EDITORIAL

Good evening and welcome back to Rylands Way for this FA Cup Replay against Hamble ASSC. We wish a warm welcome to the players, officials and supporters from Hamble who have made the long journey from the Southampton area for this FA Cup Replay. We hope they will join us in the bar after the game for some food and drink.

Tonights fixture replaces tomorrows scheduled away league fixture at Ascot and comes about following the 1-1 draw on Saturday between the two sides. The programme tonight includes a match report on that game prepared by Scoop. The Ascot game will now be played on Wednesday 20th October. By all accounts the match on Saturday was yet another tight and close game, something which we have seen a lot of this season. The reward for winning the game tonight is a very large £3,000 with the prospect of being in the Second Round qualifying draw that will include some of non-leagues big draws from the Blue Square Bet South Division, including Woking, Farnborough, Bromley and Dover Athletic. The draw will have been made by the time you read this Editorial but the next round opponents were not known at the time of going to press. As well as our draw congratulations must also go to Highworth Town for their draw with the mighty Salisbury City, a fantastic result in front of a bumper crowd. Hopefully a number of those who enjoyed the FA Cup action at the Elms on Saturday will come to watch more FA Cup action here at Rylands tonight.

The draw on Saturday followed three more valuable points at home to Wokingham & Emmbrook last Tuesday, the narrow 2-1 win lifting Bassett up into third spot in the table. An excellent start to the season and congratulations to the players and management for the start they have made at Premier League level.

Looking at what is in tonights programme. The **From the Archives** this week looks back to **1984-85** whilst the **Player Profile** this week features **Shaun Carter**. The new August edition of the Clubs newsletter **Touchline** is once again featured and **Moonraker** again looks at the local football in Wiltshire. This weeks **Dream Team** has been provided by former centre back **Paul Davies**. Once again I am in need of more Dream Team selections if this feature is to continue so all submissions from former players, officials and fans would be appreciated and used in the programme. There is the usual updated league table of the Clubs own **Fantasy Football League**. **World of Soccer** this week looks at Sunday League football in Wootton Bassett whilst manager Dave Turner provides his latest thoughts on the start to the season in his **From The Dugout** page. **Scoop**, as well as providing a report on the first game between the two sides on Saturday, also penned the report from last seasons FA Vase encounter which is repeated in tonights programme. There is a new page included in the programme tonight that shows a map of the Uhlsport Hellenic Football League Premier Division which is taken from the excellent website produced by Mike Avery which can be found at www.mikeavery.co.uk. A league table and results grid has also been included for **Division One West** as well as statistics for leading scorers and current season attendances in the Premier Division.

Next up at Rylands Way will be two games against Kidlington. On Saturday the **Reserves** play host to Kidlington's Reserve side and the following Tuesday the First Team fixture in the **Uhlsport Hellenic League** sees **Kidlington's** First Team visit Rylands Way on Tuesday 21st September. Thank you for your support this evening, enjoy the game and heres to seeing Wootton Bassett Town in the next round of the FA Cup and a smiling Treasurer.

WORLD OF SOCCER

THIS WEEK FEATURING.....

FORMER CHAIRMAN MARK SMEDLEY

Back in the good old days (by this I mean the 1970s and 1980s), Wootton Bassett Town FC used to have a Sunday League side who generally played in either Division One or Division Two of the Swindon Sunday League. The side was generally made up of players who played for the Club on a Saturday in the Wilts League. I cannot recall when the Sunday League side was dropped, or why, but I suspect it was around the time that the Club entered the Hellenic League and things got a lot more serious on a Saturday. The pitch no doubt suffered from having two adult games played on it per weekend.

When the Club moves to the new ground personally I believe it would be a good idea to resurrect the adult Sunday League side. The new pitch will be designed to cope with more frequent heavy use, removing one of the issues that I believe led to the demise of the Sunday side. Players who turn out for the Club on a Saturday but who currently play for the Dog & Duck on a Sunday could play for the Club on both days. This removes an opportunity for the players to be poached by other Saturday sides and provides another opportunity to build a stronger team spirit. The side could be managed by, say, the First Team assistant manager or the Reserve Team Manager or jointly by both, to provide them with the opportunity to develop their managerial experience. The Club would have the facilities so that it could enter the prestigious FA Sunday Cup, a national competition involving the top Sunday sides in the country. We have allowed Greyhound to play games in this competition in the past here at Rylands and the games always drew large crowds.

The possibility of resurrecting the Sunday side is certainly something for the Committee to think about and perhaps include in the Development Plan. For the time being those followers of Sunday football will have to make do with a trip up to Ballards Ash to watch either The Five Bells or The Old Nick play.

FROM THE DUGOUT

Firstly I would like to welcome the players, officials and supporters of Hamble ASSC to Ryland Way. We hope you enjoy your short stay with us and will join us all for a drink in the bar after the game.

It was a very tough encounter on Saturday but the lads responded well to going behind in the first half. I decided to make a tactical change on Saturday bringing young Liam off and putting an extra player into midfield. The tactic paid off as we certainly came more into the game and deserved to take the game to a replay after John Beedons penalty. It could have been even better if young Sean Bailey had put the chance away at the end but hopefully we will make certain of progress into the next round here at Rylands tonight. I am certainly pleased that it is not us that have the long journey for the replay. If we end up going to extra time, like we did when we played Bradford Town in this competition, it will be way after midnight before our visitors get home tonight!

Given the amount of fixtures we have in the UHlsport Hellenic Premier League and associated cup competitions we could have probably done without the extra game but we all are pleased to have another chance of progressing in this most famous of competitions. The teams that enter in the next round from the Blue Square South are some of the most famous names from non-league football and myself, Alan, Luke and the lads would all like to be in the round with the big boys come 10pm tonight.

Well done to Highworth Town on Saturday, holding Salisbury City to a draw with ten men. Last season Salisbury were playing in the Conference and for a team from the Hellenic League to hold them to a draw is a fantastic achievement. The Hellenic League had a good Saturday, as well as the draws for Highworth and ourselves, Thame defeated Thatcham Town from the Zamaretto League and Old Woodstock Town defeated Western League Bitton on their own patch. The only side to lose were Binfield who went down 3-0 to Margate.

One thing I would like to comment on is the tremendous team spirit we have here at Wootton Bassett at the moment. With the games being tight, on a couple of occasions we have not used all our substitutes but the players have understood the decisions and to a man have not moaned. They all know that with injuries and suspensions and with games twice a week their chance will come and when they get the starting shirt will all fight to keep their position in the starting eleven.

On Saturday we have further cup action when we make the short journey to meet Devizes Town in the FA Vase. With more lucrative prize money on offer in this competition we will be looking to go some way in this competition. Devizes look a stronger side than last season and we will have to be on form to ensure we progress but it would be great to still be involved in both national cup competitions come 5pm on Saturday. I hope as many of you as possible can make it to Devizes on Saturday to cheer us on. Enjoy the game and get behind the lads as you have done in recent home games so that we can maintain our unbeaten record here at Rylands.

OPPONENTS HISTORY

Hamble ASSC Football Club started its inaugural season in 1938 as Folland Aircraft FC and had a flurry of successes during the war years when players from Pompey and Saints worked in the factory, winning the **Hampshire Senior Cup** in 1941. 1942 proved to be an exceptional year, winning the **Hampshire League**, **Hampshire Senior Cup** and the **Russell Cotes Cup**.

Subsequently and up to the seventies the club were known as Folland Sports FC and experienced mixed fortunes, drifting between County and local football, collecting along the way minor trophies on the odd occasion. In 1979/80 fortunes again began to smile on the club as the **Hampshire League div 4 title** and **Hampshire Intermediate Cup** double was achieved. The following season the club won the **Hampshire League div 3** title and for the years that followed consolidation in the second division was the club's main priority. With steady progress more honours were achieved in 1984/5 when the **Southampton Senior Cup** was won in a thrilling final, defeating Awbridge, and played at the Dell. The same season saw the Reserves winning the **Southampton Premier Division title**, which meant that the first team played the reserves in the Reg Mathieson Cup, won narrowly by its senior side. In 1986/7 the Southampton Senior Cup win was repeated also played at The Dell defeating Sholing Sports FC. The **Reg Mathieson Cup** win was also repeated and promotion to Hampshire League Division One with a creditable third place finish that season was the icing on the cake. The club, however, leap-frogged Division One by successfully applying to join the Wessex League. During the summer of 1987, with a generous donation by the Sports and Social club and a lot of hard work by the club committee and players alike, floodlights and a pitch barrier were installed. This enabled the club to meet the higher standards required by the Wessex League.

In 1991/92 the club went through another metamorphosis re-naming itself Aerostructures S&SC and the team reached the semi-final of the Wessex League Cup, finishing in 9th place in the League, which remains the highest finish to date. The Reserves too were credited with success with a win over Braishfield in the final of the **Southampton Senior Cup**, once again played at The Dell. In 1997/98 season the first and last major honours as Aerostructures S&SC was with a win in the final of the **Jewson Wessex League Cup** over Bemerton Heath Harlequins at Ten Acres by 2 goals to 1.

The club was re-named again as **Hamble ASSC FC** for the 1998/99 season, which it has remained since. Dressing room improvements in 2004 saw FA Cup and Vase competitions entered into for the first time in over ten years. After a number of seasons near the bottom of the Premier Division, Hamble were relegated to Division One at the end of Season 2008/9. However, Hamble ASSC were able to bounce straight back as the Club secured its first honour under the Hamble ASSC name when it won Division One of the Wessex League last season.

returned to winning ways to book a quarter final place by defeating Burmah 4-1 after extra time.

The season finished with something of a whimper though. A 3-2 loss at Old Manor and a 0-0 draw at Walcot meant little momentum was taken into their clash with Tisbury, who won by the odd goal in three to dash Bassett's hopes of retaining the league cup and securing the double.

The final league table for the season and results and scorers for games played are shown below.

Groom and Roger Smith were the Bassett marksmen with Colin Dable getting Shrewton's two.

And it was full steam ahead to finish the final month of the year, with seven from a possible eight points being earned in their next four matches. A come from behind victory by the odd goal in three at Burmah House thanks to a Dixon brace increased the lead at the top to four points, before a close game at third place Pewsey Vale resulted in a 1-1 draw courtesy of Smith's 87th minute equaliser. Corsham were then routed 4-0 at Rylands Way, with four different scorers – Flavell, Dixon, Steve Thomas and Greg Smith – netting. A victory by the same margin at home to Marlborough two days before the New Year – Neil Timbrell, Thomas, Roger Smith and Flavell scoring. Coupled with Old Manor's 4-2 loss to Shrewton meant Bassett entered 1985 top of the pile, four points ahead of both Pinehurst and Pewsey, the latter though possessing a game in hand.

Bleak weather prevented Bassett from kicking a ball in anger in January. But they showed little rust when their season belatedly resumed two days into February, defeating Ferndale 2-1 at Rylands Way. Goals on the day from Dixon and Gee ensured a gap of two points remained between Clarkes side and the chasing pack.

There was a further delay in action, with a month coming before Bassett were back on the field. Their winning ways continued though with a 3-1 away win at Corsham, the goals coming from Dixon, Groom and Flavell. A draw between fellow title challengers Old Manor and Pinehurst meant they were now two points clear at the top with two games in hand. Both points were again earned a week later, as Bassett ventured to lowly Westbury United Reserves and won 2-0. A Dixon strike and a Thomas penalty sealed the win, and the day got even better as both Pinehurst and Old Manor dropped points. A fortnight later, a trip to Warminster garnered both points with Dixon and Thomas again on target. The state of play in Division Two now saw Bassett three points ahead of Pewsey and four clear of Pinehurst with a pair of games in hand over the latter.

April began with Bassett taking on Marlborough in their long awaited Ghia Senior Cup first round tie. The replay had initially been scheduled for November 24th, but foul weather put paid to that game. And – despite entering extra time, the cup tie would have to be rearranged *again* as bad light cause its abandonment with Bassett 4-3 ahead. A comprehensive 4-1 defeat to Pinehurst, Tim Brogan grabbing the consolation, followed, but this did little damage to Bassett's title hopes despite Pinehurst temporarily taking top spot. Their lead was two points, but with three games in hand Clarkes side could afford to drop points.

Promotion was secured with a 2-0 home win against Dorcan on April 10th as strikes from Thomas and Roger Smith sealed a return to Division One. The title was then sealed in front of the Rylands Way faithful, but it was done so in little style as Pewsey held Bassett to a 0-0 draw. Two Ghia Senior Cup games in the space of three days immediately followed. A Kenny Regan goal finally settled the deal with Marlborough to set up a second round tie with Burmah House. Despite home advantage, Bassett were held to a 1-1 draw setting up an unwanted replay. After a home defeat by a solitary goal to lowly Westbury in the league, they

Hamble Deliver Late Hammer Blow

Rylands Way, 5th September 2009

After going further than ever before in last year's FA Vase Wootton Bassett Town reverted to type, crashing out at the first attempt, as they lost 3-2 at home against Wessex League outfit Hamble ASSC.

Three defensive errors proved costly for Dave Turner's side, with the game being decided in the dying stages. Jamie Musslewhite seized upon a mishit 87th minute Liam Edmundson clearance, playing a through ball to the dangerous Richard Gregory, who rounded Stewart Thompson before slotting the ball home despite Steve Groom's valiant attempt to clear the ball away. Bassett had earlier taken the lead, albeit arguably against the run of play when Adam Field lobbed the onrushing John Webb with a controlled finish following an Alex Green flick on. The goal seemed unlikely moments earlier as Luke Sharps scuffed his free kick. But with the ball being helped on by a fortuitously positioned Marcus Hall, the ball eventually ended up in the top right corner of the net. Before that, Hamble had twice come close from dangerous Gregory deliveries. Firstly, his right wing free kick was met with a powerful header by Ricky Rawlings, but the ball sailed agonizingly wide. Then on the quarter hour mark his testing cross was headed back across goal by Jimmy Bull, but timely intervention from Chris Oram allowed the defender to head wide. Eventually, the visitors found the back of the net. After Bassett failed to clear their lines twice, the ball eventually popped up to an unmarked Musslewhite and he headed the ball into an unguarded net on 24 minutes. Then, just after the half hour mark, Oram got the wrong side of his man, and in a desperate attempt to prevent Musslewhite adding a second he handled inside the area, with the nearside linesmen alerting the referee to his transgression. The penalty was comfortably dispatched by James Roden, who sent Thompson the wrong way. Just before the break, Gregory once again delivered an inch perfect cross – this time from by-line – and once again Musslewhite was there on the end of it, but his glancing header lacked the power and direction to put it out of reach of Thompson.

Following the break, an acrobatic save from Thompson brilliantly denied Gregory after he had again got in behind the defence courtesy of a lofted pass from left back Rawlings. Taking advantage of this let off, a moment of inspiration from James Turner set up Frankie Hunt's coolly taken equaliser. The central midfielder gained possession just inside the visitor's half before muscling his way past three men. A deft reverse pass then set Hunt free, and the substitute coolly slid the ball past Webb. Bassett struggled to gather any momentum after the goal though, with Thompson's goal coming under increased pressure. The hosts were not helped by both Hunt and Jon Holloway hobbling off, leaving them with just nine men, having used their allotted substitutes. Musslewhite curled an 18-yard effort just wide of the left post before Ashley Wilson should have done better when he volleyed Gregory's right wing cross over from all of ten yards. The visitors eventually ensured extra time was not to be required though, and it was fitting that Gregory was rewarded for his outstanding contribution.

Scoop's Man of the Match: Steve Groom – another mature display at right back from the youngster.

Scoop Rating: 6/10 – after bowing down to their Wessex League opponents last week, Bassett took the fight to them this time around, but again defensive frailties proved their undoing.

Shaun Carter (defender)

Athletic and strong, Carter is a dominating force at centre back and this year rejoins the club from Shrivenham. He first appeared for Bassett during the 2008/09 season □ moving alongside manager Dave Turner from Pewsey Vale □ and was a rock at the heart of the Bassett defence, which was the second stingiest in Division One West after champions Hardwicke. Never one to shy away from speaking his mind, Carter exudes passion and made 44 appearances in his only season so far with the club, scoring twice. After spending his formative years in senior football at Cirencester Academy, Carter briefly joined Highworth Town before moving to Fairford Town for the 2004/05 season, appearing in 30 games, scoring once. Two years later he joined Turner at Pewsey, scoring four goals in 38 appearances in his first season. It was there he formed a strong partnership with fellow centre back Chris Oram, and in 2007/08 he played 34 times, scoring the one goal, for a team who possessed the second best defensive record in the league. After helping achieve that feat a year later with Bassett, he joined Shrivenham with his brother Richie, but niggling injuries limited his playing time.

Shaun Carter

The return to league action saw Bassett go top thanks to their 5-2 win at Dorcan and Pinehurst's home defeat against a strong Pewsey Vale side. Bassett's goal-getters were Smith, who scored a hat-trick, and Dixon, who netted a brace. With Clarke's side back in the goals and a trip to bottom side Shrewton United next up, Bassett would have been forgiven for expecting another comfortable victory. Instead though, the heretofore winless south Wiltshire side produced the shock result of the weekend as they won 3-1. The Monday October 15th 1984 edition of the Evening Advertiser carried the following report of the match:

Shock result of Division 2 was bottom club Shrewton's first win of the season at the expense of the top club Wootton Bassett. They won 3-1 with goals by Dave Cox and, after Bassett had equalised, from Stuart Withers and Colin Dable. Bassett's defeat let Pinehurst catch them on points and go to the top on goal difference after their 5-0 away win over Ferndale.

The to-in and fro-in at the top between Bassett and Pinehurst continued a week later though. The latter side drew with Old Manor, whilst goals from Smith and Flavell ensured a win by the odd goal in three at home against Burmah House to put Clarke's outfit at the head of the table by a mere point. Their lead at the summit was extended to two points a week later when Pinehurst could only draw at Walcot, whilst a battling display from 10-man Bassett secured a 2-1 victory away to Ferndale Athletic. Under the headline, *Bassett's heroic ten men battle to win the day*, the Monday October 29th 1984 edition of the Evening Advertiser carried the following description of the game:

Leaders Wootton Bassett took the lead in their away game with Ferndale through Roger Smith in the first half and were reduced to ten men, Graham Large, sustaining a cracked rib after they had used their substitute. Ian Nelson equalised for Ferndale but Gary Dixon came up with a 76th minute goal for Bassett's winner. It increased their lead to two points when the second, third, fourth and fifth teams all drew.

A tricky Wiltshire Senior Cup Preliminary Round home tie against Hellenic League Supermarine was up next for Bassett, and - despite giving their visitors a tough time, they were given an early elimination from the competition, going down by two goals to nil. Defeat did not seem to dent their confidence though going into a crunch clash at Rylands Way with Pinehurst. Goals from Danny Groom and John Small separated the two sides, leaving Bassett still on top, albeit on goal difference with Old Manor, who had played a game more, now in second.

December began with the chance to take revenge on Shrewton in the return fixture between the two sides, and that they did, winning 4-2. The December 3rd 1984 edition of the Evening Advertiser carried the following round up of the match:

Wootton Bassett were leaders in Division Two only by virtue of superior goal difference over second placed Old Manor. But, by winning 4-2 at home against Shrewton, they gave themselves a two point lead at the top. Gary Dixon (2), Danny

Season 1984-85 Two Tribes

What was going on in the world

The season kicked off with Frankie Goes to Hollywood at the top of the charts with Two Tribes and ends with Paul Hardcastle at number one with 19. The Christmas number one is Band Aid's Do They Know It's Christmas. In a season that sees Chelsea fans run riot after they lose to Sunderland in the Milk Cup semi-final, Norwich defeat Sunderland in the final of the competition. This is the season that sees 56 fans killed in the Bradford City fire inferno in the game against Lincoln City. Eighteen days later 38 spectators are killed in rioting on the terraces during the European Cup Final between Liverpool and Juventus at Heysel Stadium, Brussels. Everton win the Division 1 title but will not be able to take part in the European Cup due to the misbehaviour of their neighbour's fans. Oxford United win Division Two and are promoted to the top flight of English football. Manchester United win the FA Cup defeating Everton 1-0 after extra time despite Kevin Moran becoming the first player sent off in a FA Cup final. In October the IRA bomb the Brighton hotel that Margaret Thatcher and her cabinet are staying in for their party conference. Mohammad Al Fayed buys Harrods. The miners were on strike.

A season after making the jump from mid-table mediocrity to promotion candidates, Wootton Bassett Town took the logical next step in the 1984/85 season as they secured a return to Division One of the Wiltshire County League. And after achieving promotion, which would be manager Pete Clarke's parting gift, they would never look back.

The campaign began in perfect fashion with a 3-0 victory away against Marlborough Town thanks to a Doug Gee brace and a further Ken Regan strike. But they were to be given a rude awakening a week later in the opening game of the season at Rylands Way against Division Two new boys Old Manor, who triumphed 3-0.

However, from September till mid-October, Clarke's side were absolutely rampant in the league, the Old Manor defeat seemingly serving as a wakeup call for a Bassett side who promised much given their league performance a year earlier. A 5-0 thumping of Walcot started their winning streak. Gary Dixon, who would finish third top scorer in the league, netted his first two of the season, whilst Brian Fingleton, Kevin Bishop and Roger Bishop completed the rout. Ken Regan scored the only goal of the game a week later at home against Warminster Town Reserves, but the opposition net bulged five times again in the following match away to Burbage Sports, who would eventually finish second from bottom. Despite going behind, Bassett triumphed 5-2 thanks to an inspired Kevin Flavell, who scored a hat trick and goals from Regan and Roger Smith. In a scheduling quirk, the two sides met again a week later at Rylands Way, and again Bassett found themselves a goal down. But Flavell would again be a nightmare for Burbage, scoring twice, whilst a further goal from Gee secured a 3-1 victory that put Bassett second, level on points with undefeated Pinehurst, who had a superior goal difference. September finished with the First Round of the Ghia Senior Cup, which pitted Bassett against Marlborough. A disappointing 0-0 draw was fought out, forcing a replay that would eventually take place in mid-April!

Step 3

Zamaretto Premier

Salisbury City and Chippenham Town have continued their good start to the season and after seven games both sit in the play-off places, Salisbury in 5th place and Chippenham Town one place below in 6th spot. Both remained unbeaten in their opening seven games with Chippenham having drawn one more game than their South Wiltshire rivals. Swindon Supermarine meanwhile sat in 12th place in the table.

Step 5

Hellenic Premier

Wootton Bassett Town have had an excellent start to the season and after a midweek home win over Wokingham & Emmbrook sat in third spot in the table with four wins from their opening six games. The only blemish was a 3-0 away defeat at Bracknell Town. Highworth have not fared so well with just two wins from their opening five league games and have also excited the FA Vase and the Floodlit cup. Both Hellenic Premier sides had, however, made it through to the First Qualifying Round of the FA Cup.

Wessex Premier

Bemerton Heath Harlequins have made a great start to the season and also sat in 3rd spot after their opening six games, with four wins to their credit. Laverstock and Ford meanwhile were down in 12th spot with two wins, one draw and two defeats from their opening five fixtures.

Western League Premier

The only Wiltshire representative in the Western League Premier division this season are Corsham Town. They remained unbeaten after their opening four fixtures and occupied 4th place and look like they will have a much improved season after the surprise relegation battle last season. Having picked up a few former Melksham Town players following the latter's relegation they clearly have strengthened the side. Surprisingly, however, they were held by Oxford City Nomads in the FA Vase.

Step 6

Hellenic Division One West

Purton are the leading Wiltshire side in the Hellenic West, remaining unbeaten after three games. Were they to win their game in hand on the leading sides they would move up to 2nd place. The other three Wiltshire sides are all struggling. Trowbridge have won two from five but have picked up under their new management team. Cricklade have drawn two of their opening fixtures, also winning one and losing one, and sit just below Trowbridge in the table. Meanwhile Malmesbury under new manager Ken Turner have just one point from their opening three fixtures and have also been heavily defeated in the FA Vase.

Wessex Division One

Downton head the division and remain unbeaten from their opening eight games. Pewsey Vale are in 3rd place, four points adrift of the leaders after a good start after last seasons promotion from the Wiltshire League with just one defeat from their opening seven games. Warminster Town and Amesbury Town are both struggling at the bottom end of the table, Warminster have one win whilst Amesbury have just a single point from their opening four games.

Western League

Calne Town and Melksham Town have made the best starts of all the Wiltshire sides. Bradford Town have had a lot of cup distraction and that includes a fine FA Vase win over Hellenic Premier side, Highworth Town. Shrewton, Westbury United and Devizes Town are all struggling at the wrong end of the table although it is still early days yet.

Wiltshire League

The surprise result last weekend saw Purton Redhouse defeat New College 2-1. The win took Purton top of the league just ahead of Wilts Calne on goal difference.

Moonraker

Hamble held after Turner's tactical triumph

Folland Park, 11th September 2010

Dave Turner put his chips down on black and came out a winner. Well, almost.

His decision to withdraw defender Liam Edmondson and replace him with midfielder Terry Adams eight minutes before half time, thus shifting from 4-4-2 to 3-5-2, seemed slightly baffling at the time considering the constant pressure his side were being put under. However, it certainly paid dividends in Wootton Bassett Towns FA Cup first qualifying round tie with Hamble ASSC as the transition coincided with the visitors coming back into the game, allowing them to ultimately force a replay against the Wessex Premier side following a hard-fought 1-1 draw.

Prior to the change, Bassett had been decisively outplayed by Hamble and were fortunate to have found themselves just a goal down going into half time. Luckily, all but one of the hosts dangerous attacking quartet, containing James Musselwhite, Jamie Barron, Richard Gregory and James Roden, seemed to have forgotten their shooting boots. In the opening five minutes a long ball over the top caught the visitors out, and Musselwhite squared to an unmarked Roden, who scuffed wide from the edge of the area. On the quarter hour mark, he had another fantastic opportunity to break the deadlock, but saw his effort cannon off the bar following great link up play between Musselwhite and left winger Gregory. A goal seemed almost inevitable at this point and it finally came from Musselwhite, who bundled home after a Gregory corner had not been cleared properly. After the ball had been recycled, keeper Adam Miles was beaten to the ball, and despite a half hearted attempt to clear it off the line the forward was able to poke home. Barron was then denied by a point-blank save from Miles after being set free before Lloyd Webbers side-foot volley was hacked off the line by Matty Bown following a Gregory corner on the stroke of half time.

After soaking up so much pressure, Bassett finally got themselves into the match after the restart. Helping the cause was the fact that with the addition of Adams, they finally were able to enjoy possession in the centre of the park. But initially this was not converted into clear cut chances, the final ball being elusive, and Hamble continued to threaten at the other end. However, neither Roden, Musselwhite nor Ashley Jarvis could locate the target when presented with an opening.

On 65 minutes, Bassett's persistence was finally rewarded when Jon Beeden, leaping to try connect with a Ryan Banks cross, received a shove to the back, thus earning a penalty. Confident as you could be, he dusted himself off and emphatically drilled the ball home to equalise to bag his fourth goal of the season, the third of which has come from twelve yards. The introduction of Ethan Delaney then further sparked Bassett into life. Unable to cope with the young livewires pace, the home defence became increasingly suspect. Yet, indecisiveness with the ball in the final third meant Jon Webb was not tested as much as he could have been. Often, Delaney would be left with just defender Webber, by no means fleet of foot, between him and the home keeper, but instead of driving onwards he would cut inside or wait for support, allowing the hosts to recover. As the clock wound down though, and with both sides looking to avoid having to play an extra ninety minutes, chances to win the game emerged. For Hamble, Gregory side-footed wide from the edge of the area after Barron had rolled marker Craig Bowden and squared to the unmarked winger. Then, substitute Paul West cut inside from the left wing, before firing a low effort from 30 yards that had Miles beaten. Fortunately though the ball rattled the near upright and was swept to safety by Shaun Carter. It was Bassett who would have the final, and perhaps best chance, to seal a historic victory. In injury time, having rode a challenge, Banks split the defence with a through ball to Sean Bailey. With just Webb to beat, the odds seemed stack in favour of the midfielder scoring, but instead he struck straight at the keeper, who parried the ball away.

Scoop's Man of the Match: Adam Miles – a confident display between the sticks despite the barrage of chances the hosts had. In the first half, his day was not made easy thanks to the nifty performance of those in front of him and his point-blank save from James Roden was particularly impressive.

Scoop Rating: 7/10 – Bassett showed an immense amount of character and resolve in the second half after a poor showing in the opening period. Dave Turner's gamble in withdrawing a defender so early turned out to be a shrewd move that stemmed the flow of Hamble chances and allowed his side to gain a foothold in the match.

12th September 2010

FA CUP sponsored by E.ON □ 1st Round Qualifying

Binfield met Margate of the Ryman Isthmian Premier and held out for 50 minutes in front of 400 spectators, before conceding three times through Wayne Wilson, Ishmael Kamara and Tom Osborne.

Old Woodstock Town travelled to Bitton who top the Toolstation Western Premier and in an exciting final 6 minutes scored twice to win by the odd goal in five. Town's heroes were Ryan Brooks, Rhys Denton and Tony Booker.

Wootton Bassett Town drew one-a-piece at Hamble ASSC of the Sydenham's Wessex Premier. Jarvis put the home side into the lead before half-time but Jon Beedon's second half penalty for Bassett ensured a replay at Rylands Way on Tuesday evening.

In front of a bumper 450 crowd, Highworth Town played with 10 men throughout the second period against Salisbury City of who were relegated from Conference National to the Zamaretto Southern Premier and managed to go ahead through a Ritchie Saunders header late in the game but Chris Giles earned the visitors a replay on Tuesday with his reply late in the game.

Thame United dumped out higher league opposition on the road at Thatcham Town of the Zamaretto Southern Division One South & West thanks to a 13th minute Alex Stewart strike.

Premier Division Round Up

The Abingdon Town game against Ardley United was abandoned after 31 minutes. Strugglers Fairford Town lost out Reading Town by the odd goal in three. Richard Stubbs put the Cinder Lane outfit ahead halfway through the second period but late goals from Mike Hancock and Graham Toomey ensured the points for the visitors.

Flackwell Heath brought the resurgent Pegasus Juniors down to earth, scoring three times without reply courtesy of Danny Jordan with a brace and Ben Sturgess. Shrivvenham's losing sequence was extended to five after succumbing to a second half brace from Ascot United's Chris Farrelly.

High flying Slimbridge were quickly two up through Fred Ward and Tom Speers against Bracknell Town but a Sam Whiting second half reply was not enough to save the game. Wantage Town did well to take the points from fancied Shortwood United. Stuart Cattell put the Alfredians into an early lead but it wasn't until the final few minutes that Rich Claydon settled the result with a quick brace before Rich Evans managed a reply for the visitors. Wokingham & Emmbrook were too good for the hapless Oxford City Nomads who have yet to earn a point. Lining up for score sheet duty were Luke Lee, Adam Cornell with a pair, Chris Fower and Danny Horscraft, with Ash Barroso replying twice for the visitors.

A Smashing Start

By Luke Walduck

This Sunday signalled the start of the 2010/2011 season for the club's youth teams, and in true British tradition the skies opened.

However, undeterred the under 14 A team had an uplifting 2-1 win against newly promoted FC Calne to begin their title defence thanks to goals from Ross Algar and Max Kitchin. Sharing the success, the under 15 team won 4-3 against Laverstock and Ford, scoring 3 second half goals, after a tense first half saw the game tied 1-1 at half time.

Not to be outdone, the under 11 team faced Croft Juniors B, and played a stunning game, featuring a hat-trick from Declan Cox, and with Lewis Ward, James Evans and Callum Bridges working together, they drove home a resounding 7-0 victory. A huge victory was also made by the Wootton Bassett Ladies team who stormed to success with a clear 9-0 win over Wiltshire Area FC. Amy Longo led the way with a hat-trick, whilst there were braces from Yazz Spratt and Lauren Walker.

Unfortunately, not all of the teams managed to share the success with the under 9 team making a valiant effort before losing 3-2 to Pewsey vale, with goals from Nathaniel O'Dwyer and Billy Richardson.

Both under 10 teams had a disappointing start to the season, with the A team losing 1-0 to Wanborough Juniors, and the B team losing 5-2 to FC Calne, with goals scored by Daniel Carey and Hadley Bridgman.

The under 12 team made a resilient effort, with goals scored by Henry Holley and Jay Twine, but ultimately lost 6-2 to Hungerford Town Juniors. The under 14 B team also had an unlucky game, losing 2-1 to Highworth Town, Martin Bates scoring.

Not all games were played, with the under 16 team winning by default after Amesbury Town did not have enough players registered in order to compete and the under 18 team game against Old Town being postponed.

There was some brilliant football played, and with the rest of the female teams to start next weekend, the scene has been set for a successful season.

The Pundit

The huge fees may be a thing of the past, but there's still plenty to mull over following transfer deadline day in the Barclays Premier League. [More](#)..

One West Round Up

Clanfield were overwhelmed by Cheltenham Saracens, conceding four times through Andy Crosskey, Jo Donaghue, Luke Tovey and Jamie Hammond. Mark Odom replied for the home side's consolation. Cricklade Town took the points in a close game with Bicester Town. Daryl Harris gave the Foxhunters a half-time lead but Ben Carter and Fred Fluereau were on hand to ensure the win for Crick. Malmesbury Victoria lost out to Easington Sports. Tom Foley put the visitors ahead early in the first half and after Mark Field had scored the equalizer, Darren McNamara settled the encounter for the penalty spot. Purton and Lydney Town's game was settled in a whirlwind six minutes just after the kick-off. The visitors went into the lead through Ross Lindsey but Steve May replied almost immediately. However Danny Clark and Adam Price scored in quick succession to secure the victory. Trowbridge Town took the lead through Neil Grant against Hook Norton but Shaun Lambourne's late equaliser earned Hooky's first point of the season. Tytherington Rocks only just lost to league leaders Headington Amateurs by the odd goal in three. Luke Cuff and Jamie McCuaig had given the "As" a comfortable lead before Angel Serrano was able to reply with a late effort. Winterbourne United scored twice through James Hicks and Jensen Mannings to secure the points against visitors, Letcombe.

One East Round Up

Chinnor took an early lead against Hungerford Town Reserves thanks to a Matt Glynn effort but were eventually overhauled after strikes from Ben McCready, Matt Pedder and Chris Blackford. Didcot Town Reserves were comfortable winners over bottom of the table outfit, South Kilburn. On target for the Railwaymen were Glyn Jones, Harry Halls, Alex Mott and Ian Roper. Replying for the visitors was Scott Lewis with a pair. Finchampstead were no match for Farnborough Reserves and were 3-0 down thanks to efforts from Putera Maderner, Eric Kusi and Jack Thompson before they could muster a late reply through Adam Barnard. Joint League leaders Holyport and Henley Town shared four goals and the points. Jamie Handscomb had given the home side a two goal cushion but Dauda Fofanah and Martin Abery were on hand to rescue the game and a point just before the break. Milton United were too good for Penn & Tylers Green, scoring four without reply courtesy of Paul Sanders with a pair, Ross Butler and Warren McCabe. Rayners Lane could not hold Newbury, conceding four times through Jamie Green, Russell Benham, Simon Care and Andy Tingle. Woodley Town were well beaten by Chalfont Wasps. On target for the Town was Luke Williams, but securing the win for the Wasps were Matt Skinner, Kieran Webb and Bobby Hughes with a brace.

Holyport Withdraw

Owing to the Berks and Bucks FA's rules, which do not recognise the SENIOR status of club's such as Holyport FC despite the Club's inclusion into the FA Vase and FA Cup by football's governing body, THE FA. The 1st team squad are ineligible by virtue of the County Association rule which denies players who have played in the FA Cup being able to play in B&B Intermediate Cup matches this season and the club has therefore been forced to withdraw from the Intermediate Cup. It is understand this problem, which occurs on a regular basis, will be reviewed before next season. Failure to do so will result in clubs such as Holyport and Milton United who play in the same Hellenic Division and other clubs as they install facilities that comply with entry into the national competitions. Should such clubs gain promotion to the UHLSPORT Hellenic Premier Division the B&B FA recognises this achievement and would allow entry into the Senior Challenge Trophy which is under subscribed with clubs whereas the B&B Intermediate competition is very much over subscribed with a club having to play at least SIX matches to obtain a place in the latter rounds. Something needs to be done to ensure that ALL clubs are able to play in the respective County FA Competition appropriate to their position in the football pyramid and National League System. Clubs such as Holyport deserve this recognition!

TOUCHLINE

WBTFC Newsletter Volume 8, August 2010

WBTFC.CO.UK

Welcome: Well that summer break was over quickly! So what's been happening at the club over the summer? Of course the six-a-side festival was held in June and once again proved the togetherness of this club in organising such a well run tournament, and thank you to all who played their part. We have had to undertake some ground improvements at Rylands Way following the promotion of our first team to the Hellenic Premier Division, the most visible change being the re-build of the home and extension of the away dug outs as required for ground grading. Less visible is the maintenance work undertaken on the ground surround. This was all made possible by the hard work of our volunteer staff and my thanks go to you all. It may also be that the works undertaken by our landlord, the Sports Association, in the clubhouse is new to you, with the windows, furnishings and decoration being completed post seasons end. It really has made the clubhouse a much more inviting prospect, and I'd remind all that through your membership of the football club you are a member of the Association and welcome to visit the bar at any time – certainly cheaper than many a bar. Income over the bar helps secure the future of the Sports Association and in turn our use of the football pitch for a very reasonable cost. Lastly I'd like to welcome you all to this new season, and thank you for playing your part in helping us to provide the footballing opportunities we do to your community. Paul Harrison - Chairman

Senior teams: Welcome to the season 2010/2011 – Time seems to be running away, and the older I get the quicker it goes! Only in a blink of an eye we were celebrating promotion to the Premier league with the 1st team and celebrating end of season with the reserves and the U18s. A huge amount of work has been undertaken at Rylands this close season this has been part of the ground grade developments required to enter the Premier League (I won't apologise for saying that too often – we have been waiting a long time), this work has been done voluntarily with many people putting in vast amount of their time to ensure we can play Premier Football. Many thanks must go to Pete Yeardeley, Steve Matthews, Pup to name a few, but a massive thanks must go to Simon Paish as without his efforts we would not have completed the work in the required timeframe. We held a "Help for Heroes" game playing against the 1st Rifles at the back end of July and I am pleased to confirm that we raised £500 on the day with a prospect of a further £500 being donated by BP Oil, this money will be split between the 1st Rifles Casualties of war Fund and Help for Heroes Fund. I would like to thank all who helped in making the day rewarding and financially beneficial to the two well deserving funds. Back onto football, whilst writing this column the 1st Team have won the opening two league games and drew the 1st Home league game. We also saw an excellent replay win in the FA Cup and have been awarded an away trip to Almondsbury in the next round. The reserves have not seen any league action to date but have had some excellent results in their pre-season games and I know Simons hard work will not go unrewarded this year. The u18s have also not yet seen any action but again Danny has been hard at work behind the scenes preparing the side for this year's coming games. To finish I have been fortunate to work with some dedicated people who have given so much to this club, one of whois Rod Carter who has decided to step down at the end of this season from his position as Club and Senior Section Secretary. He will be much missed and I will over the coming Newsletters be speaking about Rod and what he has achieved for this club for now. If anyone is interested in applying for this role please let me know. Please continue to Support us. **HAVE A GREAT SEASON**

Chris Jones – Section Head of Senior Football

Youth teams: Welcome back to the season after the summer holiday. Most people can take advantage from the short break in football but behind the scenes it is traditionally the busiest time of the year for the committee with endless rounds of meetings and AGMs. This season we welcome several new faces and changes within the youth section. Jeremy Smith joins us as our new dedicated under 8s manager and thanks to the sterling work undertaken by Community Football we are now able to field two sides at this age group. Our under 11s, will for the first time, be competing in the FAs latest initiative... 9 a side. In my opinion this has long been overdue and will allow young players to gradually make that step up from mini football to the full 11 a side game. I would also like to acknowledge the assistance received from Andy Clinch and Wootton Bassett council in ensuring that we have a dedicated 9 a side pitch available within our community. Our under 18s will also have a new manager this season in Paul Cooper. Paul has proved to be a major asset since joining us last season and his involvements at all age levels has proved invaluable (I'm just glad he doesn't have a real job and an understanding wife!!). The under 18s team will provide that crucial stepping stone towards the transition from youth to senior football. With Simon Paish now in charge of the reserves expect to see more of our youth players taking this path through their **own** club. After many years promising, I am pleased to advise that Mark O, Dwyer will now provide specialist coaching to that mostly overlooked part of a football team...the goal keeper! Mark will hold specialist sessions to all our keepers on a rota basis and although initially these are at Lydiard Park it is hoped to transfer these to the senior pitch under floodlights during the winter months. The final area we are looking at is communication to all members of our section. We hope to introduce two section administrators (mini and youth) who will collate all membership, contact details etc of everyone within the club. It is hoped that this will ease the burden on our treasurer, secretary and managers and provide that important two way communication channel with our players and families. Finally a plea.... Most of our managers are a shy bunch (well apart from Burkey and Dave Terry!) so during the long season they would appreciate help, both practical and emotionally. They all undertake their roles free of charge and for the love of the game and without their commitment we would have no club. Sometimes a hand or a few words of encouragement go a long way and I know from personal experience how satisfying it can make it if you feel others are supportive of you. Enjoy the season ahead and remember... the referee is always right!

Ladies & Girls: This close season has by far been the most difficult for the girls section to date. With Mark stepping down I was more than happy when Geoff Tidy agreed to be the U16 coach for the season, but as we near the first games of the season for the girls teams already the U16 team need players to be able to play 11 a side. Anyone involved in girls football in Wiltshire knows there is problems in getting girls to carry on playing through into the adult game, and with this in mind I have taken on an active role as a committee member of the ladies and girls league and will be registration secretary whilst trying to understand where the problems are. When I look back to when my own daughter first started to play football the mixed ability of the group was very wide, even now 7 of the same players playing ladies football at Wootton Bassett are still of different ability but they are more aware of their strengths and weaknesses when playing. As said above we are looking for players not only for the U16 & U14 sides that we have running this season, but also still looking to start new teams in the girls section at the U10 and U12 age groups. Anyone who would like to help or idea's please contact me on my e-mail bryanwood611@btinternet.com or through the club web site using the contact us tab. My message to anybody looking to coach younger player's boys or girls is the need to keep football fun. Bryan Wood "Woody" – Section Head of Ladies & Girls

Respect: I would like to take this opportunity to remind us all of the FA's Respect campaign, aimed at addressing unacceptable behaviour in football, both on and off the pitch. It covers all involved in the game – players, managers/coaches, club officials, and spectators including parents of youth players. I would urge you to visit the FA's Respect webpage at www.thefa.com/Leagues/Respect where guides for all are available together with a film in which Ray Winstone demonstrates some of what Respect tries to eradicate. It's also important to remind you that we as a club are liable to disciplinary charges from the FA for any inappropriate behaviour, including verbal, from not only players but also officials and spectators. Please help us to participate in this great game the right way. Paul Harrison - Chairman

Senior Team Sponsorship: Our senior section relies on external funding, and with a running cost of some £13,000 just to breakeven you can see it's just like running a business. Gate receipts are our only income stream, but these are insufficient and we are very dependent on the support of local business through sponsorship and/or advertising. However the current climate is making it very difficult to attract this support. We are close to appointing a commercial manager to help drive this forward in the future, but for now would ask you all to consider if you know of any potential companies we might contact and send our commercial prospectus to. Sponsorship starts from as little as £30. Please send any ideas to Chris Jones at info@wbtfc.co.uk

Sponsor Focus: In this newsletter we are focusing on the great British pastime, the local curry house. The Ganges, located in the High Street, has been trading for twelve years and offers high quality Indian cuisine. WBTFC would like to thank the Ganges for all their support of the club. **The restaurant at 147 and 148 High Street offers a large selection of Indian cuisine. Take-away available with 10% discount.** **ganges** www.ganges.co.uk

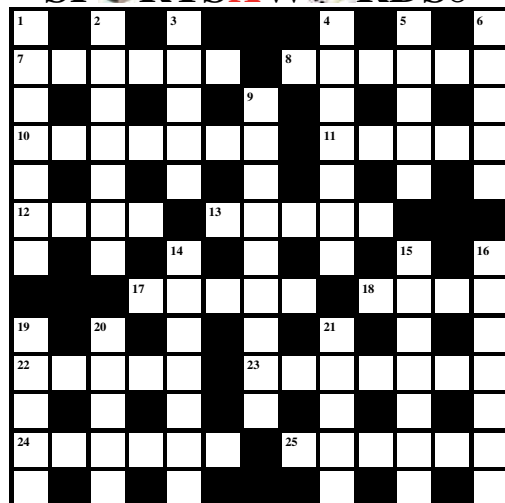

Club development: Pete has already commented that the closed season is far from closed for the coaches nor committee members. Firstly I would like to thank Simon Paish for encouraging me to help with knocking down the old dugouts, I have never ached so much before, I think I will stick to my day job, sitting behind a computer or two. Along with the ground grading we have created two U8 teams in readiness for the new season, it looks like we have filled the vacancy for the Commercial Manager, we have added Community football webpage and created a web shop covering merchandise. We also hosted a Wiltshire Coaching Association session for thirty five coaches from local clubs. We must not underestimate the effort which goes into running both the Holland Tour and the 6 aside tournament, both of which were again very successful. We have failed to create a U13 team for this year and so will be looking to form a partnership with Brinkworth Cats providing player exit routes as well as filling what will be a potential gap in three years time. Also outstanding is the creation of the manager's booklet. It's that time of the year when the football development plan is reworked, moving it on one year. Meetings have been held and the plan is currently being revised. This will set out the objectives for the new season. Andy Walduck – Club Development Officer

What's On? **Seniors:** Please support both the First team and reserves, this makes all the difference, visit www.wbtfc.co.uk for the fixture list. The first team will play in the FA Cup on Saturday 11th away to Hamble ASSC and then play in the second round of the qualifying stages of the FA Vase, away, against either Devizes Town or Amesbury Town on the 18th September.
