# Welcome

Good afternoon and welcome to the Gerard Buxton Sports Ground for this UHlsport Hellenic League Premier Division fixture against Tuffley Rovers. It is a warm welcome to the management, players and supporters who have made the short journey across the border from Gloucester for today's game. We trust you will enjoy your short stay with us this afternoon and we wish you all a safe journey home.

After losing 12 games on the spin, Tuffley have been showing much improvement in recent weeks and their last seven games have seen a couple of wins, a draw and with all the defeats being by a single goal margin only, including games against the likes of Westbury United and Westfields who are still challenging for honours at the top end of the table. It was a close game in the first meeting between the sides, we took all three points thanks to an Adam Corcoran goal in a 1-0 win.

After the disappointment of the last home game against Fairford Town where we went down to a last minute penalty it was a return to winning ways last Saturday away at near neighbours Calne Town. The match against Fairford Town was totally spoilt by the horrendous win that Storm Eunice brought to the county. It was one of the worst games of football I think I have ever witnessed and on the balance of play Fairford probably deserved the win as we were certainly not at our best that day.

The win at Calne continued our good record this season against sides below us in the table. So far 27 of our 42 points have come in games against the sides below us in the table and we have not lost to any of them. Hopefully that trend will continue this afternoon with Tuffley below us in the table. With both Shrivvenham and Calne Town to play again at home hopefully we can pick up six points from those two games as well, improving what is not a good home record this season. Again of our 42 points, 24 have come away from the Gerard Buxton Sports Ground, with just 18

being accumulated on home soil. It seems that visiting teams like playing on our smooth playing surface!

After today we play our final two away games of the season, a midweek trip to high flying Westbury United being followed by a trip to Longlevens. We then finish our league campaign with three home games against Calne Town, Shrivvenham and Corsham Town. The Calne game is scheduled for 15th March and we then have a month's break from league action until Easter weekend when we have the Shrivvenham game on Good Friday and the Corsham game on Easter Sunday.

## **Development Side**

The Development Side had a good 3-1 home win last week against a decent Corsham Town Development side last week to keep the pressure on Pewsey Vale. They have another tough looking game today when they travel to Trowbridge Town looking to complete a league double having won 1-0 at the Gerard Buxton Sports Ground last month. With Trowbridge's pitch being notoriously wet, hopefully the work they did last summer will allow the game to go ahead.

## **Ladies Side**

The Ladies were beaten by top of the table Torquay Utd on Sunday and have another difficult looking game this coming Sunday when they host AFC St Austell in what is their last home league game of the season. The first match between the two sides served up a nine goal thriller and with ST Austell one of two unbeaten sides in the league another tough match is in prospect for the Ladies this weekend.

Enjoy the game this afternoon and hopefully three points for the Bassett.

# From The Gaffer

Good afternoon and welcome to everyone connected with Tuffley Rovers to the Gerard Buxton Sports Ground. Tuffley are a side who, since the current management took over, have really picked up and had some excellent results of late and were very unlucky last Saturday against Cribbs, with a late winner for Cribbs which was a goal worthy of winning any game. Lets hope that the visit today isn't overly enjoyable on the pitch but very much off it.

Last week we visited local rivals Calne on what I understand was a very boggy and bumpy surface which from the warm-up the players instantly knew it would be a challenge. We made one change from the defeat to Fairford with Tommy being side-lined due to a hamstring problem. I understand we dominated the first 25 minutes and missed three really good chances. Suddenly we found ourselves a goal down against the run of play. However, we continued to be the stronger side and a bit of magic from John Mills just before half time got us level.

Second half, whatever Bully said to the team seems to have done the trick, as I understand we came out the blocks very quickly and a fantastic ruthless finish from Alfie got us in front. I believe we should have gone and scored more, with Calne causing few problems to Ed's goal. It was

another good win for us and moved us closer to the target we have set the lads.

The Dev team had another really good win last week at home to Corsham and are keeping the pressure on Pewsey, three great goals again and a wonder strike from Dale from the halfway line which Your Sport Swindon just about captured! The Ladies had a tricky game on Sunday, losing 3-1 to Torquay. They have been training very hard and we are also grateful to them for sharing the 3G pitch with us on Thursday in order for us to train. The Under 18s have been training with us the last few weeks also and have been outstanding, all worked hard and have not looked out of place.

The fans travelling to support us this season have been excellent. Once again the number I am told we took to Calne was incredible. Seeing so many people behind the goal week in week out supporting the lads is amazing, even when the results haven't been great they have still been attending and shown the team great support.

I understand PD is doing the cooking today so very excited for this and see what Mrs D gets fed at the Davis Towers, Urk has set very high standards in the kitchen.

Enjoy the game all.

Much love

*Sam*

## TUFFLEY ROVERS AFC

### Jack Copland

#### Goalkeeper

A hugely talented young goalkeeper who was a mainstay of the club's U18 campaign in the 2020/21 FA Youth Cup. Terrific handling and shot stopping ability is equally matched by his excellent distribution, from the hand or with the ball at his feet. 2021/22 is his breakthrough season and so far it is going well, as he is now undoubtedly first choice between the sticks!

### Will Ramsey

#### Defence

Signed from Cheltenham Town, where he was previously a scholar, until the end of the season. Consistent and hard-working, Rambo has been a great addition to the squad. Good going forward, too, and capable of lending his support to the attacking play.

### Liam Wright

#### Defence

Returned to the club recently, after spells away at Bishops Cleeve and then Cinderford Town. Capable of playing in midfield or in the back four, Liam is now seen as an energetic part of our squad. A ball player but incredibly hard-working and other with a powerful shot from distance.

### Jacob Geddes

#### Defence

A rising star for Rovers, after joining the club in 2020. Immediately held down a regular place in the first team, aged just 16 years of age, showing a maturity beyond his years. Joined after leaving Cheltenham Town and is a tough, uncompromising defender, but also good in possession. A natural leader; now captain in Macaulay Herbert's absence.

### Joel White

#### Defence

Rejoined the club from Frampton United, having spent a couple of seasons with Slimbridge, in the Southern League. A commanding presence and hugely influential in our young squad. Calm on the ball, fantastic in defence; one of the leaders we need to support the development of our squad amidst some of the challenges during this campaign.

### Laurie McNally

#### Defence

Another product of the club's successful Under 18s side and another player of whom much is expected this season. Competent in either full-back position and also capable of playing at centre-half, Laurie is one of the most natural defenders at the club, but also extremely capable on the ball. Previously at Forest Green Rovers Academy.

## 2021/22 PLAYER PROFILES

### Lewis Bainbridge

#### Midfield

Joined the club at the start of the 2019/20 season and now entering his 3rd season as a Rovers player. A former Gloucester City youngster who joined as a really promising wide player but now amongst our most versatile players and being deployed to fill any gap in the line-up. Abundant energy and dangerous in an attacking position, also weighing in with some important goals.

### Sam Mendes

#### Midfield

Former Slimbridge player, who graduated from Cheltenham Town as a youngster. Very gifted and capable of drifting past opponents, creating chances and weighing in with. Joined in 2021, after a spell at County League side Hardwicke and already looking a key player for the team. An enigmatic talent.

### Ashley Davies

#### Midfield

Returns to the club for a third spell, having previously been the Club Captain at Cinderford Town. Neil Mustoe's first signing and an incredibly coup. Brings class, leadership and a wonderful work ethic to the squad and his influence will be of huge value to the club.

### Dom Kent

#### Midfield

A product of the Gloucester City U18 squad, Dom is now amongst our longest serving players and a fixture in the squad. A talented midfielder, who is good on the ball, industrious and quick, but also incredibly tenacious, whether looking to retain possession or win the ball back. Ended 2019/20 as Players' Player and Manager's Player.

### Warren Mann

#### Midfield

By far our longest serving player and entering his nineteenth season in the first team squad, 'Wazza' might lack some of his former pace, but is hugely committed and massively experienced asset, bringing passion and excellent technique; he's constantly involved in every game. Practical joker on and off the field - usually the opposition support's least favourite player!

### Jack Beardsell

#### Midfield

Re-signed in October on a transfer from Fairford Town, having previously played for the club 33 times, scoring 8 goals. A mercurial talent who is capable of producing some high quality goals. Needs to add consistency to his game and we're hoping that his second spell with the club is the time that he realises his full potential.

## TUFFLEY ROVERS AFC

**Demilade Yussuf**

**Midfield**

Just sixteen years old but captain of our U18s squad and already collecting regular first team appearances. Strong, calm on the ball and incredibly hard-working, Demi was previously at Cheltenham Town and is a real talent. One to watch in future years.

**Harry Morgan**

**Midfield**

'Spanish Harry' is another player who joined the club whilst at Hartpury Uni but is staying at the club after completing his studies. Joined late in the active season (2020/21). Tidy on the ball and industrious off it, on his day a pivotal figure in the squad.

**Joshua Aldridge**

**Midfield**

Signed on a Work Experience arrangement from Cheltenham Town, Josh has previously had trials with Tottenham Hotspur and it is evident that he is incredibly talented. Comfortable on the ball and fast becoming a key member of the Rovers squad.

**Sammie Hicks**

**Midfield**

Signed mid-February to bolster the squad following Neil Mustoe's appointment as manager, on a dual registration agreement with Cinderford Town. A super talented midfielder, now with experience at a higher level and just what we needed after a difficult season. Coming back from a series of injuries that have hampered his progress but a stellar signing, nonetheless.

**Liam Smith**

**Midfield**

Another player with Southern League experience. Calm in possession and possesses a good passing range, whilst also physically strong, will be looking to hold down a regular place in the side, after missing the start of the season. Offers experience and capable of dropping into the back four when needed.

**Lucas Price**

**Forward**

An excellent summer signing from Bishops Cleeve, Lucas is lightning fast, energetic and has an eye for goal. Impressed in pre-season with his ability to quickly turn defence into attack and is as industrious, as likely to make a recovering challenge

as he is to conjure a shot on goal.

## 2021/22 PLAYER PROFILES

**Harvey Greenslade**

**Forward**

Initially signed on a six week Work Experience arrangement from Bristol Rovers and began his spell in style, with two goals on debut, including a first minute opener. Pacy, industrious, committed and a fantastic addition to the squad on the early evidence.

**Aaron Basford**

**Forward**

Another addition to the 2021/22 squad, 'Bash' has been with Step 4 side Evesham United in recent seasons but was lured to the club in the summer. A hard-working, hugely talented youngster – formerly with Cheltenham Town – who has a good goalscoring record.

**Ashley Bird**

**Forward**

Another returning player, who struggled to secure a regular starting berth under Mark Pritchett and eventually left the club. Signed by Rich Cox but didn't return to the side until his former mentor, Neil Mustoe, took the reins. His industry, strength and running power will set the mark for others to follow. Great to have him back.

**Jamal Lawrence**

**Forward**

A former professional with Cheltenham Town, who briefly played in the Football League, before spells at National League side's Hungerford Town and Gloucester City. Returned to play for Rovers after two years away from the game and will be looking to add both goals and intelligent link-up play to our young squad.

**Joe Shutt**

**Forward**

Small in stature but capable of making a big impact, 'Shutty' joined from Chipping Sodbury Town in 2019 and has become a firm favourite with the Rovers support. Quick, skillful, full of energy and hard-working, he has already contributed goals on a regular basis and has attracted attention from higher league clubs.

**Neil Mustoe**

**Manager**

Recently appointed as interim first team manager, following Rich Cox's resignation. Spent many years as a professional at Manchester United, Wigan Athletic, Cambridge United, Stevenage and Yeovil Town, before over 350 appearances for Gloucester City.

Previous coaching experience with City before a spell away from the game until his appointment with The Rovers.

# Opponents History

Founded by the late Donald E Hall 1929, the club's Headquarters were in a former railway carriage, which served as Mr Hall's Boot and Shoe repair shop on the Stroud Road at Tuffley in the City of Gloucester.

The Club started its playing life in the North Gloucestershire League, before a move across to the Stroud & District League, which eventually led to promotion to the Gloucestershire Northern Senior League. Securing the Champions title in 1987-88 meant Rovers gained promotion to the Gloucestershire County League for the first time. After two seasons of consolidation the Club won the County League Title in 1990-1991, their application to join the Hellenic League was successful and they were accepted into Hellenic Division One.

Progress continued, as in 1992-1993 Rovers completed a League/Cup Double. After that promotion the club regularly finished in the top half of the Premier Division of the Hellenic League, and in 1998/1999 Rovers won the Norman Matthew's Floodlit Cup, defeating Carterton Town in the final.

The Club continued to thrive in the Hellenic League and managed to win the Floodlit Cup again in the 2002/2003 season, defeating Brackley Town over two legs in the final. However, the ever changing ground grading requirements, if the club was to remain in the Hellenic League, and the financial strain these improvements imposed on the club, forced Tuffley Rovers to make the decision to withdraw from the Hellenic League in 2005 and settle for local football in Gloucestershire, returning to the Gloucestershire Northern Senior League.

After a difficult start Rovers were crowned champions of Division Two of the Northern Senior League in the 2005/2006 season and

were promoted to Division One. Another slow start followed in 2006/07, before the team put together a consistent run and managed to claim the league title, as well as win the GFA Senior Amateur Cup and reach the final of the Reg Davis Memorial League Cup.

A return to the Gloucestershire County League followed and the club finished a very creditable 4th place (2007/8) but the summer of 2008 saw a number of senior players retire. Over the next few years, the side secured several top six finishes, before the 2012/13 season marked a significant improvement for the club. After challenging for league championship honours all season, the club couldn't quite maintain the form to secure the title, ultimately finishing second. However, this was enough to gain promotion to the Hellenic League Division One (West) for the 2013/14 season.

On their return to the Hellenic League, The Rovers saw a season that witnessed some turmoil – including the departure of manager, Doug Foxwell – to record a decent sixth place finish and some good cup results.

Warren Evans came in as manager in 2014 and secured a Runners-up spot which was enough to see the club promoted back into the Hellenic League Premier Division, ten years after withdrawing from the division.

Evans departed after a difficult first season in the Premier Division and the club only avoided relegation on administrative grounds. Mark Pritchett, was then appointed as manager in June 2016 and he took the club to a secure 10th place finish and an appearance in the Supplementary Cup Final. A second successive 10th place finished followed in 2017/18, before a 15th place in 2018/19, the last completed season with the two following seasons curtailed by Covid-19.

### Editorial Comment

Our conquerors Hamworthy are still in the FA Vase after a 3-1 home win over Tunbridge Wells last Saturday. Bizarrely this was just one of three games decided in normal time, five of the eight ties required penalties to decide matters. Also through to the last eight are the programme editor's university side and I will be hoping that, with us out, that it is Loughborough students who make it through to Wembley.

# Half Time Quiz

Today's music quiz has a monthly theme to it, with a name of a month of the year in the title of each song. Bit of a tough one but, as per usual, name the artist and the song from the lyric clues below.

1	You led me away from home Just to save you from being alone You stole my heart and that's what really hurts
2	Oh, what a night, you know I didn't even know her name But I was never gonna be the same What a lady, what a night
3	Hey honey what you trying to say As I stand here Don't you walk away And the world comes tumbling down
4	When I look into your eyes I can see a love restrained But darlin' when I hold you Don't you know I feel the same?
5	Today, my bird flew away Gone to find her big blue jay Starlight, before she took flight I sung a lullaby of bird land every night
6	Sick and tired you've been hanging on me You make me sad with your eyes You're telling me lies
7	Our hearts were ringin' In the key that our souls were singin' As we danced in the night, remember How the stars stole the night away, oh, yeah
8	Summer has come and passed The innocent can never last Wake me up when....
9	Hangin' on here until I'm gone Right where I belong just hangin' on Even though, watched you come and go How was I to know you'd steal the show?
10	One, two, three, four Gonna make a record in the month of ....

# Hellenic Premier Division 21-22

Saturday 26<sup>th</sup> February 2022

## Based on Robin Jones round-up in Sunday's Non-League Paper

**Bishop's Cleeve** maintained top spot in the Premier Division with a 2-0 victory at **Chipping Sodbury Town**, Kevin Slack scoring in the eighth minute before Jack Watts made sure after 77 minutes.

A double from Adam Newbury and a goal each by Will Laughman and Sam Pearson saw **Hereford Lads Club** win 4-3 at **Shrivenham** while James Campbell and Harlie Price netted for hosts **Brimmscombe & Thrupp** in their 2-0 win over **Westfields**.

**Bradford Town** left it until the 87th minute to beat basement visitors **Hallen** thanks to a George Box goal and **Royal Wootton Bassett Town** came from behind to win at **Calne Town** thanks to goals from John Mills and Alfie Presley.

**Longlevens** lost 2-0 at home to **Westbury United** thanks to goals from Callum Demkiv and Ryan Bole while Jake Hodgson's winner two minutes from time gave **Cribbs** a 1-0 win at **Tuffley Rovers**.

**Corsham Town** drew 1-1 at home to **Malvern Town**, **Lydney Town** fought out a goalless draw at **Fairford Town** and Friday's game saw **Roman Glass St George** win 3-0 at **Thornbury Town** thanks to goals from Ollie Woodhouse, David Regula and Liam Harding.

Midweek action saw three games played including a big Wiltshire derby at the top of the table where **Westbury United** entertained **Corsham Town**. It was an eventful game in front of a big crowd of 178. Harvey Flippance gave Westbury a half time lead which was extended by Sam Jordan just after the hour mark. Two goals in the space of a minute in the 81st and 82nd minutes brought Corsham back level, Simon Prangley with the first and fellow substitute Ryan Bath with the equaliser. However, Westbury

restored their lead four minutes from time through William Thomson. Corsham thought they had equalised again right at the death but it was disallowed and it finished 3-2 to Westbury. The win saw Westbury move second in the table ten points behind Bishops Cleeve with two games in hand.

The other game on Tuesday night saw **Lydney Town** and **Brimmscombe & Thrupp** share the points after a 0-0 draw, the second game in a row that Lydney's game had remained without a goal.

The final game of the week was on Wednesday night and it saw **Roman Glass St George** defeat **Calne Town** 3-1.

Royal Wootton Bassett Town's performance may have been one that merited few points for style, but Sam Collier's side ensured they returned to winning ways as goals either side of half time from John Mills and Alfie Presley saw Bassett grind out a 2-1 victory away against local rivals Calne Town.

With their hosts battling for survival in the Hellenic League Premier Division and Bassett's form wavering after frustrating recent results against Hallen and Fairford Town, this was a derby contest that was always set to be a battle. And so it proved as two teams separated by just over ten miles met for the first time in a league fixture since the 1985-86 season.

It was Calne who would strike first blood in the contest as Jamie Walters found a way past Eddie Cavanagh.

And while Bassett were enjoying more of the ball, it appeared as though Calne would take their lead into the break.

That was until the visitors fashioned an equaliser with two minutes remaining in the

half. Cutting in from the left side, Mills found himself with room to shoot and his powerful drive from just outside the area picked up a deflection off Jordan Kirk that left home 'keeper Bailey Leach a helpless bystander as the ball flew into the corner of the net.

Bassett then struck what proved to be the winner in the early stages of the second period. As Calne sought to play out from the back, Leach hit a stray pass that fell straight into the feet of Presley, who, from a tricky position, smashed a shot straight back past the 'keeper and into the net.

That goal, Presley's second since returning to the club, proved all that Bassett needed to record their 12th league win of the campaign.

Although the win does not change Bassett's position in the table, results elsewhere means that Bassett can climb two places to eleventh should they win the games in hand over Fairford and Hereford Lads Club that they possess.

The points dropped in the past two games do mean Bassett are playing catch up.

But with six league games left to go, including four home matches - among them the return fixture against Calne, there's still more to play for than just pride.

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

STORMS Dudley, Eunice and Franklin may have proved profitable for, say, fencers or roofers but certainly not for cash-strapped Non-League football clubs. Five full days of heavy rain, high winds and even snow left Britain battered and bruised last week with a trial of destruction in its wake. Naturally, the fixture list was decimated up and down the country, while some clubs were left counting the cost of extensive damage caused to grounds and clubhouses.

Perhaps the hardest hit, once again, were Tadcaster Albion. For the fourth time in seven years, the adjacent River Wharfe burst its banks with such ferocity that it took down most of the steel barrier on the far side of the Brewers' Ings Lane ground, opening the floodgates for around 1.5 metres of water. This comes as a huge kick in the teeth for the North Yorkshire club who have played an integral part in the town's Tadcaster Flood Alleviation Scheme which was formed following the devastation of the floods in 2015.

The clubhouse at Ings Lane was raised to prevent a repeat and that seemed to do the trick when floods struck again in 2020 and 2021. Not this time though with water ingress expected through the floorboards. As a result, Taddy are now back in limbo with the Environment Agency yet to sanction vital repair works before their next home game against Stocksbridge Park Steels on March 5.

Another club who suffered a repeat deluge were Barton Rovers, who were hit by the effects of a major storm for the second time in five years. In February 2017, the Southern League Division One Central side's Sharpenhoe Road home was battered by Storm Doris which sent a floodlight pylon crashing through the main stand, leaving Barton with a £9,000 repair bill. Last Friday, Storm Eunice blew the stand down again along with the club's TV tower. It is estimated that repairs this time round could cost the club around £20,000.

Basford United's Greenwich Avenue stadium suffered extensive wind damage last Friday,

leaving them with an estimated repair bill of £10,000. Stands and turnstiles were damaged, with one roof destroyed, while exterior fences came down and gas, electricity and water supplies were disrupted.

Perhaps the most harrowing sight of the weekend was the metal roof of the stand at Paghham FC being wrapped around a parked van in a nearby road with the entire structure ripped from its hinges.

Trees at Egham Town's Runnymede Stadium were felled and a stand destroyed, causing the postponement of their home game against Southall, while the away team's dugout at Hartley Wintney flipped over the pitchside hoardings and onto its roof as their Green Lane ground was also hit.

Meanwhile, Potters Bar Town have set up a GoFundMe page in order to help the club meet ground grading regulations, following extensive storm damage. A similar fundraising effort in March 2019 raised £5,000 towards the £50,000 improvement costs as the club just about made the deadline to maintain their Step 3 status. But 70mph winds on Friday blew one of the new stands completely on its back, causing much damage, as well as to the Water Irrigation Canons, the Home Dugout and a Storage Unit.

"Today, as a Community Club, we encourage the youth and contribute to the good health and comfort of those watching," chairman Peter Waller said.

"With more than 50 years at the club, we are devastated, after all the effort that went in three years ago. We can raise some of the cost, but we need to ask for help. Please support us if you can."

All this acts as a timely reminder as to the challenges that exist when running a Non-League football club and just how vulnerable they can be. In times like this, communities are at their strongest, rallying together in support of a vital asset. It shows nothing should ever be taken for granted.

League leaders Pewsey Vale were the odd one out with no scheduled fixture this weekend, giving the chasing pack the chance to close the gap at the top of the table. Second in the table Royal Wootton Bassett Town Development were involved in the top game of the weekend with the visitors to the Gerard Buxton Ground being fourth placed Corsham Town Development. Both teams went into the game in good form, Royal Wootton Bassett were unbeaten in nine, eight of which have been won, whilst Corsham came into the game on the back of four straight wins since the turn of the year. It was a tight contest between two very good sides, and they went into the half time break with the game still looking for its first goal. The home side had the best chance of the half right on the stroke of half time when they

were awarded a penalty, but Nathan Hawkins saw his spot kick saved by Corsham stand-in keeper Chay Forrester as the two sides turned round with the score still 0-0. Royal Wootton Bassett Town Development came out of the blocks strongly after the break and found themselves 2-0 up within the first ten minutes of the restart. Matt Bennett broke the deadlock with his 30th of the season and then went from scorer to provider as he set up the second goal for his strike partner Dale Richards. Visitors Corsham pulled one back 20 minutes from time through Dan Sibley, but the home side restored the two-goal advantage almost immediately, Dale Richards (pictured above) hitting a stunning goal for 3-1 and that is how it remained as the home side secured the three points which saw them move to within six points of the leaders with two games in hand. They have another tough game next week when they travel to take on a Trowbridge Town side who sit just behind them in the table.

## **South West Regional Women's League**

Despite playing with home advantage for the first time in seven weeks, Royal Wootton Bassett Town Ladies were unable to snap out of their second half skid as they fell to a 3-1 defeat against South West Regional Women's Football League Premier Division title chasers Torquay United.

Bassett weren't helped by the fact the fact late withdrawals due to illness and injury left them facing their opponents with a bare eleven. And although they put up a good fight against opponents who had beaten them 5-0 in Devon just a fortnight ago, Torquay proved too strong.

The visitors led 2-0 at half time courtesy of

goals from Tracey Cross and Beth Everson. Ellie Bishop then gave Torquay an unassailable 3-0 in the second half, with Libby Davies' 35<sup>th</sup> league goal of the campaign proving no more than a consolation goal.

The result continues a run that has seen Bassett collect just four points from the seven games they have played since the turn of the year. That record stands in stark contrast to the haul of points collected from their opening nine league matches, which had seen Bassett seemingly put themselves in the mix for one of the top placings in the division.

Two games now remain in which Bassett will aim to finish on a high. And there remains the opportunity for the young team to have a say in the title race when AFC St Austell - another of the four sides battling it out for top spot - visit Wiltshire next week.
