful season to date most successful to date. Playing at the highest level in the club's history, the team finished third in the League, having been pushing for promotion all season and narrowly lost out in the semi final to Bedworth United having already beaten them twice in the league. The 2015/16 finished with a flourish as the club finished just outside the play off positions, but had the consolation of our first major Cup Final, beating Chesham United in the Berks & Bucks Cup at Windsor. Steve Bateman and his management team resigned at the end of the season and Danny Gordon & Gareth Risbridger took the helm, supported by Paul Bonham, Ryan Wiffin & Aaron Norman. Davis Haule took over from Gordon & Risbridger in December 2016, appointed brother Brian as his assistant and recruited former coaches Fraser McLachlan, Aaron Wiffin and added Ryan Collings to his back room staff for the 2017/18 season.

In 2018/19 Scott Reynolds was appointed manager and when he resigned midway through the season it was left to Paul Bonham to take control but because of ground grading issues the Southern League made the decision to relegate the club and so after ten seasons in the Southern League the club will start the 2019 season in the South Midlands League after what has been a difficult and turbulent period. In 2019 two became one when Aylesbury amalgamated with youth side Bedgrove Dynamos with the intention of allowing the youth of the town to progress through junior football to youth and then adult football and play at the highest possible level.

Brad Pagliaroli

Pagliaroli is entering his second season with Bassett after claiming the Players' Player and Supporters' Player of the Year awards for an outstanding debut campaign at the Gerard Buxton Sports Ground. He is an exciting attacking player with a sublime touch, great skill and excellent ability in front of goal.

Pagliaroli is capable of playing through the middle as a centre forward or out on either wing. He is arguably at his most dangerous when cutting in from out wide on the right onto his favoured left foot though, and did that to superb effect last year. In forty games, Pagliaroli finished as second top-scorer with eighteen goals. His haul included a pair in the season opener against Tuffley Rovers, the matchwinner away against Leighton Town in the FA Cup and further braces in wins against Lydney Town, Reading City and Holmer Green.

Previously, Pagliaroli featured for Wantage Town in 2014-15, splitting time between their Southern League and Hellenic League Division One West sides. He then made his Hellenic League Premier Division debut with Thatcham Town a season later, scoring four goals in seventeen appearances, twelve of which came from the bench. After a brief return spell in the Southern League with Wantage, Pagliaroli joined Binfield in 2016-17, where he spent the best part of a season and a half.

Thirteen games in 2016-17 yielded three goals before he really made a name for himself two seasons ago. Beginning the campaign with the Moles, the forward scored eleven times in 32 appearances before moving to Letcombe, where he netted twice in three games.

Pagliaroli has also featured for Kintbury Rangers in the North Berks League, scoring six times in seven games for them in 2016-17.

2018-19: 40 appearances, 18 goals

Bassett present Shrivy a derby gift

Gerard Buxton Ground, 6th August 2019

Royal Wootton Bassett Town 2 Shrivenham 3

Ill-discipline and costly errors – two recurring problems for Royal Wootton Bassett Town – combined to gift wrap a 3-2 victory to local rivals Shrivenham in Bassett's home opener as their sluggish start to the 2019-20 campaign continued. Sam Collier's team had looked to be in the driving seat after Danny Langford headed them in front after just quarter of an hour. But the game turned in the space of twelve first half minutes. First the visitors conjured up a simple equaliser through Josh Morse before a moment of madness from Rhys Talmash saw Bassett reduced to ten men. Then, five minutes before the break the home side switched off at a set piece and Ryan Stanners ensured they went into the break behind. Playing with ten men for the best part of an hour was never going to be easy. Even more so when chasing a two-goal deficit as was the case when overplaying at the back enabled Sam Ockwell to score a well-taken third for his team ten minutes after the restart.

Although Callum Parsons' late penalty got his team to within a goal and the visitors' own sloppy discipline saw numbers evened up, it was all too late for Bassett who, again, were the instigators of their own downfall. Ultimately, Shrivenham didn't really have to work that hard for the three points. You'd assume that scoring three goals in a derby victory away from home would be the consequence of an excellent attacking display. Yet, aside from their three goals, they only really had one other chance of note in the game – after just seven minutes when Ollie Rejek dragged a shot straight at Declan Lehmann after Josh Morse had teed him up. And, after Talmash's dismissal, it was never readily apparent that they were playing with a man advantage.

That's not to take any credit away from Gareth Davies' team. They were hard-working, solid across all areas of the pitch and, most importantly, took their chances when they came and were not guilty of defensive errors. They fell behind to a well-worked goal. A minute earlier, the Shrivenham defence had been exposed down the right-hand side as Brad Pagliaroli and Tinashe Gwavava linked up well, the latter crossing for Talmash who volleyed over. And it was down that flank that the goal was created. Gio Wrona's diagonal ball picked out Pagliaroli, who cut inside and fired at goal from an angle. His shot forced an excellent save from Mike Alexander, who parried the ball onto the bar.

So here we are again, the summer is finally done and competitive football is back for us all to enjoy. As a football fan this is the time of year that we all love. It is the moment where anything seems possible, a battle for the play-offs or maybe even a push against all the odds for promotion. Nothing beats that feeling on the season's opening day. Watching a raft of new signings take to the pitch, reconnecting with old friends after a long summer away and of course, tucking into a pre (and sometimes even post-match) pie. Personally, I feel as though this excitement at the start of the season is amplified in Non-League, more so than in the country's higher divisions.

Open any sports publication over the next few weeks and you will be treated to page after page of Premier League previews, analysing to the finest detail every single signing, formation and style of a play that a team could possibly adopt. Sure it can be interesting but it means that when the season kicks off there are no unknown quantities. In Non-League the opposite is true. There is a reason why the overall conclusion of every single league is so hard to call, from down at the bottom of the pyramid to right up in the National League. Of course we go to great lengths to preview the leagues and over the past few weeks we have brought out a lot of material looking ahead to the upcoming campaign but in truth there are just so many aspects which make the new Non-League season so unpredictable. With unproven new signings, previously unknown managers and even entirely new squads taking to the field, nothing can beat the start of the Non-League season for excitement!

Another Channel Island club!

It was brilliant to see new Step 6 side Jersey Bulls take to the field for their first ever professional match at the weekend. They have followed Guernsey to become the second Channel Island club to enter the Non-League pyramid. Having spoken extensively to Guernsey manager Tony Vince over the last few years I have become well accustomed to the huge logistical challenges that are involved with running a side just a matter of the kilometres from the French coast. Early morning flights and accommodation need to be regularly booked, which certainly doesn't come cheap, so I take my hat off to those behind the formation of the new club. Over the last few years Guernsey have managed to galvanise a brilliant level of support from within the island and I feel confident that Jersey will be able to do exactly the same!

On This Date

It is only in recent seasons that games have been played on this week in August so we are limited to find other matches played by the Club on **10th August**. One such game played on this date was another Extra Preliminary Round FA Cup game played on Friday 10th August 2012 when local rivals Calne Town were our visitors in the very first game in that season's competition. In hopefully what will be a good omen for today's encounter it was a good day for Wootton Bassett Town.

Our Match Day reporter noted that “Wootton Bassett Town's name will never be engraved on the grand old trophy, but they ensured a place in FA Cup history with a pulsating 4-2 victory against local rivals Calne Town, becoming the first team to record a win in the 132nd edition of the competition. Admittedly Bassett will have to share the distinction with Ascot United and Thrapston Town, who also triumphed on a balmy summer's evening. However – for a small club – most would forgive the Rylands Way outfit for boasting about such an accolade in future years.

There could be no challenges to the claim that their all-Wiltshire tie was a barnstormer, however. All 248 souls undoubtedly went home happy in the knowledge that they got their money's worth and more. Drama, controversy, outstanding play. The game had it all as the home side came back from a goal down, benefited from Calne missing a penalty and powered to glory with a strong second half showing.”

Two goals from Mark Barnes and one a piece from Bassett lads Shaun Terry and Steve Yeardley secured the win for Wootton Bassett Town in what was our last season at Rylands Way.

Result: Wootton Bassett Town 4 Calne Town 2

Bassett Line-up: James Domm, Jack Ellis, Liam Edmondson, Adam Corcoran, Shaun Carter, Craig Bowden, Steve Yeardley, Matt Bown, Mark Barnes, Shaun Terry, Richie Carter. Subs: Aaron Dainton, Lewis Petrie

Scorers: Mark Barnes 2, Shaun Terry, Steve Yeardley

Man of the Match: Steve Yeardley – battled away in midfield, helping contain the visitors in an area of the field they looked to control. In attack, his speed of thought set up Mark Barnes for his first, while his goal was deserved and superbly taken..

But to the 'keeper's misfortune, it dropped for Langford and he headed in from ten yards. Pagliaroli was the creator of two further chances in the next ten minutes of the game. The first saw him force another decent save from Alexander before Parsons could only produce a weak shot from Pagliaroli's square pass. Those missed opportunities proved costly when Wrona showed Stanners too much space on the right side. The winger then fed a through pass to Rejek, who squared to Morse for the easiest of tap-ins. Bassett's task soon became even harder. Already a man down – albeit temporarily – after Langford had been sin-binned, Talmash, having fouled Jamie Pricor, decided to headbutt the right back in a moment of rage that he will surely have immediately regretted.

It certainly was no help for his team. And Bassett soon trailed, Stanners sweeping in on the turn after Tom Ballard's corner fell kindly for him. Stanners was then involved in Shrivenham's third shortly after the restart. One too many passes across the backline when they had multiple chances to clear ultimately led to Stanners seizing on an underhit Tom Cole ball. Tyron Leigh blocked an attempted through ball, but it fell perfectly for Ockwell, who shot a cannon into the bottom right corner from twenty-five yards. It was a great finish, but a shot the visiting skipper should never have had the opportunity to take on. Bassett sought to find a way back into the game, but the odds were now stacked well against them. Two jinking runs from Pagliaroli brought Alexander back into action as he repelled a pair of tight-angled efforts around the post. But it seemed as though the home side were going to be unable to find a way through. That was until Shrivenham's discipline began to falter. With twenty minutes to go, Nathan Blackford needlessly dragged Cole down in the box when challenging for a free kick. Why he felt the need to protest is unclear, but it wasn't enough to put Parsons off his task as the forward sent Alexander the wrong way from the spot. Cards began to be produced at a first rate as both teams continued to frustrate one another with niggly, careless fouls. And Dave Bampton's second yellow for a challenge on Pagliaroli earned him an early shower with five minutes remaining to even things up. Had Bassett been able to keep their full contingent on the pitch, perhaps they would have been able to muster an equaliser and salvage a second consecutive 3-3 draw in the closing stages. However, Talmash's earlier transgression meant it was a battle of equals and Shrivenham were able to protect their lead and preserve victory.

Man of the Match: Brad Pagliaroli – while he didn't get on the scoresheet, the winger was Bassett's main source of danger throughout the game and forced four quality saves from Shrivenham 'keeper Mike Alexander.
