**A Warm Welcome** to our visitors this evening from Binfield for this UHlsport Hellenic League Premier Division fixture.

The two sides have met on three occasions and Binfield currently have a 100% record against us. The two sides met for the first time in Season 2010-11, both games coming at the back end of the season. On 29<sup>th</sup> March 2011 Binfield won 3-1 at Rylands Way, Alex Green scoring the consolation goal for Bassett. In the return match at Binfield Bassett had a real bad day at the office going down 7-1, again Alex Green with the Bassett goal. Last month Bassett travelled to Binfield on a Monday night going down to a solitary goal 17 minutes from time following a defensive mix-up. There is a report on that latter game in tonight's programme in the Previous Meetings page.

By their own high standards Binfield are having a disappointing season in the league although they have had some great form in cup competitions. They progressed to the 3<sup>rd</sup> Round of the FA Vase, losing narrowly 1-0 to Western League Larkhall Athletic last Saturday. They also had an excellent run in the FA Cup making it through to the 2<sup>nd</sup> Qualifying Round where they lost narrowly to Leatherhead. They are still in the Bluefin Challenge Cup where they will meet Tytherington Rocks in Round 3. Whilst the main success has come in the cups, the league form has been patchy with 8 wins, 4

draws and 6 defeats. With games in hand due to those cup runs they will be looking to get back into the title race. With all the teams at the top dropping points they must fancy their chances of still having a big say in the destination of the league title.

Off the pitch Binfield do things very professionally. Those that travelled to the away game would have experienced Radio Binfield FC. They also film games and highlights from our game can be seen on their Website along with a post match interview with the manager which looks like it could have been done by Sky. This is a club that clearly have ambitions to go higher in the pyramid and will be very tough opponents here tonight.

### **Bemerton Game**

Having identified the Wiltshire Senior Cup as a competition to seriously target this season, it is disappointing to go out at the first attempt. This is especially after Bemerton Heath had been reduced to 10 men and had to play the whole of extra time one man down. In the end we again lost a game by a solitary goal which is very much the story of the season. The Press Cuttings page in tonight's programme includes a Half Term Report written by Stuart for the UHlsport Hellenic League website.

### **December Fixtures**

December is a busy month for the First Team with 6 fixtures. After the Wiltshire

Senior Cup fixture and the Binfield game tonight we have our big local derby away at Highworth Town. We gave them a real good game at the start of the season and will be looking to take something off John Fisher's side who, despite Saturday's 4-1 defeat at Oxford City Nomads, are very much in the title race after a good run of form. The following two Saturdays see us entertain Thame United and Holyport with a Boxing Day trip to Newbury in between. A busy month but a series of games we should be capable of getting some much needed wins to climb the table.

### **Race Night**

Thanks to all who attended the Race Night held at Rylands Way on Saturday night and helped raise £350 for the club. Your support is greatly appreciated.

### **Development Side**

The Development Side have really gone off the rails of late. On Saturday they went down 4-1 to a Malmesbury side they had defeated 5-1 earlier in the season. That is now 4 games without a win after such a fine start to the season.

### **Soccer Skills Academy Christmas 'Drop and Shop' Holiday Club**

The Soccer Skills Academy will be running a special two day Christmas 'Drop and Shop' Holiday Club. This will take place on Monday 23<sup>rd</sup> and Tuesday 24<sup>th</sup> December at Rylands Way

## Formation of the Club

With the British Newspaper Library recently putting the Swindon Evening Advertiser onto its online Newspaper archive service it is pleasing to report that we this week found a short report relating to the formation of the Club in 1882.

The Swindon Advertiser of Monday 13th November 1882 carried the following article:

*"FORMATION OF A FOOTBALL CLUB - Thanks to the energetic efforts of Messrs Clark and Hearn, who convened a meeting for this purpose at the Royal Oak Hotel last week, a club has been started, and play has already commenced in good earnest. A good number have already joined, and considerable support is promised, and there appears every prospect of*

*the club having an enjoyable and, we hope, a successful season. The game will be played upon the rules of the Football Association. Mr Clark is the captain, and Mr Hearn secretary."*

We also found some interesting articles from 1887 relating to accusations of poor discipline against the players of Wootton Bassett Town in a game against Chippenham. Some challenges remain the same for those who run the Club.

Looking at what else is in the **Programme this evening** the article from the journalists from the Non-League Paper is from Steven Coney and is on the subject of attendances at cup games. Interestingly, seeing that our crowd for the Wiltshire Senior Cup on Saturday was a paltry 24, Steven seems to be right with what he is saying.

Jeff looks back at recent games in the **Dugout Chat** column and there are also short **match reports** from the Highmoor Ibis and Bemerton Heath home games.

There is the usual **picture quiz** to keep you amused at half time. There is an **action shot** of **Curtis Meare** from the away game against

Highmoor Ibis. The player profile tonight is midfielder **Lee Stevens**.

The statistical based **Hellenic Insights** page this week looks at Wootton Bassett Town's points per game record against each of this season's UHlsport Hellenic Premier Division teams.

The **"Football was better in my day"** feature, looking back at football from the 1970's and 1980's this week focuses on **Half Time Score Boards**.

Finally a big thank you again to our hosts Cirencester Town for the use of their ground.

Enjoy the game and hopefully we can celebrate by taking three much needed points off a strong Binfield side.

### Turner defends old team against Roberts' comments

Friday 6th December 2013

DAVE Turner has launched a robust defence of Craig Bowden and his Wootton Bassett team of 2012/13 following comments by Jeff Roberts last week. Shrivensham boss Turner, manager of Bassett for five years until the summer when he was succeeded by Roberts, is expected to complete a move for Bassett full-back Bowden ahead of this weekend's Hellenic League Premier Division trip to Ardley.

The prospective signing comes off the back of comments by Roberts stating that Bowden's game had been lacking of late and that Bassett had less quality on the bench last season than this term. However, Turner hit back on both counts. "I'm very disappointed in the way he (Roberts) spoke about the team. I found it disrespectful," said Turner.

"He said Craig was playing last season as there was a lack of quality on the bench, but I found that very disrespectful to that group of players.

"I didn't get promotion twice with 11 players, I did it with 16 or 17 players and the reason Craig played so many games under me wasn't because of a lack of strength in depth, it's because he's pound-for-pound the best defender I've worked with for a long time.

"He's conscientious and I can count the number of training sessions he missed on one hand. I've had one or two texts from current Bassett players saying they can't believe Craig has been allowed to leave, so that tells you about the measure of the man.

"I look at John Fisher, Dave Webb and Mark Collier and I don't ever remember them singling out players, so I think we can all learn a bit from that.

"I don't want to get involved in a slanging match, but I make no apology for being protective towards that group of players."

However, Roberts responded by saying his comments about strength in depth were based on opinions passed on to him by others at Bassett and he denied he had singled out Bowden for criticism. "What I was told was that last year Bassett sometimes only had one or two players on the bench," he said.

"I didn't single Craig out, what I said was that in certain areas his game needed to improve. He did very well for us in pre-season but his head has gone down in the last few games and he's not the only one.

"I know being on the bench the last couple of weeks hurt him a little bit, but if players aren't playing well, they will get dropped.

"I didn't want Craig to go and I told him there was a place for him, but he wanted to be guaranteed football and I don't think any club at this level can guarantee that."

Bassett are at home to Bemerton in the second round of the Wiltshire Senior Cup this weekend and keeper Steve Allison is unavailable so 17-year-old Curtis Meare will deputise. Jason Milhench and Levi Cox are available but Lee Stevens and Ryan Stanners are missing.

### Bassett's Half Term Report

Friday 29<sup>th</sup> December 2013

"It seems strange to be penning a half season review at the end of November, but with games coming thick and fast in the UHlsport Hellenic League Premier Division, after the visit of Highmoor Ibis. Wootton Bassett Town have now completed 19 of their 38 matches." Writes Bassett's Stuart Smedley

"While results of those have left Bassett lying in 16th, Jeff Roberts' team are still within touching distance of rivals currently sitting in what is a crowded middle of the table, and can take confidence from frustrating a number of the division's top teams. Many sitting towards the division's summit have been pushed extremely close by Bassett, who have drawn six and suffered seven defeats by a single goal."

After a rude welcome back to life at step five with losses against Bracknell Town and Highworth Town, Bassett bounced back, taking 14 points from their next eight games. Six of those were earned from four tough away trips, and during that run Flackwell Heath, Highmoor Ibis, Ascot United and Reading Town were all held to draws, the latter in a spellbinding eight goal thriller.

However, an agonising slump followed with just five points gained from the next ten games. Six of those matches were lost by a single goal, including five in a row, with late strikes determining the outcome in the return fixture with Reading and against Ardley United and Binfield. A certain amount of revenge was then exacted against Ardley as a late Sam Collier penalty secured an excellent away point before Highmoor's five game winning streak was brought to an end with a 2-2 draw on Wednesday.

With a number of newcomers and a squad that has seen a fair few changes since opening day, it has admittedly

taken time for players to gel, which has undoubtedly impacted results so far. Nevertheless, there are plenty of reasons to feel upbeat about the group of players new boss Roberts has fused together. With a solid defensive unit and the recent addition of frontman Sam Collier, there should be much hope that the team can work their way back up the table.

The play of midfielders Jordan Roberts and Ryan Stanners – both brought in during the summer – has been especially strong. The former has chipped in with six goals, four of which have come in the league and include winners against Brimscombe and Kidlington. Stanners, devilishly tricky to defend against, has meanwhile come on strongly in recent weeks and has provided numerous assists.

Central midfielder Sam Ockwell and joint-leading league goalscorer Jason Milhench have both been pleasant surprises too after making the jump up from Wiltshire League football.

One thing Bassett will need to do in order to climb the table is cut down on the enforced absences through suspension that have certainly hurt the team in recent weeks. So far their disciplinary record is the third worst in the division with cautions for dissent already more than double the number recorded for the same offence in 2012/13.

By overcoming these disciplinary issues and ensuring Roberts can field his strongest players week in and week out, Bassett should be capable of causing greater trouble."

Jeff Roberts says tomorrow's Bluefin Sport Supplementary Cup trip to One West Old Woodstock Town could prove a vital confidence booster.

Bassett face Bemerton in the Wiltshire Senior Cup second round in eight days' time - a competition that Roberts was keen to win at the start of the season - and he wants his players to go into that fixture on a high. "We will go for it in the Supplementary Cup because we're trying to build a little bit of confidence," said Roberts. "We're starting to steady the ship and it would be nice to get a win in the cup before we play Bemerton. I'd like us to score some goals and keep a clean sheet and I might change some things to give a couple of players a run-out." Sam Packer is available following a three-game suspension, while Roberts has promised full-back Craig Bowden that he will get his chance soon despite finding his opportunities limited of late. "It was different for him (Bowden) last year as Bassett probably didn't have the quality on the bench and players knew they'd be playing every week," said Roberts. "His distribution has been a bit poor but the opportunity will come up and when it does he's got to take it."

Good evening and welcome to the management team, players and supporters of Binfield, who have travelled down the M4 to the Corinium Stadium today for this UHlsport Hellenic League Premier Division fixture. We hope you will join us in the bar after the game.

Binfield showed us last month that their league position is very false. They have a number of games in hand following excellent cup runs in both the FA Vase and FA Cup and I am sure will be up there come the end of the season. They are quite direct in their play and look to clear their lines quickly and play their football in the attacking third.

We gave them a good game at their place and will be looking to play with the same level of intensity tonight.

It was disappointing to go out of the Wiltshire Senior Cup on Saturday. We had done well to get back into the game with the late equaliser but didn't make use of the extra man. After this defeat we only have the Supplementary Cup and League to concentrate on. We as yet do not know who our opponents will be in the Supplementary Cup but rest assured we will be looking to go as far as possible in this competition.

We have a lot of games coming up over the Festive period and this will test the squad. Hopefully we will be able to make use of Aaron Stevens who will be back from University.

Many of you will have read Dave Turner's comments in the Adver last Friday. Not sure why he has to keep commenting on Wootton Bassett, perhaps he is missing the club and he should concentrate more on his own team. The game against them in January was always going to be a big game and maybe he is just trying to hype it up more to put more on their gate.

Enjoy the game and see you in the bar.

Jeff

# Opponents - History

## Binfield FC • Club History

Binfield FC first played in 1892, during the reign of Queen Victoria, making us one of the oldest Association Football clubs in the world! The team comprised young men from the local brickworks and those who worked on the land around Binfield. The club's early years were spent in the Ascot and District League, where we enjoyed many successful seasons winning the Fielden Cup for the first time in 1924 and on eleven further occasions since.

During the 2nd World War, we joined the Great Western Combination League, winning the championship in 1947. During that period we also won the Berks and Bucks Junior Cup and the Maidenhead Norfolkian Cup and it was not unusual to see crowds in excess of 1,000 at our Forest Road ground. In 1950 we joined the Reading and District League, where we remained for the next forty years. In 1972, Binfield won promotion to the Premier Division for the first time and although relegated two years later we returned in 1976 as 1st Division Champions. A huge crowd, reminiscent of the 1940's, packed Forest Road to witness our promotion. In 1980, the club made an important decision to move from Forest Road, where facilities were shared with the cricket club, to our current site in Hill Farm Lane. Turning that field into the football ground we see today was a massive task. Thanks to an enormous amount of physical work by the members of the club the area was levelled and drained within three years. The members then set about building the club house we see today. This progress off the field was matched on it when in 1987 and 1988 we won Division 2 and then Division 1 of the Reading and District League. In the following season we reached the final of the Berks and Bucks Intermediate Cup for the first time but unfortunately lost in extra time. In 1989, we joined the high-profile Charrington Chiltonian League, winning the Division 1 title at the first attempt, and reaching the final of the League Cup. The following year we finished runners-up to Peppard, despite remaining unbeaten from November until the end of the campaign. A Cup Final appearance in the Reading Senior Cup also ended in disappointment as we lost by the odd goal in three to Peppard. In 1995 we reached the final of the Reading Senior Cup only to lose to Mortimer on penalties and in 96 we won the Chiltonian League again.

In 2001 we merged with Binfield's junior club, Binfield Forest FC, and in doing so significantly increased the membership, with over 20 teams playing every weekend this season we will field 36 teams each week. The junior part of the club is very important to Binfield with FA Charter status having been achieved in 2007 and in 2013 we were awarded the Berks & Bucks FA and South East Regional FA Charter Status Community Club of the Year awards, culminating in the club being invited to the FA Community Shield at Wembley in August 2013. We're also in our second season of a partnership scheme with Reading FC where some of our younger players have the opportunity to train with Reading FC. In 2003 we added an Allied Counties Youth team which is now providing a steady stream of talented young players ready for Senior football for the Reserves and 1st Team. Our reserves side are a vital and successful part of our club, providing progression from our youth team into senior football and regularly providing players for the 1st team squad, whilst also being successful in winning UHlsport Hellenic Division 2 East in 2012, runners up in 2013 and coming runners up in the Reserves Challenge Cup in both seasons. Half a dozen players last season progressed from our Youth team into our Reserves and four of those went on to make 1st team appearances this season two of those 'home-grown' players are in the starting 1st team squad. Since 2005, progress at the club has been swift, with the addition of floodlights and later a seated stand. We've continued to improve our facilities with the car park and changes to the club house. We constantly strive to improve all elements of the facilities from changing rooms to a playing surface we are extremely proud of, to benefit everyone from our Under 6s up to our 1st Team and Veterans. We won the FTL Hellenic League Division 1 East title in 2008-09 and gained promotion to the next level of English football, where we finished runners up in the 2010/11 UHlsport Hellenic Premier Division and 3rd in 2012/13. August 15th 2009 will long be remembered as Binfield's first game in the legendary FA Cup and we have enjoyed some good runs reaching the 1st Qualifying round in each of the last two seasons with 400 supporters enjoying the visit of Margate in 2010 and a trip to Slough Town and narrow defeat in 2011. Binfield entered the FA Vase for the first time in season 2008-09 and enjoyed three rounds, before reaching the 4th round (last 32) in 2011/12 in an incredible season of cup success. The 2011/12 team is the most successful in our history, winning both the Berks & Bucks FA Senior Trophy and the AM Print & Copy Floodlit Cup in five glorious April 2012 days. We also reached the final of the Hellenic Challenge Cup. Ultimately the step up to the next tier of English non league football is our aim.

## Team Profiles Binfield FC

**Sean Coker** Goal Keeper  
A quality goalkeeper, joined after missing much of the last 18 months with a hand injury. High level experience including Wycombe and Beaconsfield, offers a big presence and commands his area well.

**Tom Hopper** Defence  
28 - Super fit, strong central defender, a marathon runner when not playing football. Huge presence in both boxes - reading the game well at the back and a threat from set pieces up front.

**James Tyrell** Defence  
22 - Accomplished left back, signed 2013. Spent most of his career with Bristol Rovers and the Glenn Hoddle Academy. Likes to get forward, composed on the ball and quick to spot danger.

**Ben Sturgess** Defence  
26 - Accomplished right back who fitted straight into the defence after signing last season and offers another option in midfield. Played every match of 2012/13. Managers and Supporters player of the season

**Jack Tallentire** Midfield  
Out all of last season and most of the season before. Talented and tough tackling midfielder will be a huge boost to the Moles when fully fit. A great goal scoring record, including 4 in 20 minutes against Bracknell in 2010/11.

**Danny Wing** Midfield  
31 - Now with 315 career appearances and 57 Binfield goals. Brilliant runner on the ball who's hard to get the ball off when in full flow. Played a major part in the Moles successes over the last few seasons.

**Joel Havermans** Midfield

**Josh Howell** Midfield  
Has come through Binfield's Youth team, regular in last season's Reserves. Excellent runner on the ball, comfortable on either wing. Scored on his first outing for the 1st team in a pre-season friendly.

**Adam Cornell** Forward  
25 - Exciting striker who joined for this season after scoring 28 for Badshot Lea last time. Aiming to form a partnership with Carl Davies that should yield plenty of goals.

**Carl Davies** Forward  
27 - With the Moles for a 4th season. Strong hard running striker, very good in the air. Popular with players and supporters alike, 67 goals from 126 appearances, but makes as many for strike partners as he scores.

**Matt Watson** Goal Keeper  
Joined from Frimley in September - a reliable keeper, good experience. One professional appearance at Aldershot Town as a left back. Played at this level around Surrey, most recently at Frimley and Badshot Lea.

**Garry Callaway** Defence  
31 - 4th season as club captain, 10th with Binfield. Strong defender on the ground and in the air. Most successful captain in Binfield's history after 2nd & 3rd in the Premier Division in 2011 & 2013 and lifting two cups in 2012

**Callum Whitty** Defence

**Alex Walton** Defence  
22 - Versatile defender, effective in any position across the back. Played for the Berkshire County side plus experience at AFC Bournemouth before University.

**Carl Withers** Midfield  
31 - Longest serving player, 396 appearances and 38 goals, now starting his 12th season. Midfield ball player with a great shot from range who finished last season in fine form, enjoying playing just behind the front men.

**James Suarez** Midfield  
27 - Probably Binfield's most skilful player on the ball, starting his 5th season with 52 goals from 183 appearances prior to this season. Tricky midfielder with an accurate shot from range.

**Dan Rapley** Forward  
26 - Joined from Holyport, 200 appearances and 78 goals for them. Free scoring winger, a string of fine performances against Binfield and can now look forward to his direct running and strong wing play in Binfield colours.

## Wootton Bassett Town FC • Club History

Wootton Bassett Town formed in 1882 and are one of the oldest Clubs in Wiltshire. Bassett's early success came in the Wiltshire Senior Cup, making the final in both 1902-3 and 1903-4, losing to Warminster 3-1 in a replay before going down 3-0 to Swindon Town the following season. Bassett folded for a period pre World War 1 before re-forming in the Calne & District League. After finishing runners-up in 1930-31 they went one better the following year winning the championship. A short unsuccessful spell in the Swindon & District League saw the team return to the Calne League where they were champions again in 1934-35.

Having won the Calne League for the second time Bassett moved up into Wiltshire League Division 2. Promotion was achieved in the first season and the team remained in the top division until the start of World War II. After the war Bassett recommenced in the County Senior League but struggled. In 1956-57 a reorganisation of football in Wiltshire saw the creation of a Premier Division and Bassett found themselves in the second tier. Season 1958-59 saw the first title secured when Bassett finished top of Division 1. Back in the top tier the highest place finish was 8th in Season 1967-68. Then, following another reorganisation, Bassett found themselves in the Wiltshire Combination where they were to remain until 1976-77 when the current Wiltshire County Football League was formed. The second season in the new league saw Bassett relegated but they were to bounce straight back in 1978-79 when they finished runners-up. Unfortunately momentum could not be maintained and they were immediately relegated to Division 2 where they remained for 5 seasons. A second league title was secured in 1984-85 when Bassett were promoted back to Division 1. This time the team were able to hold their own and after finishing 6th and 4th they then achieved their greatest success in 1987-88 when they won the Division 1 title, elevating the Club into the Hellenic League, where they have remained since.

Throughout their first eleven seasons Bassett kept a steady mid table position. In 1999-2000 they finished 3rd in Division One West and gained promotion to the Hellenic top flight. First season in the Premier resulted in a respectable twelfth position and a County Cup triumph. The next season they made the first round of the FA Vase but just avoided relegation. The next two seasons saw Bassett finish mid table but the following season they were relegated, this after making their first venture into the FA Cup since 1950-51. Bassett missed immediate promotion back to the Premier by one point in 2005-06 and went close again in 2008-09, finishing fourth. Meanwhile Bassett became the first club in Wiltshire to be awarded Charter Community Club status by the FA. Promotion back to the Premier Division was secured at the end of 2009-10 as Bassett finished level on points with champions Slimbridge.

Bassett finished in a credible 15th place in their first season back in the Premier. However, they harshly found themselves demoted back to Division One West on a ground grading technicality, despite an appeal to the FA against the decision. In the circumstances manager Dave Turner did well to steer his side to 5th place the following season after such heartbreak. Last season Wootton Bassett were never out of the top 3 as they marched towards promotion, finishing in 2nd place. In addition they had a fantastic run in the FA Cup reaching the 2nd Qualifying Round for the first time where they put up a spirited performance against Conference South side Dorchester Town. At the end of the season manager Dave Turner decided he had taken the team as far as he could and left after a successful 5 years in charge. In his place have come the former Calne Town management duo of Jeff Roberts and former Bassett player Drew Youngsam.

As Bassett enter their 3rd period in the Premier the new management team will be looking to consolidate in the top division at a time when the Club has to play games at Cirencester Town whilst the new ground is built at Ballards Ash.

**Wootton Bassett Town are currently at Step 5 in the Football Pyramid**

Final		

The Wiltshire Senior Cup was first competed for back in 1896-97 when Swindon Town were the winners. The Town have gone on to win the competition nine times, including the first six years of the competition. With their progress in the professional game it is a long time since Swindon Town have competed in the Cup. Wootton Bassett Town's first success in the competition was to come at the turn of the century when they made the final in 1902-03, losing to Warminster Town. Wootton Bassett made the final again the following season doing down to Swindon Town Reserves in the final. It would be 84 years before Wootton Bassett would grace the final of the competition again when in 1987-88 they made the final to this time lose against near neighbours Purton. Wootton Bassett Town finally won the cup in 1998-99 when they defeated Pewsey Vale in the final. This success was repeated two seasons later with a win over Shrewton United. Since this win the best the Bassett faithful have had is a couple of semi-final appearances. Last season Wootton Bassett Town went out in the Second Round, losing 3-0 away at Westbury United. The competition was won by Melksham Town, despite having been knocked out in the quarter final only to be re-instated due to their opponents Bradford Town playing an ineligible player. Melksham made the most of their second chance.

In the final the game ended 0-0 after 90 minutes against Downton but two extra time goals gave Melksham the cup for the 6<sup>th</sup> time.

## Stirring comeback stifles form team Highmoor

Corinium Stadium, 4<sup>th</sup> December 2013

A pair of dramatic late goals helped Wootton Bassett Town overcome a two goal deficit to earn a valuable point against Hellenic League Premier Division form team Highmoor Ibis.

Lee Stevens (pictured below) struck in the 77th minute before Levi Cox made it 2-2 with just seven minutes remaining as Highmoor, winners of five straight before their visit to the Corinium Stadium, blew what appeared to be a comfortable advantage.

Despite playing the majority of the game with ten men, Highmoor appeared set to take the points.

The visitors didn't take long to take the lead as Calum Gallimore headed home Jordan Brown's free kick in the first minute.

As much as they have become known for the quality players in their ranks, the Berkshire outfit have also developed a reputation for their at times over-exuberant style of play.

And that latter characteristic should have granted Jeff Roberts' side a major boost when Brown was dismissed for a second bookable offence midway through the opening period.

However, any benefit for the hosts proved short-lived. On the stroke of half time Mitchell Parker drilled home from distance to double visitors' advantage.

It was arguably a just reward for Highmoor who had played the better

football, while Bassett – lacking organisation at the back – laboured.

In the second half Bassett toiled to get back in the game without success. That was until defender Stevens got in on the act, sparking a late rally that Cox would soon complete to secure a second successive draw against top six opponents.

## Extra time heartbreak ensures County Cup woes continue

Corinium Stadium, 7<sup>th</sup> December 2013

With just three appearances beyond the second round in their last eleven participations, Wootton Bassett Town were hoping this would be the year they finally saw their Wiltshire Senior Cup fortunes reverse. However, Bemerton Heath Harlequins put paid to any dreams of a possible tilt at County Cup glory, winning 3-2 after extra time in their second round clash with Bassett.

Bemerton won the game with a 115th minute goal, despite having to play the extra half hour with just ten men after a handball on the line had allowed Sam Collier (pictured below) to dramatically equalise in second half stoppage time.

On an eventful afternoon, that extra time hammer blow came an age after the game's first goal, which Levi Cox supplied for Bassett in the fourth minute.

By the break, however, the visitors were ahead, having levelled midway through the first half before nosing ahead six minutes before the half time whistle.

With time winding down it appeared as though Bassett would be headed out until the tide seemed to turn in their favour on 92 minutes.

Yet the extra man proved not to be as advantageous as one might have expected. Instead, it would be the Wessex League outfit who booked a date in the third round with Western League Division One runaway leaders Bradford Town.

For Bassett their ignominious recent record in this competition continues: not since 2008/09, when they reached the semi final, have they got beyond the second round. Arguably the best chance at laying some hands on some silverware for the first time since 2000/01 must wait another year.

The paper are again providing us and other non-league Club's with an exclusive article each week written by their journalists to include in our programmes. This week the subject is

## Cup Attendances

By NLP Reporter Steven Coney

3<sup>rd</sup> December 2013

LAST Saturday's FA Trophy programme threw up a good few shocks but also raised even more questions after some worryingly low attendances.

Boston United adorned our Non-League Paper front page after a great 2-1 win at Southport while Bradford Park Avenue stunned Kidderminster and Coalville Town grabbed a replay against Grimsby among others.

But the biggest takeaway from the competition's first round has to be the gates, or lack thereof.

Hyde were, maybe not surprisingly, knocked out by North Ferriby but just 256 watched on – less than half of their 598 Skrilf Premier average.

Alfreton lost to Nuneaton for the second time in a week with just 343 at the Impact Arena, again less than half than their league average.

There were also low turnouts at Gateshead, Dartford and Braintree which somewhat marred the day following some great results.

This is, after all, Non-League's premier cup competition but the attitude towards it has always been questioned.

Moving the final to March was a move from the FA to get clubs to take it more seriously but it's clear to see that it hasn't worked, at least for the fans on the terraces.

Would reducing admission prices really make much of a difference? I'm sure clubs would tell you it's difficult enough as it is financially at the moment, and why should they have to for Non-League's top trophy?

If you ask Wrexham or York fans, the winners from the past two seasons, they'll tell you the Trophy is the stuff of dreams, and it can be. It's just a shame more aren't aware, or at least enticed by the prize.

It's not fair just to pick on the Trophy, though. Low attendances seem to be an indictment of this country's general views on cup competitions.

Even the FA Cup suffers. After round three, all we have to look forward to is watching Man United's reserves on TV – hardly something to get the pulses racing.

And then you have the Johnstone's Paint Trophy and Capital One Cup – both merely allow Football League clubs to give their academy kids a run out.

It's maybe ironic that the only FA cup competition that seems to have survived the changes in attitude is the FA Vase.

Attendances are normally very impressive for Steps 5 and 6. Clubs do everything they can to win, not only to boost their coffers but to also extend that Wembley dream.

There have been rumours lately of including Step 4 teams in the Vase rather than the Trophy, a move which I personally do not agree with.

The Vase has a certain charm and adding Step 4 sides would only help to dilute that. Yes, the Northern League have dominated in recent years but Tunbridge Wells made it all the

way to the final last year and their players aren't paid a penny.

The Trophy can elicit the same joys as the Vase – watching your team play at Wembley, as I personally know, is one of those moments everybody should experience in their lifetime.

It's just a shame more don't seem interested in chasing it.

## Fine Prove Again

Hill Farm lane, 11<sup>th</sup> November 2013

After a painstaking fortnight which has seen Wootton Bassett Town suffer four consecutive defeats by the narrowest of margins, Jeff Roberts' side will be well versed in the mantra that it takes just one moment for a game to be changed.

The latest in that string of losses came at a Binfield side, who entered the game in a rut of their own. Tipped by many to be title contenders, they instead found themselves just two places above their visitors in the bottom half. How glad they were then that they were able to sneak a 1-0 victory.

Although they looked dangerous coming forward, with winger Dan Ralpey in particular a menace, a sterling performance from Bassett's defence made it appear as though a clean sheet was in the offing for Bassett.

That was until the visitors gifted their hosts a goal with seventeen minutes remaining. Against Reading Town and Ardley United, it was Bassett's inability to defend free kicks which ultimately dashed their hopes of a point. Against Binfield the decisive goal again stemmed from a set piece, though this time it came from a corner at the opposite end of the pitch.

Seeing their set piece cleared comfortably, those who had come forward to try stick it in the back of the Binfield net were slow to react, creating a sense of panic in those who had stayed behind.

It should really have been the job of Ryan Stanners, designated to sit on the edge of the box, to close the loose ball down. But he had switched off, allowing Binfield to break. And a ball over the top caught out Sam Ockwell, who slipped. Jemel Johnson then raced on unopposed, coolly slotting beneath Steve Allison.

It was an opportunity Johnson could not pass up on an evening when he and strike partner James Suarez were otherwise stifled.

## Margins Costly

Despite an early scare in the first minute when an unmarked Johnson swept straight into the arms of Allison, there was little that bothered the Bassett stopper, with centre halves Lee Stevens and Shaun Carter in fine form.

Bassett too struggled to create as Sam Collier, alone up front, was left isolated. Instead, the visitors were forced to settle for a number of half chances, the first of which fell to Sam Packer on six minutes as he sent a skidding 20-yard effort wide of the near post after being allowed to run at full back Ben Sturgess.

Shortly before half time Danny Wing's intricate footwork allowed the winger to work his way from the left wing into the box, before he squared for Johnson only to see Craig Bowden's sliding challenge prevent any hope of a shot.

Following the restart the pattern of the first half continued. Both sides would play some neat football in the midfield before seeing moves smothered thanks to sharp defending.

For Bassett, Packer's deflected long range shot was collected easily by Shaun Coker before Jordan Roberts headed wide a Sam Ockwell free kick.

The only save of note came from Allison on 67 minutes as he fisted a rising Adam Cornell thunderbolt around the post.

He could do little though to prevent Johnson as he raced clear.

As Bassett chased the game they were disadvantaged when creative force Roberts was scythed down by Rapley and forced to leave the field on a stretcher. That tackle, coming minutes after Adam Corcoran was felled by a late, cynical Carl Davies foul, had been coming in a contest that threatened at times to brew over as niggly fouls, bickering and an eagerness to confront opponents from both sides put a downer on an otherwise interesting affair.

And with a fourth loss in a row, that sense of disappointment will be greater for Bassett. They played well. It's just they made one critical mistake and were made to suffer, again.

**Man of the Match: Shaun Carter** – demonstrated why his manager was right to bring him back into the team with a commanding performance at centre half.

**Rating: 6/10** – Bassett were a match for their opponents, keeping their lively strike force at bay while playing some flowing football going forward. Their performance was worthy of a point, but one error made sure that did not occur.

league games, scoring twice as his team narrowly missed out on qualifying for the end of season playoffs, finishing third in the Southwest Division. Upon returning to the UK, he initially joined Southern League Cirencester Town, appearing 21 times for the Centurions in the 2009/10 season before switching to Thatcham Town. After a season and a half with the Kingfishers, he joined Jeff Roberts at Calne for the 2011/12 season. That year he played 39 times, scoring three goals before appearing 26 times last season and scoring once.

2013/14: 17 appearances, 2 goals  
**Total: 17 appearances, 2 goals**

Few players in the Hellenic League can claim to have captained their country at youth level or played at Wembley, yet Stevens, a strong defender capable of also playing in midfield, can claim to have done both.

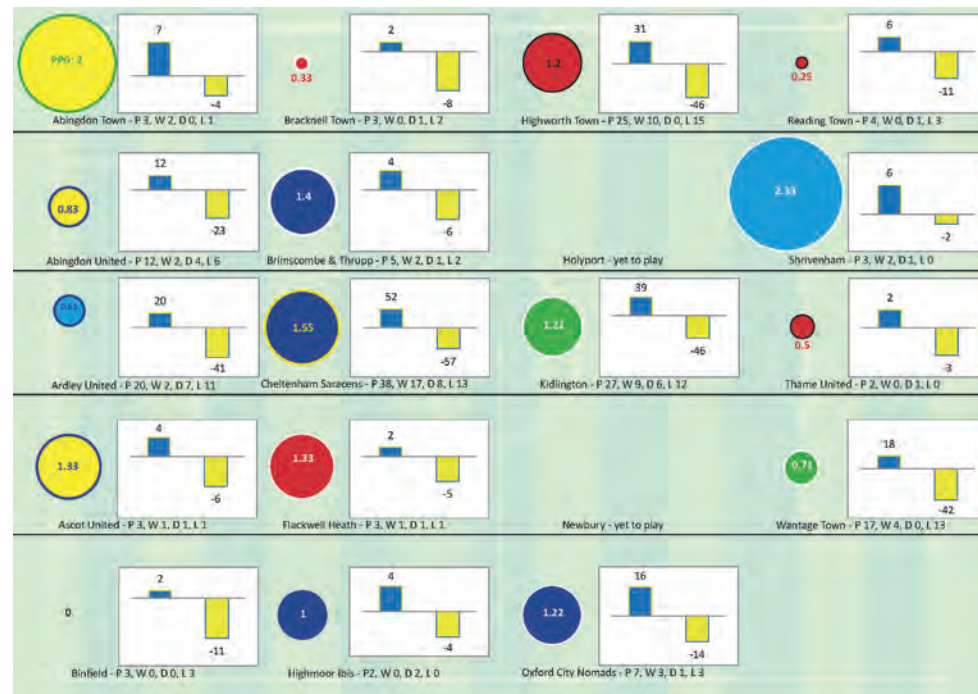

A composed, intelligent player, Stevens, who joins from Calne, has had a peripatetic career that has seen him gain experience at numerous levels.

While at Cirencester Academy, Stevens represented the English Schools Football Association, and he was a key part of the AFC Totton team which reached the final of the 2006/07 FA Vase final. He scored a dramatic extra time winner in Totton's quarter final against Wimborne Town before netting in the semi-final second leg away at Billingham Synthonia, a strike which helped take the tie to penalties. In the final at Wembley he came off the bench with thirty minutes to go as his side fell to a 3-1 defeat against Truro City.

Initially he started his senior career with Cirencester Academy, and after leaving he featured for Team Bath, Devizes Town, Supermarine, Fairford Town, Salisbury City, Corsham Town and Highworth Town as well as Totton. In 2008 he played a season for Californian side Ventura County Fusion in the USL Premier Development League, the third tier of football in the USA. With the Fusion, Stevens played in front of crowds averaging more than 1,200. In total he appeared in 13 of the team's 16

## Point per game record – current Hellenic League opponents

The above graphic shows Basset's record in Hellenic League fixtures against our current Premier Division rivals. The circles represent Basset's points per game record against individual opponents, while the bars show goals for and goals against in those games.

Given that Basset have played just six teams twelve times or more, it's difficult in the majority of cases to draw conclusions regarding who, historically, has the upper hand over the other. Nevertheless, a number of interesting observations can be made. First and foremost, Basset's record against Ardley United, Wantage Town and Abingdon United has been miserable. In a combined 49 games against those teams, Basset have won just eight and drawn eleven. Although the recent draw against Ardley was extremely satisfying, Basset's last win against them came in October 1998. Since winning the first two contests against Abingdon in the 2000/01 season (both 2-1 victories), Basset have drawn four and lost six. In 17 matches against Wantage, Basset have won just four, conceded an average of 3.5 goals and have scored 24 fewer than the Alfredians. This fixture, meanwhile, has never produced a league draw. That fact also applies to matches against local rivals Highworth Town, with no games finishing all square after ninety minutes in 25 meetings – an astonishing feat, especially so given 38 Hellenic League games against our other big rival Purton have produced 10 ties.

Of Basset's 'regular' opponents, against only one – Cheltenham Saracens – do they have a winning record, with 17 wins, 8 draws and 13 losses in 38 games. Interestingly though, the Saracens have scored 57 in these contests, compared with 52 goals for Basset. Goals are also not as frequent in this fixture as others, with an average 2.89 per game; that is borne out by the last four meetings producing just six goals.

Kidlington – who hold the upper hand with 12 wins compared to Basset's 9 in 27 games – and Basset have been relatively evenly matched opponents. After winning four of their opening six games against the Oxfordshire side, Basset then recorded just two victories in the next 14. Recently though the pendulum has swung back in Basset's favour, with three wins – including the 3-1 away victory earlier this season – and two draws in the last seven contests.

Despite having played only a few games against both, Basset's matchups with Brimscombe and Thrupp and Oxford City Nomads have also been closely fought. However, games against Brimscombe have generally been cagey affairs with an average of just two goals per game, while those against the Nomads average over four.

## Match Round-Up

### FA VASE sponsored by CARLSBERG

The involvement of UhlSPORT Hellenic League sides in national competitions came to an end for the season with defeat for all three remaining sides in the 3<sup>rd</sup> Round Proper in varying circumstances. Binfield went down to the only goal of the game scored by opponents, Larkhall Athletic. Reading Town despite being level at 1-1 at half time through a goal scored by James Knight proved no match for a much stronger Sholing who ran out 4-1 winners. Kidlington came closest to progressing being all square at 2-2 with visitors from Cornwall, Bodmin Town after 90 minutes. Bodmin won 3-2 after extra time but the score line belies the story of the game. Kidlington were put through a roller coaster of emotions using up all three substitutes within the hour, ending the game with nine men having had two players sent off and to really rub salt in the wounds conceding two own goals. Kidlington scored through Tom Castle and Lewis Brownhill but spurned many chances according to Club Official Simon Dickens who singled out Bodmin Keeper, 42 year old ex- professional Keith Miller, with over 600 League appearances to his name for special praise having pulled off a series of match winning saves.

#### PREMIER DIVISION

The Premier Division was limited to just four fixtures due to internal League Cup competitions taking place. Within these four fixtures however, the top three were all in action with the main match of the day taking place at Alfredian Park, Wantage where Wantage in second place at the start of the day hosted Ardley Utd in third. Ardley Utd won 1-0 through an Ollie Stanbridge goal and leap frogged over both Wantage Town and Reading Town to take top spot whilst condemning Wantage to their second League defeat inside a week in the process. Reading Town slipped to second place after a disappointing 0-0 home draw against Brimscombe & Thrupp. Highworth Town picked up their third league win of the week beating Abingdon Utd 1-0 through a Matt Horsell goal and moved into fourth place. Flackwell Heath got back to winning ways with a 4-1 win over Oxford City Nomads whose form has deserted them in recent weeks. Flackwell's goals were scored by Lee Thompson, new signing Joe Blount, Gavin James and Ryan Millward. Louis Joyce scored for Oxford City Nomads.

#### Division One West

Tytherington Rocks are now five points clear of Shortwood Utd at the top of Division One West following a 4-1 win over Tuffley Rovers. The Rocks goals came from Tom Andrews, Jack Smyth, Garfield White and Nick Peare. Ashley Davies scored for Tuffley. Shortwood Utd were held to a surprise 1-1 draw at home by Carterton. Joe Rymell scored for Shortwood with Jamie Macdonagh equalising for Carterton. Clanfield remain in third place despite going down heavily 0-4 at home to Lydney Town. Lydney's goals were scored by Richard Kear who scored twice, Jamie Addis and Harry Williams. Purton won 3-1 away at Fairford Town with Shannon Pocock scoring a hat trick. Callum Parsons scored for Fairford. Hook Norton beat Old Woodstock Town 4-0 with Jason Tillcock and Craig Robinson each scoring twice. Easington Sports beat Letcombe 5-0 with Luke Gardner scoring twice together with goals from Andrew Stidder, Carl Standen and Dan Reeves.

#### Division One East

AFC Hinksey remain clear leaders of Division One East with Headington Amateurs in second place. AFC Hinksey beat Didcot Town 3-0 with Ryan Curtin registering a hat trick. Headington Amateurs beat Penn & Tylers Green 6-3 in a high scoring game. Paul Hedger and Tom Payne each scored twice alongside goals from Ben Green and Ollie Zaja. Chris Hurst, Anton Bradley and George Coyle scored for Penn & Tylers. Burnham beat Milton Utd 3-0 with two goals from Jordan Dowdican and one from Adyn Coomber. Maidenhead Utd and Chalfont Wasps drew 1-1. Anthony Mendy scored for Maidenhead with Tom kaill scoring for Chalfont Wasps. Wokingham & Emmb beat Finchampstead 4-1 with two goals from Jake Butler together with goals from James Charlton and George Dance. Richard Kell scored for Finchampstead.

#### HELLENIC LEAGUE CUPS

In the 2<sup>nd</sup> Round of the Bluefin Sports Supplementary Cup, North Leigh Utd beat Malmesbury Victoria by the odd goal in nine winning 5-4. George Seacole scored a hat trick for North Leigh together with goals from Zak Eadle and Jozef Fullerton Mitchell Webb, Aaron Wellend, Richard Gee and Luke Cordery scored for Malmesbury.

#### County Cups

Wootton Bassett Town exited the Wiltshire Senior Cup in the 2<sup>nd</sup> Round losing 2-3 at home to Bemerton Heath Harlequins.

### On the Edge

At this time of the year a referees decision making can become as much off-field as well as on-field with the Wintery conditions upon us, and playing a major role. I mention off-field simply because the higher the status of the game it is important to remember that it is a spectator sport and the welfare of the fans, in respect to terrace conditions, must be considered. Not suggesting for one moment that lower leagues can be dismissed from acknowledging these problems, safety no matter the game is the 'key' word. It goes without saying the playing area is the main concern and as much as snow, ice and frost are the contributory factors the aftermath of these conditions, thawing etc, can cause the referee further headaches.

Let's go from the very beginning and make an effort to get a weather forecast that would stretch to kick-off and beyond to the final whistle. This can be a good guide to your ultimate decision, a practise I always made sure of. Looking at the Field of Play upon arrival the first consideration must be the safety of the players and indeed the officials, taking into account the state of the touchlines, is the playing surface flat or rutted from a previous game that may cause injury and are you, as referee, taking a definitive risk if you go ahead with the game, and could your control suffer the consequences. From my own experience, through all levels of football, if there is sufficient doubt then take the sensible step and call the game off. There is always another day to play the game. It is important, as referee, to show an interest to all present and not just stand on the playing area digging the heel of your shoe into the ground, it would take no time at all to put your boots on and prove, not only to yourself, but others who are present, the ground is unplayable or otherwise and as a team of three come to a conclusive and unanimous answer as to the outcome.

To prevent unnecessary travel the services of a local referee of similar grade as to yourself to offer his opinion may be worthwhile, remembering you must collate all information and make your decision if it's on the day of the game. On occasions I have known referees involve both managers and get their thoughts, but remember the referee is the sole judge especially if manager's opinion differs. Of course come kick-off it may appear safe to make a start and hopefully finish, but the climate could change rapidly during the game, so making playing conditions unplayable, that's called 'Sods Law', a Law not spoken for in the Referees Chart. To reiterate always lay on the side of safety and take no risks, a bad injury could end a career and that could mean you as well as a player, is it worth it surely the answer is NO May I wish everyone within the Hellenic League a Very Happy Christmas and successful New Year both on and off the field of play.
