Welcome To Today's Game

Good Afternoon & Welcome

to the Sustain Stadium here at the Gerard Buxton Sports Ground for what is now our first women's home league fixture of the season. After last weekend's fixture was postponed mid afternoon on Friday with the FA issuing a statement stating that all football was to be postponed as an act of respect after the sudden passing of her majesty Queen Elizabeth II.

We will of course be holding a minute silence before kick off today as a tribute to her Majesty the Queen.

Back to our visitors for today's game, I extend a warm welcome to our visitors from Sherborne Town who have made a short trip up from Dorset to join us this afternoon. Last season's fixtures against Sherborne saw us draw 3-3 at home, in what was a very entertaining game and one where we could have taken all three points with the chances created on the day. Match report from that game is included in today's programme.

The return game was not as close and we were put to the sword, which saw our host's record a comfortable win finishing 4-0, although three of their goals did come late on in the game to give the final result a bit of a flattering look to it. This result formed part of our poor away form in the second half of the season and was not helped when fixtures were moved about and caused us to face five consecutive away games in five weeks. I will always give great credit to the group of players that made them self available each week for those five weeks as it was certainly a tricky period of the season which was not helped by the run of away games and serious travelling involved.

More Belated Welcomes

As most people know the women's team is under new management for this season, Simon Harrison re-joins the club from Supermarine Women having previously coached the U16 boys here at Bassett three season ago. assisting Simon will be Owen Warne who moved to the area during the summer having coached at Sutton Utd.

Another new member to the coaching team is Sadie Harrison who alongside Sam Wood gives a balance rather than having an all male coaching team within our Women's Section. Finally I am delighted to announce that Martin Peters has also stayed to be a part of the coaching team and will continue to help develop the goal keepers.

Best wishes, good luck and looking forward to an enjoyable season.

SIMON HARRISON

Good afternoon and welcome to my first match day programme article, and what has become our first home game of the season here at the Sustain Stadium following last week's postponement against Torquay United.

Everybody was deeply saddened by the passing of Her Majesty Queen Elizabeth II ahead of last week's scheduled fixture and we will be holding a minutes silence as a mark of respect ahead of today's game.

A warm welcome to today's visitors, Sherborne Town, who finished 3rd in the league last season, and will no doubt be a tough opponent today. Sherborne won their opening game of the campaign beating Torquay United 3-0, so we are expecting to face another big challenge today from our Dorset counterparts.

This season sees several changes to the coaching staff. Stalwarts, Sam and Martin remain with the team as first team coach and goalkeeping coach respectively. These two coaches deserve a lot of credit for steadying the ship during a difficult 2021-22 season, and it was important for me to keep these two experienced coaches at the club. In addition to Sam and Martin, Owen has come in as assistant manager after spending last season as assistant manager at Sutton United Women U21's. Owen is a great addition to the team, who will bring an expectation of high standards to the players, and a good knowledge of the game. A more recent addition to the coaching staff is Sadie Harrison (my wife) as first team coach. Sadie was joint manager with me at Swindon Supermarine last season. Together, we brought the team back from the brink of folding completely at the start of the season, to ending the season with a full squad of players and a seventh place finish in the Wiltshire Women's League. Sadie knows and shares my vision of how I like a team to play

football and will help in getting this message across to the players.

We have retained most of the squad from last season, which is really pleasing. We have also managed to capture the signings of several exciting young players plus a couple of talented experienced players which will help strengthen the squad further and ensure that we are prepared for the future. There is a good buzz around the team, and I am excited about this season.

Our opening fixture of the season against Bristol Rovers was one of the craziest games I've been involved with. After going 2-0 up we were disappointed to end up on the wrong side of a ten-goal thriller. However, the game did show us that there is still plenty to work on and we will be looking to strengthen these areas as soon as possible to get those vital first points on the board.

I hope you enjoy today's game.

LAURA JEFFERIES

A warm welcome today to what has now become our first home game of the 2022/23 season following last week's sad events with the passing of Her Majesty Queen Elizabeth II.

A few changes in the off season sees us saying hello to our new coaching team, in the form of Simon, Owen and Sadie who along with Sam and Martin who bring a wealth of knowledge and experience to the team.

Along with the change in management personnel we also see some new and also familiar faces on the pitch which together can help bring strength and depth to the squad.

A mixed preseason with three wins and three losses summed up a very mixed bag with player availability due to holidays affecting squad familiarity, however lots could be taken from the effort put in by the girls week in and week out in training.

Following our first game against a newly promoted Bristol Rovers we found ourselves 2-0 ahead early on but what turned into a goal fest we ultimately didn't hold on a came away with a disappointing 6-4 loss. There was however lots to take from the game and with new players and management team this is only just the start of what this team has to show in what is a working progress.

We hope Sherborne had a safe journey to us today and look forward to an entertaining game.

Laura

SHERBORNE TOWN

Sherbourne Town Ladies were formed as recently as 2018 and are part of the Sherbourne Town Football Club that has been in existence since 1894. The men's side started life in the local Dorset Leagues but were promoted to the Toolstation Western League at the end of the 2005-6 Season where they have remained ever since. They have had two spells in the Premier Division but were relegated at the end of the 2016-17 Season and have remained in Division 1 ever since but are doing well this season and could well be promoted back to the Premier Division at the end of this season.

The Ladies side have been a very successful side from their very first season, that season saw them crowned champions of the Dorset Women's League winning all 18 of their league fixtures to finish some 17 points ahead of their nearest challengers Merley Cobham Sports Youth Ladies.

The league title success saw them promoted to the South West Regional Women's League Eastern Division and they were once again having a successful season before

Covid brought that season to a premature end with Sherbourne top of the table with just one defeat in their opening nine games.

The following season saw them moved across to the Western Division and once again they started the season well. They won both the league games they played and also progressed a couple of rounds in the FA Cup before eventually going out to Premier Division side Portishead Town. With Covid once again bringing the season to an early end with Sherbourne having had two successful, albeit shortened seasons, in the second tier of the South West Regional Women's League they successfully applied to be promoted to the Premier Division of the South West Regional Women's League. That confident application has well and truly vindicated as they finished the season in third spot after leading the division at the turn of the year. In the end they finished just four points behind champions St Austell and were the only side to inflict defeat on St Austell all season winning at home against the champions 3-2.

There have been just the two previous meetings between Royal Wootton Bassett Town and Sherborne Town, both taking place last season and both taking place in January of this year.

The first encounter was here at the Gerard Buxton Ground where the two sides produced an entertaining 3-3 draw with Libby Davies scoring all three of our goals that afternoon. This was an excellent point for Bassett as Sherborne were sat top of the table at this point in time.

The return game at the end of the month was not such a good afternoon for Bassett as we went down 4-0. While the final score line hinted at a gulf in quality between the teams, Bassett competed well for the majority of the match against their hosts. But three late goals and a fine display from home 'keeper Emily Hall ultimately sealed a comfortable triumph for Sherborne.

The crucial moment of the game arrived late in the first half as Bassett only half-cleared from a corner and Tegen Standen drove home from the edge of the area for the opening goal.

Prior to that, little separated the teams. Bassett, led in attack by the always dangerous Libby Davies, threatened on a

number of occasions but lacked the final touch in front of goal and were unable to find a way past Hall.

That continued to be the case early in the second half, with Bassett delivering the reaction manager Graham Fletcher demanded from his side after going behind.

The visitors thus hosts remained alive for much of the contest. Ultimately though, Sherborne took advantage of Bassett's attempts to get back into the match, with Ali Shepherd-Scott, Jamie Bland and Gemma Mountain all finding the net as time wound down.

Bassett hold leaders Sherborne in six goal thriller

Sunday 9 January 2022

**Royal Wootton Bassett Town 3
Sherborne Town 3**

High-scoring, closely fought thrillers have been the order of the day throughout the 2021-22 season for Royal Wootton Bassett Town Ladies. And their return to action following the Christmas break was no different as Bassett shared six goals with current South West Regional Women's Football League Premier Division leaders Sherborne Town in another goalfest.

The first ever competitive meeting between the teams was a hugely entertaining see-saw battle. Bassett twice went ahead only to be pegged back by Sherborne. The visitors then earned their first lead of the afternoon, but were unable to hold on for the win as Bassett snatched a late equaliser.

Both teams will feel as though they could have taken victory. However, Bassett will perhaps be the ones kicking themselves the most as they passed up an opportunity to pull within three points of their opponents with a game in hand still to play. Instead, they remain six points behind Sherborne, dropping a place to fourth after Torquay United's big victory against Middlezoy Rovers.

Bassett found themselves in front shortly before the 20 minute mark as Libby Davies grabbed the first of what would ultimately be another hat trick - her fifth of the season. She owed a great debt to the work of teammates Holly Baker and Hayley Huckin, whose great

build up play set the forward up.

Sherborne got back on terms ten minutes before the break though as the visitors seized possession in midfield and a quick break ended in Ali Scott-Sheppard producing a fine finish as she spotted Bassett 'keeper Millie Powell off her line.

The game's next goal arrived on the hour as Huckin and Lani Dickinson linked up well, with the latter threading a precise pass to Davies, who rounded Emily Hall before slotting home. However, Bassett's second lead of the day did not last long as Sherborne's Gemma Mountain punished the hosts for their sloppy play.

Mountain netted again late on to put Sherborne in pole position. But Bassett were quick to react and Davies made sure her side went home with a share of the spoils, scoring her third after latching onto captain Laura Jefferies' through ball.

Aly Topping – Midfield

Reliable, clever footballer who is neat and tidy in & out of possession. A true team player, all but two of whose appearances in the 2019-20 and 2021-22 seasons were as a substitute. A midfielder who can be trusted to cover various roles & can be relied upon to chip in with some key goals too – in Bassett's 2018-19 double-winning campaign, she netted six times, adding four goals in 2019-20 and two last year.

SPONSOR:

Holly Baker – Forward

Player who has been with Bassett since the 2016-17 season. A quick forward player who possesses a great ability to hold up the ball and combine with her teammates. Having achieved a best haul of eight goals in the 2018-19 campaign, Holly will be aiming to grab some more this season. However, her work out of possession is just as important and is not afraid of getting stuck in and can always be relied upon to give her best effort for the team.

SPONSOR: Keith and Sally House

Libby Davies – Forward

Young forward who is entering her 4th season with Bassett. An adventurous striker who is not afraid to take people on. Enjoyed a stunning 2021-22 campaign, registering 39 goals in 19 games while earning her side's Supporters' Player of the Year award. She will be aiming to be among the goals again this year, having finally established - and more than justified - a starting spot last year.

SPONSOR:

Lani Dickenson – Forward

Joined Royal Wootton Bassett Town in Season 2020-21 but because of Covid made just four appearances that season. Away at university for much of last season making just six appearances and will once again be available only for certain parts of the season due to continued studies. Striker with a lot of pace and energy who causes defenders all kinds of problems.

SPONSOR:

Hayley Huckin - Forward

Bassett's all-time leading women's goal scorer. Experienced forward who has been with the club since the 2016-17 season. After firing 17 goals in her first season with Bassett - which helped the club to promotion from the Gloucestershire County Womens' League, Hayley scored at least twenty times in each of the 3 subsequent campaigns. Since 2020-21, has moved into a deeper role.

SPONSOR:

Maddy Elliott - Forward

Player who has been with Bassett since joining in the 2017-18 season. Forward with a real engine & desire to work hard who played a vital role at the back end of Bassett's 2018-19 double-winning season, performing various roles exceptionally well. Registered 7 goals in 14 appearances in 2019-20, & after missing most of the 2020-21 campaign due to becoming a mother, returned to be a first team regular last season, playing 16 and scoring twice.

**SPONSOR: Arctic Services

Simon Harrison - Manager

Joins Bassett this season from Swindon Supermarine, where he served as manager over two spells. A UEFA B qualified coach, he also possesses a background in performance analysis, having acquired such experience with Cheltenham Town's men's first team and academy sides, as well as within Swindon Town's academy. Previously managed within Bassett's youth section in 2019-20.

SPONSOR:

Owen Warne – Coach

Coach who joins Bassett's managerial staff for this season, having previously served at Sutton United. Played football both in the UK and Singapore and, after coaching on and off over the years, served as Sutton's Women's Under 21s Assistant Manager last season, helping guide the team to a mid-table finish in Division Two South of the Greater London Women's Football League.

NAMES THE SAME

Something different this season that is RWBTFC related, testing your knowledge of who has played for or managed the Women's Team in the past. Below are 10 general knowledge questions or clues of varying degrees of difficulty. In every instance the answer is the **SURNAME** of either a former or current player who has played or managed at least one game for the Women's Team. Some questions/ clues relate to those sharing the same surname, whilst others are a description of the surname etc. All I need is the full name of a player or manager who has played for the club or managed the club with the surname indicated by the clue. For some of the questions there will be more than one answer.

- 1 Former Swindon school named after writer that was located on what is now the New College site
- 2 Irish political philosopher and statesman, often regarded as the father of modern conservatism
- 3 What Autocolour on Station Road might knock out of your car
- 4 Former Head Boy of Wootton Bassett Comp, who went on to be Group Chairman of Knight Frank
- 5 Loads of Money
- 6 Captain who might ask Scottie to beam him up
- 7 Former Labour UK Prime Minister
- 8 Very important part of the body, I think.
- 9 Part of the best man's team at a wedding
- 10 Former England football player who played for Chelsea, Man Utd, QPR and AC Milan.

Women's Euros

WHEN FOOTBALL CAME HOME

It's crazy to think back to the 6th July, at a sell out Old Trafford, that England would ever win the tournament after that nervy first performance, one that even the players would agree with. But little did we know, the legacy was only just beginning.

A year later than planned, due to the pandemic, England and the followers of women's football were eagerly anticipating the start of a European tournament, one that was due to be hosted on home soil in stadiums up and down the country. Like me, many people began to buy their tickets nice and early which led to a sell out final before a ball was even kicked. This shows the growth of women's football in England over the last several years. It was set to be a tournament that would smash all records with record attendances expected at the games and record viewings on TV, after the BBC made every match available to watch on TV or their interactive player.

England sailed through the group stage, scoring 14 goals and conceding 0, this included an 8-0 win over (on paper) a strong Norway side and a 5-0 win over local nation, Northern Ireland. A game my dad and I were fortunate to attend, and England certainly lifted the roof off St Mary's that evening. The atmosphere was electric and the nation were beginning to get behind the team and were ready to roar us on in the quarter final.

This (other than times in the final) was the most nervous I'd felt during the tournament because I'd seen Spain play in the Arnold Clark Cup back in February and knew they were a strong unit that contained a bunch of talented players. Despite losing the newly

crowned UEFA Women's Player of the Year 21/22, Alexia Putellas at the start of the tournament due to a torn ACL, they would still prove to be difficult to break down. Goals from Toone in normal time and Stanway in extra time secured our place in the semi finals, after having to endure those nervy extra 30 minutes.

I remember this being a big turning point in the competition as although I'd 'bigged up' the tournament within my school, I remember going into work the next day talking to people who I classed as those who 'didn't usually watch football' about the match. It turns out a lot more people were watching. I thought to myself 'Wow, this could be huge for the game if England were to go the whole way'. The following began to grow, the national newspapers and the media were interested and everywhere you went, you'd hear people talking about the Lionesses and how well they were progressing!

Into the semi final we went, against the second ranked team in the world, Sweden. After a very nervy 20 minutes, England found their form and hit the back of the net four times, including that audacious back heel from Alessia Russo (although I felt she should have scored moments beforehand). Me, along with the rest of the country, ascended into absolute chaos. The scenes of Sweet Caroline echoing around Bramall Lane. Was this to be the year? Was this to be the year England finally brought football home? And how convenient that if it was, they'd have to beat their old rivals Germany.

Sunday 31st July 2022, the day where myself and 87,191 people made the long trip to the national stadium to watch the European Women's Final 2022. The excitement and the buzz around Wembley and along Wembley Way before the match was amazing and I was starting to believe that this really could be our day.

The sea of England flags, shirts and hats filled Wembley and the concourse as they were preparing for kick off.

The game was a tight affair until Ella Toone latched onto a brilliant ball from Kiera Walsh (one of the stars of the tournament in my opinion). She looped the ball up and over the keeper and I don't know what it felt like watching it on TV, but my god in the stadium it seemed to take forever to hit the back of the net.

Cue the MADNESS! Cue the NOISE! Cue the EXCITEMENT!!!

Although the excitement fizzled back to nerves shortly after, as the Germans got themselves back into the game and we were heading to extra time again. Surely we've done it once already right? We could do it again? Again, nervy minutes followed as neither team wanted to make that mistake, until that moment where Jill Scott and Chloe Kelly worked hard to force a corner. At that point, Chloe turned to the crowd to usher us to turn up the volume and little did she know she was about to make history!!! A great Hempo corner found Chloe to stab home and after slight hesitation as to whether the goal had stood or not, her shirt was off and the whole of Wembley was going absolutely mental!!

That WAS IT!!

WE were EUROPEAN CHAMPIONS !!

FOOTBALL HAD FINALLY COME HOME !!!!

As somebody who's played football since they were eight and had no choice but to play with the boys at school. To witness that life changing moment will live with me forever and I hope this is JUST the start of the continued growth of women's football. I for one can't wait to watch it grow and see more girl's given the opportunity to play. Thank you Lionesses. Your legacy will be remembered for many years to come. You've inspired a generation.

And who would have thought, after all those years of hurt, it would be the women's national team to bring it home for our nation. Never underestimate the power of a woman!

Season 21-22 Programme Awards

BASSETT DOUBLE SUCCESS

Royal Wootton Bassett Town's match day programmes once again received recognition in the annual Soccer Club Swap Shop Programme Awards - with the Ladies' programme being selected as the best in all of women's football for the 2021-22 season.

Meanwhile, in the non league category the Men's First Team programme was selected as sixth best.

Ladies Section

Ranked as fourth best in 2019-20 - the first season in which a programme was produced for the Ladies team, this year saw Bassett climb to the top of the tree.

This is a remarkable achievement considering that Bassett were up against competition from the entire women's football pyramid, including teams in the Women's Super League.

Indeed, second and third place went to WSL sides Manchester United and Everton.

It's not every day that you can say Bassett are better than two of the biggest clubs in the country!

Non-League Section

A sixth place finish in the non-league section sees Bassett rise four places in the annual awards.

The results means that Bassett have achieved a top ten placing in this section of the awards for seven consecutive seasons and ten years in a row in the top twenty.

The programme was again voted best in the Hellenic League Premier Division. Corsham Town's excellent programme was selected as second best.

In an excellent year for Wiltshire teams, Corsham (33rd), Chippenham Town (36th) and Swindon Supermarine (38th) all made the top fifty.

Bassett were joined in the top ten by FA Vase opponents Torpoint Athletic (8th).

National League North side Leamington won this year's prize, with Portland United - like Bassett, a step five team - finishing in runners-up spot.

Huge thanks also go to club sponsors Interprint, who have kindly printed the club's programmes this season. They have provided quality service from start to finish and the print quality of the programmes has been exceptional. The club is extremely grateful of the valuable support Interprint have provided and look forward to partnering with them in the seasons to come. The programmes are edited by Club President Mark Smedley but have very much benefited from the contributions of Steve and Carlos Green, whose excellent photographs have featured throughout

the programmes. Last Season managers Sam Collier and Graham Fletcher, Ladies coach Sam Wood and captain Laura Jefferies and club Press Officer Stuart Smedley, have all provided regular content.

Explanatory Note: After the teams had played each other once the division was split in two, with teams in the two divisions then playing each other once. Melksham Town were also added to the bottom six teams to give two divisions of seven teams and as a result Melksham just played the five games at the end of the season (winning all five) leading to an odd looking league table!

Match Report 22-23

WOMEN'S FIRST TEAM

Rovers Edge 10 Goal Thriller

Royal Wootton Bassett Town suffered defeat in their opening South West Regional Women's Football League Premier Division fixture as Bristol Rovers came out on top in a ten-goal thriller.

Huge entertainment for a neutral fans in attendance, nine goals were scored in a crazy opening half of frenzied, attacking football before Rovers added a goal shortly after the restart to secure what proved to be a decisive two-goal advantage.

Despite defeat, there were certainly plenty of positives for Bassett to take from a hugely entertaining game - not least the strong display going forward. Defensively there is certainly some work to be done though - but the same can be said for Rovers after such a high scoring season opener.

Bassett found themselves in a commanding position early on as they deservedly took a 2-0 lead. Hannah Gulliver netted the first, getting to the ball just ahead of teammate Maddy Elliott and bundling in after Amber Egerton had struck the crossbar. Libby Davies then scored Bassett's second, as she turned her marker before producing an emphatic finish.

Rovers then responded with three goals in quick succession. Poppy Warren set up Georgia Vandries to halve the hosts' deficit before Zoe Fielden-Stewart grabbed a soft goal to pull her side level. Fielden-Stewart then beat the offside trap to race onto a through ball and make it 3-2.

Bassett then levelled as Egerton fed Davies who notched her second of the match. But Rovers immediately restored their lead through Laura Curnock.

There was still time for two further goals before half time. Bassett were level again when Laura Jefferies' free kick fell to Egerton, whose shot was blocked but Davies swept in the rebound for her hat trick.

Parity didn't last long though as Vandries volleyed in to make it 5-4.

Vandries added her third shortly after the restart, tapping in after a dangerous cross into the box.

Though that goal suggested there was still more to come, it proved to be the final scoring of the match, with Bassett unable to muster a response after what had been an energy sapping opening half.
