# Editorial & WBTF C News

**A Warm Welcome** to our visitors this afternoon from **Kidlington** for this final home UHlsport Hellenic League Premier Division fixture of the 2013-14 Season.

For me this season has flown by and it only seems like yesterday that we were welcoming the new management team of Jeff and Drew to Wootton Bassett. On the playing front the 14<sup>th</sup> place finish ensures another season in the UHlsport Hellenic Premier Division. Well done to Jeff, Drew and the players for securing another season in the top division and thank you for all your efforts this season.

The management team's ambition going in was that we would finish higher. The pre-season ambition was for a top 6 finish and if we could only have turned some of those draws into wins who knows. Whilst we have certainly had a better quality of player at the Club this season we have missed some of the team spirit and togetherness that we witnessed under the late Dave Turner. Whilst good players will obviously improve the team you also need that team spirit and discipline to get into the upper reaches of the league table. We have been a hard team to beat which is reflected in our goal difference, or more accurately in the lack of any goal difference in that prior to today's game we had returned to parity. We have also taken points off a number of the top sides but somehow managed to drop points to lower sides, Abingdon United being the best example. A bit more consistency, again who knows.

On the subject of Dave Turner, Season 2013-14 will always be remembered for Dave's sad

and premature passing. It is still hard to come to terms that the big fella is not with us anymore.

This season was always going to be tough even without the sad events that have taken place. Having to temporarily relocate to Cirencester was always going to hit gates but has also led to a lack of togetherness amongst our 3 senior sides with all the teams playing at different grounds. At least the Reserves and Development Side are now reunited at Ballards Ash but we have another year of the First Team playing at Cirencester.

On a positive note the facilities at Cirencester are excellent and we have been made most welcome all season by Cirencester. On behalf of the Club I would like to say a big thank you to Cirencester for the loan of their facilities and for the tremendous hospitality shown all season. All at Wootton Bassett hope that you are rewarded with promotion to the Calor League Premier Division and well done on your Development Team in winning Division Two West of the UHlsport Hellenic League.

### Next Season

Who knows what will happen on the team front next season. Jeff has gone on record as saying that he would like the Club to increase the budget for next season. I personally remain unconvinced that a budget is needed at this level and when I was Chairman did not allow the Club to go down the route of paying players. Whilst for those using their cars for away games travel, I fully agree that expenses are appropriate to cover the cost of petrol but paying just to play, sorry I do not agree with this but thankfully this is no longer

my call. I am also pleased that we have a Chartered Accountant as Treasurer to ensure that all tax and NI has been properly handled which is always a concern when payments are being made. With the absence of our own bar, raising money is difficult with sponsorship the only real source of funding. Our gate money is not going to go very far if we only get 17 turn up as we did for the last home fixture against Newbury.

All of the money paid to players this year has come through sponsorship obtained by Jeff and these sponsors should be thanked for their support, in particular TJR Electrical and Kellaway.

I would also like to thank all of the Club's various officers for their unpaid endeavours all season. Heroes one and all in my book.

### Today's Game

Looking at today's game the two sides today have met on 27 occasions previously in the league with our visitors having the better of things. Kidlington have won 12 games to Bassett's 9 with 6 draws between the two sides. However, when the two sides met back in September it was Wootton Bassett who came away with all 3 points in a 5 goal game. Goals from Lewis Chatwin, Jordan Roberts and Ryan Stanners securing the points for Wootton Bassett. Prior to this season the last time the sides met was in 2010-11. In September 2010 Kidlington won 3-1 at Rylands Way, Terry Adams with the consolation goal for Bassett. In the return fixture the points were shared, Sam Packer scoring in the 1-1 draw.

# Editorial & WBTFC News

At present Kidlington currently sit in 8<sup>th</sup> place in the table with 60 points and can still achieve a 6<sup>th</sup> place finish. They will certainly be looking to win those three points here today to finish as high as possible in the table.

## Relocation – Yes!

Wootton Bassett Sports Association announced on April 15th that the sale/purchase land contracts had completed, and that the Association now owns 22.8 acres of land. Commenting on the news, relocation manager Paul Harrison said: "We're delighted to announce this news. Finally our relocation ambition can begin to be realised." The relocation will see the Football Club, along with Cricket, Tennis and Running clubs move to a purpose built facility opposite Ballards Ash. At last the dream is close to becoming a reality. There is more on this elsewhere in the programme.

## Reserves

The Reserves went so close in the President's Cup semi-final on Monday, going down 4-5 on penalties after the two sides had drawn 2-2 after extra time. Unlucky lads and now lets go and secure that 3<sup>rd</sup> place finish to cap what has been an excellent season.

## Development Side

Another side who have had a good season are the Development Side. Last weekend's victory over Intel means runners-up is still a possibility and hopefully by the time you read these notes they would have secured 2<sup>nd</sup> place with a win at champions Melksham Town Reserves.

## Presentation Evening

A final reminder that this year's Senior Section Presentation will take place on Friday 23<sup>rd</sup> May at the Sports Association Clubhouse, Rylands Way. First Team, Ladies, Reserves and Development awards will be presented on the night. Unfortunately I will miss this again as I will be travelling back from South Africa that evening.

Looking at what is in the **Programme this afternoon** there is the usual article from a journalist from the Non-League Paper. This week it is Stuart Hammonds on the subject of the games for **good causes**. Jeff and Drew look back at the season and also look ahead to this afternoon's game in their **Dugout Chat** column. There are also short **match reports** from all the recent games. The usual **picture quiz** is included to keep you amused at half time.

The player profile today is midfield star man **Jordan Roberts** who is featured for the second time this season as I run out of material as the season comes to an end. There is the usual **"Football was better in my day"** feature, looking back at football from the 1970's and 1980's. Today I look back at those games in the park at Lyneham back in the early 1970's in **Park Life and Jumpers for Goalposts**. As the season draws to a close the race to be the winner of our **Fantasy Football** competition continues. The programme tonight includes the latest positions.

It is at this time of the season that thank yous need to be given out regarding the programme. Firstly, my biggest thank you goes to Martin Jarrett and his team at Cats Solutions for the production and sponsorship of this programme. Once again the programme has been printed in colour on high quality paper week in, week out, often at very short notice. This service has now been provided for many years and remains the biggest and most generous sponsorship the Club has ever had. Thank you again to Martin for this support and a special thank you also this season to Chris who has been my main contact at Cats.

I would also like to thank Press Officer Stuart Smedley for his regular contributions which have made the production of this programme relatively easy for me. Also the match reports throughout the season that have been written even when Stuart was not there, using the text updates that Paul Curtis and others have sent him.

Stuart and Paul Curtis have also ensured that the Club's twitter feed is constantly producing updates. Stuart and Scott have also ensured that the club website is always up to date and now has the most comprehensive historical archive of results, scorers and league tables of any club in Wiltshire with the exception of Swindon Town.

Enjoy the game. Best wishes for a great summer break and see you back in the Autumn for another season of Uhlsport Hellenic League Premier Division football.

Mark

## Relocation update: New site development begins

**Wootton Bassett Sports Association's (WBSA) long running relocation project passed a major milestone this Easter when contracts completed on the sale and purchase of land, and works commenced on the development of the new site.**

Having significantly outgrown its existing site at Rylands Way, the Association, consisting of the Town's football, tennis, cricket and running clubs, has long aspired to relocate in order to provide the sporting facilities required to support its 650+ members.

The project was delayed by the economic downturn in 2008, but the Association continued to believe in it, and following revisions to facilities and plans, and successful grant applications/awards, works have commenced on the 23 acre site to the North of the Malmesbury Road, opposite Ballards Ash.

Facilities will include 8 tennis courts, 2 cricket pitches, 4 grass football pitches, a full size artificial grass pitch, and a clubhouse including changing and social rooms. All the clubs have strong sport development plans, which include working with local schools and other community groups, and the facilities will support the realising of those.

WBSA Chairman Pete Yeardley commented: "Despite the lack of facilities at our current site making growth a challenge for our clubs, we want to continue to develop and have the plans in place to progress sport further involving even more of our community as both volunteers and players. That's why relocation is so important to us, and I'm delighted work has started and we'll move to the new site in the summer of 2015."

Commenting on the news, relocation manager Paul Harrison said: "We're delighted to announce this news. Finally our relocation ambition can begin to be realised."

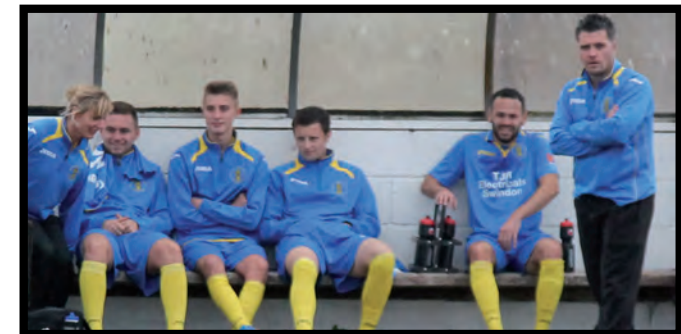

Good afternoon and welcome to the management team, players and supporters of Kidlington, who have travelled to the Corinium Stadium today for this final UHlsport Hellenic League Premier League fixture of the 2013-14 Season. We hope you will join us in the bar after the game.

Well this is the last home game of the season and it has been an eventful first season. We came in with high expectations of a finish near the top of the table but have been surprised at the standard of teams in the UHlsport Hellenic League. When we were in the Western League we had always thought the standard to be higher there but the Hellenic League has proved to be just as tough with some very good sides. On our day we have competed with some of the top sides as our draws against Highmoor Ibis, Ascot United, Ardley United and Highworth Town testify to. We have lacked a bit of consistency and disappointingly lost to a few of the sides at the bottom of the table. We seem to raise our game against the top sides but find it hard to perform to the same level of intensity against some of the lesser sides. We have managed to draw 12 games and if only we could have turned 6 or 7 of these into wins we would have finished in the top half of the table. The heaviest league defeat was the 4-0 home defeat against title chasing Wantage, the final score that day flattering the visitors. Other than a 4-1 defeat on the opening day of the season the other defeats have been by the odd goal or two. Indeed 10 of our 14 league defeats were by a single goal.

Our discipline record has been something we have not been proud of and suspensions have contributed quite a bit to the points we have lost and hopefully lessons will be learnt here.

Enjoy the summer break.

*Jeff & Drew*

# Opponents - History

## Kidlington FC • Club History

Kidlington FC was founded in 1909 and played local village football up to WW2. Success was slow in coming, records show their first trophy was achieved in 1929, the Lord Jersey Cup Final against Fritwell. The Lord Jersey Cup was a competition highly prized among the villages in the Cherwell Valley; rivalry was so keen that players had to prove they were residents of the village for whom they played

In 1945, Kidlington moved from village football to play in the Oxford City Junior League, with a good deal of success in both league and cup. By 1951 the Oxfordshire Senior League was entered, where stronger competition was provided by the likes of Witney Town; Morris Motors; Pressed Steel & Thame United.

1953 The Hellenic League formed, the Oxon Senior League immediately lost some of its stronger clubs to the new league. Kidlington won the Senior League title that next season, joining the new league in 1954. Early days in the Hellenic League showed quite clearly the difference in standard. Kidlington maintained a Premier Division place for a time, but spent most of the 60's in Division One. The 70's started with winning the County Intermediate Cup Final, along with two further County final places in the decade. Both epic battles against a very talented Peppard side, who won on both occasions. A squad of good young players produced Kidlington's best ever run in an FA competition, when in 1976-77. Having played every round but one away from home, Kidlington reached the last 16 in the FA Vase, bowing out to Gosport Borough. The nucleus of this side eventually gained promotion back to the Premier Division in 1979-80.

The 80's saw Kidlington return to Division One, the County Cup produced few consistent performances, other than in 1983-84 when Kidlington were 5 minutes away from a place in the final. The early 90's were steady. Season 94-95 brought silverware at last, Martin Bakers' Reserves side did the League/Cup double. An upturn in the first team fortunes occurred when Karl Grossmann assembled a formidable tough tackling side, finishing in the top 6 of Division One in four successive seasons.

The new millennium brought with it a major overhaul to the committee and a new Chairman in Geoff Talboys. In 2004-05, under the guidance of Kevin Walton the first team finish in third place, with it promotion back into the Hellenic Premier Division. With promotion came a struggle with the considerable difference in the standard of football compared to Division One, losing the first twelve games. The season petered out in frustration as the team finished in a relegation position ... however a national non-league re-structure saved them from the dreaded drop.

In 2007 - 2008, first team silverware arrived at Yarnton Road for the 1st time in over 30 years, winning the Floodlit Trophy under the guidance of manager Paul Lee. With additional honours this year from the Reserves, who won Reserve Division One for a second consecutive season, The Youth winning the Oxfordshire U18 Youth Cup, and to cap the season Kidlington Vet's retained their Veteran League crown. Season 2008-09 was again a good one for all our teams. Our 1st Team finished in a very respectable 9th position in the league and had some good cup runs, the Reserves finished 3rd in their league but unfortunately yet again were runners up in the Oxfordshire Intermediate Cup final. 2009-10 came a new Chairman, Lloyd Wray, and new team management, ex-player Gordon Geary was recruited to look after 1st team affairs and Barry Hiles to run the Reserve team.

Season 2010-11 saw the club, under the same management structure, achieve it's most successful season ever. Our best league finish ever, a superb effort by all saw us play a very strong Oxford United team, at the Kassam Stadium in the final of the Oxfordshire Senior Cup. We did win some silverware though, we beat Purton 3-0 in the final of the Supplementary Cup Abingdon Town. Geary and his assistant Appleton decided to quit, December 2011, stating they had taken the club as far as they could. Players Danny Leggett and Christian Perkins stepped forward to guide the club through till the end of the season. This season was very frustrating but owing to some decent early league results the club maintained its Premier division status. Ex-Oxford United striker Paul Berry was appointed manager for season 2012/13, however he resigned after only three matches to pursue alternative opportunities. Gordon Geary was persuaded to come out of retirement and was re-appointed as manager during the second week of the season. Geary managed to assemble a squad with the ability to avoid the dreaded drop achieving a respectable 13th position.

For season 2013-14 Martin Wilkinson and Chris Peacock take control as Manager and Assistant of the first team. John-Paul Hannaway, Graham Savins and Andy Dyer for the Reserves team management: Matt Elbro and Chris Jones the U18's. U16's Barry Hiles, assisted by Graham Rice and Andy Dyer.

## Team Profiles Kidlington FC

**Matt Hyslop** Goal Keeper  
Matt has made himself the No 1 GK in a short period of time and is popular with players and fans. He continues to develop and he could stake an early claim for player of the season if he continues performing well.

**Jeff Simmonds** Goal Keeper  
Jeff has previously played at Bicester and Clanfield and joins the club as an experience GK at this level. A great communicator and sound shot stopper, Jeff is an excellent addition to the Squad this season.

**Ben Weedon** Defence  
In his fourth season at the club and another favourite with the fans. Previous clubs include Abingdon United and Oxford United. Ben is an experienced player and one of the most uncompromising fullbacks in the league.

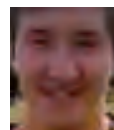

**Chris Weedon** Defence  
Chris has been at Kidlington since signing from North Leigh 5 seasons ago. Uncompromising fullback, technically as good as any fullback in the division. Firm favourite with the fans, committed to doing well at Kidlington.

**Tommy Castle** Defence  
Risen through the ranks, now one of the most exciting players at the club. A local player, wholly committed to doing well at Kidlington, performances this season demonstrate he has a very bright future in the game.

**Liam Rice** Defence  
Another young player who has come through the ranks. Has great football ability, strong and technically proficient. Developing into a terrific central defender, or full back if needed. Shows the potential to be a future captain.

**Christien Turner** Defence  
A young player but very mature, has made a fantastic start to the season. A strong central defender who is good in the air, strong in the tackle and is composed under pressure. We hope he has a long term future at the club.

**Ben Fitzmartin** Defence  
New addition this season, a player who is committed to playing at the highest level he can. Offers what he can wherever he can for the Team. A great squad player.

**Lewis Brownhill** Midfield  
Captain of the Team and a leader on and off the pitch. In his first season at Kidlington but has vast experience within the game. Another player with the pedigree to win any game and a firm favourite with the fans.

**Jack Quainton** Midfield  
Jack returned to the club this season. A previous Kidlington youth team player. A tireless central midfielder who works hard for the team and is capable of pitching in with the odd goal or two.

**Jamie Anderson** Midfield  
Jamie is a tenacious and wholly committed central midfielder. Suffered from injury this season but when fully fit he will be a great addition to the squad. His ambition to do well with Kidlington FC is second to none.

**Julius Muraga** Midfield  
Earned his place in the squad after some impressive performances in the reserves. A forward player who has great dribbling technique. Julius continues to develop at this level but has the ability to do well.

**Tom Boxer** Midfield  
Rejoined this season after moving away from the area due to work. A strong and uncompromising defender who is equally comfortable in a central midfield role. Technically, excellent and has great quality on the ball.

**Lewis Colwell** Midfield  
Joined this season and has worked hard to become a 1st Team player. A player who is best suited to fullback but can play in midfield if required. Technically sound, Lewis has all the ability to perform well at this level.

**Tom Woodbridge** Midfield  
Rejoined this season, his introduction added further strength to the squad. Can play in a number of attacking positions, has a great attitude to the game. Role model for younger players with his selfless attitude on the field.

**Lewis Coyle** Forward  
Rejoined this season after playing for North Leigh and Woodstock. A natural striker who has terrific technical ability, can score spectacular goals. On his day, Lewis can torture any defence at this level.

**Michael Duerden** Forward  
Joined this season, always works hard for the team. A natural striker, can score spectacular goals but equally comfortable linking with midfield. Michael can be unplayable when he performs at the top of his game.

**Chris Peacock** Coach  
Joined the club this season from Swindon Town Academy. A UEFA B qualified coach and FA Coach Educator.

**Marco Burns** Coach

## Wootton Bassett Town FC • Club History

Wootton Bassett Town formed in 1882 and are one of the oldest Clubs in Wiltshire. Bassett's early success came in the Wiltshire Senior Cup, making the final in both 1902-3 and 1903-4, losing to Warminster 3-1 in a replay before going down 3-0 to Swindon Town the following season. Bassett folded for a period pre World War 1 before re-forming in the Calne & District League. After finishing runners-up in 1930-31 they went one better the following year winning the championship. A short unsuccessful spell in the Swindon & District League saw the team return to the Calne League where they were champions again in 1934-35.

Having won the Calne League for the second time Bassett moved up into Wiltshire League Division 2. Promotion was achieved in the first season and the team remained in the top division until the start of World War II. After the war Bassett recommenced in the County Senior League but struggled. In 1956-57 a reorganisation of football in Wiltshire saw the creation of a Premier Division and Bassett found themselves in the second tier. Season 1958-59 saw the first title secured when Bassett finished top of Division 1. Back in the top tier the highest place finish was 8th in Season 1967-68. Then, following another reorganisation, Bassett found themselves in the Wiltshire Combination where they were to remain until 1976-77 when the current Wiltshire County Football League was formed. The second season in the new league saw Bassett relegated but they were to bounce straight back in 1978-79 when they finished runners-up. Unfortunately momentum could not be maintained and they were immediately relegated to Division 2 where they remained for 5 seasons. A second league title was secured in 1984-85 when Bassett were promoted back to Division 1. This time the team were able to hold their own and after finishing 6th and 4th they then achieved their greatest success in 1987-88 when they won the Division 1 title, elevating the Club into the Hellenic League, where they have remained since.

Throughout their first eleven seasons Bassett kept a steady mid table position. In 1999-2000 they finished 3rd in Division One West and gained promotion to the Hellenic top flight. First season in the Premier resulted in a respectable twelfth position and a County Cup triumph. The next season they made the first round of the FA Vase but just avoided relegation. The next two seasons saw Bassett finish mid table but the following season they were relegated, this after making their first venture into the FA Cup since 1950-51. Bassett missed immediate promotion back to the Premier by one point in 2005-06 and went close again in 2008-09, finishing fourth. Meanwhile Bassett became the first club in Wiltshire to be awarded Charter Community Club status by the FA. Promotion back to the Premier Division was secured at the end of 2009-10 as Bassett finished level on points with champions Slimbridge.

Bassett finished in a credible 15th place in their first season back in the Premier. However, they harshly found themselves demoted back to Division One West on a ground grading technicality, despite an appeal to the FA against the decision. In the circumstances manager Dave Turner did well to steer his side to 5th place the following season after such heartbreak. Last season Wootton Bassett were never out of the top 3 as they marched towards promotion, finishing in 2nd place. In addition they had a fantastic run in the FA Cup reaching the 2nd Qualifying Round for the first time where they put up a spirited performance against Conference South side Dorchester Town. At the end of the season manager Dave Turner decided he had taken the team as far as he could and left after a successful 5 years in charge. In his place have come the former Calne Town management duo of Jeff Roberts and former Bassett player Drew Youngsam.

As Bassett enter their 3rd period in the Premier the new management team will be looking to consolidate in the top division at a time when the Club has to play games at Cirencester Town whilst the new ground is built at Ballards Ash.

**Wootton Bassett Town are currently at Step 5  
in the Football Pyramid**

# Wiltshire Senior Cup

The Wiltshire Senior Cup was first competed for back in 1896-97 when Swindon Town were the winners. The Town have gone on to win the competition nine times, including the first six years of the competition. With their progress in the professional game it is a long time since Swindon Town have competed in the Cup. Wootton Bassett Town's first success in the competition was to come at the turn of the century when they made the final in 1902-03, losing to Warminster Town. Wootton Bassett made the final again the following season doing down to Swindon Town Reserves in the final. It would be 84 years before Wootton Bassett would grace the final of the competition again when in 1987-88 they made the final to this time lose against near neighbours Purton. Wootton Bassett Town finally won the cup in 1998-99 when they defeated Pewsey Vale in the final. This success was repeated two seasons later with a win over Shrewton United. Since this win the best the Bassett faithful have had is a couple of semi-final appearances. Last season Wootton Bassett Town went out in the Second Round, losing 3-0 away at Westbury United. The competition was won by Melksham Town, despite having been knocked out in the quarter final only to be re-instated due to their opponents Bradford Town playing an ineligible player. Melksham made the most of their second chance.

In the final the game ended 0-0 after 90 minutes against Downton but two extra time goals gave Melksham the cup for the 6<sup>th</sup> time.

Melksham are on to defend the Cup again this season having once again made the final following a 4-0 semi-final win over Purton. Joining them in the final are Bradford Town who won 3-0 against Bemerton Heath Harlequins in the other semi-final tie.

## **Saracens sucker Paying the punch condemns penalty again Bassett**

**Petersfield Park, 7th April 2014**  
Wootton Bassett Town fell to a disappointing away defeat at Cheltenham Saracens, as the Gloucestershire came from behind to triumph 2-1.

In a game of three penalties, a first half Bassett miss and Cheltenham conversion from twelve yards at the start of the second period proved critical.

The visitors had taken the lead when Kyle Rigley (pictured in action away at Reading Town earlier in the season) tucked away the game's second penalty shortly before the break. By that point, however, Lee Stevens had already seen a penalty saved.

That slender lead did not last long after the restart as Saracens took advantage of a foul on their own inside the box.

They then found the winner quarter of an hour from time.

There's little time for Bassett to lick their wounds as they entertain Bracknell Town on Wednesday - a game they will have to win if they are to retain any hope of finishing 12th, the highest possible position that can still be achieved.

It's then back to Cheltenham on Saturday for the Supplementary Cup quarter final with Saracens, when revenge will hopefully be gained.

After Monday's disappointing loss at Cheltenham Saracens, Bassett's hopes of closing the gap on Bracknell - two places above them in the league in twelfth - reduced. A win against the Robins at the Corinium Stadium was therefore imperative.

However, Bassett's struggles in front of goal continued - they have scored just three goals in their last eight league games now. Meanwhile, another penalty conceded ultimately cost them. On Monday Cheltenham, levelled from the spot shortly after the restart. On this occasion, Bracknell would beat Steve Allison from twelve yards for the game's decisive goal.

Seven points now separate the two teams - a seemingly insurmountable gap given Jeff Roberts' team have just four league games remaining.

## **Milhench magic sparks cup cruise**

**Petersfield Park, 12th April 2014**  
A stunning Jason Milhench opener set Wootton Bassett Town on their way to a comfortable 3-0 Bluefin Sports Supplementary Cup victory against Cheltenham Saracens and book a first semi final appearance for the club since 2008/09.

Revisiting the scene of a disappointing league defeat on Monday night, Bassett were determined to right that wrong as

well as keep their hopes of silverware alive.

And that they did, controlling the contest from start to finish as the extra pace provided by Milhench, Levi Cox and Ryan Stanners making a big difference.

The visitors took the lead in stunning fashion on 22 minutes. Controlling a beautiful pass from deep with a sublime first touch, Milhench then buried the ball into the bottom of the net with a slick finish.

Eight minutes later the lead was doubled. A blatant handball in the box saw Bassett awarded a penalty, which Kyle Rigley buried.

Chances kept on coming with man of the match Jordan Roberts, who bossed the game from the centre of midfield, seeing a firm left foot strike parried away

Following the restart Tyler Sheppard headed narrowly wide, while Milhench drove a left footed effort just past the post.

With twenty minutes remaining, progression to the last four became a certainty as Roberts was bundled over in the box and Rigley put away another spot kick.

Bassett now join Brimscombe and Thrupp, Maidenhead United Reserves and either Bracknell Town or Oxford City Nomads in the semi finals.

While it's been five years since the club reached this stage of any knockout competition, it's been thirteen since a cup was last lifted. One more win and Bassett will be within touching distance of ending that barren run.

## Five star Bassett Cup wait must go take down Abbots on

**Culham Road, 15th April 2014**  
Wootton Bassett Town got back to winning ways in the Hellenic League Premier Division with a thumping 5-0 victory away against lowly Abingdon Town.

Ryan Stanners (pictured) led the charge for Bassett, netting a brace, as his side won at the center.

**The Meadow, 17th April 2014**  
Wootton Bassett Town's hopes of a Supplementary Cup final appearance were dashed as substitute Karl Nash netted the only goal of the game for Brimscombe and Thrupp five minutes from time.

Scoring with his first touch of the game, Nash ensured Bassett's first team's silverware-less streak will extend beyond the already unlucky thirteen years without a trophy.

Tiredness seemed to be a factor in Bassett's less than convincing performance, the multitude of games in recent weeks taking their toll.

While Brimscombe were reduced to ten men prior to half time, dangerous forward Joe Tustain seeing red for foul and abusive language, Bassett could not take advantage of the extra man.

It was Brimscombe who consistently looked the likelier to score. And after the restart Bassett were thankful for a pair of stunning one-handed Steve Allison saves - the second keeping out a header from just five yards out.

Bassett then suffered a blow when Kyle Rigley was dismissed for venting his frustrations.

That eliminated any benefits gained from the earlier sending off, and Nash eventually delivered the final, telling blow.

Published on a Sunday the Non-League paper goes from strength to strength. At £1.50 it is great value for money and essential if you want to stay up to date with non-league football. The paper are again providing us with an exclusive article each week written by their journalists to include in our programmes. This week an article from Stuart Hammonds on

### Good Causes

8<sup>th</sup> April 2014

NON-LEAGUE football has this wonderful habit of bringing clubs together for good causes.

One such example that struck me recently was the unification of Hemel Hempstead and Chesham United – local rivals and the two teams contesting the Calor Premier title until the former secured silverware last Saturday, 48 hours before a potential championship showdown between them.

The Tudors and the Generals will unite on Saturday, May 10 for a charity game to raise funds for the University College London Hospital's Neo-natal Unit and The Butterfly Fund.

It is the brainchild of Chesham left-back Daniel Brathwaite, who together with wife Ali suffered the heartache of losing their son Maxwell William on May 16 last year just nine hours after he was born three months premature.

Hemel born and bred, Brathwaite has taken up the offer from his old club, where he played a decade ago, to stage the game where a Daniel Brathwaite XI will

take on a Chesham United & Hemel Hempstead Town Combined XI.

"My dad has known the chairman, Dave Boggins, for years so when I've bumped into him and a couple of the directors around town recently, they said we should hold the game there," said Braithwaite.

"I thought it would be great idea to use players from both clubs, and the fact that so many have agreed to play shows the mutual respect there is between us."

So with a Southern Prem dream team in action against a host of top names from the higher echelons of English football and the Non-League game, where better to head that afternoon if you're not going to Wembley for the FA Vase final or one of the regional play-off finals?

Jordan Parkes, David Hutton, Dan Talbot, Lewis Toomey, Danny May and Kieran Murphy are the champion Tudors set to be on show, with Shane Gore, Alex Brown, James Potton, Dave Fotheringham, Scott Thomas, Bruce Wilson and prolific strike duo Chris Dillon and Drew Roberts from runners-up Chesham.

Among the DB XI are Luton's title-winning captain Ronnie Henry, Boreham Wood's Sam Cox, Welling's Ross Lafayette, ex-Stevenage captain and current coach Jason Goodliffe and former top-flight players Nigel Winterburn, Paolo Venzazza, Micah Hyde, Steve Palmer and Luther Blissett.

"The hospital staff and the neonatal and bereavement services they provide are first class," said Brathwaite. "Hopefully the money we raise will go towards saving some little people's lives and help them help other families, like they did with us."

The family day at Vauxhall Road starts at midday, with the match kicking off at 1pm. Admission is £5 adults with under-16s free.

AS THIS is the last NLP programme column of the season, we send our congratulations to those who've been good – and lucky – enough to have something to celebrate, and commiserations to those who've suffered disappointment.

After a holiday, a bit of cricket and the World Cup in Brazil, the 2014-15 campaign will be upon us as quickly as widespread flooding turns to hosepipe bans in this country.

In the meantime, we will, as usual, be producing a paper every Sunday with all the latest transfer news, league constitutions, rule changes, fixtures, cup draws and the like.

But with no match reports, results and tables to fill the pages until the friendlies kick-off in July, we want to hear from you about what you'd like to see in your NLP this summer.

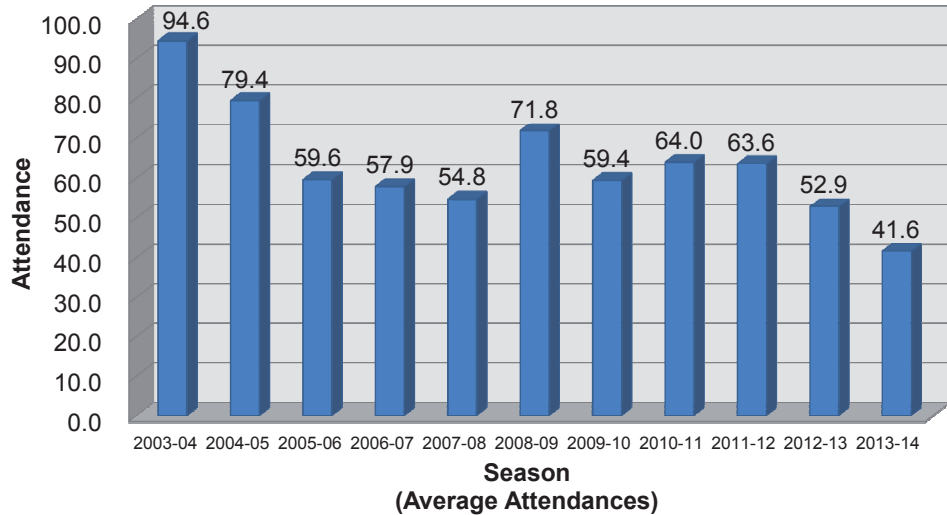

If you have any feature ideas for us, please email nlp@greenwayspublishing.co.uk, tweet us @NonLeaguePaper or @GreenwaysP, write on our facebook page or post us a note to The Non-League Paper, Tuition House, St George's Road, Wimbledon SW19 4EU, and we'll do our best to deliver!

## Bassett Succumb to Quick-Fire Kiddy

Rylands Way, 21st September 2010

Wootton Bassett Town's return to league action was not a happy one after two quick-fire goals midway through the second half proved the difference against Kidlington, who triumphed 3-1 at Rylands Way.

Prior to that funny few minutes, Dave Turner's side had been more than in the game, and it appeared as though at least a point could be snatched against their high-flying, free-scoring opponents. The visitors took the lead on the night early in the opening period when Christian Perkins made no mistake following a mistake from 'keeper Stewart Thompson.

However, Bassett pegged their opponents back in style with half time looming when a stunning strike from Terry Adams (pictured) levelled the scores.

And they were in the ascendancy after the restart until a Jordan Parker strike against the run of play dealt the hosts a hammer blow. Soon after, Thompson once again had to pluck the ball from the back of the net when Parker beat him once more.

After suffering their second league defeat - and only their third in all 13 competitive games played so far this season - Bassett's honeymoon period in the Hellenic Premier Division seems over.

Tough days (and nights) were bound to occur this season, but it is now up to Turner's side to once again demonstrate the character that has served them so well since he took over.

Things don't necessarily get any easier though with the next three league games coming against three of last season's top five, beginning with a trip to Wantage.

## Tearle Wonder Goal and Thompson Wonder Save Give Bassett Historical Win

Rylands Way, 4th October 2008

An exquisite chip from Phil Tearle to beat the Kidlington keeper in the second period of extra-time followed by a Stewart Thompson penalty save saw Wootton Bassett Town through to the Second Round Proper of the F.A. Vase for the first time in the Club's history.

It was fitting that, in the week that the move to the new ground came closer to reality, it was a product of the Club's expanding Youth Section who scored the winning goal in this important money spinning match. Tearle has played for the Club since he was an Under 10 and is seen by the many youngsters who currently play for the Club's youth set-up as an inspirational figure who has shown that if you are good enough the door to the First Team is open to you.

In front of a healthy Rylands Way crowd Bassett started the game well and went in front courtesy of a well taken goal from another youngster, Lee Moulton, on 19 minutes. Following a flowing passing move the ball came to Moulton on the left of the box, he cut inside and put the ball into the far corner of the net giving the Kidlington keeper no chance. A cool finish for a youngster who continues to impress down the left hand side of Bassett's midfield.

Bassett extended the lead a minute later when a penalty was awarded for a foul on Ryan Banks. With regular penalty taker Steve Yeardeley away running the Great North Run, it fell to top scorer Shaun Terry to take the kick. Memories of the missed penalty in the earlier round at Buckingham came flooding back but this time Terry made no mistake and fired the kick into the net.

Missing match reporter Scoop was duly sent a text advising of the second goal and it took two more such texts to convince him; yes Shaun had scored a penalty! Two-nil to Bassett at the break and in reality Bassett had dominated play with the back three of Chris Oram, Shaun Carter and Luke Sharps giving the Kidlington strikers little opportunity in front of goal and the midfield, particularly Tom Rachie and Richie

Carter in the centre, working tirelessly to close down the Kidlington players, including former Wycombe Wanderers and Doncaster Rovers pro Jermaine McSpornan.

The second half saw Kidlington come out all guns blazing but despite a lot of possession and neat passing football Bassett held onto the two goal lead. However, a harshly awarded free-kick on the edge of the 18 yard box allowed Morgan Williams to fire a free kick into the back of Stewart Thompson's net to make it 2-1 on 50 minutes. Chris Oram and Shaun Carter continued to deny the lively Kidlington strikers but Bassett were to suffer a setback on 79 minutes just as they thought they were going to get the win. Bassett were slow to react to a ball down the left which allowed Mark Flanagan to get away and bear down on the Bassett goal and Flanagan fired a powerful low drive past Stewart Thomson to send the game into extra-time.

Just when thoughts were turning to a replay on Tuesday up stepped substitute Tearle and that cheeky wonder goal. A ball over the top saw Tearle race away from the Kidlington defence and as the Kidlington keeper came out he deftly chipped the ball over him and into the empty net, cue celebrations not seen at Rylands Way for many a year. However, within a minute the euphoria had gone as Shaun Carter handled the ball in the Bassett box and the referee pointed to the spot. Time for the second hero of the day to step forward. Kidlington's striker fired the penalty low to the left of keeper Stewart Thomson, but Thomson had guessed the right way and pulled off a magnificent save.

In the second period of extra time Kidlington pushed forward in search of an equaliser but left themselves vulnerable to the break. One such occasion saw Shaun Terry do the difficult bit of turning his defender on the edge of the box and with the keeper way off his line the opportunity was there to put the result beyond doubt but his curled shot just went the wrong side of the post. Bassett survived a late scare but clung on for the history making win that sends them into the last 128 in this prestigious national competition. The £1,000 prize money will have gone down well in the Committee Room.

**Man of the Match:** Tom Rachie / Richie Carter - tremendous work rate in centre midfield and difficult to pick one out.

**Rating** (using the famous Scoop scale): 9/10 - a great team effort from start to finish. Bassett dominated first half but in second half it was the visitors led by Jermaine McSpornan who put Bassett under pressure in the second half but the work levels never dropped and a deserved win in an excellent game of football.

## Hellenic League 2013-14: this season's home masters and road warriors

With the season fast reaching its conclusion, every point matters as teams jostle for position. It says something that at the time of writing (prior to the games on Bank Holiday Monday) only bottom side Abingdon Town can be certain of their final league position.

Tonight's visitors Newbury can still extricate themselves from their current 19<sup>th</sup> place, which could potentially be a relegation spot. For Bassett, meanwhile, the recent dip in league form has meant points are still needed to prevent Cheltenham Saracens or Shrivenham snatching our current 14<sup>th</sup> position.

At the top of the table, the title is being fought tooth and nail by Ardley United – polesitters going into Monday - and Wantage Town. As both have received sufficient ground grading to make the step into the Southern League, the last week of the season is perfectly set for a dramatic finish, with a cigarette paper separating the teams. Wantage arguably hold the advantage. Although a point behind, they hold a game in hand over Ardley. Nevertheless the Alfredians still have Ascot United, their conquerors in the Challenge Cup, to come.

With games now almost complete and no team left with a mass of games to catch up on, it's an interesting time to compare home and away form. Have certain teams boosted their position in the table by virtue of establishing a fortress at home? And have others cost themselves by struggling away from home? The following tables reveal all.

(Note: as there are still games to play, tables are ordered by points per game)

Abingdon Town	20	20	17	1	5	11	15	53	-38	8	0.47

Benefiting most from their home record have been Cheltenham Saracens, with their 'home' position five places better than their overall place in the league table.

Ardley and Wantage both possess the same points per game record, with the former still yet to be defeated. However, their four draws – including one against Bassett - could prove to be their undoing.

Thame's record at the ASM Stadium has done them few favours – perhaps because their fantastic pitch offers few problems to those unfamiliar with it. With eleven losses, Brimscombe and Thrupp's performances at home have arguably kept them from battling for a top half finish too.

## Jordan Roberts Midfield

Roberts is a supremely talented central midfielder who is capable of dictating a game. With a fantastic passing range, goalscoring ability, great touch and balance, and the willingness to get stuck in, he has proved to be a fantastic addition to the squad.

He made his bow in senior football with Calne Town towards the end of the 2008/09 season, and scored once in four appearances. A year later he featured 34 times, scoring three. In the summer of 2010 he signed for Belgian fourth tier outfit R.R.F.C. Montegnee. However, that move fell through due to international clearance rules and he finished the 2010/11 campaign with Calne having also dual-signed with Chippenham Town.

In 2011/12 Roberts played 28 times for Calne, scoring five goals. Last season with the Lilywhites he finished as second top scorer, netting eight times in 28 appearances. That figure would likely have been higher had he not ended the season with Southern League Swindon Supermarine, for who made his debut in January against Hungerford Town. He featured regularly, albeit often as a substitute, as Dave Webb's side came close to securing promotion back to step three. In total he played 14 times for Marine, making four starts and scoring once in the Wiltshire Premier Shield. He figured prominently in their Playoff Semi Final with Merthyr Town and was controversially sent off in the game which Marine eventually lost on penalties.

Tonight's visitors have been found the going easier in familiar surroundings too. Bassett will be ruing the fact they could only gain a point on their visit to Berkshire though, seeing Newbury snatch a draw despite being 2-0 down.

Bassett's record at home is slightly worse than their last season in the Hellenic Premier. Back in 2010/11 – when opponents still had to deal with the Rylands Way 'bobble' of course – the team averaged 1.43 points per game.

It's safe to say the top half contains some relatively poor travellers. Flackwell turn out to be the worst, averaging 0.90 points more per game at home than away, while Binfield collect 0.67 points more at home. Highworth too have struggled away from The Elms; their goal difference best indicates this with a +17 figure at home and -2 figure away.

On the flip side, Brimscombe take more than half a point more on the road, while in the away table Thame United and Reading Town come out much better off than they do in the overall table.

Far and away the team who suffer most when forced to play away are Cheltenham Saracens, who incidentally are the team with the greatest travel demands. They are 1.2 points per game worse off on their travels than they are at home.

Tonight's visitors haven't excelled when away, collecting a meagre five points and conceding over twice as many as they have scored. Hopefully tonight Bassett can turn that to their advantage.

In the 'away' table, Bassett are overtaken by Shrivenham. However, compared to our local rivals, Bassett have lost five less games and have taken points from almost twice as many trips away (11 games compared to 6). With five of the eight away draws coming at Ardley, Ascot, Highmoor Ibis, Flackwell Heath, Thame and Highworth and a win against Kidlington, our away record against top half teams is played 10, won 1, drew 6 and lost 3 – not bad at all.

## MATCH REPORTS

### PREMIER DIVISION

Wantage Town were in cup action giving Ardley Utd the chance to resume leadership of the Premier Division, an opportunity they did not overlook winning 5-1 away at bottom club, Abingdon Town. Ardley scored through Troy Bryan (2), Ollie Stanbridge, Joe Eyre and Ben Thomas. Abingdon Town's goal was scored by Leaim Howards. Once again Ardley hold a one point lead and Wantage have a game in hand. Binfield beat Highworth Town 1-0 with Jemal Johnson scoring the only goal of the match. Bracknell Town beat Brimscombe & Thrupp 1-0 with a goal from Shane Cooper-Clark. Holyport and Cheltenham Saracens drew 0-0. The match between Reading Town and Highmoor Ibis was postponed.

### DIVISION ONE WEST

Lydney Town secured a second place finishing position behind Tytherington Rocks with a 7-0 demolition of Malmesbury Victoria. Richard Kear and Dan Morgan both scored twice together with goals from Declan Morley-Lyne, Jarred Liddington and Matt Timmins. Shortwood Utd who for a long time throughout the season were the closest contenders to Tytherington Rocks sealed third place with a 3-1 away win at Tuffley Rovers. In a very amiable start to the match, both sides traded own goals. Sean Lawson and Will Hawes went on to secure the points for Shortwood Utd. Letcombe despite finishing bottom showed fighting spirit against Carterton, who have put together a good run of late, narrowly going down 1-2. Reece Bayliss and Dan Bishop scored for Carterton with Harry Broad scoring for Letcombe. Fairford Town put last weekend's disappointing home defeat behind them with a 3-2 away win at Easington Sports. Dan Bailey, Henry Traas and Matt Boucher with a last minute winner were Fairford's scorers with Conor Grant and Jamie McMahon scoring for Easington.

### DIVISION ONE EAST

Following a 1-1 draw at Maidenhead Utd, Milton Utd now know they will become Champions of Division One East provided they beat bottom club Woodley Town at Woodley in their final fixture of the season on Easter Monday. Rob Joyce equalised for Milton against Maidenhead Utd who had taken an early lead through Reside Coxi-Sebastiao. The battle for second place is tight and potentially lies between Headington Amateurs and AFC Hinksey on Easter Monday. A win for Headington will secure second place. Headington beat Chalfont Wasps 2-0 with goals from Joe Cook and Tom Payne. AFC Hinksey won 1-0 away at Chinnor with a goal from Jelroy Constant. Burnham beat Didcot Town 2-0 with goals scored by Tom Williams and Aaron Berry. Penn & Tylers Green ended a hectic week on a high note beating Finchampstead 4-3 with goals from Danny Jordan. Dean Mundy, Josh Briant and Chris Hurst. Greg Alexander scored twice for Finchampstead with Sean Cahill netting their third goal.

### Hellenic Cups

Ascot Utd booked a place in the Bluefin Sports Challenge Cup final with a 3-2 win over Wantage Town. Daryl Mclean with two and Jermaine Roche scored for Ascot Utd. Steve Davis and Richard Claydon scored for Wantage. Ascot now await the winners of the second Semi-Final between Ardley Utd and Highworth Town which takes place on Saturday 26<sup>th</sup> April at Ardley (KO 3.00PM).

to Abingdon United came next as two rare goals from Adam Corcoran were not enough to prevent the home team triumphing 4-3.

Good form eventually returned, Sam Collier's late penalty holding Ardley to a 1-1 draw before Bassett came from behind thanks to goals from Cox and Lee Stevens to frustrate Highmoor. Old Woodstock Town were then easily seen 3-0 in the Supplementary Cup.

### December – some festive cheer as Bassett hit the right notes

There was to be no progression in the County Cup, however, as Bemerton Heath Harlequins won 3-2 after extra time. That was to be the last loss of 2013 as Bassett began a climb up the table. A lone Collier goal earned three points against Binfield. Cox saw a second half goal quickly cancelled out nu Highworth on a frigid afternoon, but another draw was the result. A dramatic finish to Thame United's visit to the Corinium Stadium then resulted in four goals being shared. 2-2 was again the result just after Christmas against Newbury Town, but this time Bassett threw away what appeared to be a comfortable two goal advantage. But there was to be no stopping the team against Holyport who were thrashed 6-2, a scoreline that could have been more but for two missed penalties!

### January and February – momentum washed out by the weather

The horrendous winter meant only two games were played in these months. The first saw Cox net a dramatic to complete the double against Shrivenham. After a six week gap the team returned to face the trip to Oxford City. And for the first time in nine league games Bassett tasted defeat, shipping two second half goals.

### March – drawing to a close

With the weather having wreaked havoc on the fixture list, so began the annual end of season frenzy. It started well. Just after half time, Stevens scored the game's only against Cheltenham Saracens, before a tight affair at Holyport ended in another draw, this time goalless. Bassett were unlucky to fall to a 1-0 loss at Wantage, while hopes of a silverware were kept alive with a comfortable 3-1 victory at the expense of Penn & Tylers Green in the Supplementary Cup.

Back in the league, there was a hope of finishing the season with a flourish. Flackwell could have been defeated, but a Corcoran goal was cancelled out late on by the visitors.

### April – a final month of contrasts

After a loss to Ascot, a depleted Bassett side then visited Thame and did well to grind out a 0-0 draw – their twelfth of the campaign. A disappointing week followed, with Cheltenham gaining revenge for their loss a month before and Bracknell then taking all the points thanks to a lone penalty. By now Bassett's best hopes were a 14<sup>th</sup> place finish after talks of sneaking into the top half at 2014's outset.

A convincing 3-0 Supplementary Cup quarter final victory against Saracens lifted spirits, while Abingdon Town were thumped 5-0, four goals coming in the first half. Defeat to Brimscombe and Thrupp meant there was to be no Supplementary Cup final appearances. After that disappointment, the team may have been forgiven for taking the foot off the gas as the season wound down with only pride to play for. But to their credit, they battled on, Cox scoring twice in a 3-1 win against Newbury.

Now with today's final home game against Kidlington and Wednesday's trip to Brimscombe, there's a chance to finish with a flourish. Six more points would take Bassett to 48 – four shy of their previous Hellenic Premier Division best – and represent a more than credible haul for the first year back at this level.

## Wootton Bassett Town: 2013-14 season review

It's been a season of peaks and troughs for Wootton Bassett Town, a streak of positive results being followed by a prolonged lull with this pattern prone to being repeated. Although a number of the league's top teams have been given a stern test, a dozen draws and narrow defeats have prevented the team from scaling the heights.

### August – from bad to good

The weather was the only thing to admire as Bassett began their campaign with a wake-up call away at Bracknell Town. It was a day when things didn't go to plan from the off. A goal behind after six minutes, Shaun Terry squandered a penalty, before Bracknell went into the break 3-0 up. A Sam Ockwell goal reduced arrears, but the hosts restored their three goal advantage, winning 4-1. In the home opener against Highworth Town, a first half Shaun Carter goal gave Bassett hope, but the Worthians scored twice in the game's final twenty minutes to snatch victory. Totton & Eling then eliminated Bassett from the FA Cup at the first hurdle, comfortably winning 2-0.

It was a chastening start for Jeff Roberts and his team. But they bounced back in style, recording their first point of the season in a stirring 1-1 draw away at Flackwell Heath. Late on it appeared as if the Buckinghamshire side would win as Steve Allison conceded a penalty. However, the 'keeper produced a stunning double save from the resultant kick to preserve the draw. Two days later Brimscombe and Thrupp were beaten 2-1, Jordan Roberts scoring the winner following a mesmerising win. The month then finished with Shrivenham brushed aside 3-0.

### September – hitting the road and hitting league form

Title favourites Wantage Town were Bassett's first opponents in this month, and they showed their class by winning 4-0. Roberts' team then secured a worthy point on an eventful afternoon at Highmoor Ibis which was overshadowed by the game's foul play. After losing to Tytherington Rocks in the Floodlit Cup, the team's fine away form continued with Ascot United held to a 1-1 draw and Kidlington defeated by the odd goal in five. That run was curtailed by Odd Down in the FA Vase though as the Somerset-side thumped Bassett 7-0 on an afternoon to forget.

An evening to remember was next, Reading Town being held to a 4-4 draw in a classic at the Corinium, debutant Jason Milhench scoring twice. Another early cup exit came next, however, as Lydney Town triumphed 5-2 in the Challenge Cup.

### October – a bleak autumn begins

A poor performance at home against Oxford City Nomads resulted in a 1-0 defeat. Abingdon Town may then have been beaten 3-1, with Levi Cox netting a brace, but this was to be the start of a miserable period. Bassett were unfortunate to lose 2-1 at Reading, going down to a last minute goal. It wasn't a lack of luck that cost the team at home against strugglers Abingdon United, who gained only their second win of the season with a 3-2 victory.

### November – emerging from the woods

Another late winner was conceded against Ardley United, who prevailed by the odd goal in three courtesy of a controversial spot kick. A midweek trip to Binfield then resulted in another defeat by a single goal, as the hosts won it with a goal on the break midway through the second period. A second loss in quick succession

## BANK HOLIDAY REPORT

### PREMIER DIVISION

The Battle for the title rages on with Ardley Utd and Wantage Town once again matching results on Bank Holiday Monday, thereby maintaining the status quo at the top with Ardley continuing to lead by one point and Wantage having a game in hand. Ardley beat Thame Utd 2-0 with goals from Jon Gardner and Troy Bryan. Wantage Town once again had to battle for their points winning 3-2 against Reading Town. Richard Claydon, Tom Melledeu and an own goal were Wantage's scorers with Reading scoring through Tristram Dennis and Danny Horscraft. Ascot scored their 100<sup>th</sup> League goal of the season in winning 4-0 away at Holyport. Joe Yeates opened the scoring for Ascot and there where then three goals in the last five minutes of the match, two from Ian Brooks and one from Rob Saunders. Shrivenham no doubt driven on by pre-match hype in the local press beat Highworth Town 3-2 at the Elms. Josh Fowler, Matt Bown and David Coleman scored for Shrivenham. TJ Bohane scored twice for Highworth Town. Binfield and Bracknell Town drew 2-2 in front of the day's best attendance of 179. James Suarez and Dan Rapley scored for Binfield. Shane Cooper-Clark and Lewis Burns scored for Bracknell. Oxford City Nomads and Kidlington could not be separated drawing 2-2. Louis Joyce and Mark Janes scored for the Nomads. Jack Quainton and Lewis Brownhill scored for Kidlington. In yet another 2-2 draw, Flackwell Heath and Highmoor Ibis cancelled each other out. Joe Blount and Adam Dickens scored for Flackwell Heath with Sanchez Commock and Mitchell Parker replying for Highmoor Ibis. Brimscombe & Thrupp won 2-1 away at Cheltenham Saracens. Ben Pricor and Joe Tustain with a last minute penalty scored for Brimscombe & Thrupp. Ryan Young scored for Cheltenham Saracens.

### DIVISION ONE WEST

Champions Tytherington Rocks playing their first match in a while went down to only their second defeat of the season at Lydney Town, losing 0-2 in front of a very good attendance of 150. Lydney's goals came from Jarred Liddington and Niall Halford. Tuffley Rovers rounded off their season in good style beating Letcombe 4-0. Shayne Bradley scored twice together with a goal from Junior Mbika and an own goal. Purton beat New College Swindon 2-0 with two goals from the returning Blaine Fitzgerald whose goals Purton have sorely missed! Old Woodstock Town's torrid season can't end quick enough following a 0-2 reverse to neighbours, North Leigh Utd for whom Jozef Fullerton and George Seacole where on target. Malmesbury Victoria recorded a recent double over opponents Carterton with a 4-0 win. Dan Thomson, Ryan Latham, Scott Chilcott and Josh Newman all scored for Malmesbury. The match at Hook Norton between Hook Norton and Easington Sports was abandoned by the Referee in the interest of safety due to heavy thunder and lightning. Hook Norton were leading 2-1 at the time of the abandonment with goals from Jason Tillcock and Jamie Wyatt. Ben Milner had scored for Easington Sports.

### DIVISION ONE EAST

Milton Utd are champions of Division One East following their 7-2 win at Woodley Town and AFC Hinksey, the only other club who could have prevented Milton winning the title, being held 1-1 at Headington Amateurs. Rob Joyce with a hat trick, Harry Dalton with two, Ben Taylor and Josh Beech were Milton's scorers. Michael Alleyne and Omar Cofie scored for Woodley Town. Headington amateurs scored through Luke Cuff. AFC Hinksey's scored through a Ryan Curtin penalty. The match was played in front of Headington's largest attendance in many years of 116. Penn & Tylers Green won 2-1 away at Chalfont Wasps with goals from Chris Hurst and Josh Briant. Fred Tripp replied for Chalfont Wasps. Finchampstead and Maidenhead Utd drew 0-0.

### DIVISION TWO WEST

Congratulations to Cirencester Town Development who secured the Division Two West title on goal difference from Wantage Town with a 2-2 draw away at Brimscombe & Thrupp.

### HELLENIC LEAGUE CUPS

Ascot Utd Development and Bracknell Town will contest the final of the President's Division 2 Challenge Cup. Ascot Utd development beat Highworth Town 1-0. Bracknell beat Wootton Bassett Town 5-4 on penalties following a 2-2 draw after extra time.

### COUNTY CUPS

Chalfont Wasps Reserves won through to the final of the Wycombe Junior Cup defeating Cookham Dean Reserves 4-3.
