Tonight's Game

Good evening and welcome to the Gerard Buxton Sports Ground for this Good Friday league match under lights against near neighbours Shrivenham. I was tempted to use the poster from the Bill Murray film Groundhog Day for tonight's programme cover given this is our third attempt to stage this particular fixture. The first game was postponed over Christmas due to Covid-19 and then the re-arranged game on 18th January was postponed 15 minutes from time due to fog with us leading 2-0. What will be will be and with a sizeable crowd anticipated tonight to add to the 113 who attended the abandoned game we should, over the two games, match the crowd and takings we would have achieved over the Christmas weekend if the original game had gone ahead.

Since that abandoned game we have also played Shrivenham again, this time in the Bluefin Sports Challenge Cup, winning 3-0, although our interest in that competition was ended a week last Tuesday by Bradford Town. A warm welcome back to the GBSG to all the management, players, officials and spectators from Shrivenham for what is their final league game of the season. Like ourselves they have had a bit of a "Spring break" from league action and were soundly beaten in their last league game, which was now over three weeks ago. That was on a night when Bishops Cleeve secured the league title with an 11-2 win. Since that game they played that cup game against ourselves and on Saturday were involved in the Supplementary Cup, going out after a penalty shoot-out after it had finished all square at 2-2. Shrivenham are currently on a tough run that has seen them go 14 games without a win and will no doubt want to end the season on a winning note so we must not be complacent tonight. We need to win tonight to ensure we achieve our record points haul in the Premier Division of the UHlsport Hellenic League and I am sure Sam will have the lads motivated for this fixture and for our Easter Sunday encounter with Corsham Town. Don't forget the kick-off for that one is Mid-day,

Kick-It Out Designated Game

The game today has been designated a "Kick It Out" fixture as we support the campaign to

irradicate racism from the game. Kick It Out is English football's equality and inclusion organisation. Working throughout the football, educational and community sectors to challenge discrimination, encourage inclusive practices and campaign for positive change, Kick It Out is at the heart of the fight against discrimination for everyone who plays, watches or works in football. A small independent charity, the 'Let's Kick Racism Out of Football' campaign was established in 1993 in response to widespread calls from clubs, players and fans to tackle racist attitudes existing within the game. Kick It Out was then established as a body in 1997 as it widened out its objectives to cover all aspects of discrimination, inequality and exclusion.

Development Team

Well the Development Team certainly left it late on Saturday. Having led 2-0 at half-time they found themselves back on level terms at 2-2 against Frome Collegians as the game moved into injury time. However, a special piece of skill by Matty Bennett down the right flank ended with a sublime cross that Jon Beeden met on the volley to hammer the ball into the net leading to wild celebrations from the bench and amongst the players. With Pewsey Vale having dropped points on Friday night it could prove to be a very important goal in the final reckoning. These programme notes are having to be drafted ahead of their game on Wednesday night against Stratton Juniors and Pewsey's game against Devizes Town Res the same night. Due to Easter and the need to get this and the Corsham programme printed ahead of the Bank Holiday weekend the statistics for the Dev team will not be up to date. Hopefully by the time you read these notes the Dev Team are still at the top of the table and at least two points clear of Pewsey with a game in hand. They then have another important and difficult game at Trowbridge Town tomorrow.

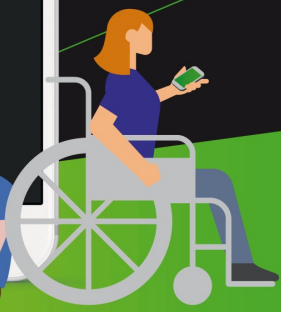

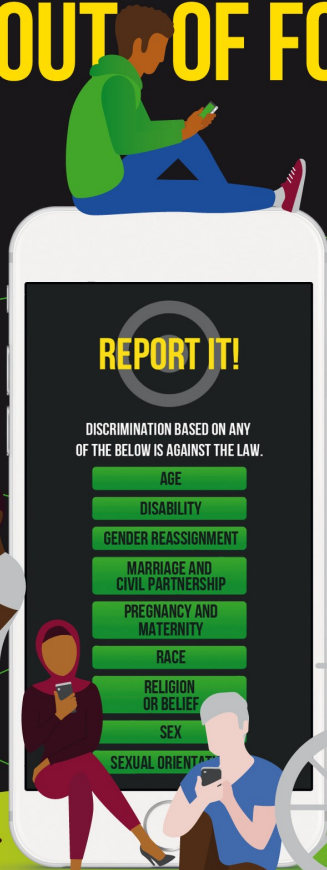

Enjoy the game today and hopefully that record points haul for Sam and the lads to add to their record run in the FA Vase this season and the FA Cup run last season.

From The Gaffer

Good evening all, and welcome to the penultimate game of the season.

So this is the third attempt of this game being played due to the first being cancelled due to the high increase of Covid in the Shrivenham camp, and unfortunately for us, the second due to thick fog with 16 minutes to go when leading 2-0. I know for a fact Millsy was more gutted than anyone to have two goals scratched off his tally! This will be the fourth meeting between the two sides and we have been successful, including with the fog, for the first three meetings without

conceding – let's hope this continues for one more round.

If we are successful in winning tonight, I am told that this will be the most points won in the Hellenic Premier in the club's history, along with the most wins. On reflection, this is probably come at one of the hardest Hellenic leagues that I have been involved in, both as a manager and a

player. You only have to look at the likes of Westfields and Brimscombe who will likely finish 7th and 8th to see the standard of this league.

Of course, after today, we still have one game to go on Sunday, which is a ground hopper day where I am sure we will see an increased crowd with our pie sales going through the roof.

The Development side continue to entertain us with two huge wins against Melksham and Marlborough, followed by a lot closer game against Froome where Beeds scored a late late winner which resulted in Dip doing a Jose-like sprint on the pitch to celebrate with his players - we have to love his passion! You simply cannot beat a last minute winner. With Pewsey slipping up on Friday, the boys are that much closer to achieving the title.

Tonight, both sets of clubs demonstrate the importance of standing up against racism by wearing Kick It Out attire during the warm-up, along with arm bands during the game. I think I speak for both clubs when I say how important this cause is, and how we simply will not tolerate any form of discrimination.

I hope everyone enjoys this Friday night game under the lights, and I wish you all a very happy Easter.

Much love,

Sam x

Within that time he has picked up various individual awards including the Golden Boot title having scored 46 goals during the 2017-18 season, followed by 31 in 2018-19 and with 21 goals in 2019/20, he was the overall top goal scorer at the club once again.

Opponents History

SHRIVENHAM FC
S N G E N G L A N D

CLUB HISTORY

Shrivenham Football Club was formed in 1900 and just eight years later the infant club became one of the founder members of the North Berks League. Success in the early years was hard to find however, after winning the Second Division crown at the end of the 1994-95 campaign, two Division One Championships were to follow - in 1997-98 - a season which also included the club winning the Charity Shield, and again in 2000-01, which after completing the required ground improvements, saw the club promoted to UHlsport Hellenic League Division One West at the second time of asking.

With our inaugural Hellenic League season ending with a creditable twelfth placed finish, a period of building began and after gaining some stability in the league, a further title winning season followed in 2004-05 gaining the club promotion to the Hellenic Premier Division after we won the league by a single point in what was unarguably, at the time, the most amazing season the club had ever experienced. A club record breaking eighth place finish was recorded in 2007-08, however a gradual decline began and despite avoiding relegation after finishing bottom of the table in 2012-13, just two seasons later relegation was confirmed after a nineteenth placed finish and a decade of Hellenic Premier League football brought a tough era to an end.

Two seasons of mid-table mediocrity ensued, however the club appointed a new Chairman ahead of the 2017-18 campaign and the introduction of a new management team soon followed as the club began rebuilding its ambitions and the bid to return to the Hellenic Premier Division. That goal was achieved at the first attempt as an amazing 12-game unbeaten run to the end of the campaign, found the club in second place and in an exciting final day which saw promotion rivals Easington Sports in third place, needing a result at home and Shrivvy without a fixture, Sports suffered the heartache of defeat against a midtable Letcombe side, and Shrivvy clung on to gain promotion.

The rebuilding was set to continue, however pre-Christmas the club looked odds on favourites to be fighting relegation, before an amazing turn of fortune saw the side go on a seventeen-game unbeaten run, during which time they picked up fifteen wins and two draws, and catapulted the club up to a new record finish of fifth, come the end of the season. 2019-20 saw the side in 4th position in the standings when the season was curtailed early due to the Covid-19 pandemic and the off season saw manager Gareth Davies step down in order to take a break from the game and Chris Hurley was appointed as his successor shortly before the season was due to start.

With a makeshift squad, the club endured a difficult start but despite being in bottom spot by the time the season came to a halt due to the Covid pandemic, new faces had begun to arrive and things were looking up once again, however by the time pre-season arrived a lack of First XI players at the opening training session brought back memories of the previous campaign, and in a bid to continue moving forwards, Chris Hurley saw his time at Barrington Park come to a close. The club have now recruited the management duo of Robin Broadbank and Daniel Broadbank for the 2021-22.

**Bluefin Insurance Challenge Cup
Second Round**

Royal Wootton Bassett Town scored three unanswered second half goals as they kicked off their Bluefin Sports Hellenic League Challenge Cup campaign with a comfortable 3-0 second round home derby triumph against Shrivenham.

Khedive McIntosh scored twice, while John Mills completed the scoring (in the process edging himself closer to Alan Griffin in the battle for the Bassett golden boot), as Sam Collier's side set up a testing third round tie against Wiltshire rivals Bradford Town.

That contest will again be at the Gerard Buxton Sports Ground on Tuesday 5 April, with Bassett aiming to reap the benefits of having home advantage as they did in this match against Shrivenham.

The first half had been a cagey, relatively even affair, though Bassett did look the more threatening with Mills twice going close.

However, Bassett took control of the match

after the restart. The deadlock was broken eight minutes into the second half as McIntosh broke free of his marker and guided home a John Mills corner with a controlled first time finish from close range.

The same player doubled Bassett's lead on 70 minutes. Receiving the ball in the right corner after Alfie Presley flicked on a clearance from 'keeper Eddie Cavanagh, youngster James Johnson drove to the byline before delivering a towering cross which an onrushing McIntosh met with another fine first time, side foot volley at the far post that had the beating of visiting shotstopper Matthew Crowther.

Combining an excellent cross and a difficult finish, it was an outstanding goal.

The scoring was then completed with ten minutes to go. Mills got in between 'keeper and defender to bring down a diagonal ball over the top. There was still plenty for the forward to do though, but he jinked past Crowther and another defender before producing a cool finish into the bottom corner with the outside of his boot.

Whether Bassett can match - or even better - last year's run that took the team to the semi finals of this competition is a tough ask. But this win certainly meant that Collier and his team made a good start.

Sam needs to pick up a point from his last two league games to equal our best ever points tally in the Hellenic League Premier Division which was achieved back in Season 2000-01, our first ever season in the Premier Division when Barry Giles side accumulated 52 points. Our goal difference that season is better than our current tally so in reality we need a win from one of those two games to achieve the best ever record. Hopefully today will see Sam and the lads clock up another club record.

First Team Match Report

Tuesday 5th April 2022

**Royal Wootton Bassett Town 2
Bradford Town 4**

Bluefin Sports Challenge Cup

Royal Wootton Bassett Town's hopes of extending their season beyond their final two league games over the Easter weekend were ended as Bradford Town claimed a 4-2 victory in the teams' Bluefin Sports Challenge Cup third round contest.

Despite having to play the majority of the match with ten men, Bradford's attacking prowess proved too much for Sam Collier's side.

After falling 2-0 down inside twenty minutes, Bassett appeared as though they would be in for a long night. To their credit, however, Bassett fought their way back into the game. And, aided by their visitors' knack for getting on the wrong side of referee Simeon Stoodley, were not far off forcing penalties.

Ultimately though, Bradford prevailed, advancing to the quarter finals where they will face Tuffley Rovers.

The visitors were in front as early as the seventh minute with Harvey Baker heading in off the bar from a corner, although teammate George Box was adamant the goal was actually his, the forward making certain the ball had indeed crossed the line when there was still some uncertainty.

It didn't take long for Box to claim a goal that was unquestionably his, however, as he tapped in after a free kick from the deep was headed back across goal.

Having not had much of a sniff, Bassett were then able to halve their deficit twelve minutes before the break. Good build up play down the right saw the ball eventually worked to John Mills who picked out the bottom corner.

And Bassett's hopes of getting back on level terms were then enhanced further when William Taylor received his marching orders for a heavy challenge.

But the numerical disadvantage Bradford faced seemed not to fade them. And, after weathering some early second half pressure, the Bobcats restored their two goal lead on 68 minutes.

After snatching away possession, Box broke forward before squaring to Charlie Walton. Eddie Cavanagh did well to parry his shot, but the loose ball fell to Box who fired home another goal.

There was still time for further twists and turns to come. And with ten minutes remaining Walton felled Alan Griffin off the ball to earn Bassett a penalty from which Mills made no mistake.

It was game on again and Bassett duly ramped up the pressure. They were unable to find a breakthrough though.

Instead, the visitors put the game to bed. Seizing on another turnover in possession, Bradford broke decisively, with their counter attack being finished off by Baker.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

WHEN I think back to those slightly strange March 2020 days where we knew Covid was about to have a large impact on our every day lives, let alone Non-League football, for some reason The NLP's National Game Awards stick in the mind.

We were all set to launch the build-up for the 2019-20 season but, in that ever-changing world, decided at the last minute to press the pause button.

Let's see what happens, we thought, and hopefully it won't be long before we can kick it off. It soon became apparent we wouldn't be holding the annual event!

Eventually we did a virtual awards, while last season we decided not to at all. Although Step 1 completed a season - mostly behind closed doors - of course the majority of Non-League hadn't played much past October.

But, after two disrupted seasons, the finish line is in sight for all. Titles are being won, promotions being decided, and we're delighted to launch our NGAs again.

And we need you! The awards are what they are because of the loyal support of our readers across the country.

So, please, let us know who you think deserves to be honoured in our categories.

Although date and venue are yet to be confirmed (keep your eyes peeled shortly), we can announce that Buildbase are once again our title sponsor this year, adding The NGAs to their current sponsorship of the FA Vase and FA Trophy.

We're hugely grateful for their support and we're working closely with Buildbase for our much-loved Unsung Hero Award.

Pitching In, title sponsors of the Northern Premier, Southern and Isthmian Leagues,

are backing our Step 3-4 Player of the Year, while Our Game Football will honour our Player of the Year.

Huck Nets have once again put their name to the Goal of the Season accolade, while Reusch are also back — they couldn't miss the chance to crown the season's Goalkeeper of the Year.

S&C Slatter return as well and they will once again present the Manager of the Year award while The Acerbis Cup Run of the year is always a hotly contested award.

Our friends at Sportsbeat sign up once again – they didn't need asking twice to support the Young Player of the Year.

We love the William Hill Fan of the Year category and again we need your help with this one, while the SK Kits Team of the Year award honours one side for their herculean efforts this season.

The FA are supporting the Community Club of the Year, while The NLP Lifetime Achievement award is one of our personal favourites.

Football Supporters' Association Away Day Experience of the year recognises the efforts clubs make to cater for travelling fans.

Keep an eye on The NLP over the coming weeks as we bring you award-by-award guides as well as all the information you need to ensure the decanters end up in the right hands!

*Corsham Print Wiltshire Senior League***

Royal Wootton Bassett Town Development were in action on a Wednesday night knowing that a win would take them back top of the table. Their opponents Marlborough Town were playing their final game of the season and were looking to improve on their last showing against the same opponents which had seen them beaten 7-0 at Elcot Lane. Unfortunately for them there was to be no happy ending to the season as they found themselves trailing 6-0 at the break. However, an improved second half showing limited the damage to just two more goals as it finished 8-0 to the home side who duly moved back top of the table. Dale Richards, who had scored five on Saturday at Melksham, was once again amongst the goals helping himself to another hat-trick, leading scorer Matt Bennett bagged a brace and there were further goals from Tyler Sheppard, Mani Mesas and a first of the season from Kevin Lartey.

**Royal Wootton Bassett Town Dev 3
Frome Collegians 2
*Corsham Print Wiltshire Senior League***

Royal Wootton Bassett Town Development secured a dramatic late victory against Frome Collegians to head back to the top of the Wiltshire League table. Bassett now lead Pewsey Vale by two points and can go five clear with just three games to go with victory against Stratton Juniors on Wednesday. But Bassett will be relieved to be in such a position after a tough test against Frome, who Steve Yeardley's side had defeated back in September following an impressive second half showing that saw them emerge 5-0 winners.

It was a much closer affair in the return match at the Gerard Buxton Sports Ground. Whilst the home side had much of the possession in the first half, they found an organised Frome side very difficult to break down. Bassett finally made the break-through after 37 minutes though, Tyler Sheppard getting on the end of a Gio Wrona corner to make it 1-0. Five minutes later the home side extended their lead. Nick Mason's powerful shot from just outside the box was superbly turned onto the upright of the goal by Frome keeper Ben Forrester but, unfortunately for him, the ball rebounded to Dale Richards who bundled home for his 31st of

the season to make it 2-0 at the break.

The home side thought they had extended the lead ten minutes into the second half when Jon Beeden headed powerfully into the net but a flag from the assistant referee saw the goal disallowed. Shortly after Dale Richards went close to getting his second of the match with his powerful shot coming back off a post and the danger was cleared by the Frome defence.

Frome got themselves back into the game just after the hour mark, Barry Sandquest getting his head to a cross from the right, but the home keeper Simon Notman should have done better with the header, seeing the ball agonisingly go through his legs and into the net for 2-1. The goal lifted Frome who started to have more of the possession. But it was Bassett who went close to restoring their two goal lead, Matt Bennett seeing his powerful shot come back off the crossbar.

Frome continued to probe away and were rewarded with a second when another error from Notman saw Max Biddescombe level matters up twenty minutes from time. Frome were now in the ascendancy and captain Sandquest went close to giving them the lead for the first time in the match when his free kick from outside the box went inches wide of the near post. However, there was to be late drama at the other end. With the game deep into injury time, some great skill down the right-hand side by Matt Bennett saw him put a tantalising cross into the box that was met on the volley by Jon Beeden and his effort flew into the net for 3-2. There was still time for another great chance for Bassett to make it 4-2 when a ball over the top found Bennett clear of the defence but his fierce shot was well turned away by Forrester in the Frome goal to leave the final score 3-2.

Bassett had been pushed all the way by an organised Frome side who on another day could easily have left with a point. But now they have the chance to put some breathing room between themselves and Pewsey as a thrilling title race approaches its climax.
