The Wiltshire FA have re-introduced the Wiltshire Premier Shield for Season 2019-20 after a break of 7 seasons. Whilst previously the competition involved just the 4 sides playing at Step 4 and above, the re-introduced Shield will now include the clubs playing at Step 5. This means there will be 10 teams entering this season's Shield and we will be one of the lowest level teams in the cup competition. The 10 teams will be Swindon Town, Chippenham Town, Salisbury, Swindon Supermarine, Melksham Town, Highworth Town, Westbury United, Bradford Town, Amesbury and Royal Wootton Bassett Town. The one and only season we have played in this competition before was Season 2001-2 when we defeated Bemerton Heath Harlequins in the First Round 1-0 before knocking out Swindon Supermarine 2-0 in the Second Round. We eventually went out at the Semi-Final stage losing 2-0 to Swindon Town.

Welcome to Longlevens AFC

Good afternoon and welcome to this UHlsport Hellenic League fixture against Longlevens AFC. We hope all from Longlevens who have made the journey from Gloucester enjoy their short stay with us this afternoon and we wish them a safe journey home. When the two sides met back in September goals from Danny Langford, Alfie Presley and Gio Wrona gave us a 3-1 away win. When preparing the "Previous Meetings" page for today's programme it made me realise how much our side has changed in terms of playing personnel since the start of the season, with just Caine Bradbury, Gio Wrona, Alfie Presley and Carl Evans from that side that won at Longlevens likely to feature today. Longlevens sit just two points but five places above us in the table and a win today would see us move above them.

Brimscombe & Thrupp and Westfields

Our last home game of 2019 saw us pick up three points from an excellent 4-2 win over Brimscombe & Thrupp, helped by an impressive display from the evergreen Matt Bulman in the Bassett goal. With Declan Lehmann now playing over in the US, Matt took over in goal whilst a replacement for Declan was being sought. A series of impressive saves ensured we ended the year on a high, our goals coming courtesy of Mark Francis (2), Dan Warre and Dev Team manager Steve Yeardley who was making a rare First Team appearance this season. Unfortunately for Steve his day ended with a one game suspension as he was sent off for two yellow cards. Going back to the goal keeping position, Sam and Matt have secured the services of young Ellis Parker from Chippenham Town to replace Declan and Ellis made his debut for the club last week in the Dev Team game against Frome Collegians. Welcome to Bassett to Ellis, who made a good start to his Bassett career in that Dev Team game last week.

Another good performance to start the New Year saw us eventually lose 3-2 away at Westfields last Saturday. Given how they comfortably won here at the Gerard Buxton Sports Ground earlier in the season we ran them really close this time. I understand from those that made the long journey to Westfields that this was one of the best away performances of the season by our young side and the champions elect certainly knew they had been in a tough game at the final whistle. Their match report from the game is included in today's programme along with our own that appeared on the club website.

Ladies Team

Unfortunately the Ladies side did not have a good start to the New Year, losing 3-1 away at Ilminster Town last Sunday. Despite the defeat they remain top of the table a point ahead of Ilminster having played the same number of games with Portishead Town and Callington Town looking like the other sides likely to feature in the title race. This Sunday the Ladies will look to return to winning ways when they host bottom of the table Torquay United who have yet to win in the league this season.

Opponents view of the game.....

Westfields 3 Royal Wootton Bassett Town 2

Allpay Park, 4th January 2020

Westfields extended their lead at the top of the UHlsport Hellenic League Premier Division with a hard-fought 3-2 home win over visiting Royal Wootton Bassett. Westfields, who won 6-1 away at Wootton Bassett in September, found the visitors a much stronger unit and Westfields had to battle all the way to secure the 3 points as the visitors showed far more endeavour and gave a gritty performance.

Westfields had to overcome the fact that they lost goalkeeper Joe Gorman on the hour and without a substitute keeper on the bench Westfields' defender Kane Kahaki went in goal and had to work hard to assist his defence in securing all 3 points.

Earlier, Westfields had started the game with a dream start when Ben Miller put a curling shot into the net in only the first minute to give Westfields the lead but the visitors came storming back when Mark Francis pulled a goal back on the half hour. Westfields then restored their advantage when Cameron Peters seized on an opportunity in the 6yd box to put Westfields back 2-1 in front at the break.

After the interval Westfields found the visitors much more forthright as they came looking for an equaliser but when Westfields lost Gorman on the hour they had to reshuffle the side with Kahaki taking the gloves and the green jersey and substitute central defender Paul Hurrell coming in to play alongside Ryan Green.

It was slightly against the run of play that Westfields went 3-1 ahead when they burst forward and Aidan Thomas rifled home a shot from 15yds into the bottom corner of the net to give Westfields a 3-1 lead. The home side, urged on by 162 home spectators, then had to defend well and twice Ollie Butler and Ryan Green got in good tackles to keep the visitors at bay but Mark Francis then pulled a goal back on 80 minutes when he rifled home a shot from just inside the penalty area.

Westfields then lived dangerously and only a saving tackle by Sam Gwynne and a quick clearance up front eased the pressure before Kahaki was called into action again when he fisted clear a long-range free-kick as the visitors threw everything into the attack. Westfields kept up the pressure with excellent defending as Ollie Butler twice made great tackles to prevent further pressure. Westfields resisted the pressure thrown at them by the visitors to record a fine 3-2 home win and a Hellenic League double against Royal Wootton Bassett.

Our view of the game.....

Bassett push leaders all the way in narrow defeat

Westfields 3 Royal Wootton Bassett Town 2

Allpay Park, 4th January 2020

A trip to Westfields was always going to be a daunting prospect for Royal Wootton Bassett Town. But while the result - a defeat - was arguably as expected, Sam Collier's side, beaten by the odd goal in five, can hold their heads high after pushing the still undefeated Hellenic League Premier Division leaders all the way. The outcome was a massive improvement on the 6-1 thrashing suffered at home and demonstrates the progress that has been made over the past month by a rejuvenated squad infused with youth.

Early on it appeared that a repeat of the fixture in Wiltshire was on the cards, Westfields taking an early lead when Ben Miller pounced on the loose ball after Bassett failed to clear from a corner and swept home. But the visitors were soon on level terms. Alfie Presley's superb through ball split the Westfields defence and, latching onto the pass, Mark Francis produced a fine finish to equalise. Westfields' lead was restored just before the half hour mark though. A free kick was swung into the box and Kane Kahaki rose highest to head towards goal. Matt Bulman kept his effort out but Cameron Peters was on hand to steer in the rebound. Despite falling behind again, Bassett's heads didn't drop. And they responded positively, almost equalising when Dan Warre rounded 'keeper Joe Gorman only to see Ryan Green produce an outstanding goalline clearance to deny the youngster his second in as many games.

Gorman would be replaced midway through the second half as he injured his foot when attempting to clear. Kahaki took over between the sticks, but Bassett were unable to take advantage of their hosts being forced to play with an outfield player in goal. Instead Westfields extended their advantage. Shortly after Bulman did well to deny Daniel Stoneman, Bassett lost possession in the home side's territory and were duly punished, Aidan Thomas eventually drilling home. There was still action to come and questions were asked of Westfields when Francis grabbed a second with a deflected effort with minutes to spare. But for all Bassett's efforts to salvage a point, Westfields saw out the remaining time to move another step closer towards what increasingly appears to be their title.

Development Side

The Development side under Steve Yeardley started the New Year with an excellent come from behind win against Frome Collegians. Bailey Gallagher equalised for Bassett just before half time and then two second half goals from leading scorer Charlie McCuish plus one from Kabin Rai gave the Development side a 4-1 win over a useful Frome side. Today Steve takes his side to the InfiLED Stadium to play Melksham Town Reserves who sit just above Bassett in the table. The following week the Dev side are then in League Cup action when Ludgershall Sports are the visitors to the Gerard Buxton Ground.

QPR and the Hellenic League

The Hellenic League is quickly becoming the place to spot former QPR players. For a number of years former Rangers striker Michael Meaker played in the Hellenic. Next it was former Rangers midfield player Kevin Brock, who was also manager at Ardley for a while. Kevin was actually recently here at that Gerard Buxton Ground for our game against Brackley Town Saints, with his son Harry playing for Brackley. Kevin spent the afternoon over in the stand on the far side of the pitch. The latest former QPR player to now play in the Hellenic is current Wycombe Wanderers manager Gareth Ainsworth who makes the odd appearance for Woodley United in Division One East when his commitments at Wycombe allow.

Josh Shama

Welcome back to the Gerard Buxton Sports Ground to Josh Shama. Josh originally started in our Youth Section before joining Reading Academy. He then moved to Oxford United before playing in the Cypriot 2nd Division for Nikos & Sokratis Erimis. Josh returned to Royal Wootton Bassett Town last season making 25 First Team appearances scoring three times. He suffered an injury in the second half of last season and has not played this season and in my view we have certainly missed his pace and skill in attack in the first half of the current season. Welcome back Josh and hopefully the start of another successful spell at the club.

Next Up At The Gerard Buxton Sports Ground

Tomorrow the Ladies entertain Torquay United, the two sides meeting for the third time this season. With two big wins already over their opponents the Ladies will hope to return to winning ways after last week's defeat. Next Saturday sees the Development side play that Fountain Trophies Cup game against Ludgershall Sports followed a week later by a league fixture against a much strengthened Pewsey Vale side who now include former Bassett players Liam Edmondson, James Guthrie, Ryan Banks and James Turner in their ranks. In between those two games the U18 side are scheduled to meet Melksham Town in the Floodlit League. The next First Team fixture here is on Saturday 8th February when Bishops Cleeve are our visitors and after that we have just three more home First Team games left. Enjoy the game and see you in the bar afterwards.

From The Governor - To The Adver

Swindon Advertiser

ROYAL Wootton Bassett Town manager Sam Collier said he was 'massively proud' of his young team despite going down 3-2 away at Hellenic Premier leaders Westfields on Saturday. Collier also stated he felt Bassett would have lost the game comfortably six weeks ago when the club was in a dire run of form. However, the reinvigorated side – who had won four of their previous five – recovered from conceding inside the first minute to almost snatch a deserved point, according to their manager.

Collier said: "We definitely deserved a point from the game – we were all very, very disappointed that we came away empty handed.

"We went there with them having not dropped a point at home all season, and with the players and their money that they've got.

"And we went there with five under-18s and a few senior heads like we have done in the last few games.

"We were confident in ourselves, but we knew it was going to be extremely tough.

"Then they scored inside the first 30 seconds and you're thinking: 'oh no, here we go again'.

"But credit to the lads, we absolutely battered them for the next 25 minutes and eventually scored a very good goal from Mark Francis."

Westfields would go on to restore their lead courtesy of another set-piece goal, but Collier maintained the message to his players at half-time very much centred around the possibility to take something from the game. However, the league leaders scored again after the break following a spell of dominance from their visitors, and the Bassett boss admitted he had fears his team may crumble. Yet, Bassett showed great character to respond and finished the game in the ascendancy, though no equaliser was forthcoming.

"We got back in it with 20 minutes to go, we just couldn't find that equaliser despite throwing everything at them," said Collier.

"I'm very disappointed with the result, but I'm massively proud with the way that my lads went about their business.

"Six weeks ago, we would have lost that comfortably, but now, we've pushed the best team in the league all the way.

"And it showed how much the win meant to them when they're blaring out music and banging on walls because they've scraped by against us."

Hellenic Premier Round-up

Saturday 4th January 2020

An injury time goal from Owen James ensured that **Ardley United** shared the points in their home fixture with Windsor at The Nolan Oils Ground. Tomas Kalinauskas had put visitors Windsor in front but Ardley replied with two goals from Alex Wheeler to go in front. Danny Horscroft then equalised for Windsor before Samir Bajja put them ahead three minutes from time. Just as it looked like Windsor would leave with all three points up popped James for that injury time equaliser to leave it honours even. **Binfield** were comfortable 4-0 winners against visiting **Easington Sports** at Stubbs Lane Two goals from Josh Helmore in the opening ten minutes set them on their way. Calam Gallimore then added a third and it remained 3-0 at the break. A fourth four minutes after the restart from Josh Howell rounded off the comfortable win which lifted Binfield into third spot in the table.

In their first home match in 75 days **Bishops Cleeve** hosted Gloucestershire rivals **Brimscombe & Thrupp** at Kayte Lane. This was another game that saw a dramatic late goal to ensure the points were shared, this time it was Bishop Cleeve's Jack Watts with the late equaliser, his second of the game from the penalty spot in the fifth minute of added time. James Campbell and Ed Major with the Brimscombe goals. **Burnham** started the New Year with a convincing 4-1 win over **Brackley Town Saints** at The Gore. On target for the home side were Sam Coles, Firas Chniba, Cameron Rohart-Brown and Gavin James, Sam Cherratt with the consolation goal for Brackley.

Today's visitors **Longlevens AFC** had an impressive 3-0 win over high flying **Fairford Town** at Sawmills End. Brad Martin scored for the 20th time this season, Joe Haswell and Dave Merrick with the other Longlevens goals. Another game that saw late drama was at Lydney, where a goal in the third minute of added time from Finnan Hamblett gave **Lydney Town** a narrow 2-1 win over **Shrivenham**. All the goals came in the final ten minutes, former Bassett player Antonio Gerrish having put visitors Shrivenham in front before Harry Williams equalised.

Reading City rescued a point against visiting **Flackwell Heath** at Rivermoor scoring an equaliser five minutes before normal time to secure a 1-1 draw, Stacy Gyan-Boatey with the late goal after Khalid Simmo had put Flackwell ahead. Goals from Jake Baker, Dale Wright, Josh Dillon and Jack Hall gave **Virginia Water** an important 4-0 victory over struggling **Holmer Green** at Stag Meadow.

Table toppers **Westfields** maintained their unbeaten Premier Division run into 2020 with that win over **Royal Wootton Bassett Town** at Allpay Park. They were given a scare though but finally managed to take all the points on offer with a 3-2 win thanks to goals from Ben Miller, Cameron Peters and Aidan Thomas, Mark Francis with both Bassett goals .

Opponents History

Longlevens AFC • Club History

The Club, in its current format, was founded in 1954. We initially played in the North Gloucestershire League, but currently we operate in the uhlSport Hellenic League, the Gloucestershire Northern Senior League and the Stroud and District League.

In 2011/12, Gloucester City Council created a new football facility and we were fortunate enough to be offered the tenancy, which enabled us to make the step-up to the Gloucestershire County League – our facilities at our Club HQ could not be converted to 'make the grade'.

At this point, we must give great credit to E. G. Carter and Company Limited, our major sponsors, because, without them, we could not have got Saw Mills up to the required standard and I am happy to say that they are still the major force for the improvements that we have subsequently made – so "Thank You" Carters, as they are locally referred to!

We run four male adult sides, a Ladies side and a Veterans team and will run eight Youth Teams in Season 2019-20 and we are recognised as a Charter Standard Development Club. Special mention here to Dennis Bamsley who has done so much work in respect of the Youth Section and the Charter Standard.

We had spent more than forty years trying to reach the Gloucestershire County League, but amazingly, within three years we had gained promotion to the uhlSport Hellenic League, having won the League in 2013-14 and once again we were indebted to Carters for helping us to upgrade Saw Mills to the required standard.

So, in 2014/15 we started another new phase for the Club, in Division One West of the uhlSport Hellenic League and what a start! We won the Division at the first attempt, so after three consecutive titles and two consecutive promotions, we found ourselves in the Premier Division and in 2017-18 recorded our highest League position, but we recognise the difficulties of facing sides that have a history and an infrastructure that is vastly superior to ours – but, after a hard fought battle, last season, we secured our place for season 2019-20 over the Easter weekend fixtures.

Mark Moore took over Management duties in 2017-18, after long-serving manager James French stood down, but unfortunately, only a few months into the 2018-19 campaign, Mark suffered a recurrence of the heart condition that had seen him forced into premature retirement, as a player, a couple of years previously. Mark is yet to make a complete recovery, but we wish him well and hope to see him back at the Club in the near future and we are pleased to say that James still 'chips-in' albeit more in the background these days.

Club stalwart and Mark's assistant Craig 'Spider' Martin stepped into the breach, as we thought temporarily, but, as it became obvious that Mark's condition wouldn't allow him to return, Craig was officially recognised.

Realising that he would need help, he asked Tim Hall to reconsider his decision to 'step-away' from the Club at the end of 2017-18, which he did, and we were also fortunate to secure the services of Tommy Callinan and Daryl Long to help Craig out and we are pleased to say that this 'team' will continue to run things in Season 2019-20.

Frome Collegians made their first visit to the Gerard Buxton Ground and started well against their hosts Royal Wootton Bassett Town. Having hit the bar on fourteen minutes they went close again with twenty minutes when Max Pollock was played in, but he fired straight at the Bassett keeper Ellis Parker. They finally did break the deadlock on the half-hour mark, Ben Griffiths shooting from wide on the left hand side, his shot just making it over the line to give the visitors the lead which they deserved on the balance of play up to that point. The hosts had the chance to get back on level terms six minutes from the break with a free kick on the edge of the box. However, the free kick from Bailey Gallagher was fired into the wall and when the ball rebounded to Gallagher his header from the edge of the box was held confidently by visiting keeper Josh Bond. Gallagher was not to be denied for long though. The home side were awarded another free kick, this time Tyrhys Mifsud saw his shot saved by Bond but the ball fell to Gallagher who fired in to make it 1-1 two minutes before the interval. There was still time for the same player to hit the cross bar as it remained level at the break. It was a different story in the second half as the interval seemed to knock the visitors out of their stride and it was the home side who dominated proceedings. Charlie McCuish put them in front for the first time on the hour mark when he fired in from the edge of the box after claims for a penalty were waived aside after Bailey Gallagher went down in the box, the ball falling to McCuish who fired in to the top corner of the net for his eighth of the season. Three minutes later his tally for the season rose to nine as he got on the end of an excellent cross from Gallagher to make it 3-1 to the home side. The game was made safe twenty minutes from time when substitute Kabin Rai scored with a looping header from the edge of the box to make the final score 4-1 to Royal Wootton Bassett Town Development.

London Underground Connections

Contained in the grid below are 24 squares, each containing the name of a London Underground station. The challenge is to sort them into **horizontal lines of four connected stations from the same underground line**. By way of a clue the stations on each line start from the left or top of the map and each subsequent station is to the right or below the previous one on that line on the underground map. Only one correct answer with the usual curve balls making it a lot more difficult than it would first seem!

A win for all ages

Royal Wootton Bassett Town 4 Brimscombe & Thrupp 2

Gerard Buxton Sports Ground, 28th December 2019

Experience and youth combined to ensure Royal Wootton Bassett Town saw out the decade with victory as Sam Collier's team recorded a fourth win in five Hellenic League Premier Division games, defeating Brimscombe and Thrupp 4-2. While Mark Francis led the way with a brace, Bassett's performance was punctuated by the contribution of young and old, youth section product Dan Warre and the club's leading appearance maker Steve Yeardley rounding off the scoring. Notable contributions came from elsewhere too, Landon Golding providing the shot that struck the bar and fell to Francis to open the scoring after just twelve minutes. That had followed a frantic opening in which the visitors had created the better opportunities only for Matt Bulman to thwart James Campbell and Jack Smith. The Bassett shotstopper - a vastly experienced non league campaigner - could do nothing to prevent Campbell from heading in the equaliser after an Ed Major cross midway through the period. His heroics were welcomed less than two minutes later though as Bulman steered Major's fierce around the post to prevent what would have been a goal of the season candidate.

With the scores level at the break, a moment of genius from Warre ten minutes into the second period restored the hosts' lead. Twisting his way through the Brimscombe defence, Warre produced a fine finish to round off an outstanding individual effort. However that goal arrived against the run of play. And Bassett's resistance was eventually broken again when Jamie Bremner concerted at the far post with quarter of an hour remaining. That initiated a hectic finish in which a stroke of luck turned the game in Bassett's favour. Sam Collier's side were gratefully awarded with a soft penalty for a foul on Gio Wrona and Yeardley kept his composure following a delay in which Jonty Welch was sent off to make it 3-2. Yeardley himself picked up a second yellow moments after scoring. Francis then confirmed a vital three points by rounding off a counter.

With Brimscombe seeking to close the gap on Bassett and on a good run of form, a positive result from this fixture, be it a draw, was vital. But recording a victory comes with even greater satisfaction, pulling Bassett away from the lower reaches of the table too.

SANTA Claus has been and New Year's Resolutions made. The hectic festive period is over in earnest but for Non-League clubs everywhere, the hard work is just about to begin. So, what can the man with the big white beard possibly bring your club to make the season run-in easier? Or what resolutions could your manager or chairman make to fulfil your club's ambitions? Here's just a few light-hearted ideas that you might want to put on your wishlist for 2020...

For Bromley and Harrogate Town (and perhaps to a lesser extent Sutton United), they're getting to the point where they will need a Plan B. Since installing 3G surfaces, all three clubs have been victims of their own success with both Bromley and Harrogate lying firmly in the National League play-off places going into 2020. But with the EFL refusing to back down and allow club's entry with 3G surfaces, Bromley and Harrogate will have to think again if they are to clear the final promotion hurdle. Sadly, it will mean ripping up the pitches and starting all over again with a grass surface, meaning a loss in vital potential revenue. Safe to say the boardrooms at both Hayes Lane and Wetherby Road will be coming out in cold sweats come April.

However, contemplating promotion is a problem most would love, notably John Sheridan and Dean Keates, managers of Chesterfield and Wrexham respectively. For them, I would giftwrap a magic wand. Incredibly, these two giants of Non-League, pre-season favourites to reclaim their Football League places this season, find themselves languishing in the bottom four of the table and staring down the barrel of football in the sixth tier. Every so often, the Spireites and the Dragons threaten to show the kind of form we know they are capable of but neither can seem to nail down a consistent run to pull themselves out of trouble. Sheridan and Keates are running out time, it's time for the rabbit to emerge from the hat.

Winging its way over to Gloucester City and Worcester City for 2020, a return ticket home with both clubs nearing long-awaited homecomings after so long in exile.

How about a fairytale story for National League leaders Barrow AFC, with the Bluebirds dreaming of a famous Football League return after nearly 50 years in the wilderness, or maybe another case of champagne for Marc White, looking to secure an incredible 12th promotion in charge of Dorking Wanderers?

There's always a something for Santa's Little Helpers to do in Non-League football. Happy New Year.

Looking back over the history of the club we appear to have played just nine times on this date, 11 January, with just two games on this date since joining the Hellenic League, both of which have been won which bodes well for today's game.

Of those nine games we have won four, lost four, drawing just the one game, that a 3-3 draw with local rivals Wroughton in the Wiltshire Combination back in 1969. Our four wins on this date have also included two victories over local rivals Highworth Town. The full list of results for games played on this date is shown below. Also included below are extracts from the programme for the 3-0 win over Highworth in 1992.

Although Supermarine did not offer too much resistance, Bassett nonetheless played well and second half goals from Kevin Moloney and Ben Regan were enough to earn Bassett's valuable points to steer them out of the danger zone of the Division, and 3 more points today would give them an even bigger buffer over those Clubs below them, and I am sure the enjoyment team of Paul Muckle and Rick Woolford will try to motivate the team to earn their first "Double" of the current season today.</p> <p>Today sees the return to the Club of Andy Small, who, following a trip around the world has finally come back to Swindon. Welcome back Andy, and lets hope you can again provide the type service you gave prior to your world cruise.</p> <p>The Reserves, by beating Melksham Town Res 2-0 last week, have moved into second place in the Wiltshire County League Div 2 and are again producing some first class football. If they can maintain this momentum then they will, as I have said before, be very strong contenders for promotion to Division 1 next season.</p> <p>An excellent 1-0 away win at Purton on 28 Dec and the 2-0 win last week were down to good play and all 3 goals came from the Club leading scorer Paul Burke. Paul is not only finding the net regularly on a Saturday by has also collected quite a few goals for his Sunday side change.</p> <p>Another Paul at the Club who deserves a mention is Paul Davis, who, since his transfer from Bassett Sports has grown in confidence and is playing very well for the Reserves. Still only 16 years of age Paul still has a lot to learn, but nevertheless, he looks to be a very good prospect for the future.</p> <p>Thanks once again for your support today and lets hope we have an entertaining game with Highworth - the type of game that we know the Bassett team is capable of and one that we are all now coming to expect from them.</p>
