# Welcome To Today's Game

Good afternoon and welcome back to the Gerard Buxton Sports Ground for another exciting fixture. This will be our first against a strong Sherborne side who look to be a tough opponent today to as they currently sit top of the table.

Our last game at the Gerard Buxton Sports Ground was in the end our final game of 2021 due to the league cancelling our final scheduled game due to covid, which I felt was a fair decision due to the rising number of cases.

In that last game against Marine Academy Plymouth (MAP), unfortunately for us we started rather poorly against a depleted team. MAP scored first through our own mistakes as we failed to judge the bounce of the ball which was something we were guilty of doing all afternoon especially in the first half.

It took a few choice words from myself and Graham in the changing room for us to come back out and score several goals in quick succession. This led us to comfortably seeing the game out in the end but by far not our greatest first half performance of the season.

For me it's been a somewhat crazy start to the season which took us a little while to get going. We had a mixed pre season but our strong league start has been our greatest achievement taking 18 points out of 27. Sadly our FA Cup run came to a disappointing end at the first hurdle in what people would say was a thrilling game for the neutral. And then sadly our County Cup result was rather abruptly ended due to decisions made in the game by officials and us as management but our target is now a strong finish in the league with a certain amount of points as a target.

We hope you enjoy today's game and I hope to see a few of you in the bar after for a drink.

*Sam*

# Get Well Soon Bryan

As with everyone else at the club, I was shocked to hear of Head of our Ladies Section, Bryan Wood's recent health scare just before Christmas. It is a relief to know Bryan is now on the mend and back home recuperating. All involved in the club wish him well for a full and speedy recovery.

Take it easy Bryan, do as the doctors tell you, and we all look forward to seeing you again in the not too distant future.

# From The Dugout

Happy New Year everyone.

I would like to extend a warm welcome to Sherborne Ladies for today's South West Regional Premier Division fixture.

I believe this is the first time the two sides have met, and Sherborne in their first season in the South West Regional Women's Football League Premier Division topped the table, before the Christmas break. They will be tough opponents as we return to action today.

We are currently third in the division, prior to the break. At our last training session, I spoke to my players about our league position, and I was pleased to be able to congratulate them on a very good first half of the season. The players have worked very hard, and I have been delighted with their attitude, approach, and their desire to not only compete in all of our games to date, but also to be able to believe in the tactics, the process, and the game management that have given them the six wins to date.

We have some tough games coming up, teams who we haven't yet played this season, but that's the challenge of playing football, anything can happen, it usually does, and I know we will be very competitive in all of the upcoming games.

The final nine games of the season, will see us hit the road for six of them, which is always a challenge, but I strongly believe we are up for the challenge, and take some of these teams on.

The whole squad have worked really hard at training, our decision making on the pitch is improving, and the level of intensity to our play is getting better and better. To win any game of football is a fantastic boost to the confidence of the group. I feel the squad is getting stronger, we have made some excellent new additions recently, and our challenge is to get a top four finish, maybe higher, which will be an excellent performance, for my young team.

As I have mentioned, we have a young squad, but what has been good to see has been the way they have adapted to this much higher level, but they are also getting stronger with every game. The knock on effect has been that the more experienced players have really upped their game, mix the two together and we have won six out of nine matches to date.

I would like to thank my two coaches, Samantha Wood and Martin Peters. The hard work and dedication they put into the training sessions, match's etc, and I'm really happy and pleased to work with them, we are also a good team.

Finally, my best wishes to our Head of Ladies Football, Bryan Wood, get well soon my friend, every win, every goal is for you.

Thank you for your support, and please enjoy the game.

*Graham*

# Remembering Bill

Unfortunately over the Christmas period the team learnt of a 'passing' of one of our very own loyal supporters of RWB Ladies William 'Bill' Gulliver. Bill is current midfielder Hannah Gulliver's grandfather. Bill and Hannah's dad Mike, sister Lauren and brother Anthony have been regularly seen at Ladies matches both home and away for the past five seasons. Sadly, this year Hannah has been struggling with an ankle injury but despite being injured Bill and the Gulliver's have still continued to attend to support the team this season.

Bill was a loyal supporter that loved attending Bassett matches since 2017. He was a typical grampy that had a heart of gold and enjoyed supporting his granddaughter in a Bassett shirt. He would regularly be seen sat with the rest of the Gulliver's, Janice, Andy and Steve but more recently seen whizzing around on his mobility scooter.

Bill was the kind of gentleman who was always keen to talk even if most of the time he was 'saying it how it was'. Bill had some lovely stories to tell and could be seen talking to many players, managers or spectators in one afternoon. He was a keen side line encourager to many of the girls to help spur them on during the matches.

Players, managers and spectators old and new described Bill as a proud, lovely legend who had so much pride in watching his grand daughter Hannah play. Bill also chose to sponsor this seasons current top goal scorer Libby Davies to help show his support towards the club which we were very grateful for.

RWBTFC would like to send our condolences to Hannah, Mike, Chris, Anthony, Lauren and Gemma on the loss of a lovely man and we are thinking of them during this tough time.

Bill was true Bassett Fan and will be sadly missed up at the Gerard Buxton Sports Ground but I know that he will continue to support us from above.

From all of us at RWBTFC Rest In Peace  
William Gulliver.

Sam Wood

# From The Skipper

Happy New Year and a warm welcome to Sherborne Town today. Closing the year with a 6-1 win over a depleted Marine Academy

Plymouth team currently finds us sitting third in the table. However, today we expect to face a tough fixture against top of the table Sherborne. This is the start of a tough run of fixtures against teams in the top half of the table we are set to face and we are hoping that covid doesn't affect us too much in the way of player availability.

Unfortunately, over the Christmas period we learnt of the passing of loyal supporter Bill Gulliver. I would like to extend condolences to the family on behalf of the ladies on their sad news.

Thank you once again for your support!

Laura

# Opponents History

Sherbourne Town Ladies were formed as recently as 2018 and are part of the Sherbourne Town Football Club that has been in existence since 1894. The men's side started life in the local Dorset Leagues but were promoted to the Toolstation Western League at the end of the 2005-6 Season where they have remained ever since. They have had two spells in the Premier Division but were relegated at the end of the 2016-17 Season and have remained in Division 1 ever since but are doing well this season and could well be promoted back to the Premier Division at the end of this season.

The Ladies side have been a very successful side from their very first season, that season saw them crowned champions of the Dorset Women's League winning all 18 of their league fixtures to finish some 17 points ahead of their nearest challengers Merley Cobham Sports Youth Ladies.

The league title success saw them promoted to the South West Regional

Women's League Eastern Division and they were once again having a successful season before Covid brought that season to a premature end with Sherbourne top of the table with just one defeat in their opening nine games.

The following season saw them moved across to the Western Division and once again they started the season well. They won both the league games they played and also progressed a couple of rounds in the FA Cup before eventually going out to Premier Division side Portishead Town. With Covid once again bringing the season to an early end with Sherbourne having had two successful, albeit shortened seasons, in the second tier of the South West Regional Women's League they successfully applied to be promoted to the Premier Division of the South West Regional Women's League. That confident application has well and truly been vindicated as they currently sit top of the table having won eight of their opening ten games. Striker Gemma Mountain has scored 26 goals so far this season and will be the player who the Bassett defence will need to control this afternoon if they are to defeat today's visitors.

Sherbourne had another good run in this season's Women's FA Cup getting through a couple of rounds. They had a bye in the First Qualifying Round and then beat Pucklechurch Sports 4-1 in the Second Qualifying Round. They secured an even bigger win in the Third Qualifying Round winning 13-0 away at Weymouth to reach the First Round Proper. They eventually exited the competition losing 3-0 away at fellow South West Regional Women's Premier Division side Ilminster Town. In fact, Ilminster are the only side to beat Sherbourne Town this season, also doing the double over them in the league, the only two league games Sherbourne have not taken maximum points from.

### Hayley Huckin - Forward

### Aly Lyons - Forward

Reliable, clever footballer who is neat and tidy in and out of possession. A team player, all but two of whose appearances in 2019-20 came as a substitute. Has made 23 appearances prior to this season in the SWRWFL era, scoring 10 goals.

### Millie Powell - Goalkeeper

### Olivia Owenson - Defence

Young player who has been training with Bassett for the past two seasons while playing for Ashton Keynes in the Wiltshire County League. Can play up front, but is most effective in defence, having the ability to operate effectively anywhere across the backline and possessing great confidence when in possession.

### Hannah Gulliver - Midfield

Manager's Player of the Year winner in 2017-18 as well as the Supporters' Player of the Year in 2018-19. An all-round athlete who has the ability to both defend and attack excellently. Prior to this season has made 56 appearances in the SWRWFL era scoring 11 goals.

# Half Time Quiz

Today's music quiz has a colour theme with a colour in the song title. Just name the artist and the song from the lyrics and year clues below.

1 <b>1966</b>	I see the girls walk by Dressed in their summer clothes I have to turn my head Until my darkness goes
2 <b>1980</b>	One man on a lonely platform One case sitting by his side Two eyes starting cold and silent
3 <b>1983</b>	Thank you for comin' home Sorry that the chairs are all worn I left them here, I could have sworn These are my salad days
4 <b>1968</b>	Letters I've written Never meaning to send Beauty I'd always missed
5 <b>1978</b>	Sun is shinin' in the sky There ain't a cloud in sight It's stopped rainin' everybody's in the play
6 <b>1970</b>	So long boy, you can take my place Got my papers, I got my pay So pack my bags and I'll be on my way
7 <b>1983</b>	How does it feel When you treat me like you do And you've laid your hands upon me
8 <b>1982</b>	Every time, just like the last On her ship tied to the mast To distant lands, take both my hands
9 <b>1981</b>	Caroline laughs and it's raining all day She loves to be one of the girls She lives in the place in the side of our lives Where nothing is ever put straight
10 <b>1986</b>	I've never seen you looking so lovely as you did tonight, I've never seen you shine so bright,

# Ladies Match Report

**Sunday 12<sup>th</sup> December 2021**  
**South West Regional Women's**  
**Football League Premier Division**

**Royal Wootton Bassett Town 6**  
**Marine Academy Plymouth 1**

Royal Wootton Bassett Town Ladies returned to winning ways in the South West Regional Women's Football League Premier Division as they came from behind to defeat Marine Academy Plymouth 6-1. Leading scorer Libby Davies scored four, while Bassett scored five in total in a flowing second half performance.

Bassett were aided by the fact their opposition only travelled from Devon with ten players. But Marine Academy, who Bassett edged out 2-1 in September courtesy of a last minute winner, put in a brave effort.

Indeed, they proved difficult for their hosts to crack and even took the lead, scoring courtesy of Samantha Drewery's swerving long-range free kick that 'keeper Millie Powell was helpless to keep out.

However, Bassett were on level terms by the midway point of the opening period.

Taking advantage of the extra space afforded by their opponents being short-handed, a passing move that started at the back with Laura Jefferies and then involved Rosie Kirk, Lisa Coe, Amber Egerton and, finally, Poppy Wannell led to a through ball being played in behind the visitors' defence, which Davies latched onto and swept home with a confident first-time finish.

Bassett were unable to move ahead before half time. But two goals in the opening five minutes of the second period ultimately helped kill the game off.

Spotting Davies' clever diagonal run, Emma Sykes threaded a precise pass into

the path of the forward whose reverse shot from the edge of the area beat the advancing Marine Academy 'keeper.

Shortly after, Olivia Owenson kept alive a Wannell cross that was just out of the reach of Coe and, redirecting the ball into the six yard area, she set up Egerton for a simple tap in.

Two more quick-fire goals followed. First, Coe cut a pass from the right wing into the feet of Davies, who danced past three defenders inside the box before firing in from close range. Egerton then squared for Coe who had the time and space to arrow a low left-footed strike into the bottom right corner from twenty yards out.

The scoring was then completed with five minutes to go when Davies rode a tackle on the edge of the area and proceeded to pick out the bottom corner with a side-foot effort.

Bassett's win ends a run of two straight defeats and, for now, lifts them to third in the division although fourth place AFC St Austell - a point behind Bassett - do boast two games in hand.

Bassett have eight crunch fixtures will then follow in the new year - including home and away contests with Sherborne Town, St Austell and Torquay United - the sides currently in first, third and fifth place.

# U12 Girls Match Report

**Saturday 11<sup>h</sup> December 2021**

**Hungerford Town Juniors 6**

**Royal Wootton Bassett Town 2**

Royal Bassett had another tricky away game, this time against in form Hungerford Town, who last week beat top of the table 4-2.

Starting for Bassett was Benita Gill in Goal, Poppy Henderson and Last weeks player of the match Freya King in defence. Lola Ashworth, Olivia Deverall and Holly Wannell in midfield with Daisy Bundy in attack.

With an open end to end start to the game, Bassett were unlucky not to score on a couple of occasions, with wayward finishing not living up to the good play that had gone before. At the other end Goalkeeper Benita Gill was called into action saving well from close range, to keep the scores level.

Top goal scorer Daisy Bundy scored for the twelfth time this season, when she some how fired past the Hungerford goalkeeper from what looked like an impossible angle, to put Bassett in front. The lead was short lived as Hungerford replied inside a minute.

Bassett sent on subs Robyn Spencer, Leah Jefferies and captain for the game Lillian Newbury, to freshen up things at the start of the second quarter, a quarter that again saw Bassett dominate possession without being able to add to Daisy's early strike.

A minute before half time, Hungerford captain danced passed a couple of challenges as she edged closer to the Bassett box, with Bassett's defence trying to close the space, she slotted home, to give Hungerford a half time lead.

Hungerford then started the second half on fire, and a blast of 3 more goals in four minutes either side of the third quarter, took the game away from Bassett. with Hungerford captain adding two and setting up the other, showing her quality, that sees her playing for Wiltshire.

To Bassett's credit the girls never gave in, and continued to battle for every ball, with hard working Holly Wannell leading by example in midfield. Bassett did manage to stem the flow of goals at one end, without being able to create much going forward.

With one quarter left and Bassett losing 5-1, Bassett changed goalkeeper Benita Gill for Holly Wannell, giving Benita the chance to get some time outfield. A change that saw Holly pull of a wonder save tipping a fierce shot onto the crossbar before turning round and catching the rebound.

Hungerford added a sixth goal with seven minutes left in the game, again set up by the Hungerford captain. Bassett still not willing to give in, finished the scoring as Robyn Spencer, ran clear from a Freya King clearance to slot pass the on rushing Hungerford goalkeeper, with her forth goal for the club.

Hungerford ran out winners 6-2, with player of the match for Bassett, going to Holly Wannell for her never give in attitude.

Going into the Christmas break, Bassett sit ninth in the league with 3 wins and a draw from there first 8 games..
