The Wiltshire FA have re-introduced the Wiltshire Premier Shield for Season 2019-20 after a break of 7 seasons. Whilst previously the competition involved just the 4 sides playing at Step 4 and above, the re-introduced Shield will now include the clubs playing at Step 5. This means there will be 10 teams entering this season's Shield and we will be one of the lowest level teams in the cup competition. The 10 teams will be Swindon Town, Chippenham Town, Salisbury, Swindon Supermarine, Melksham Town, Highworth Town, Westbury United, Bradford Town, Amesbury and Royal Wootton Bassett Town. The one and only season we have played in this competition before was Season 2001-2 when we defeated Bemerton Heath Harlequins in the First Round 1-0 before knocking out Swindon Supermarine 2-0 in the Second Round. We eventually went out at the Semi-Final stage losing 2-0 to Swindon Town. The First Round games are scheduled for October 7th, with the Second Round games in December. Last season all the clubs bar Swindon Town were in the Wiltshire Senior Cup, details of which are shown below.

## Welcome to Season 2019-20

A warm welcome to the players, officials and spectators from Shrivenham for this opening UHlsport Hellenic League home fixture of the 2019-20 Season. I hope they enjoy their short stay with us this evening and we wish them a safe journey home.

As I noted in the programme at the end of last season, the football season seems to have shifted with an earlier finish but a much much earlier start. This season seems to have taken this to a new level, probably driven by social media, as clubs were announcing pre-season friendlies before they had finished the last season and some were even announcing players for the new season two months before signing-on forms were available and anybody could actually register any players on the Whole Game System! A tweet from Westbury United, who have a very entertaining Twitter feed, made me laugh with a comment about all this when they posted, "Just because we haven't been 'announcing' any players 3 weeks before the forms come out doesn't mean we haven't been busy. Viv has signed on to do the teas for another year, Nige has committed to the gate and Butch has promised to keep shouting at the opposition".

Being involved in a league myself I fully understand why preparation for the new season has to wait until all the AGM's are out the way, affiliation for the new season sorted and for me 1 July is a sensible date for allowing registrations to start. Club Secretaries and league officials need a little bit of a break. For the UHlsport Hellenic League officials the summer recess has been particularly tough with the league allocation discussions with the FA going on for so long and all the various appeals meaning there was a lack of certainty about the current season. As a consequence there has probably not been a break between the two seasons. The lack of transparency over the league allocations process means club's are not in a position to pass informed comment on why things have transpired the way they have but I wonder if some of the problems could be avoided if there was more transparency from the FA about the process? In business you would seek out soundings before coming up with a re-structuring proposal, I just wonder if the FA actually sought soundings from club's and league's ahead of any lateral moves and publishing of proposals they would reduce the number of appeals? I am sure lessons have been learnt and the task they have is not an easy one and it is impossible to ensure everyone is kept happy.

## Sam's Signings

Sam has made so impressive signing's over the summer and by this I don't just mean the new players but also the retaining of those that performed so well for us last season. I was really pleased to hear that Brad Pagliaroli and Danny Langford had re-signed for the new season. In the games Danny played for us last season he caused opposition defences all

Performances in preseason have been strong, reflecting both the quality in the squad and the recognition on behalf of the players that every place has to be earned. Bassett began with a 3-3 draw against Radstock Town, conceding twice late on after a number of substitutions, having held a commanding 3-1 lead. Eight goals without reply were then put past Wiltshire County League side Cricklade Town before an outstanding display away against Southern League Cirencester Town sealed a hugely impressive – and improbable – 7-2 triumph. Another away trip to Western League Bradford Town saw Bassett demonstrate their resilience. After going 2-0 behind, they proceeded to score three unanswered second half goals to take the victory. Playing against National League South Chippenham Town – in a family affair for Sam Collier and his father Mark, the Bluebirds' boss – Bassett gave a solid account of themselves, ultimately falling to a 2-0 loss. They then drew their final tune-up fixture – a tempestuous affair against Forest Green Rovers Under 18s – 2-2. Bassett have shown much promise this summer. Now that needs to translate into the season proper if they are to fulfil the lofty targets they have set.

# Looking Ahead Season 19-20

The 2018-19 season was Royal Wootton Bassett Town's twelfth playing in the Hellenic League Premier Division. And it was also the first time that they avoided a bottom half finish. However, by virtue of ending up tenth out of nineteen teams, they still failed to crack the top half of the table. A middling run following the turn of the year – a familiar theme in recent seasons - was the reason behind that failure as just four extra points would have seen Sam Collier's team wind up eighth. Given that situation, you would think that the goal for the 2019-20 campaign would be to finally break into the top half; anything extra would be an added bonus. But this year Bassett are aiming higher.

Collier and his assistant Matt Bulman will not just be content with, say, sixth or seventh place. Instead, they are aiming for the top positions in this year's Hellenic League Premier Division. And with extra promotion places available at the end of this season due to the latest restructuring of the non-league system, they will be hoping that Bassett will be in the mix for one of those spots. It is a lofty ambition. Yet, based on Bassett's summer recruitment and, similar to 2018-19, the likely competitive nature of the division, why not be bold? Bassett's attack in particular has the potential to cause plenty of problems for opposing defences. Last season's leading scorer TJ Bohane may have departed for Highworth Town. But with the retention of eighteen-goal Brad Pagliaroli, and the additions of Callum Parsons, Danny Langford and youngster Rhys Talmash, Collier has multiple dangerous frontmen at his disposal. It would be unfair simply to concentrate on his attacking signings though, as the Bassett boss has, on paper, improved his side across the pitch. Central midfielders Jonny Davoile and Callum Wright, who arrive from Wantage Town, bring title-winning know-how. Meanwhile, promising talent Alfie Presley will inject extra creativity in wide areas.

Experience and youthful vigour have been added at the back too. Centre half Tom Cole brings the former, while full backs Tinashe Gwavava and Tyron Leigh and central defender Zak Eadle provide the latter. ' Keeper Declan Lehmann, signed on a season-long loan from Chippenham Town, will also ensure consistency and security in the last line of defence, something that was missing in 2018-19. There's plenty of strength in depth – and competition for places - too, with the majority of last season's side re-signing and defender Chris Jackson returning after a year with Shrivenham.

kinds of problems and I am sure he and Brad will link up well. Rhys Talmash, Jonny Davoile, Tinashe Gwavava, Declan Lehmann and Callum Parsons are also great signings and showed what quality players they are in the pre-season programme of games. With Matty Bennett, Gio Wrona amongst others committing again for another season there is a great buzz about the club at the moment that we could be challenging for promotion this season. After picking up a point away at Holmer Green on Saturday, hopefully we can kick start our season with a win here tonight against our local rivals.

## Sin Bins

Whilst the players we sign is going to be a massive factor in how well we do this season, another key factor will be how we adapt to the introduction of sin bins. Hopefully we will embrace the introduction of the concept, adopting a Brian Clough style approach to dealing with match officials from now on. The sin bins could have a big say in how teams do this season and we need to make sure that for us they will not be a problem. I am sure pre-season training will have focussed on how to defend if we do suffer a player or players going into the sin bin and also how to take advantage if an opposition player is temporarily dismissed. It was good that we experienced sin-bins in our pre-season games. It is a shame that the FA were not allowed to introduce a "blue card" concept for the sin bins as this would certainly have aided understanding for everyone involved, including spectators. Hopefully everyone will quickly get used to the concept and, in the end, they do not become a big factor in deciding games and ultimately titles. A guide to Sin Bins for spectators is included in today's programme.

## Premier Division

Last season's Premier Division title race was very open and I would expect a similar story this coming season. Predicting what will happen is a bit of a mugs game, as Football in Bracknell found last season when they tipped us to finish rock bottom, as until the season gets underway you don't really know what sort of side each club will put out. I expect that given how Westfields have performed in the last few seasons in the Midland League they will be there or thereabouts. I expect Binfield to definitely be challenging for the title given some of the signings they have announced. Brimscombe and Bishops Cleeve are always strong sides at this level. I expect Windsor to also be up there as well, especially if they get off to a better start than they did last season, although I understand they have lost their keeper and Barry Hales. Shrivenham went on a fantastic run in the second half of the season after signing Antonio Gerrish and no doubt will be keen to repeat or even better their top 5 finish with Gerrish having re-signed. Last season, on their day, every side was capable of beating the other, and I expect it to be no different this season. Narrow margins will define things I am hoping that sin bins don't become the non-league equivalent of VAR.

# From The Governor

Good evening to all and welcome back to the football season, also a very warm welcome to Gareth, Alex, and the players of Shrivenham.

Myself and Matt have had a very busy summer recruiting the right players and we are delighted to have brought in what we have, we targeted a mix of young and passionate lads which we feel will give us energy and drive, along with a few wise heads who will be perfect for the young lads,

After a very pleasing pre season in training and the games we felt we were all set for the league season to start, we travelled to Holmer Green with a fantastic 16 lads and ready to go, we were slightly sluggish for the first half with signs of the quality shown in Pre season. The lads shown huge togetherness to bring back a point and I was very pleased in the end.

I would like to say a huge thank you to Ian, for arranging all the signing on forms and making sure all done on time. Top man mate

Last season we shown excellent form at home and I really hope it continues this season starting this evening.

Please enjoy the game and look forward to seeing you all in the bar afterwards.

# Hellenic League News

After what can best be described as a tough summer for the officials of the UHlsport Hellenic League Premier Division for Season 2019-20 is once again set to run with just 19 teams rather than the desired full complement of 20 teams, whilst the Premier Division in the neighbouring Combined Counties and Western Leagues both run with 21 teams in their top division. This is the final outcome following numerous club appeals over the summer months relating to lateral moves initially proposed by the FA. The Premier Division has suffered with Ascot United having been transferred away to the Combined Counties League, which will dramatically reduce their travelling, followed by Chipping Sodbury then winning an appeal against their lateral move to the Hellenic. With this appeal having been won it was, I guess, too late and unfair on Ascot to transfer them back and too late to propose any more lateral moves. As a result of the promotion of Wantage Tow, the relegation of Abingdon United and Ascot's transfer, it means that we will have just three different journeys to make in Season 2019-20 these being to Burnham, Easington Sports and Westfields. Holmer Green have remained in the Hellenic League for a second season.

Whilst the Premier Division lost out in the summer deliberations of the FA's National League System Committee the two Division One's both gained as the FA eventually allowed teams to be promoted from the Hellenic Division 2's to fill vacancies after other avenues to fill the divisions had been explored. With the final steps in the National League System to take place next summer the expectation going forward is that promotions will fully respect the pyramid in future seasons., with the new teams coming from the Feeder Leagues.

## Hellenic Premier Round-up

### Sat 03-08-19: Westfields Start Season in Style

**Westfields** kicked off their first season in the UHlsport Hellenic League in style defeating **Windsor** by five unanswered goals. The Hereford-based outfit's five goals came from Billy Murphy (two including a penalty), Aidan Thomas, Keanu Cooper and Sam Rawlings.

A 93rd minute winner from Harry Williams earned **Lydney Town** all three points from their game away at **Flackwell Heath**, this after Joshua Baines had thought he had secured a point for Flackwell with an equaliser three minutes from time. Former Bassett player Lewis Thompson had put Lydney in front on 11 minutes.

Hosts **Ardley United** came from a goal behind to beat one of the promotion favourites **Bishops Cleeve**, Callum Harvey snatching the winner five minutes from time. Liam Wright had put Bishops Cleeve in front on 23 minutes but Twariq Yusuf had equalised for Ardley on the stroke of half time.

Top result of the day goes to **Binfield** who made the long journey to deepest Gloucestershire and returned with all three points after defeating another one of the promotion favourites, **Brimscombe & Thrupp**. A solitary goal from Asa Povey did the damage and Binfield's defence survived a few second half scares to take the points.

**Fairford Town** returned from **Burnham** with all three points after an excellent opening day 3-0 away win, three former Bassett players, Dan Bailey, Harvey Scholes and Ben Lodge with the goals.

**Easington Sports** were playing their first ever game in the Premier Division on Saturday but unfortunately for them it did not have a happy ending as they lost 3-0 at home to **Longlevens**. On target for Longlevens were Isaac Johns, Shaun O'Conner and the prolific Bradley Martin.

Former Bassett player Antonio Gerrish gave tonight's visitors **Shrivenham** the lead away at **Reading City**, but three unanswered second half goals from Devon Reid, Khalid Simmo and Mo Davies saw Reading take the three points. Whilst we were coming back from a 3 -1 deficit away at **Holmer Green** to take a point (see elsewhere in tonight's programme for the match report), **Virginia Water** and **Tuffley Rovers** were sharing four goals and also sharing the points. Finn Evered and Joe McBride put Virginia Water into a 2-0 lead but goals in the last 20 minutes from Declan Earwaker and Luke Trill ensured a share of the points for visitors Tuffley.

**Gareth Davies – Manager**

Gareth was appointed manager during September 2017 and steered the club to promotion from the UHlsport Hellenic League 1 West at the first attempt, having won the same division the previous season in charge of Fairford Town.

**Alex Stanley – Asst. Manager/Coach**

Stanley has a wealth of experience to bring to the club. Played at Weston-Super-Mare, Farnborough and Yeading, where he won back to back promotions. He later went on to play at Chippenham Town, Yate, Cirencester Town, Swindon Supermarine and Didcot Town where he ended his playing career in 2013.

**Macauley Dodson – Defender**

With experience at Supermarine, Highworth Town, Chippenham Town and Forest Green Rovers, the player has helped strengthen the side's defensive capabilities.

**Liam Edmondson – Defender**

Class act at the back. Works hard to deal with any goal threat and misses very little. Good pace, awareness and copes comfortably at this level. Really good addition to the team.

**Aaron Dainton – Defender**

Was the defender with the most appearances for the club last season. Goes about his role without fuss and is the kingpin at the heart of the backline.

**Liam Walters – Midfielder**

Youngster who only played a bit-part towards the end of last season, but has caught the eye of the management team and has been re-signed for this new campaign.

**Antonio Gerrish – Forward**

Joined on loan from Cirencester Town late last season but finished as the clubs top goal-scorer with 13 goals from 19 appearances. Massive amount of natural talent and expected to be pushing for the Golden Boot once again this season.

**Lewis Petrie – Forward**

Lewis arrived at the club from Fairford Town, following his former boss Gareth Davies over to Barrington Park during the 2017-18. Last season the attack-minded player saw a return of 10 goals from 27 appearances at the higher Step 5 level and he'll be hoping to push on further this season.

**Danny Hale – Forward**

Another player who followed the management team from Fairford Town. Tough, no nonsense player who gets the job done.

**Chris Robinson – Asst. Manager/Coach**

Chris joined the club with manager Gareth Davies during September 2017 and helped secure a double of promotions in as many seasons, having assisted in guiding Fairford Town to the crown the previous year.

**Mike Alexander – Goalkeeper**

Arrived at the club during the 2017-18 season and was a major part of the side who recorded the clubs highest ever league finish last season. Picked up the Players Player of the Season award for his efforts.

**Sam Ockwell – Defender**

Last season's captain and is a fantastic reader of the game in the heart of the midfield. A true leader on the pitch and always gives 100% and was the Supporters Player of the Season last year.

**Josh Morse – Midfielder**

Third successive season at the club and although last term saw him suffer from injury, he still managed 25 games and scored 6 goals. Has bags of ability and after a good pre-season, is looking at returning back to his best.

**Luke Cordery – Midfielder**

One of the players who joined from Fairford, following the management team to Barrington Park and has been a regular in the side ever since.

**Ryan Stanners – Midfielder**

Joined the club from neighbours Highworth Town last season and went on to make 25 appearances, scoring 5 goals. Skilful midfielder who can take players on and provide the killer pass.

**Tom Ballard – Midfielder/Forward**

Joined from Carterton following their sad demise and made the transition to the HPL effortlessly. Talented player who can score great goals.

**Matty Horsell – Forward**

Experienced player who has featured at a higher level. Can fill whatever role is asked of him, without fuss. A great reader of the game and provides many deft passes due to his ability.

**Jamie Pricor – Forward**

Enters the season having made 100 appearances in the side over the last three years, recording 40 goals. Last season saw him absent for large parts through injury, however he has been back on fire during the pre-season and will be looking at regaining a regular spot in the starting line-up.

## DISSENT

- Has shown a lack of understanding amongst some Players and Managers as to what is Dissent.
- Covered under Law 12 and is in the opinion of the Referee
- A player is cautioned if guilty of dissent by word or action
- Kicking the Ball away could be either Dissent or Delaying the restart – depending on context
- Using offensive, insulting or abusive Language or Gestures is not dissent and is a sending off offence
- Responsibility of Clubs to control their players
- The use of the Sin Bin gives the Management team the opportunity to calm the players down

## MATCH DAY PROCESS

Principle is for misconduct to be dealt with on the day

Will still be reported by referee as:

- Used to monitor impact
- Used for continual misconduct

No Admin fee will be charged

## MATCH DAY PROCESS

All Cautions for Dissent must be dealt with by the Sin Bin Process

Applies to Players only and not Substitutes or Coaching Staff

Referee Signals by issuing a **Yellow card** in the normal way and pointing to the touchline where the player must go. (not a defined Sin Bin area)

## MATCH DAY PROCESS

Period in Sin Bin is:

- 10 Minutes for all matches of 90 minutes
- 8 Minutes for all other matches
- Remember - No designated area: just back with management and subs

Period starts when play restarts

Referee includes any lost time

Where neutral Assistants are appointed they assist with timing

## MATCH DAY PROCESS

- Referee has final decision on when the player can return to play.
- Does not need to be in a stoppage in play – Referee will only allow player to return away from current action.
- A Player in the Sin Bin cannot be substituted until the period has expired and not at all if all substitutes have been used
- If the period has not expired at the end of the 1st half, it continues during the 2nd half (or Extra Time)
- If it has not expired at the end of Extra Time and there are kicks from the penalty mark – the player can participate

## MATCH DAY PROCESS

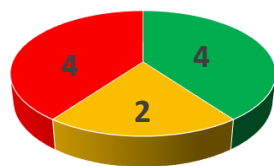

Repeat Offenders (this will be a different approach than expected)

If a temporary dismissed player:

- commits another YC offence or RC offence during the sin bin period cannot take any further part in the game and cannot be substituted
- Commits a non-dissent caution at any time on the field of play in addition to the sin bin period will continue to play.
- Commits a 2nd Dissent caution (and no other offences) will receive a 2nd period in the sin bin. At the end of that period, the player can take no further part in the game but can be substituted.
- Commits a 2nd dissent action and has already had a non Dissent caution will take no further part in the game and cannot be substituted

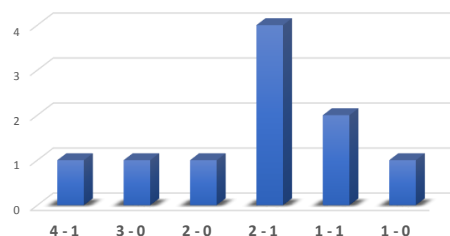

All other Laws of the Game remain unaffected (i.e. 2 Non-Dissent Yellow cards)

Last season when Shrivensham visited us on August Bank Holiday Monday they were still looking for their first win of the season having lost heavily in their first two league games against Reading City (1-5) and Windsor (1-6). By the time we played them Windsor had also won 3-1 in the return game and Shrivensham had also lost to Flackwell Heath. The only point they had ahead of our meeting was from a 1-1 draw with Virginia Water. That afternoon though they rode their luck somewhat to leave the Gerard Buxton Ground with all three points courtesy of a controversial Josh Morse penalty. Having secured their first win of the season at our expense things improved dramatically. The signing of Antonio Gerrish from Swindon Supermarine seemed to change their fortunes and they went on a fantastic unbeaten run from 17 November until their penultimate game away at Binfield on 15th April when they went down to a 3-1 away defeat in a game on a Monday night watched by the Programme Editor. They also lost their final game but by then they had already secured an impressive 5th place finish, their best performance ever.

They will look to improve on that best ever finish this season and will go into the season in confident mood having secured the services again of key players such as Gerrish, Sam Ockwell and Jamie Pictor. Last season they did the double over us, also winning the game on Boxing Day 2-0. Local derby games always have that extra edge and no doubt you will be in for a good game here tonight as we look to get those early season local bragging rights and avenge last season's defeats.

Shrivensham lost their opening day fixture 3-1 away at Reading City. Former Bassett player Antonio Gerrish put them in front but three second half goals secured the win for Reading.

## CLUB HISTORY

Shrivenham Football Club was formed in 1900 and just eight years later the infant club became one of the founder members of the North Berks League. Success in the early years was hard to find but after winning the Second Division crown at the end of the 1994-95 campaign, two Division One Championships were to follow - in 1997-98 a season which also included the club winning the Charity Shield, and again in 2000-01, which after completing the required ground improvements, saw the club promoted to UHlsport Hellenic League Division One West at the second time of asking.

With our inaugural Hellenic League season ending with a creditable twelfth placed finish a period of building began and after gaining some stability in the league, a further title winning season followed in 2004-05 and the club gained promotion to the Hellenic Premier Division by winning the league by a single point in what was unarguably the most amazing season the club had ever experienced.

A club record breaking eighth place finish was recorded in 2007-08 - the highest league place the club has achieved to date, however a gradual decline began and despite avoiding relegation after finishing bottom of the table in 2012-13, just two seasons later relegation was confirmed after a nineteenth placed finish and a decade of Hellenic Premier League football brought a tough era to an end.

Two seasons of mid-table mediocrity ensued, however the club appointed a new Chairman ahead of the 2017-18 campaign and the introduction of a new management team soon followed as the club began rebuilding its ambitions and the bid to return to the Hellenic Premier Division.

That goal was achieved at the first attempt as an amazing 12-game unbeaten run to the end of the season found the club in second place, and in an exciting final day which saw promotion rivals Easington Sports in third place, needing a result at home and Shrivvy without a fixture, Sports suffered the heartache of defeat against midtable Letcombe and Shrivvy clung on to gain promotion.

New targets have now been set as the club embark on maintaining their Hellenic Premier League status as progress both on and off the field continues to gather pace.

# Veterans & U18 Floodlit Team

The Veterans Section have entered two teams in the new Veterans Division of the Corsham Print Wiltshire Senior League. The County League has taken over from the Wiltshire FA running veterans league football having established a critical mass. The FA will continue looking to develop veterans football in the south of the county which is still unrepresented in the first season of the new league. In the final "season" under the Wiltshire Flexi-League the Royal Wootton Bassett Town Blue side went close to winning the title but eventually lost out to the most successful side in the veterans category, Marlborough Town.

Eleven teams have entered the new league and will be split into two divisions as follows:

## North Wiltshire Division

- AFC Swindon
- Defence Academy
- Marlborough Town Vets
- Royal Wootton Bassett Town Blue
- Stratton Juniors
- Swindon Rovers

## Mid Wiltshire Division

- Chippenham Yard Dogs
- FC Calne
- Holt
- Royal Wootton Bassett Town Yellow
- Trowbridge Tigers

The club has re-entered an U18 team in the Corsham Print Wiltshire Senior League. The U18 side were first members of the U18 Division of the Wiltshire Senior League in Season 2015-16 when they won the North Division but lost the play-off against the South Division winners Melksham Town to finish as runners-up. After finishing fourth in the North Division in Season 2016-17 they withdrew from the league and return for Season 2019-20 after a two year absence. The side will be managed by Shane Saunders, playing home games on a Thursday night.

Bassett will be joined in the league for Season 2019-20 by Calne Town, Chippenham Town, Downton, FC Chippenham, Melksham Town, New College Swindon, Pewsey Vale, Radstock Town and Shrivenham.

# Cover Guy - Player Profile

## Gio Wrona

Bassett's captain, Wrona is a classy midfield operator who is entering his third season with the club. Two-footed with a great passing range, plenty of skill, he is capable to dictating a game from his central midfield position. He is also a threat from set pieces. His performances at the Gerard Buxton Sports Ground over the past two seasons, in which he has been Bassett's leading appearance maker, have seen him pick up three Player of the Year awards. In 2017-18 he appeared fifty times, registering four goals, his first being a classy match winner at home against Lydney Town. His performances earned him both the Manager's and Supporters' Player of the Year awards. Last season he featured 42 times and found the net three times, again earning Manager's Player of the Year. His finishing abilities were demonstrated by two of his goals in 2018-19. A fine curling effort helped seal a 2-1 victory against Windsor before he scored the opener in a win by the same score away at Longlevens late in the season.

After spending his early career with a number of clubs, gaining significant Southern League experience in the process, Wrona has settled in well with Bassett and blossomed into the quality player he had promised to be after making his bow in senior football with New College. Wrona was with the student side in their inaugural Hellenic League Division One West campaign in 2011-12. And the attacking midfielder was their standout player that season, winning the team's Player of the Year award while scoring sixteen times in 35 appearances. Among his haul was a goal in New College's 5-2 win over Bassett at Rylands Way and a hat-trick away at Headington Amateurs. Wrona added two goals in nine appearances for New College in the early months of the following campaign before briefly moving to Carterton. He spent the majority of the campaign with Devizes Town, scoring four times in 26 games for a side who would ultimately wind up bottom of Western League Division One. The midfielder began the 2013-14 campaign with Swindon Supermarine. From there he moved back to Devizes before transferring to Thatcham Town. He began 2014-15 with Supermarine, while also featuring on a dual-registration with Shrivenham. In November of that year he transferred to Southern League Larkhall Athletic, where he made thirty appearances. After beginning the subsequent season with the Bath-based club, Wrona spent the majority of 2015-16 with Wantage Town before spending the following year with Wiltshire League Cricklade Town, with whom he netted twelve times, and North Leigh.

2017-18: 50 appearances, 4 goals

2018-19: 42 appearances, 3 goals

**Total: 92 appearances, 7 goals**

## Room for improvement despite late comeback

Watchet Lane, 3rd August 2019

### Holmer Green 3 Royal Wootton Bassett Town 3

Royal Wootton Bassett Town may have recovered from a 3-1 deficit to claim a point against Holmer Green with a pair of goals in the final ten minutes. But while Sam Collier and his team may be satisfied with the point they earned against a side who are typically strong at home, they will know that there is plenty that can be improved upon following a disappointing opening day display.

After Callum Parsons had put Bassett ahead from the spot, avoidable errors helped put Holmer Green in a commanding position after an hour of play. And though Bassett dominated possession in the second half as the hosts flagged, their play in the final third was over elaborate, especially on a bobbly, dry pitch. Neat, intricate short passing may be effective at the Gerard Buxton Sports Ground and on the league's other better surfaces, but Bassett need to learn to adapt their style to suit the conditions. Holmer Green did have the ball in the net first, but Ben Booker's header was ruled out for a push. A minute later, offside should have been given when Tom Cole's ball forward picked out Parsons, who was stood a good few yards beyond the last home defender. But, to everyone's surprise, no flag was forthcoming and Parsons was brought down by 'keeper Phill Pykett after attempting to round him. After dusting himself down, Parsons coolly slotted the resulting penalty into the bottom left corner.

Chances then fell for Brad Pagliaroli and Mani Roper to double that advantage, but the former saw his snap shot on the turn repelled by a smart save from Pykett before the latter shot straight at the 'keeper when played through in the left channel by Rhys Talmash's pass. Holmer Green were soon on level terms though as one ball out from the back caught out the Bassett defence. That opened up room for the hosts and, after latching onto Ollie Lynch's backheel on the edge of the box, Alex Rice was scythed down in the box by Tinashe Gwavava. Lynch stepped up to take the penalty, sending Declan Lehmann the wrong way. The game was by this point rather even, but the home side would go into the break ahead. Talmash had spurned a chance at the other end to put Bassett back ahead, seeing Pykett save his low drive with his feet. But sloppy play at the other end saw them present Holmer Green with a set piece that led to the second as captain Gio Wrona, playing at left back, was caught dwelling on the ball and confounded things by committing a foul. Martin Lancaster whipped in a free kick from the right wing and an unmarked Ryan Parsons made no mistake, heading in from twelve yards.

Here we go! Nine months of twists and turns, shocks and surprises and everything in between is about to start all over again! It seems pre-season has raced by during this sweltering summer and we're now set for the big season opener. There is a few changes for the 2019-20 season as part of The FA's National League System restructuring, working towards a 'Pure Pyramid' for the 2020-21 season of 1-2-4-8-16-17. One interesting law being introduced across all levels of grassroots football is temporary dismissals also known as 'sin bins'. Players dissent will result in 10-minute temporary dismissals from the pitch. The mandatory rule change will be implemented up to Step 5 and Tier 3 and below in women's football.

Perhaps the main headline in terms of promotion and relegation this season is there won't be Super Play-offs at Step 3. Last season the four play-off winners faced off in two one-off finals for a place at Step 2. This year, only the bottom two in the National League North and South will be relegated which allows for the four champions and four play-off winners at Step 3 to be promoted. This is because from the 2020-21 season, Step 2 will be increasing from 22 clubs to 24, with four teams being relegated from each division. Relegation from Step 3 this season will see two teams go down from each division along with two third bottom clubs with the worst points-per-game ratio. This means, at Step 4, the seven champions and seven play-off winners will all be promoted. There is an eighth Step 4 division being introduced for the 2020-21 season and that will be run by the Northern Premier League – addressing some of the travelling challenges in the north of the country. There will be 24 clubs promoted from Step 5 to 4. The 14 champions across Step 5 will go up, with second and third place in the North West Counties, Northern League and Northern Counties East also automatically promoted. The remaining 11 second-place clubs will then be ranked on points-per-game and the four highest will be promoted. With the remaining seven second-placed clubs – a one-season scenario – will play-off with the seven bottom-placed clubs at Step 4 for a winner-takes-all game. There will be 76 clubs from Step 6 promoted to Step 5 – two clubs from each of the two South West Peninsula divisions and the top four from all other Step 6 divisions. The bottom two clubs in each of the 20 divisions are liable to relegation. From 2020-21, Step 5 will increase from 14 divisions to 16 and Step 6 will reduce from 20 to 17. The United Counties League and Combined Counties Leagues have been awarded an additional Step 5 division each. The West Midlands Regional and East Midlands Counties are due to lose their Step 6 status. The clubs within those divisions will remain at Step 6 subject to promotion and relegation on completion of the 2019-20 season. The Hellenic League will have its current two Step 6 divisions reduced to one which avoids operating with two divisions that are undersubscribed. Step 7 is also being aligned with County FAs to become the "pinnacle of county football". So there you have it! Plenty of change for this season and beyond as the FA works towards a better Non-League structure. All the best for the season ahead and enjoy! **By David Richardson**

# On This Date

It is only in recent seasons that games have been played on this week in August so we are limited to find other matches played by the Club on **6th August**. In fact the only one we have found is from August 2016 when we visited Andover Town in the Extra Preliminary Round of the FA Cup.

Royal Wootton Bassett Town's interest in that season's FA Cup was an altogether brief one after a resounding 5-2 defeat away as we were eliminated at the first hurdle for the second successive season, any hopes of a cup run this time out were extinguished after all of 38 minutes as Andover's attacking nous totally overwhelmed Bassett. Combining clever movement off the ball with astute passing, the hosts cut through Bassett and jumped into an unassailable three goal lead before the break.

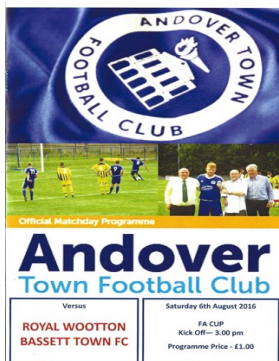

Well in front, Andover stretched their advantage further within ten minutes of the restart. A brief Bassett resurgence followed. Alione Diouf headed over from close range as he connected with a dangerous TJ Bohane free kick. The rangy midfielder then went one better, beating the Andover keeper to the punch to bundle in following a low Bohane cross. After the home side blazed over another glorious opportunity at the other end, Diouf grabbed his second, sweeping into an empty net after the Andover keeper had fumbled a Dale Richards cross when under pressure from Bohane. Yet, any brief flickers of hope that may have emerged when Bassett cut the deficit to two were soon put to bed when Bassett goalkeeper Luke Sanders making his one and only appearance for the club scythed down an Andover player in the penalty area and the resulting penalty was duly scored to make the final score 5-2. Not a day to remember for the club but the only one we could find on August 6th.

**Result: Andover Town 5 Royal Wootton Bassett Town 2**

**Bassett Line-up:** Luke Sanders, Steve Yeardley, Jamie Richards, Dan Comer, Matt Cheetham, Jon Davoile, Dan Bailey, Stephen Olphert, TJ Bohane, Alione Diouf, Bradley Clark.  
Subs: Adam Corcoran, Dale Richards

**Scorers:** Alione Diouf 2

**Man of the Match:** Alione Diouf – given the chance to start, the attacking midfielder was the pick of the bunch for Bassett. He netted twice and caused difficulties for the home defence with his height link up play with TJ Bohane.

Their lead was then doubled ten minutes after the restart, catching Bassett out down their right side. The ball was worked into Harrison Holbrook in the left side of the box and he played a cute pass to an overlapping Rice, who poked home at the near post from an angle. That goal forced Collier into action as the Bassett boss made a double substitution, introducing Danny Langford up front and Harrison Lea into the heart of a midfield. And both players made a difference, injecting life into a performance that had gone flat.

Bassett began to exert dominance too as Holmer Green, who had been forced into making a pair of changes during the opening period, tired on an energy-sapping, humid afternoon. But the visitors initially failed to make the most of the possession they were enjoying. Defender Tyron Leigh failed to connect properly with a Wrona free kick when unmarked, flicking his header wide, while Parsons shot straight at Pykett from close range. They then had the woodwork to thank that they didn't fall further behind as Adam Riley's curling effort from the edge of the area clipped the crossbar.

Eventually though, with ten minutes remaining, Bassett snatched a lifeline as Parsons rather scruffily swept in from a Wrona cut back. Pagliaroli then fired into the side netting before finding his range to grab the equaliser in the final minute. He initially played a low ball into the danger area from the right side, which bounced around the box before falling into the feet of Parsons. He played a return pass to Pagliaroli, who drove towards the byline and squeezed a sidefoot effort into the opposite bottom corner from an acute angle. Having got back on terms, Bassett did almost throw the game away as they switched off at the back allowing Holmer Green in. A square ball was played to a wide-open Holbrook just yards from goal. But a fabulous save from Lehmann, diving back to claw the ball away prevented what would have been a certain goal.

**Man of the Match: Danny Langford** – the forward caused a huge amount of difficulties for the home defence in the half hour he was on the pitch, offering a directness and willingness to run at defenders that had previously been lacking.
