The Wiltshire FA have re-introduced the Wiltshire Premier Shield for Season 2019-20 after a break of 7 seasons. Whilst previously the competition involved just the 4 sides playing at Step 4 and above, the re-introduced Shield will now include the clubs playing at Step 5. This means there will be 10 teams entering this season's Shield and we will be one of the lowest level teams in the cup competition. The 10 teams will be Swindon Town, Chippenham Town, Salisbury, Swindon Supermarine, Melksham Town, Highworth Town, Westbury United, Bradford Town, Amesbury and Royal Wootton Bassett Town. The one and only season we have played in this competition before was Season 2001-2 when we defeated Bemerton Heath Harlequins in the First Round 1-0 before knocking out Swindon Supermarine 2-0 in the Second Round. We eventually went out at the Semi-Final stage losing 2-0 to Swindon Town.

## Welcome to Bishops Cleeve

Good afternoon and welcome to this UHlsport Hellenic League fixture against Bishops Cleeve, for what is the first meeting between the two sides this season. We hope all from Bishops Cleeve who have made the journey enjoy their short stay with us this afternoon and we wish them a safe journey home. In the two meetings last season, which were both early in the season, we lost heavily at Bishops Cleeve (1-5) and, whilst the return game at the Gerard Buxton Sports Ground again featured six goals, this time they were shared between the two sides as the sides played out an entertaining 3-3 draw. Bishops Cleeve currently sit in 13<sup>th</sup> place in the table but have a number of games in hand over the sides above them. Bishops Cleeve, along with a number of other clubs, having suffered particularly badly from the wet weather that has been a feature of this season's winter. They did not play a home game in November and December and still have over half of their home fixtures to play. Most Hellenic pundits will be expecting them to climb the table once they catch up with those games and it will be another tough fixture for our young side here today.

## Longlevens, Brimscombe & Thrupp and Lydney Town

Whilst it is four weeks since our last home, the wet weather has meant that we have played just the two games since that Longlevens game at the Gerard Buxton Sports Ground where the late winner from Brad Pagliaroli ensured we did the double over our Gloucestershire visitors. The two away games that have followed have seen two further defeats, Brimscombe & Thrupp avenging their defeat here at the GBSG at the back end of the last calendar year as we went down 3-1 and then last week's narrow 2-1 defeat at Lydney Town.

## Fairford

As most of you will be aware by now, we were found innocent of the charge (or "charge not proven" to use FA speak) of causing the abandonment of the Fairford game. A special thank you to Your Sport Swindon whose brilliant coverage of football at our level helped ensure we had video evidence to support our case. Following on from this, if you believe what was on Twitter last week, it is very sad that Fairford appear to have then prevented both them and Shrivenham's own people from covering their recent home game with Shrivenham. In an age where you have to have video evidence to support any appeals with the FA I would be interested to know how one club preventing another from videoing a game sits with the FA. If a Shrivenham player had been incorrectly sent off would the FA have allowed an appeal without video evidence where the home club had prevented any recording being made? Guidance needed here I think. Hopefully Fairford will have a re-think on their position. The bad news coming out of the Fairford appeals was that Brad Pagliaroli picked up an additional two game ban for his reaction to being head-butted and stamped on. In the end this means he has had a longer ban than the perpetrator of the assault, an assault which if it had been caught on CCTV in the High Street would probably have resulted in police involvement. And the FA wonder why people don't always think highly of them!

The midfield began to lose their grip on proceedings too. And it was their failure to close down O'Connor as he stepped out from inside his own half that should have seen Longlevens pull level on 67 minutes. After breaching the midfield, he picked out an unmarked Elliott Martin on the right and his square ball into the box found an equally free Dave Merrick directly in front of goal. However, the substitute's shot was diverted wide by debutant 'keeper Ellis Parker saving well with his legs.

The resulting corner produced the equaliser though. Bassett failed to clear, allowing O'Connor to recycle the ball to Ed Smyllie on the left. He delivered a cross which Parker, in a crowd of players, spilled and Martin was on hand to prod home from close range. Plenty of time still remained, and both teams created chances. A firm block from Dunn prevented Caine Bradbury from restoring Bassett's lead after the midfielder's incisive run and clever give-and-go with Golding. The resulting corner, swung in by Pagliaroli, then hit the post before being scrambled away. Meanwhile, at the other end Martin controlled a hanging cross from the left before setting the ball to Emmett who could only skew wide.

Pagliaroli would have the last say though. Presley's switch of play was sublime, isolating left back James Barnett who was left to his own devices to defend against Pagliaroli. It was still an awfully tough ball for Pagliaroli to bring under control though, especially given the wind. However, the ball stuck to Pagliaroli's first touch, he then darted towards the edge of the box where he cut inside Barnett and fired a low drive towards the bottom corner at the near post which Wintle was unable to get down to cover.

Victory was Bassett's courtesy of that late magic – what a way it was for Pagliaroli to mark his return after a month stewing on the side lines.

**Man of the Match: Alfie Presley** – played an important part in both Bassett's goals, his interception initiating the move for the first and his superb switch of play setting up Pagliaroli to deliver the decisive blow. The left back was diligent in his defensive duties too and linked up well with the midfield when Bassett were going forward.

A big thank you to

The best around.

## Brad back with a bang as Bassett do the double over Levens

### Royal Wootton Bassett Town 2 Longlevens 1

Gerard Buxton Sports Ground, 11th January 2020

Brad Pagliaroli returned from suspension in fine style, coming off the bench to score an 89th minute winner as Royal Wootton Bassett Town completed the season double over Longlevens with a dramatic 2-1 triumph. On an afternoon in which both teams performed admirably well despite a fierce wind doing its best to blight proceedings, the game appeared destined for a draw after Brad Martin's poacher's finish had cancelled out Dan Warre's well-worked opener. But a stunning cross-field pass from Alfie Presley and outstanding first touch and finish from Pagliaroli ensured three points would be Bassett's, lifting Sam Collier's team above Longlevens and into twelfth place in the Hellenic League Premier Division.

The clinching goal was more than worth the wait, patience having been a key aspect of Bassett's performance from the first whistle. Playing into the wind during the opening period, they knew that the focus during the first half would likely be on defence. And they performed those duties robustly, limiting the chances the visitors were able to create despite the conditions being in their favour. Save for Ryan Dunn's fourth minute opportunity in which the right back cut inside and weaved his way around two attempted challenges before dragging wide, it took Longlevens time before they were able to generate real pressure. And by the time Brad Martin and Harry Emmett narrowly missed the target within a minute of each other, they were lucky not to have been behind after what appeared to be a clear penalty was notice given for Shaun O'Connor's push on Mark Francis. Two further chances before the break then fell Bassett's way. Gio Wrona's low ball into the box proved just out of reach of a perfectly placed Landon Golding, the forward's attempt to control with an outstretched leg taking the ball out of play. Carl Evans then hooked over with his back to goal after Wrona's free kick delivery had held up into the wind and fell to the defender.

Going into the break with the score still 0-0 put the hosts in a position they would no doubt have been happy with given they were to play with the wind behind them for the second half. And Bassett duly got off to the best possible start when play resumed. Presley jumped on a loose pass inside Longlevens territory before working the ball forwards to Warre on the left touchline. The youngster then cut inside before playing a fine one-two with Kair Robinson on the edge of the area which opened up the visitors' defence and Warre produced a confident, composed finish to slot beyond Ash Wintle for his second goal in three games. The goal initially buoyed Bassett, Francis forcing a save from Wintle with a shot from the edge of the area that stung the 'keeper's palms. But the hosts then tailed off, the enforced substitution of Evans seeming to disrupt their organisation at the back as his replacement at centre half Aaron Oakley sought to get himself into the game.

It is interesting to note that following our last two away games we have now used over 50 different players in the First Team this season, only the second time in the 20 seasons played this century that we have hit that figure. The other season was Season 2017-18, when Sam took over from Rich Hunter part way through the season and we went on to use a record 54 different players in the First Team. Whilst you can argue that Sam probably has the most extensive list of player contacts of any manager we have ever had, for me it is not necessarily a good sign when we use so many different players. Indeed Sam has noted in recent press interviews that he knows mistakes were made last summer with recruitment. When you look back over the years the season's we do well in tends to be when we use around 40 or lower over a season and this is an area the management team will need to work on improving next season. Whilst it is difficult to get true averages when a managerial change is made part way through a season, of all the managers since Season 2000-01 the manager who had the lowest average was Paul Braithwaite with 38.

## Fixture Changes

The Hellenic League have made some fixture changes as games postponed due to the weather are re-scheduled, as well as a "Groundhop weekend" being planned for Easter weekend. We now face a midweek trip to Brackley Town Saints on 25th March, our postponed Tuffley Rovers game is re-scheduled for April 7th and our final game of the season against Lydney Town has been put back a week and is now part of the Groundhop. This latter game may also mean a different kick-off time but we will be advised about that in due course. It is a while since we have been involved in the Groundhop and it will certainly give an end of season boost to our average attendance this season.

## Development Side

Since the last home programme it is pleasing to report that the Dev side have recorded three straight wins, all here at the Gerard Buxton Sports Ground on the 3G pitch. A 5-0 win over Ludgershall Sports saw Steve Yeardley's side progress to the quarter final of the Fountain Trophies Cup. This was followed by an excellent 3-0 win over a much strengthened Pewsey Vale side who included our former players Liam Edmondson, Ryan Banks and Ryan Thomas in their ranks. This was followed by another excellent 3-1 win over a Kintbury Rangers side who are looking for promotion to Step 6 next season. Hopefully the side can continue their winning form when they travel to Marlborough Town today.

## Ladies Side

Also going well are the Ladies side who currently sit top of the Premier Division of the South West Regional Women's League and in recent weeks have made it through to the County Cup final for the third season running, as well as making it through to the semi-final of their league cup as they continue to battle for honours on three fronts. Well done all involved. Enjoy the game and see you in the bar afterwards.

# From The Governor

Good afternoon to all and welcome everyone from Bishops Cleeve. It's very strange how we are into February and we are yet to play each other, however nothing shocks me with the Hellenic League. Cleeve are behind the games due to the weather and the league position they currently have is false and I am sure they will end up in the top 4 with the players they have. I hope you all have a safe journey home.

It feels a long time ago since we had a home game with two away games and another being called off. Our home form had picked up and we have managed to win the last 4 home games in a row which has been pleasing. We started a month of away fixtures in Gloucestershire with Brimscombe away, where everything that could go wrong went wrong. On the Friday we had a full squad to pick from and come 2.45 on the Saturday Dan Warre and Brad Pags had pulled up in the warm up. Brad is still struggling, however Dan is now back.

We also welcome back two big players for us in Jon Beeden and Elias Youssef who played for me last season, Beeds has been out for a long time and now finding his feet and getting fitter every week. The Welshman also returns after a very strange and odd decision from Chippenham Town to let him go. He has played over 20 times in the Conference South this season and more than proven he can cope at that level. We are delighted to have him back playing games for us.

This is the first time I can also congratulate my old friend and senior player Carl Evans and his stunning wife on the birth of the beautiful little girl, Although its stopped you training and using every excuse possible I am very pleased for you big man. The club held the Wiltshire Cup Semi Final on Tuesday and I must say as far as hosts go the club did an outstanding job and showed fantastic standards and the class of the club we have.

Its great to see the Dev side winning 5 in a row and doing really well. Myself and Bully work very closely with Dip and Steve and before a game enjoy our Crumps and then do a little bit of fishing.

I would also like to congratulate the new Bar Manager Fi on her new role, she has taken over the very busy and important role at the club and we are looking forward to all the lock ins which I am sure you will allow!!

Today I turn a year older and all I want is 3 big points! Enjoy the game and see you all in the bar.

Sam

# Hellenic Premier Round-up

Saturday 1<sup>st</sup> February 2020

**Bishops Cleeve** lost 2-0 at home to **Flackwell Heath** at Kayte Lane, losing 0-2 to second half goals from James Burdell and Simeon Weekes. **Brimscombe & Thrupp** surprisingly drew with bottom side **Holmer Green** at The Meadow. It could have been even worse for the home side as Holmer led by two goals until the 67th minute, both scored by Jethro Odumusu. A goal from Jack Smith got Brimscombe back into the match and a Jonty Welch equaliser a minute from time saved Brimscombe's blushes.

**Windsor** enjoyed their trip to **Longlevens** coming away with all three points following a 4-1 win. Both Tomas Kalinauskas and Billy Montague bagged a brace, Ben Hands with the consolation goal for Longlevens. **Lydney Town** were 2-1 victors over **Royal Wootton Bassett Town** at the Lydney Recreation Ground. Aaron Goulty put them ahead before Elias Youssef replied for Royal Wootton Bassett Town following his return from Chippenham Town. A winner from Jacob English fifteen minutes from time saw Lydney take all three points and move up to seventh place in the league table.

**Virginia Water** went down 0-1 to **Ardley United** at Stag Meadow, Callum Harvey with the only goal of the game on 19 minutes. **Westfields**, who have yet to lose a game this season in the league, were held at home by **Easington Sports** at Allpay Park. King Baidoo had put Westfields ahead on 14 minutes but an equaliser from Josh Rose fifteen minutes from time secured Easington an impressive point on their travels. With Fairford not playing the point for Westfields increased their lead at the top to 16 points.

Tuesday 4<sup>th</sup> February 2020 and Wednesday 5<sup>th</sup> February 2020

**Binfield** moved into second spot on Tuesday night, reducing Westfields lead to 13 points, with a useful 3-1 away win at **Easington Sports** thanks to goals from Josh Helmore, Sean Moore and George Short, Korban Haden with the Easington goal. **Virginia Water** bounced back from Saturday's defeat to secure three vital points with a 4-2 win over **Burnham**. Two goals in this one for Jake Baker, Casey Bocarro and Josh Hill with the other goals for Virginia Water. Kian Duncan and Dean Qevani replying for Burnham.

Two goals from Ashley Howell plus further goals from Simeon Weekes and Dan Bailey gave **Flackwell Heath** a comfortable 4-0 win over **Ardley United**. Fifth placed **Shrivenham** had a bad day at the office at **Longlevens** on Wednesday night, crashing 6-1 and sending their goal difference into the negative despite their high position in the table. Two goals for both Bradley Martin and Harry Emmett, Ben Hands and Isaac Johns with the other goals. Josh Parsons scored the consolation goal for visitors Shrivenham.

The historical information for the Southern League is not easy to find in terms of goalscorers. The league does not have information on Mittoo or Fulltime and the League's own website is lacking in any history. The Non-League Club Directory produced by Tony Williams has full details of the Premier Division (Step 3) but not the Step 4 divisions that Bishops Cleeve played in.

# Opponents History

## Bishops Cleeve • Club History

In their long history Bishops Cleeve have led a much more nomadic existence than many clubs, but have now been settled in the impressive Kayte Lane ground since 1997. For many years the club played on a ground in Stoke Road – with facilities rebuilt and reopened in 1971 by the then secretary of the Football Association, Ted Croker. The enforced move to Kayte Lane came about due to the old ground being sold by the landlord.

The club enjoyed a brief period of success in the late 60's – gaining promotion from the Cheltenham League and winning four Championships in their six seasons in the Gloucester Northern Senior League.

After dropping back to the Cheltenham League, Cleeve gained promotion into the Hellenic League in 1983, quickly becoming a force in that division, finishing fourth in their first two seasons in Div. One. This great start was followed up with a third place finish, then winning the Championship and gaining promotion to the Premier Division at the fourth attempt, and winning the 'double' by adding the Gloucester Amateur Cup. A fantastic achievement.

The five seasons in the Premier Division proved to be a struggle for the Club, although the team followed up their Cup success by adding another trophy to their collection, winning the Premier Cup at the first attempt. The return to Division One proved the catalyst for a period of rebuilding, on and off the pitch. The Club needed to enter into a number of ground share agreements to preserve their League status – Forest Green Rovers, Moreton Town, Wollen Sports and Highworth all allowed us to use their grounds. This difficult period galvanised our club members, and the club was kept running by the dedicated efforts of a few stalwarts – notably Cheltenham Town legend, Dave Lewis, whose efforts were recognised by Carling Brewery, awarding him their 'Clubman of the Year' accolade (and a year's supply of beer!)

After approval for the Kayte Lane site was given in 1997, club members started the building of the clubhouse and changing rooms – using materials kindly donated by Smiths Aerospace (now GE Aviation) There followed a great transformation in the team's fortunes, and they duly secured another promotion in 2001 back to the Hellenic Premier Division. In order to take this opportunity the club entered into another ground share at Evesham United! 2003 & 2004 proved to be a landmark period for the club – returning to 'The Lane' after the new Stand and floodlights were approved, achieving FA Charter Standard for Football in the Community, and the completion of the building and facilities.

In 2006 the team gained promotion to the Southern League, joining the Midland Division before being moved to the South & West Division a few seasons later, where the club currently reside. The club has enjoyed mixed fortunes in their Southern League time, generally enjoying mid-table security, with the highlight being season 2011/12 when the club finished with their best ever points haul (in a creditable 11th) and reached the Gloucester Senior Cup final, played at Bristol City's Ashton Gate ground, where we unfortunately succumbed to a Bristol City side featuring two Full Welsh Internationals!

With the departure of Alex Sykes to County rivals Shortwood United, the ex-Cheltenham Town professional John Brough took the helm but left towards the end of the season to join Cinderford Town. 2013/14 saw local lad Stephen Cleal take charge with Derek Lightstone, as his assistant, both had a long history with the club and they forged a close link with our Second and Third teams – as well as a community tie to Bishops Cleeve Colts Youth section – the future of the club seemed much more secure on and off the field of play. After surviving relegation in their first season they put together a competitive team finishing 12th in the league and losing 1-0 to Forest Green Rovers in the County FA Senior Cup. 2016/17 saw another first for Steve winning the club's first FA Trophy game.

2017/18 saw the arrival of Matt Jeynes to the management team another who had played for the club in recent years and they later joined by Alex Lumsden Unfortunately a number of players left the club and the season didn't get off to a good start. The team did rally towards the latter part of the Season but were relegated after losing the last game. So after 12 years we now look for a speedy return to Step 4 of the NLS.

## Scrappy contest ends in loss

### Lydney Town 2 Royal Wootton Bassett Town 1

Lydney Recreation Ground, 1st February 2020

Royal Wootton Bassett Town fell to a second consecutive defeat as they were beaten 2-1 away against Lydney Town. A stunning winner from Jacob English ultimately decided the game's outcome, as the two teams played out a scrappy contest. The visitors enjoyed a pair of early chances, Kai Robinson firing just over from twenty yards before Caine Bradbury saw a shot saved following a greater counter attack.

Bradbury then saw a shot deflected over following a good move involving Dan Warre and Alfie Presley, with Elias Youssef narrowly missing the target from the resulting corner. But Lydney soon started to get on top, their midfield getting the better of what was a battle of attrition. And the hosts eventually went ahead on the half hour mark. Bassett failed to clear from a soft free kick and the ball was scruffily put away by Aaron Goulty.

The visitors equalised a minute after the restart when Youssef headed home following Robinson's skewed shot. Yet Lydney's lead was restored midway through the period – and in some style. It appeared as though the danger had been snuffed out when, after a twisting run, Jack Rutter was dispossessed in the left corner. But Bassett failed to clear and Jacob English found himself with the ball at his feet. He still had plenty of work to do, but rode challenges from Gio Wrona and Bradbury before thumping a superb effort into the top right corner from the left edge of the box. Bassett's attempts to get back on level terms were then unsuccessful.

Richard Thomas saved a weak shot after a good interchange between Youssef and Mark Francis. Wrona blazed over after getting on the end of a corner. Meanwhile, substitute Bailey Gallagher headed over from a Landon Golding delivery.

Lydney arguably had the better opportunities to put the game away too as they sought to expose the extra space created by Bassett pushing additional men forward, English and Declan Morley-Lyne both shooting narrowly off target.

## Slow start spells defeat as Brimscombe exact revenge

### Brimscombe & Thrupp 3 Royal Wootton Bassett Town 1

The Meadow, 25th January 2020

Experience and youth combined to ensure Royal Wootton Bassett Town saw out the decade Royal Wootton Bassett Town fell into a 2-0 hole in the opening half hour away against Brimscombe and Thrupp, a situation they were never able to recover from as Sam Collier's side were well beaten 3-1. The loss, which comes a month after Bassett defeated Brimscombe 4-2 in the initial league fixture between the teams this season, sees the team slip to 16th in the Hellenic League Premier Division. That a victory would have lifted Bassett into 12th shows how tight things are in the division. The next slate of fixtures - all against teams within five points of their total of 24 - will be crucial though in determining whether Bassett can potentially haul themselves into the top half come the end of the campaign.

The Meadow has not been a happy hunting ground for Bassett in recent seasons, three of their four previous visits having ended with a loss, the lone positive result being a 1-1 draw in October 2016. And reversing that run of form was always going to be difficult when conceding after just ten minutes as they did on this occasion, Jamie Bremner steering in at the far post after a low ball into the box. Bremner then doubled the hosts' lead after half an hour, firing in from Ollie Pitt's cutback to put Brimscombe in a commanding position at the break. Brimscombe's advantage was extended even further in the opening minute of the second half when Jonty Welch found the net.

Gio Wrona pulled a goal back almost immediately, heading into the top corner for his sixth of the season. And while Bassett sought to apply pressure for the remainder of the game, Brimscombe enjoyed a comfortable enough cushion that would not be further dented.

On his self-enforced night off, Jurgen Klopp could have done much worse than to pay a visit to Crabble, home of Dover Athletic, last Tuesday night. While the esteemed Liverpool chief was watching his side's FA Cup replay with Shrewsbury Town from the comfort of his own home - passing down duties to Under 23s coach Neil Critchley - the players, staff and supporters of Barrow AFC were, quite simply, putting his argument of an over-indulged fixture schedule to shame.

After the initial fixture was postponed following the tragic death of an individual on the West Coast Main Line on October 12, Bluebirds fans were up bright and early for their gruelling cross-country trip to the south-east coast - a whopping 768-mile round trip. Meeting at the club's Holker Street ground at stupid o'clock in the morning, the hardy 23 members of the Bluebirds Supporters Trust were welcomed with bacon rolls in the car park - a terrific gesture made by the club's extremely grateful manager Ian Evatt. Players, staff and supporters arrived back in Barrow-in-Furness at around 5am leaving a number of whom just enough time to wolf down their Cornflakes and early morning cuppa before going back to work. Now that's dedication for you.

Speaking after the Reds' 2-2 draw at the New Meadow, Klopp said that none of his first-team squad would be involved in the Anfield replay as it falls during the Premier League mid-season break. The decision was estimated to cost the League One Shrews around £500,000 in lost revenue. Granted, Klopp's men have been victims of their own success, challenging on Premier League, Champions League and World Club Championship fronts, but there was little sympathy of his argument for many Non-League players, who are forced to juggle an equally gruelling schedule on the field with work and family commitments, for a small fraction of the numeration.

True, the debate on fixture congestion is nothing new but it does seem to be escalating when it comes to reigniting the flame in the FA Cup. Suggestions from BBC anchorman Gary Lineker about starting the FA Cup Preliminary rounds at the end of the previous season were misguided to say the least, made without so much of a thought towards life outside the Premier League. With or without the presence of Klopp and his A-listers, Shrewsbury fans won't ever forget the club's first visit to Anfield in 134 years.. Similarly, the supporters of Barrow, who will always have a tale to tell their grandchildren one day...The Day We Went To Dover on a Tuesday night.

Try telling them that football has lost its magic.

# On This Date

Looking back over the history of the club we appear to have played just seven times on this date, 8 February, the first fixture not being until 1958 when a solitary Lew Nash goal gave us a win over Roundway Hospital Devizes in the Wiltshire League.

It would be 17 years before we again played on this date, with the heavy pitch at Rylands Way and the problems we used to have with it in the winter months being the main factor in the limited number of games on this date. That day a Toby Ewan goal was not enough as we lost 3-1 in the Quarter Final of the Wiltshire Senior Cup to Swindon Victoria (a side who shortly after merged with Malmesbury to form Malmesbury Victoria). Five games on this date have been played in the Hellenic League era, three in the league and two cup matches. Whilst both cup games were lost, our league record on this date is a bit better with wins in 1992 against Kidlington (3-0) and 2011 against Carterton (1-0). The one league defeat was in 2003 against local rivals Highworth Town. The programme cover from that game is shown below with a few familiar names in the Highworth side with a young Tony Joyce playing in front of Steve Hale.
