Welcome To Today's Game

Good afternoon and welcome to the Gerard Buxton Sports Ground for this Uhlsport Hellenic League Premier Division fixture against Hereford Lads Club. We have met on just the one occasion previously, that game coming in the Bluefin Insurance Challenge Cup back in Season 2019-20, Hereford Lads Club leaving the Gerard Buxton Ground that day with a 3-1 win.

Welcome back to the Gerard Buxton Sports Ground to the management, players, committee members and spectators who have travelled from Hereford for this fixture.

Hereford Lads Club have been on something of an upward trajectory for a number of seasons now having progressed through the West Midlands Regional League from Division Two to Division One and then to its Premier Division which previously sat at Step 6 of the Pyramid. Hereford Lads Club were then moved laterally to the Hellenic League ahead of the 2019-20 Season.

Hereford Lads Club are yet to complete a full season in the Hellenic League but have done well in both the two curtailed seasons. In that Season 2019-20 when they beat us in the Bluefin Cup they sat third in the table when the season was brought to a premature end. Similarly in the following season, 2020-21 they were in fourth place in the table when the powers that be were forced to curtail a second consecutive season. This form in these two curtailed seasons was enough for Hereford Lads Club to achieve promotion to the Hellenic Premier Division when the FA undertook their reorganisation of the National League System which saw the Hellenic move westwards.

Well the FA Cup dream is now over for another season and unfortunately we were not able to reproduce last season's fantastic run. In the end we were beaten over two games by a very good Ardley United side who have assembled a strong looking side

for their first venture in the Spartan South Midland League after departing the Hellenic as part of the aforementioned FA reorganisation of the National League System. After drawing at the Gerard Buxton last Saturday thanks to a late Gio Wrona goal, we went down 3-1 in the replay on Tuesday night. Brief match reports on both games are included in today's programme.

Whilst a good FA Cup run brings in much needed funds to the club, it is the league programme that should be our main priority. No doubt Sam and the lads will be disappointed to go out of the cup on Tuesday but now is the time to concentrate on getting more points on the board in the league starting with this game against Hereford Lads Club. They sit three places below us in the league table having won one, drawn one and lost two of their opening league games to date. That one win came in midweek against bottom of the table Hallen. The one draw was against a good Brimscombe & Thrupp side and they have so far lost to Malvern and Cribbs. These are the type of games we need to be winning and hopefully we can bounce back from the cup disappointment in midweek.

We are back in action again on Monday when we make the short trip to Shrevenham for an encounter which will see a number of players from both sides in action against their former clubs.

Just a reminder that tomorrow also sees the annual fund raising set of matches against the RAF Veterans'. Normally held at the end of the season this year it is being held over the August Bank Holiday weekend. For more details see elsewhere in today's programme.

Enjoy the game and hopefully for the Bassett fans you will get to see a first home league win of the season.

Ladies's Pre-Season Round-up

Royal Wootton Bassett Town Ladies started their series of pre-season friendly fixtures with a convincing 7-1 triumph away against Gloucester City. Goals from Lisa Coe (2), Libby Davies (2), Madeline Elliott and Beth Kelloway guided Bassett to victory.

That big victory was followed by a heavy defeat though as Bassett fell to a 9-0 loss against Swindon Town Development in their opening home friendly, with Swindon playing a large contingent from their first team after their scheduled game had been postponed.

Bassett were held to a 1-1 draw by Carterton Town in their third friendly last week with youngster Poppy Wannell scoring the goal for Graham Fletcher's side.

Under 18's in FA Youth Cup

On Thursday 2 September, Bassett's Under 18s host Paulton Rovers in the FA Youth Cup Preliminary Round with a 7.30pm kick off. It is over ten years since we last entered this competition, the last occasion being back in Season 2009-10. This will therefore be the first time we have played in the competition at our new facility.

Under 9 Blues Win Corsham Tournament

Congratulations to our Under 9 Blues (Under 10 Blues for Season 2021-22, pictured above) and the Under 12 Blues (Under 13 Blues for Season 2021-22, pictured right) for their recent tournament wins at the AFC Corsham tournament. The Under 12 Blues finished top of their group and went on to win the whole thing without conceding a goal, winning the final on penalty kicks.

Our record in the FA Youth Cup is not a great one. In the seven seasons we have entered this prestigious FA competition we have never gone further than the Second Qualifying Round and the most number of games we have won in the competition in any one of those seven seasons is one game. Where we have progressed in a round we have then departed in the very next round. This is partly the reason why the club has not entered in recent seasons but a club of our size with a Senior team playing at Step 5 of the National League System should be in this cup. The winners of the Preliminary tie will be home to either Corsham Town or Portishead Town in the next round. We would then need to get through five more rounds to Round 3 proper before we could have the chance of meeting either Man Utd, Chelsea, Man City or the one that Nick Warren and Ben Gould would want, Cardiff City Youth.

The Gaffers View

Good afternoon and welcome to everyone from Hereford Lads Club - a side who we have had visit before in the league cup, a side who I think well deserved a promotion!

This week was a very indifferent one. We played our part in a very entertaining FA Cup game at home to a very strong and impressive Ardley United, one with a few players who are very experienced within the non league circuit. I thought we deserved at least a replay and watching back on the Sunday, as I do with

all our games, felt we had more than enough chances in the game to win.

On Tuesday we didn't put on the display we wanted and didn't play in the first half how we have for the last 12 months. Once we got them in at half time, we made it clear that wasn't how we have got where we are today by being direct. We bossed the first 25 mins of the second half and got back in the game. However, two errors put the game out of reach!

Prior to this game we had our first league win away to Lydney, which was what I

would call the perfect away display. Scoring three good goals and dominating the game from start to finish.

We have welcomed back Big Eddie who I have managed and played with - he's a fantastic lad on and off the pitch and we are delighted to have him back.

The Dev side have made a fantastic start to the season unbeaten. It is great to see so many young lads from the youth section involved.

This weekend also see the Vets team have their annual charity match v the RAF on Sunday! One I am lucky enough to be involved in. Let's hope the Gaffer (Martin) does the right thing and gives me the number 9!

This weekend brings two big games for us in what I think has been a steady start. I hope so see the Carlos Army at Shrivensham on Monday.

Keep supporting!

Much love,

Sam

Hellenic Premier Division 21-22

It was a bit of grim Preliminary Round in the FA Cup for the Hellenic League Clubs with just two of the ten sides who had made it through to the Preliminary Round stage progressing to the First Qualifying Round. The two sides to progress are league leaders Bishops Cleeve and Longlevens AFC. Cleeve were 2-0 winners against Spartans South Midland side Tring Athletic whilst Longlevens edged a close encounter with Chalfont St Peter from the Isthmian League South Central, 3-2 the score in this one.

Three sides took their ties to replays but all three Hellenic sides went down in those replays in midweek. Bradford Town drew 1-1 with Wessex Premier side Alton but were easily beaten 3-0 in the replay. Tuffley Rovers met former Hellenic League side Flackwell Heath and the sides shared four goals in the first encounter on Saturday. The replay in midweek saw six goals scored but this time round there was no sharing as Flackwell bit all six to progress to the First Qualifying Round. The other replay involved ourselves after we drew 2-2 here at the Gerard Buxton Ground last Saturday. The replay on Tuesday though saw Ardley progress after their 3-1 win (see elsewhere in programme for the match report on this game).

The other five Hellenic sides all crashed out on Saturday. Westfields pushed Coventry United all the way but went out to a solitary goal to the United Counties South side.

Westbury United lost 2-0 at home to Wessex Premier League side Hamworthy United.

Brimscombe and Thrupp played their game on Sunday and had an afternoon they will want to forget quickly, being hammered 8-0 by Aylesbury United from the Southern League. Corsham Town did not fare much better losing 5-1 at home to Combined Counties Premier South side Fleet Town.

The final Hellenic side in action were Roman Glass St George who found Southern League Division One South side Cirencester Town too strong, Cirencester progressing following a 2-0 win.

One league game was played on Saturday and Fairford Town completed a quickfire double over Jeff Roberts Chipping Sodbury Town, winning 3-2 having beaten them 4-1 at the beginning of the month.

There were four more games on Tuesday night in the league and Bishops Cleeve are now a point clear at the top after a 2-1 win over Roman Glass St George. Just behind them in the table are Cribbs, 3-0 winners over Thornbury Town. Tuesday night saw Corsham edge a close game with Lydney Town, 1-0 the score here, Lydney's cause not being helped by having a man sent off. The other league game saw Hallen lose for the fifth time this season, going down 2-1 at home to today's visitors Hereford Lads Club.

Opponents History

The Hereford Lads Club was founded in 1925 for under privileged boys by Mr J Mackay with the aim of providing Young boys with the means to

become men through sport emphasising gentlemanly conduct and good sportsmanship and originally catered for gymnastics and boxing before developing cricket & junior football teams.

In January 1940 Hereford Lads Club was destroyed by fire and sadly all early records were lost. Thankfully the club was rebuilt on its present site overlooking Widemarsh Common after the land was generously donated by Mr W R Bufton together with donations from many local businessmen. In the 1960's & 1970's Hereford Lads Club blossomed and was attended by as many as 170 young people per night creating a great community spirit.

Today we have a thriving junior football section with boys & girls from u8 up to u17. Our football development centre has boys & girls up to the age of 8. We currently have 24 Boys & girls teams ranging from u9's to u17's in the Herefordshire Junior football League. We also have 3 senior men's teams, the first team Play in the UHlsport Hellenic Premier Division, the Reserves play in the Premier Division of the Herefordshire Football League & the Colts play in Division 2.

All our managers, coaches & officials are Volunteers who are fully trained & CRB checked. We work hard to provide opportunities for young people to develop their skills in sport.

Our first team joined the West Midland Regional League Division 2 from the Herefordshire Premier League in 2011/12 season, when Manager Danny Moon & his assistant Rich Jones decided to try and push the club up through the football

pyramid. That season saw the team finish as runners-up in Division Two and also make the league cup final. The following season they secured a third place finish and this time were promoted to Division One of the West Midlands Regional League.

Thereafter it was a period of steady improvement. They finished in 10th place in their first season in Division One in 2013-14. The following season in 2014-15 they improved achieving a fifth place finish.

That continuous improvement was to carry on as the following season in 2015-16 they finished as runners-up in Division One of the West Midland Regional League. They were to go one better the following season finishing as champions of Division One and achieving promotion to the Premier Division. They also made the final of the Herefordshire County Cup Final but were defeated by Hereford in the final.

Season 2017-18 saw them in the Premier Division for the first time achieving a respectable 12th place finish. They once again made the Herefordshire County Cup Final but again fell at the final hurdle losing heavily to Hereford in the final.

A seventh place finish in Season 2018-19 in the West Midlands Regional League Premier Division saw them moved across to the Hellenic League for Season 2019-20. At the time that season was curtailed they sat in 3rd place in the table.

They were going well again in 2020-21 when that season was also curtailed and were in 4th place. Herefordshire were one of the few counties to complete their County Cup and Hereford Lads club ended their run of defeats in the final by defeating fellow Hellenic side Westfields 4-2 in the final. Those two top four finishes in the two curtailed seasons were also enough to see them promoted to the Hellenic Premier Division.

Bluefin Insurance Challenge Cup **3rd Round**

Match report from RWBT Website.

Royal Wootton Bassett Town fell to a 3-1 Bluefin Sports Challenge Cup third round defeat against Division One West side Hereford Lads Club.

Injuries and unavailability forced Bassett boss Sam Collier into making a number of changes, and he used the occasion to offer first team debuts to promising Under 18 players Morgan Francis and Jed Phillips. While they both showed promise, the former starting and latter coming on a substitute, the game represented a steep learning curve against physical opponents.

Bassett were forced to chase things early on as they fell behind on the quarter hour mark. James Hancocks raced onto a long ball over the top, and after outmuscling Caine Bradbury, he curled a left foot strike into the top corner.

The hosts levelled in style shortly after the restart. Alfie Presley threaded a pass through to TJ Bohane (pictured right) in the left channel and the forward thrashed a stunning, unstoppable drive into the top corner from the edge of the area.

Partly did not last long though. Bassett failed to clear from a corner and, after the ball was recycled, it fell to Jay Cuthbertson to steer in from close range.

In an evenly matched contest, Bassett thought they had equalised again shortly after. Bohane rose highest at the far post to redirect a Presley corner back across goal and Danny Langford was extremely unlucky to flick a header onto the crossbar from a matter of metres. The hosts then found themselves playing with a man advantage

for the final quarter of an hour as Adam Newbury was dismissed for a lunge on Bohane.

And that almost paid immediate dividends. However, the woodwork came to deny Bassett again as a Bradbury free kick was headed onto the bar by Chris Jackson, with the rebound falling to Dale Richards, whose deflected effort trickled onto the post.

Having survived that let off, the visitors sealed victory. With Bassett committing men forward, a headed clearance left Adam Hockey alone against Callum Wright and the Hereford forward fashioned a yard of space before firing clinically into the bottom corner. The Division One West side therefore advanced.

Fantasy Football Season 2021-22

Royal Wootton Bassett Town will be running a Fantasy Football League yet again for the 2021-22, with this year representing the twelfth edition of the competition.

It is quick, easy and - most importantly - free to enter, while there are prizes to be won.

To do so, visit fantasy.premierleague.com and click on sign up. Once you have followed the instructions and selected your team, click on the 'Leagues' tab.

There, click 'Create and join new leagues' and on the subsequent page select 'Join an existing league' before selecting 'Join private league' on the page following that. Here, you will be asked to enter a code, with the RWBTFC.co.uk League number being: fk5zy2.

Those who competed last season will automatically re-enter if they use their existing log-in details.

Last year there were a record 136 entries. The eventual winner was Steven Astin who scored 2,444 points – 18 more than this closest rival Joe Mitchell.

For all the club's managers and coaches, joining the Fantasy League is the only chance to prove who the pick of the bunch really is, so get entering! And for players, parents or supporters it's an opportunity to find out if you're cut out for a managerial career...

Youth section players can join too as there is no age limit on entries.

It's great fun to play, and, after yet another successful season last year, it would be brilliant if more could enter to make it even bigger and better. This season we try again to reach three figures!

Club Volunteers In Focus

Volunteers are the lifeblood of Grass Roots Football and Royal Wootton Bassett Town are lucky to have many fantastic helpers, some of whom have been with the club for a long period of time. This season the match day programme will pay homage to some of these people without whom the club would be unable to maintain its current level of activity. Today's featured volunteer is:

Bryan Wood

Positions held at the club:

- First Team Player – 1999-2000 to 2001-02
- Res Team Asst Manager 2002-03 to 2004-05
- First Team Asst Manager 2005-06 to 2007-08
- Girls Team Manager
- Head of Ladies Section – 2009-10 to 2012-13 and 2021-22 to date.
- Sports Association representative
- Matchday refreshments kiosk and gateman

Bryan Wood joined Wootton Bassett Town as a player from Purton in Season 1999-2000 having spent most of his playing days at the Redhouse, for which he was forgiven a long time ago. The previous season whilst at Purton, where he had been a virtual ever present in the Purton side, he had made the Hellenic League Representative team. Barry Giles was our First Team manager at the time Bryan joined Bassett and given the service Bryan has now given the club in various capacities he was certainly the best signing that Barry ever made. Bryan's pen pic for that first season described him as "a solid player who adds balance on the left-hand side."

Part of the first team for three seasons, Bryan was still in Pete Yeardley's starting eleven at the beginning of the 2001-02 Season but by the end of it was usually on the bench. With the Reserve

Team manager Paul Burke needing someone to help him out, Bryan stepped down to the Reserve side to help Paul with the management of that side the following season. There began a partnership and friendship that was probably only bettered by Clough and Taylor, but unlike Clough and Taylor, Paul and Bryan did not fall out and remain close friends to this day. When Paul took over the management of the First Team in Season 2005-06 Bryan joined him in the First Team dugout, a position he would occupy for all the three seasons that Paul was in charge of the First Team.

As well as men's football side of things Bryan took an active interest in developing Ladies football within the club with daughter Sam playing for the club. Bryan was manager of the Girls side at various age groups and then also took on the role of Head of Ladies and Girls Section in 2009-10 which he held for four seasons before stepping down at the end of 2012-13 having established the Ladies side as a permanent section within the club. However, he was once again assumed the role from the start of this season and is the current Head of the Ladies Section.

In other club related activity Bryan has also secured sponsorship for the Ladies side for many a season now and also arranged for the building of the dugouts which reside on the AGM pitch. He has also taken on a variety of other diverse jobs, even including recovering footballs from the lake behind the far goal as the programme cover from the 2017-18 Season, pictured right, shows, and he can often be seen helping out in the matchday kiosk or on the gate at games.

Bryan also serves on the committee of the Sports Association with a key focus being the arranging of social events at the club. Bryan also serves on the committee of the Sports Association with a key focus being the arranging of social events at the club. Bryan's involvement at the club is very much a family affair at the club with wife Fiona in charge of the bar at the Royal Wootton Bassett Sports Association and daughter Sam doing the SSE Wildcats Girls Football coaching and still playing for the Ladies side. As was said the best signing Barry Giles ever made, Purton's loss was certainly Bassett's gain. Bryan was made a life member in 2017.

Royal Wootton Bassett Town 2

Ardley United 2

Emirates FA Cup Preliminary Round

For the second time in a week, a dramatic stoppage time goal earned Royal Wootton Bassett Town a draw - this time in the Emirates FA Cup as Sam Collier's side salvaged a Preliminary round replay against Ardley United.

While the Bassett boss felt last week's injury time equaliser against Chipping Sodbury Town produced a deserved draw, he'll be hard pressed to make the same claim this time around though with visitors Ardley surely frustrated that they failed to hold on and book their place in the First Qualifying round.

Bassett had led initially as Alan Griffin headed home from a Chris Taylor corner. But that came against the run of play on the quarter hour mark.

It was Ardley who had set the tone early on - and they continued to do so, eventually equalising as Liam Talboys curled home a sweet left-footed strike midway through the period.

The visitors remained on top but were unable to take the lead before half time.

The Oxfordshire side were eventually ahead though shortly after the hour as Talboys produced another fantastic goal from distance.

As full time neared Ardley thought they were set to add a game-clinching third when the referee blew for a penalty. But he changed his mind and play quickly went down the other end.

There, Griffin controlled a difficult, bouncing ball in the box and with three defenders around him managed to get off a low shot on the turn. Taking a slight deflection, the ball struck the post and veered across the face of goal where Wrona was on hand to produce the easiest of tap ins and, somehow, keep his side in the hat.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

The FA's restructure at Steps 4-6 this summer solved some problems but not all. Clubs who had performed consistently over the curtailed seasons of 2019-20 and 2020-21 were awarded promotion on points-per-game.

In total, 110 clubs were upwardly moved as a new Northern Premier League Midlands division was formed at Step 4, two new Step 5 divisions administered by the Combined Counties League and the United Counties League and the Step 6 structure reduced to 17 divisions.

But vacancies across Steps 1-4, due to the resignations of clubs over the past two years, still remained although it was never the FA's intention to fill them as part of the restructure. Instead, the vacancies will be filled ahead of the 2022-23 season via reprieves as laid down in the FA rules.

Providing no club goes under or fails its ground grading during this season, this is what should happen:

At Step 2, each champion and play-off winner is promoted (four clubs in total). The bottom clubs in National League North and South will be relegated (two clubs in total). Step 2 is increasing to 24 teams in each league from the 2022-23 season.

At Step 3, each champion and play-off winner is promoted (eight clubs in total). Of the 16 clubs finishing in relegation positions, seven will be reprieved, comprising the clubs finishing 4th bottom in each Step 3 division plus

three of the four clubs that finish 3rd bottom with the best unweighted points-per-game record. The 3rd bottom club with the worst PPG record across the Step, plus all 2nd bottom and bottom placed clubs will be relegated.

At Step 4, each champion and play-off winner is promoted (16 clubs in total). Sixteen Step 5 champion clubs are automatically promoted and replace the bottom and 2nd bottom clubs at Step 4. Nine clubs with the best points-per-game are reprieved due to the vacancies at Steps 1-4 and the number of clubs at Step 2 increasing. This will leave seven Step 4 clubs playing off against seven Step 5 runners-up with the remaining eligible Step 5 clubs promoted.

Although reprieves are usually awarded to clubs with the best PPG records, the FA Alliance Committee has the power to vary that model.

	Promoted	Relegated
Step 2	Champion and play-off winner (4 clubs in total)	Bottom clubs in NL North and South (2 clubs in total)
Step 3	Champion and play-off winner (8 clubs in total)	16 clubs in relegation positions - 7 clubs with the best PPG reprieved, 9 clubs relegated
Step 4	Champion and play-off winner (16 clubs in total)	8 bottom-placed clubs and 8 second-bottom clubs relegated. 9 of the 16 third and fourth bottom clubs with best PPG are reprieved. Remaining 4th and 3rd bottom clubs go into play-offs vs Step 5 runners-up

First Team Match Report

Tuesday 24th August 2021

Ardley United 3

Royal Wootton Bassett Town 1

Emirates FA Cup

Preliminary Round Replay

Royal Wootton Bassett Town's hopes of an extended run in this season's Emirates FA Cup were extinguished as Ardley United triumphed 3-1 in their Preliminary round replay.

The Oxfordshire side were worthy winners across the two games as they set up a First Qualifying round derby visit to near neighbours Banbury United.

Unlike in Saturday's original tie, they took the lead, doing so midway through the opening period courtesy of Anacleit Odhiambo's deft lob over an advancing Eddie Cavanagh.

But Bassett restored parity early after the restart when Alan Griffin powerfully headed home from a Sam Ockwell set piece delivery.

While the visitors may have hoped that the equaliser would have shifted momentum in their favour, it failed to do so. Griffin was quickly needed at the other end, keeping the scores level courtesy of a goalline clearance. And it was not long before Ardley restored their advantage as Odhiambo capitalised on a defensive slip to add his second of the game.

It appeared as though the match was immediately set to go from bad to worse for Bassett when Cavanagh dragged down Odhiambo in the box. However the Bassett 'keeper kept his side in the game - and denied Odhiambo his hat trick - by pulling off a save from the resulting spot kick.

Ardley eventually put the game to rest though. On Saturday Liam Talboys scored two outstanding goals. He again showed his eye for the spectacular in the replay, picking out the top corner from a knock down following a goal kick that was pumped up field.

Marlborough Town 0
Royal W. Bassett Town Dev 7

Royal Wootton Bassett Town Development had won their opening two games ahead of their trip to Marlborough Town where they have only lost once in their last six visits.

However, like Royal Wootton Bassett, Marlborough were also unbeaten going into the game having drawn at Odd Down and then having picked up a 5-1 home win over Stratton Juniors in midweek.

Royal Wootton Bassett Town Development maintained that good record at Elcot Lane with a convincing 7-0 win which saw hat-tricks for both Tyler Sheppard (pictured below) and Dale Richards as they ended Marlborough's unbeaten start to the season. The other goal for Royal Wootton Bassett Town Dev was scored by youngster Kevin Prouse, one of five Under 18s in the winning visitor's squad.

The win saw Royal Wootton Bassett Town Dev move above Pewsey at the top of the league on goal difference. Next up for Royal Wootton Bassett Town is a trip to near neighbours Malmesbury Victoria Development in midweek.

On Wednesday Royal Wootton Bassett Town made the short trip to Malmesbury Victoria Development looking to maintain their 100% record this season at what had historically not been a happy hunting ground in recent seasons. Whilst overall they had the better record in games against Malmesbury, they had last won at Malmesbury back in 2016-17 and their last three visits have included a couple of heavy defeats (5-0 in Season 2018-19 and 6-2 in Season 2017-18). They finally put an end to that bad run at the Flying Monk Ground with a convincing performance that saw them come away with all the points following a 4-0 win. They went in front courtesy of an own goal on 12 minutes and two further goals before the break put them in the ascendancy. Another goal after the interval made sure of the points, Zac Skinner (pictured below) (2) and Matt Bennett the Bassett scorers. The win saw them go back top of the table ahead of Pewsey Vale on goal difference, both teams having won all four of their opening fixtures. Saturday sees Royal Wootton Bassett travel to Ludgershall .

RWBTFC Ladies

Royal Wootton Bassett Town's South West Regional Women's Football League Premier Division fixtures have now been announced.

Although entering their third season in the Premier Division, Bassett are yet to complete a campaign at this level after the past two seasons were curtailed.

This year's division will feature ten teams - including promoted sides Forest Green Rovers and AFC St Austell, as well as Brislington who have taken a voluntary relegation.

And Bassett will open their campaign against one of those newcomers as they visit Forest Green Rovers on Sunday 5 September (2pm kick off). Bassett won 4-0 when the teams met at Rovers' New Lawn Stadium in a friendly back in May.

After a week off, Graham Fletcher's side then play their opening home fixture against Ilminster Town on Sunday 19

September (2pm kick off). Despite the 2020-21 season being abandoned, Bassett and Ilminster managed to complete their league fixtures against one another with the Somerset side winning both games, including a 6-2 triumph at the Gerard Buxton Sports Ground.

Bassett then finish September with a visit to Marine Academy Plymouth on Sunday 26 September (2pm kick off). The teams did not meet in 2020-21, though Bassett recorded a 5-0 win in their only previous meeting with the Devonians in September 2019.

It will certainly be a testing first month for Bassett's Ladies in what is expected to be a highly competitive division. What's for certain is that those trio of opening games will serve as excellent preparation for the Vitality Women's FA Cup Second Qualifying round tie against Denham United at the start of October.

Veterans Super Sunday 2021

Sunday 29 August

Royal Wootton Bassett Town will be hosting the third edition of its Veterans Super Sunday event at the Gerard Buxton Sports Ground on Sunday 29 August, with two fixtures scheduled against the RAF FA Veterans.

The first game of Super Sunday, which as usual is being held to raise money for the Royal Air Force Benevolent Fund, will see Bassett's Over 50s square off against their RAF equivalents (12.00 kick off).

The two teams will be playing for the Brian Johnson Memorial Shield – named in honour of the long-standing member of the RAF's Over 50s side who sadly recently passed away from cancer.

This will be followed by Bassett's Over 35s side facing the RAF FA's main Veterans side (14.00 kick off).

Food and drinks will then follow in the Gerard Buxton Sports Ground clubhouse.

As a club, we are always proud to help build on the close ties between Royal Wootton Bassett and the armed forces, in particular the Royal Air Force.

Given the proximity to Lyneham, numerous individuals linked with the RAF – be they serving in the air force or their family members – have played, coached or volunteered for Bassett over the years.

And, in keeping with the town's motto – "We honour those who serve" - we hope hosting this charity match is a fitting way of showing our appreciation for everything the RAF have done for our town and country.

Although unable to be held in 2020, the Super Sunday event is the most important date in the calendar for Bassett's Veterans section, with strong relations having been built with the RAF FA. And the two previous editions in 2018 and 2019 have been extremely well supported.

It is therefore hoped that it will be the same in 2021. We look forward to seeing you – and many others – there at the event.

Nick Warren's Under 18 side have, at the time of writing, played three pre-season friendlies. They opened with a 2-2 draw with Swindon Supermarine, Harry Farrow and Finley Smith with the goals.

They were then involved in an entertaining draw in an inhouse game against the Veterans' team. Two late goals securing a draw after the youngsters had trailed 4-2 with time running out. The inhouse game was followed by a trip to AFC Aldermaston, a new side in the

Corsham Print Wiltshire Senior League U18 Division this season. With the squad being heavily rotated all match goals from Ben Llewelyn, and Archie Mannix saw the Under 18s win 2-0.

Then last Thursday the U18s put in their most impressive performance so far putting five goals past Chippenham Town Academy. On target for Bassett were Kevin Prouse (2), Max McCrae, Seb Smith and Euan Spackman.
