Editorial & RWBTFC News

Welcome to Swindon Town F.C.

This Monday evening our visitors are Swindon Town F.C. in a friendly match to celebrate the one year anniversary of the opening of our new ground here at the New Gerard Buxton Sports Ground. With the game against Swindon coming just two days before our league fixture with Brimscombe & Thrupp I have taken the liberty of covering both games in the one programme. This will allow our regular supporters to save a bit of money but also hopefully allow us to showcase the UHlsport Hellenic League to a number of Swindon Town fans who have perhaps never watched a UHlsport Hellenic League fixture. With a bit of luck a number will enjoy the experience and return to watch us this coming Wednesday. However, please note that the Brimscombe fixture is subject to them not requiring an FA Cup replay against Peacehaven.

Hopefully the Swindon side here on this Monday evening will feature a number of the First Team squad along with some of their Under 18's. This is expected to be the strongest Swindon side we have played since Glenn Hoddle brought his full First Team squad to Rylands Way back in July 1991. Details of this earlier fixture which resulted in the highest ever attendance at a Bassett game are contained later in the programme. A big thank you on behalf of Royal Wootton Bassett Town F.C. to Luke Williams and Ross Embleton for agreeing to bring their squad here to Bassett tonight. Special thanks also to Seamus from Swindon Town for arranging everything. The Club would also like to thank groundsman Andy Clinch for preparing the pitch to such a high quality as ever and to all the Royal Wootton Bassett Town FC staff and volunteers for helping on the night and to Cats for producing a larger number of programmes than normal.

The two Clubs have met each other on at least six occasions previously and those previous fixtures we have been able to trace are detailed later in the programme. Luke Williams' side are no strangers to the facilities here at the New Gerard Buxton Ground, having used it as their training base throughout last season when the weather was bad and during preparations for the 2016-17 campaign. Swindon also staged a number of Academy games at the ground last year. We hope all the players and fans from Swindon Town enjoy their evening here at Royal Wootton Bassett Town and that perhaps this fixture could become a regular pre-season fixture as it was back at the start of the 1990's.

New Management

Royal Wootton Bassett Town are pleased to announce the appointment of Rich Hunter as First Team manager. He will be supported by Derek Hamilton, who takes up the position of Head Coach. The move has seen the club opt for continuity in the wake of the resignation of Paul Braithwaite and assistant manager Chris Green ten days ago. Rich joined the club in the summer of 2015, serving as a member of the former manager's coaching staff, while 'Hammy' has been with Bassett since pre-season, when he was initially brought on board as fitness coach. Commenting on the appointment, Bassett Chairman Andy Walduck said:

"This move offers continuity from pre-season for the first team. Rich and Derek are both very capable and have a lot of support and respect from the playing team and the committee, so there is no need to look outside of the club to fill the vacancy on this occasion."

"Again, I would like to thank Paul and Chris for their commitment to the club over the last two seasons, specifically taking the club through the final year of the groundshare, which presented many operational issues and was managed successfully. The club wishes Paul and Chris all the very best for the future."

"Now is the time to add stability to the first team and the senior section as a whole, forging links between all three men's senior sides, which is key to our future success".

This Editor wishes both Rich and Hammy a long and successful stint at the helm. The two have certainly created a fantastic team spirit in a short space of time after the departure of Paul and Chris and a number of the summer signings who came from Highworth and look like they are mostly heading back to the Elms.

Editorial & RWBTFC News

One player leaving but not making his way back to Highworth is TJ Bohane, the only one of the ex-Highworth players if I am to be honest who had played anywhere near to their reputation in those early games for us. TJ has left to join big spending Bracknell Town and we wish him well. Had to laugh though at the comment on the Hellenic League Forum from former Bracknell stalwart Duds quoting that TJ had said "it's always been a boyhood dream of mine to play for Bracknell Town"! Certainly Bracknell's facilities when they are finished will be first class, with Chelsea scheduled to use them, but not sure there were any plans to create such facilities when TJ was growing up and the old pitch at Bracknell was a shocker.

Welcome to Brimscombe & Thrupp

On Wednesday evening, subject to that possible FA Cup Replay, our visitors to the New Gerard Buxton Ground are Brimscombe & Thrupp for a Uhlsport Hellenic League Premier Division fixture. Assuming the game goes ahead a warm welcome to all from Brimscombe who have made the journey from Gloucestershire to Royal Wootton Bassett for this league fixture, we hope you enjoy your visit and we wish you a safe journey home.

Whilst Brimscombe & Thrupp have had a great start to the season and currently sit in 3rd place in the table with 4 wins from their opening 6 games it is interesting to note that of all the teams in the Premier Division this season our points accumulation record against Brimscombe & Thrupp is the highest of the lot, with an average of 1.90 league points gained in the 10 fixtures we have had to date since they joined the Hellenic League. We are certainly a bit of a bogey side for Brimscombe and hopefully that will continue tonight and we can secure 3 more points.

Brackley Town Saints

Last Saturday against Brackley saw a very professional performance as we returned to winning ways with 3 goals and a clean sheet against a side who tried to play football on the deck from the first to the last minute. How the game went ahead at all given the torrential rain which fell in the 45 minutes before kick-off is testament to the superb drainage put in when the facility was built and also the great efforts of Andy Clinch. When the fixture at Swindon was abandoned due to a waterlogged pitch and Supermarine's game was postponed it demonstrates how good the pitch is with dealing with water.

Highworth Town

On Bank Holiday Monday we made the short trip up the road for the local derby with Highworth. For a game that could have been supercharged given recent events the match was played in a good spirit and with 6 goals certainly entertained the large crowd. We twice came back from being two goals in arrears to share the points. It might have been even better if we had been awarded at least one of the three possible penalties that could have been given on another day. Well played again to the tremendous team spirit shown by the lads in coming back to take a share of the spoils. Whilst Brackley had been a footballing side who played the ball on the deck Highworth were very reliant on the long ball played from the back and it caused us all kinds of problems in the first half with the two lively strikers that Highworth had up front. George and JR had a tough first 45 minutes but credit to them both in keeping going and turning things round in the second half. On the day all 14 players who made it onto the pitch put in an excellent shift and the team deserved the point we left with. Was certainly a better trip back from Highworth for the supporters than last season's equivalent fixture.

Next Up

Our next home First Team fixture is against Flackwell Heath on Saturday 17th September. Before that the Reserves have two home games against Bromham (10th September) and then in midweek against Wilts Calne Town (14th). Enjoy the matches and hopefully those who came to the Swindon game also returned for the Brimscombe fixture.

Opponents - History

Swindon Town Football Club was founded by Reverend William Pitt of Liddington in 1879. The team turned professional in 1894 and joined the Southern League which was founded in the same year. Originally playing in black and white with the addition of blue sash for away games, the club changed to black and red quarters on entry to the Southern League in 1894. The club changed again in 1897 with green shirts, with white sleeves. Town changed their shirts to the more familiar red in 1901. Initially a dark maroon, a lighter shade was chosen for the start of the 1902-03 season and also resulted in the club's nickname "the Robins" appearing in print for the first time in programme notes for the first game.

Swindon reached the FA Cup semi-finals for the first time in the 1909-10 season, losing to eventual winners Newcastle United. In 1910-11, Swindon Town won the Southern League championship, earning them a Charity Shield match with the Football League champions Manchester United. This, the highest-scoring Charity Shield game to date, was played on 25 September 1911 at Stamford Bridge with Manchester United winning 8-4. Some of the proceeds of this game were later donated to the survivors of the Titanic. Swindon entered the Football League in 1920 as a founding member of Division Three and defeated Luton Town F.C. 9-1 in their first game of the season. This result stands as a record for the club in League matches. The club secured their first ever promotion in 1962/63. Bert Head's young side finished second in Division Three and included players like Ernie Hunt and Mike Summerbee.

In 1969 Swindon beat Arsenal 3-1 to win the League Cup for the first and only time in the club's history. Roger Smart opened the scoring before two goals from club legend Don Rogers sealed victory. As they were not a First Division club, Swindon were denied entry into the Fairs' Cup (latterly the UEFA Cup and Europa League) so a two-legged, Anglo-Italian League Cup Winners' Cup tie against Coppa Italia winners AS Roma was arranged. Town triumphed 5-2 on aggregate. Later on in the 1969/70 season, Town won the inaugural Anglo-Italian Cup competition, beating Napoli 3-0 in the final.

Despite a number of management changes, Swindon went through a long unsuccessful period culminating in them being relegated in 1982 to the Fourth Division. Following the appointment of Lou Macari in 1984, they were promoted as Division Four champions in 1986 with the club achieving a Football League record of 102 points, becoming the second club to score over 100 points in a season and breaking no fewer than 16 club records in the process. A year later they defeated Gillingham in the Third Division play-offs to achieve a second successive promotion. Macari left in 1989 to take charge of West Ham United with former Argentine international Ossie Ardiles replacing him. In his first season Swindon were Second Division play-off winners beating Sunderland 1-0 at Wembley. However, the club later admitted 36 charges of breaching league rules, 35 due to illegal payments made to players, and were relegated to the Third Division. A later appeal saw Swindon Town being allowed to stay in the Second Division.

Swindon progressed well during the 1991-92 season, Glenn Hoddle's first full season as manager, and just missed out on the Second Division play-offs. In 1992-93 Swindon beat Leicester City 4-3 in the Division One play-off final to achieve promotion to the Premiership — bringing top-division football to the club for the first time. They were relegated at the end of 1993-94 after recording only five wins and conceding 100 goals — the latter record has yet to be broken. The following year, Swindon were relegated for the second successive time and slipped into Division Two. Swindon won the Division Two Championship in 1996 under the stewardship of former Liverpool midfielder Steve McMahon. The club were relegated to League Two in 2006 which meant that they became the first ever former Premiership team to be demoted to the lowest Football League division. Paul Sturrock was appointed manager in November 2006 and he guided Swindon to promotion to League One in his first season with the club.

The club has been beset by financial difficulties throughout its history, having been placed into administration twice and also twice fought off winding-up orders from Her Majesty's Customs and Excise over unpaid tax-bills. In 2008 Swindon Town was taken over by a consortium fronted by local businessman Andrew Fitton. A disappointing season then followed, as Maurice Malpas endured a tough spell at the club, leading them into relegation trouble from which Danny Wilson did well to rescue them - guiding them to 15th in League One at the end of the 2008/2009 season. The 2009/10 season ended in Play-Off Final heartbreak for Wilson's men, as they went down 1-0 to Millwall, the club's first defeat at Wembley.

After relegation back to the basement division in 2010/11, former West Ham, Sheffield Wednesday and Celtic striker Paolo Di Canio took the reigns at the County Ground. The Italian led the club to the League Two title in 2011/12, securing an instant return to League One in his first season in charge. The 2011/12 season was also a memorable one in the cup competitions. The club were awarded the Ronnie Radford Award for their efforts in eliminating Premier League side Wigan Athletic in the 3rd round of the FA Cup, triumphing 2-1 in front of a packed County Ground. Di Canio also led his team out at Wembley in the final of the Johnstone's Paint Trophy where they lost 2-0 to Chesterfield.

After making the Play-Off semi-finals in the 2012/13 season - eventually losing to Brentford on penalties in the second leg after netting a dramatic, injury-time equaliser - Town would make it to Wembley at the end of the 2014/15 campaign. Under the stewardship of Mark Cooper, the Robins would reach the national stadium following an breathtaking 5-5 draw with Sheffield United in the semi-final second leg at the County Ground. Unfortunately for Swindon's young side, they were beaten 4-0 by Preston North End in the final.

Old Football Revisited

(as first published in Season 2013-14)

Inspired by the fantastic book "Got, Not Got" by Derrick Hammond and Gary Silke this Season's new feature looks at football related matters from the Editor's long lost youth that are no longer with us. Today it is.....

The Football League Review

Introduced at the start of the 1965-66 football season a new magazine called the Soccer Review took its' bow. Within a season it was to be renamed the Football League Review ("FLR"). Initially published by a company called Sport and Screen, the magazine proclaimed its' commitment 'To inform and entertain the people who support football'.

Published in black and white with some colour trim, it was usually stapled into its' host club programme, 16 pages in length and full of articles supplemented by a few photographs. The Review was 5 pence "when bought separately", which was basically never. It was full of behind the scene looks at the day to day running of football league clubs. From the start some of the larger league clubs refused to include the FLR fearing interference from League Secretary Alan Hardaker. Indeed at the beginning, it was very much a mouthpiece for the Football League. The league secretary Alan Hardaker ran the league from "offices" (his house) up in St Anne's, Lancashire close to Blackpool and its' bright lights (bit like Brian King and the Hellenic League although the only bright lights at Carterton are from RAF Brize Norton).

The first issue claimed that 150,000 were available at grounds across the country and specifically thanked Leeds United and Birmingham City for their support. Presumably they were amongst the first clubs to agree to include the FLR within their programmes. Perhaps then, it is no surprise that we see an article and team photograph of Birmingham City and also, not surprisingly, the first Club Call feature, which lasted many seasons in the magazine, was devoted to Don Revie's Leeds United.

The articles covered many aspects of the game and the people involved in it as opposed to providing details of matches and league tables. Interestingly for the times, as well as a Referees section, a Press cuttings feature and opinion from editor Harry Brown, these first few issues concentrated on women supporters. That first season saw 34 issues published. This increased to 38 issues when the Football League took over for the second season. Whilst the League had taken over the publication, in that first season of their editorship they maintained it was not the "official view of the league". Come 1967-68 the editorial was now being called "League View" as they came more comfortable with the concept of a League magazine.

In total the FLR ran from August 1965 to the last issue in Christmas 1974. In total 366 issues were published. One of the big developments was the use of colour team photos (first one was Manchester United) and it was the introduction of these photos which have made the FLR's such collectable items amongst the football memorabilia community.

For economic reasons the Football League decided to support the magazine less financially and as clubs developed their own programmes less clubs felt the need to include the magazine, the end was near. The magazine ended in 1974 but looking back, it represents a great snapshot of the time, especially as it covers many topics slightly off the mainstream of mere matches, scores and scorers. It also heavily promoted the League Cup and if you recall in those early years it would have been the era when the mighty QPR and Swindon Town lifted the trophy. In one 1969 issue, there is a centre page photograph acknowledging the behind the scenes efforts at Swindon Town and the support given to the Arsenal players by their wives and girlfriends (WAGS late 1960's style).

The FLR can be found on Ebay either on its own or still within 1960's and 1970's programmes. Searching for all 366 of them. That's one big challenge.

RWBTFC and Swindon Town F.C. Connections

Mick Woolford

The most successful manager in the history of Wootton Bassett Town Football Club made 3 appearances for Swindon Town in Season 1959-60. He made his debut on 28th December against Bournemouth at the Country Ground having been signed from Swindon British Rail. The Swindon Town side that day included Mike Summerbee. Swindon won the game 2-0. Mick kept his place for the away game against Bradford City on January 4th but the Town went down 1-0 in this fixture. His final game came a week later in a 0-0 draw with Brentford. Mick was released at the end of that season.

Aaron Oakley

Started in the Wootton Bassett Town youth section playing for Adi Amos before joining the Swindon youth set-up. First broke into the first team squad in October 2012, when he was named on the bench for a 2-1 defeat at Crewe - by the end of the season, the central defender had made his debut for the Welsh under-21's, and had been named as an unused substitute for the Town on seven occasions. After suffering a stress fracture in his foot while playing in a youth team friendly, Oakley signed his first professional contract in June 2013 - only to suffer a recurrence of the injury later in the close season, the injury requiring surgery and pinning. When he returned to fitness in December, Oakley was loaned out to Chippenham in a bid to gain some fitness, and though the deal was initially for a month, he remained at Hardenhuish Park for the majority of the campaign. Eventually released at the end of 2013-14 he joined Swindon Supermarine. Whilst at Supermarine he came on loan to Royal Wootton Bassett Town last season making 3 appearances.

Scott Twine

Another who started in the Wootton Bassett Town Youth set-up before joining Southampton Academy. Scott later moved to Swindon town from Southampton and is now hopefully on the verge of breaking into the First Team squad. Son of the Royal Wootton Bassett Town cricket legend 'Pup' Twine.

Brian Farr

Brian Farr played for Wootton Bassett Town FC just after the Second World War, scoring in a 4-0 win just after Christmas at Rylands Way against Westbury United. He went on to play for Sanford and Swindon Victoria before making it as a professional with Swindon Town in Season 1950-51 where he made 3 appearances, making his debut in a 2-0 home win over Gillingham. The following season he made a further 8 appearances, his final game being in a 1-0 away defeat at Leyton Orient.

Paul Hunt

A native of Swindon, "Oggie" was a product of the youth system at the County Ground - he rarely featured in the first team and never found the net. The small striker's best run in the team came in his final season, in March 1993, when he wore the number 7 shirt three times in a row, in the away draws at Southend United and Luton Town, and the 2-1 home win against Champions-elect Newcastle United. After his release, Hunt went into Non-League football, where he became a cult hero among many Forest Green Rovers fans before joining Wootton Bassett Town playing 21 times and scoring 9 goals in Season 2008-9 under Dave Turner.

Other Player Connections

Other known players who have played for both clubs are Dick Coates (5 appearances and 2 goals between 1905-06 and 1906-07) and Brian Selby (1 appearance in 1900-01) and Alex Rigley.

- We have been able to trace records which show Royal Wootton Bassett Town and Swindon Town have met on 6 occasions previously although we suspect there may have been more pre-season friendlies over the years that we have been unable to trace.
- The first recorded fixture is back in 1903-04 when the two clubs met in the final of the Wiltshire Senior Cup. This was a Swindon Town Reserve team and they won the match 3-0.
- The only match we have traced where we managed to avoid defeat against Swindon Town was the pre-season friendly in 1989-90 when Lou Macai brought a Swindon Town XI to Rylands Way to play Mick Woolford's Bassett and the two sides played out a 1-1 draw. Somebody called Paul Hunt scored for Swindon Town not the last goal he was to score at Rylands Way.
- The two sides met at Rylands Way in The Arnold Robson Memorial Cup on 25th July 1990 with Swindon Town now under the management of Argentinean World Cup winner Ossie Ardilles. Swindon were comfortable 4-0 winners that day.
- The two clubs met again in Season 1991-92 when Glenn Hoddle brought the whole of the Swindon Town First Team to Rylands Way again in The Arnold Robson Memorial Cup and drew the biggest crowd in the Club's history. The record books show that some 2,103 spectators attended Rylands Way that afternoon and don't believe Paul Burke when he tells you they had all come to see him play. The Swindon Town starting eleven that day was Nicky Hammond, Micky Hazard, Darren Hall, Ross Maclaren, Colin Calderwood, Nestor Lorenzo, Dave Bennett, Duncan Shearer, Nicky Summerbee, Tom Jones and Paul Trollope. The second half saw David Kerslake, Eddie Murray, Richard Green, Adi Viveash, Glenn Hoddle, Paul Hunt, Shaun Close, Fitzroy Simpson, Martin Ling and Fraser Digby grace the Rylands Way turf. Interestingly there were no moans from Glenn Hoddle that day about the 'Bassett bobble' at Rylands Way, although there were some alleged comments about the behaviour of the aforementioned Mr Burke I am advised by some of those old sages who still remember the game to this day. Swindon ran out 11-2 winners thanks to goals from Dave Bennett 2, Duncan Shearer 2, Micky Hazard, Ross Maclaren, Paul Trollope, David Kerslake, Paul Hunt, Shaun Close and Martin Ling. Unfortunately we do not have a record of who scored Bassett's two consolation goals although the First League programme for the 1991-92 Season did note that other than Real Sociedad we were the only side to score two goals against Swindon in pre-season!
- The two clubs met in the 3rd Round of the Wiltshire Premier Shield in Season 2001-2 and it was Swindon Town who again came out on top winning 2-0.

Player Profile - Season 2016-17

Steve Yeardley – Defence or Midfield

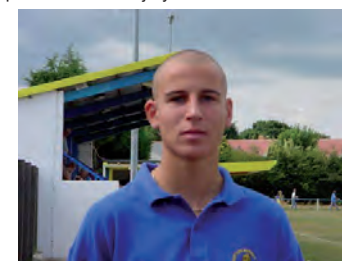

A Bassett stalwart, Yeardley is entering his twelfth season with the club, split across two spells, having reached the 400 appearance landmark last year. He has played in every position on the pitch, including 'keeper, for Bassett, though is most comfortable at full back or in central midfield. Yeardley made his debut with Bassett back in the 2002/03 season as a 17 year old in a 2-0 Supplementary Cup victory against Clanfield. He would go on to make 23 further appearances that year, only a few of which came from the bench. Establishing himself as a regular at full back, he played 42 times a year later. He grabbed his first goal for the club during in 2004/05, the year Bassett were relegated from the Hellenic Premier, hitting a dramatic late winner away against Milton United in January before adding three more before the end of the campaign. That season he exceeded the century mark for appearances, playing 46 times in total.

New manager Paul Burke appointed Yeardley as captain ahead of the 2005/06 season. Featuring largely in defence, he helped pilot Bassett to a fifth place finish, only narrowly falling short of an immediate return to the Hellenic Premier, while he scored five goals in 36 games along the way. He would also feature in goal, helping preserve a draw in an eventful FA Vase clash with Christchurch after an injury to John Haines. Yeardley's efforts that season saw him win both Manager's and Players' Player of the Year awards. His goalscoring prowess continued to flourish a year later when he featured 39 times and finished joint top scorer with Matt Bennett on 11 goals, Yeardley's haul including two in the FA Vase and a pair of penalties in a 3-0 away win at Purton. He also produced a man of the match display in a Wiltshire Senior Cup tie against Calne Town that went to penalties just days after having completed the New York Marathon. In 2007/08 Yeardley was Bassett's leading appearance maker, playing 40 times and scoring six goals. In what was an otherwise underwhelming campaign, Burke's team did enjoy a fantastic run to the FA Cup First Qualifying round that year, and his captain was a large reason for that, scoring a brace in the shock 2-1 victory against then-Southern League Bracknell Town at Rylands Way.

The consistently high level of his performances have regularly led to interest from elsewhere. But, despite a change in manager in summer of 2008, Yeardley continued to resist those overtures in order to remain with Bassett for Dave Turner's first year in charge. Employed largely in midfield, he once again had a fine season in front of goal, finishing joint-second top scorer with 12 goals in 39 games. That included another two goals in the FA Vase in wins against Buckingham Athletic and Henley Town. After again narrowly missing out on promotion with Bassett, who finished fourth, the lure of Hellenic Premier Division football was too much to turn down and Yeardley moved across to Highworth Town in the summer of 2009. In his first season with the Worthians he quickly established himself as one of the first names on the team sheet, featuring 39 times and scoring seven goals. He was again a crucial part of the side that went close to winning the title a year later. Yeardley led the Worthians in appearances with 51 in all competitions – only two of which came from the bench – and grabbed three goals. Though Highworth's title challenge faltered in 2011/12, they would go on to win the Hellenic League Challenge Cup, with Yeardley grabbing a goal in a 6-0 demolition of Binfield in the final. In total during 2011/12 he played 46 times – a number of those spent wearing the captain's armband – and grabbed a pair of goals. With Highworth boss Dave Webb moving onto Supermarine that summer, Yeardley returned to Rylands Way in 2012 and skippered the side to promotion from Division One West. He made the second most appearances out of any player, playing 37 times and scoring 8 goals. Half of those strikes came in the first month of the season. Yeardley netted Bassett's first goal of the campaign at Malmesbury before sealing victory against Calne in the FA Cup following a man of the match performance. He grabbed another FA Cup goal in the First Qualifying round win against Highworth, netting the equaliser. His final goal of the season came on Boxing Day at Purton after just 17 seconds.

Yeardley kept the captain's armband in Jeff Roberts' lone season at the helm. Featuring primarily at full back, he failed to improve on the 46 goals he had scored in Bassett colours. Two seasons ago he split time almost evenly between centre midfield and full back. He also returned to goalscoring ways to take him beyond the half century mark. Yeardley scored ten times, including a brace in a doomed comeback attempt against Ascot United and a match winning penalty in the County Cup against Wroughton. That haul came in 40 total appearances. Last year a foot injury that had been limiting Yeardley since the 2014/15 campaign limited him to 22 appearances. However, that was more than enough to take him beyond 400. And he marked that occasion in style, coming on as a substitute against Oxford City Nomads and scoring a penalty in a convincing 3-0 triumph. Overall he struck five times in the 2015/16 season. He even made three appearances in goal, donning the gloves twice after sending off for Curtis Meare and once after the 'keeper suffered an injury.

Last season's Wiltshire Senior Cup Final saw Melksham Town cause an upset. Melksham won the competition by defeating Steve Claridge's Salisbury 2-0 in the final. This did, however, mean that oyal Wootton Bassett Town went out against the eventual winners with Melksham having defeated Bassett at the quarter final stage. The win for Melksham in the final meant they have now won the cup on 8 occasions, joining Trowbridge Town and Chippenham Town on that landmark. Only Devizes town (14 times) and Swindon Town (9 times) have a better record.

It will be a while before the draw for this season's competition is actually made, with the First Round not until mid-September, but we will again be looking to go a long way in this prestigious competition. It is now over 15 years since we tasted success in the County Cup, defeating Shrewton United at the County Ground in 2000-2001.

Royal Wootton Bassett Town FC • Club History

Wootton Bassett Town formed in 1882 and are one of the oldest Clubs in Wiltshire. Bassett's early success came in the Wiltshire Senior Cup, making the final in both 1902-3 and 1903-4, losing to Warminster 3-1 in a replay before going down 3-0 to Swindon Town the following season. Bassett folded for a period pre World War 1 before re-forming in the Calne & District League. After finishing runners-up in 1930-31 they went one better the following year winning the championship. A short unsuccessful spell in the Swindon & District League saw the team return to the Calne League where they were champions again in 1934-35. Having won the Calne League for the second time Bassett moved up into Wiltshire League Division 2. Promotion was achieved in the first season and the team remained in the top division until the start of World War II.

After the war Bassett recommenced in the County Senior League but struggled. In 1956-57 a reorganisation of football in Wiltshire saw the creation of a Premier Division and Bassett found themselves in the second tier. Season 1958-59 saw the first title secured when Bassett finished top of Division 1. Back in the top tier the highest place finish was 8th in Season 1967-68. Then, following another reorganisation, Bassett found themselves in the Wiltshire Combination where they were to remain until 1976-77 when the current Wiltshire County Football League was formed.

The second season in the new league saw Bassett relegated but they were to bounce straight back in 1978-79 only to be immediately relegated to Division 2 where they remained for 5 seasons. A second league title was secured in 1984-85 and promotion back to Division 1. This time the team were able to hold their own and in 1987-88 they won the Division 1 title, elevating the Club into the Hellenic League, where they have remained since.

Throughout their first eleven seasons Bassett kept a steady mid table position. In 1999-2000 they finished 3rd in Division One West and gained promotion to the Hellenic top flight. First season in the Premier resulted in a respectable twelfth position and a County Cup triumph. The next season they made the first round of the FA Vase but just avoided relegation. The next two seasons saw Bassett finish mid table but the following season they were relegated, this after making their first venture into the FA Cup since 1950-51. Bassett missed immediate promotion back to the Premier by one point in 2005-06. Bassett became the first club in Wiltshire to be awarded Charter Community Club status by the FA. Promotion back to the Premier Division was secured at the end of 2009-10 as Bassett finished level on points with champions Slimbridge.

Bassett finished in a credible 15th place in their first season back in the Premier. However, they harshly found themselves demoted back to Division One on a ground grading technicality. They did well to finish in 5th place the following season after such heartbreak. In 2012-13 Bassett were never out the top 3 as they marched towards promotion, finishing 2nd. In addition they reached the FA Cup 2nd Qualifying Round for the first time. At the end of the season manager Dave Turner decided to move on after 5 years in charge. The Club were devastated when shortly after the fixture with his new club Shrivenham Dave tragically passed away.

With plans for the club's and Sports Association's new facility finally moving ahead, the first team began a two year groundshare with Cirencester Town in 2013-14, a year in which Bassett finished a comfortable 14th in the Hellenic Premier Division. That performance was bettered in 2014-15 under new manager Paul Braithwaite, Bassett's final year at Cirencester, with an 11th place finish – the club's highest ever in the non-league pyramid – and a record points total. Last season saw the club return home playing at the New Gerard Buxton Sports Ground, which was opened in the summer of 2015 and with the Royal title now included within the club name, Bassett finished 15th in the Premier Division. With some top summer signings the Club are looking for a much higher finish this season.

The table below shows the addresses of all the grounds we will be visiting this coming **2016-17** Season. This season we have 3 new teams in Burnham, Carterton and Henley. The table below includes the postcode to enter into your Sat Nav. A rough estimate of the distance from Royal Wootton Bassett is also shown. This season we have 74 less miles of travel in total (it could have been 164 more if North Greenford had come into the Hellenic and Cheltenham had not stayed down) but the average journey has increased by just over a mile.

Bassett march past Saints

New Gerard Buxton Ground, 27th August 2016

A calculated, clever performance earned Royal Wootton Bassett Town their second league victory of their Hellenic League Premier Division campaign as they defeated Brackley Town Saints 3-0. First half goals from Henry Spalding and Alioune Diouf put Bassett in a commanding position come the half time break, while a late header from Steve Robertson guaranteed the three points after the hosts had weathered a lengthy threatening spell from the Saints.

It was touch and go as to whether the game would go ahead as a biblical storm threw down buckets of rain in the hour before kick-off. But after the weather cleared up, all that was needed was a fifteen minute delay before proceedings got under way. Indeed, given how quickly the water drained from the playing surface, any spectators turning up later would have been forgiven for thinking that it had been an afternoon of blue skies in North Wiltshire. Once play got underway, the Northamptonshire visitors were everything Bassett expected them to be. Sprightly, confident in possession and keen to stroke the ball around and build from the back, they were certainly pleasing on the eye. Yet for all that commitment to playing the game the right way, they lacked a cutting edge up front, which would soon play into their opponent's hands. Twice in the opening exchanges the Saints were afforded dead ball opportunities in close proximity to the Bassett goal. The first came after just ten minute when Steve Yeardley was guilty of lingering on the ball, dispossessed and then tripped Josh Gibbins. Matt Hammond struck a curling free kick towards the bottom left corner, forcing Richard Lancaster to scurry across his line and awkwardly claw it away. Eight minutes later Liam Edmondson felled James Watts on the edge of the area after neat interplay with Hammond allowed the midfielder to play around both George Drewitt and Jamie Richards. Lewis Baldwin this time took the dangerously positioned free kick, but failed to find the target.

It was telling that Brackley had up to this point failed to threaten from open play. While that could partly be attributed to their style, it was also down to organised defensive work from their hosts, who bided their time before pouncing on any stray passes. And with Brackley committing men in attack, that allowed Bassett to exploit the visitors on the counter. That's how the opening goal came about. With half an hour played, Brackley gave away possession from a throw in the final third. Dan Bailey was the man who found himself in possession and he delivered an inch perfect arcing pass up to lone forward Diouf. After clever hold up play, Diouf released an overlapping Spalding, who galloped inside centre half Sam Bridges before confidently sweeping the ball into the bottom right corner. He could have had a second too minutes later after bringing down Richards' lofted pass in the left channel. However, from a tight angle, Spalding could only produce a weak shot. Diouf doubled Bassett's lead though. From deep on the left Sam Packer delivered a towering cross to the edge of the area, which caught the Brackley defence by surprise. 'Keeper Daniel Farrell raced off his line, but he found himself in no man's land as Diouf flicked a weighted header over him and into the net. Brackley were now on the ropes, and Bailey could have made it a three goal deficit before the interval when he controlled a Spalding cross, but stabbed straight at Farrell.

Against such clever opponents, holding a two goal lead was never going to be a comfortable position, particularly as the amount of work Bassett were doing off the ball required a significant amount of energy to be exerted. And there must have been some frustration after the restart as Yeardley squandered a one-on-one opportunity, delaying his shot after a Robertson through pass long enough to allow Bridges to make a recovery tackle. Brackley then started to exert more and more pressure. Josh Bowden, moved into the middle after starting the game on the right, was the main source of danger and brought three saves out of Lancaster. The last of that trio of denials from the Bassett stopper was something special too as he dove back and across goal to acrobatically tip a Bowden header over the bar. Substitute Denilson Silva also came close, sending a snap shot narrowly wide after the home side failed to fully clear from a cross. The counter attack was still presenting Bassett with a level of joy and three minutes from time only a composed save from Farrell prevented Scott Walduck from killing off the game after he had been released by Robertson. Finally though, last season's thirty goal man sealed the game. A series of short passes between involving the forward, Bailey and Packer opened up space for the latter to cross from the right corner, and Robertson had timed his run perfectly to plant a header into the right corner and finish off a fine move.

Man of the Match: Henry Spalding – dangerous throughout his 80 minutes on the pitch thanks to his willingness to run at the Brackley defence. The Supermarine loanee took his goal brilliantly too.

Opponents - History

Brimscombe & Thrupp • Club History

Brimscombe A.F.C. was founded in 1886 – the same year as the Gloucestershire Football Association!T

he G.F.A. friendlies were played until the competitive league was formed in 1890. In 1902 the Stroud League was founded and Brimscombe were its first winners. Just after the First World War the Northern Senior League appeared. Its first season was 1922 and once again Brimscombe were the very first champions. Football was interrupted during the Second World War (1939–1945) but the game continued at 'The Meadow' where matches between the Army, Navy, Air Force and a team called 'Brimscombe Wanderers' took place.

When the Gloucestershire County League was first formed in 1968/9, Brimscombe – affectionately known as "The Lilywhites", were again founder members, along with other local sides Forest Green Rovers and Stonehouse Town. In 1973/4 The Lilywhites, amid some controversy, found themselves back in the Senior League, just failing by one vote to secure a place in the Hellenic League.

It was at this time the Club experienced a difficult period and in the late 1970's Brimscombe and Thrupp amalgamated to secure both Club's futures. The Club hit a purple patch in the 1980's and won the Senior League Division One and Two and the County Cup all in the space of three seasons, eventually being promoted back to the County League and finishing 4th in 1987. There then followed many years of varying fortunes for the club including relegation to the lower leagues. However, in 2008 there were major changes to the Club Committee and the Football Management which immediately brought a successful period for the club. In season 2008/9 the First Eleven managed by Phil Baker were Runners-up to Longlevens and were promoted once again into the County League for the third time in its History.

In 2011 Brimscombe & Thrupp won the Gloucestershire County League for the first time and gained promotion to the Hellenic League under Phil Baker. Since promotion major redevelopments of the ground have taken place including an extension to the clubhouse and the installation of floodlights. Season 2012/13 saw Brimscombe & Thrupp win the UHlsport Hellenic League Division 1 West and gain acceptance into the Premier League. More ground improvements are underway which include a new 100 standing/100 seating stand and further walkways around the pitch.

Season 2013/14 saw Brimscombe and Thrupp playing in the highest league in the clubs history, the ground improvements were complete with the new stand finished and other improvements made. The club experienced its first ever FA Vase football and were quite successful reaching the first round proper. The season was also made memorable with the First XI winning three cup finals – those being the Stroud & District Charity Cup, the Hellenic League Flying Press Floodlit Cup and the Hellenic League Supplementary Cup. Season 2014/15 was another historic occasion with the side playing in the FA Cup for the first time in its history. The club continued to go from strength to strength during season 2015/16 and saw the team end in fifth position, its highest league finish in its history. The upgrade of the club continues with works being carried out as required by Step 5 football.

Division One West

Fairford continue to lead the table after the Bank Holiday weekend and two high scoring performances. On Saturday they were 6-1 winners away from home at Shortwood United Res thanks to a Jack Ellis hat-trick. Also on target were Luke Cordery, Danny Hale and Jason Milhench. On Monday they hit another 7 goals without reply at home to bottom of the table Letcombe. Two further goals for Milhench and one a piece for Nathan Blackford, Dan Drewett, Scott Chilcott, Jack Ellis and Chris Jackson. Hook Norton are 2nd after a narrow 1-0 home win over Easington Sports. This followed an excellent 2-0 away win at Shrivenham on Saturday. Shrivenham bounced back from this defeat to win 4-1 away at Woodstock Town on Monday. Abingdon United are also going well and looking to bounce straight back up, gaining two wins over the weekend. Saturday saw a 5-1 home win over Woodstock Town followed by a 3-2 home win over Milton United. Letcombe are currently bottom of the table after their defeat to Fairford.

Division One East

Penn & Tylers Green lead the way in the East, one point clear of Headington Amateurs. However, Saturday saw them drop their first points of the season as they were held at home by Rayners Lane. They returned to winning ways on Monday when they were comfortable 3-0 winners over Finchampstead. Bicester had gone top on Saturday after a 3-2 home win over AFC Aldermaston but were quickly dislodged on Monday when they went down 3-2 against Headington meaning they slipped down into 3rd spot below Headington. Chalfont Wasps are 4th after a narrow 2-1 home win against Rayners Lane. Wantage Town Reserves remain the only side without a point as they went down 4-1 on Saturday against Finchampstead and then 7-0 at AFC Aldermaston on Monday. This was not the biggest score of the weekend that honour falls to Headington Amateurs who were 8-1 home winners over Didcot Town Res.

- Royal Wootton Bassett Town and Brimscombe & Thrupp have met on 11 occasions previously with Wootton Bassett having the better of things with 6 wins to 4 for Brimscombe with just one drawn game.
- With one of those Bassett defeats coming in the cup our league record is even better with a 60% win ratio and the highest average points haul for Bassett against any of this season's Premier League teams with an average point score of 1.90.
- Steve Robertson enjoys playing Brimscombe & Thrupp scoring twice in the 3-1 win in December 2014 and again in the 4-1 win in April 2015. Dan Bailey also has a good scoring record against Brimscombe so hopefully both will continue that run this season.
- Since winning promotion to the Premier League at the end of Season 2012-13 Brimscombe have improved each season, finishing 12th in 2013-14, 10th the following season and last season they climbed to a highest ever finish of 5th. At the time of writing they sit in 3rd place and look set to continue their run.
- Brimscombe & Thrupp are a very well run club and also one of the most hospitable in the UHlsport Hellenic League.
- Tonight sees us play our 973rd league fixture in the Hellenic League looking to achieve our 372nd win and avoid our 394th defeat (apologies for the error in the last programme that implied we had only won 207 games, that was in fact the number of drawn games).

Cracking comeback seals point in derby thriller

The Elms, 29th August 2016

Royal Wootton Bassett Town's latest trip to The Elms to face local rivals Highworth Town produced another feast of goals. And although Bassett's visit may not have yielded all three points, they can be more than satisfied with the point collected as they fought back from 3-1 down to draw 3-3. A steely resolve is steadily forming within the squad, who dealt brilliantly with the adversity they faced on an eventful afternoon. A nightmare start for the visitors saw them fall 2-0 behind in the opening eleven minutes. While Steve Robertson got a goal back in the closing stages of the opening period, Highworth restored their two goal advantage midway through the second. However, a fine pair of headers from Robertson and man of the match Sam Packer got Bassett on terms, and they could well have snatched victory. Having dealt with a side committed to playing football on Saturday, the visit to Highworth must have been something of a culture shock for Bassett as they faced off against a side whose style was rudimentary in the extreme. Nonetheless the Worthians' direct approach did prove to be effective, as early balls to lively front pair Aysa Corrick and Fabian McCarthy instilled a degree of panic in the Bassett backline. That led to their opening chance when McCarthy delivered a low cross from the right which midfielder Steve May planted wide of the goal when unmarked. A minute later they were ahead though. Centre half Luke Cousins launched a long pass into the right channel and over the head of George Drewitt. Corrick then beat the onrushing Richard Lancaster to the ball, rounded the 'keeper and slotted in from a tight angle. Highworth quickly doubled their lead. Corrick was this time the creator, taking advantage of Bassett's inability to deal with another ball out from the back. After bursting past Drewitt and Liam Edmundson, his powerful drive from the edge of the area was parried away by Lancaster. The danger wasn't fully averted, and a left wing cross was nodded in by McCarthy at the far post. The game was by now being played at a frenetic pace with both defences being tested. Bassett were denied a clear penalty on the quarter hour mark when Packer was felled in the box before Lancaster did well to keep out a low McCarthy drive and Harry Myles free kick. The action quickly switched to the other end after the latter save, with left winger Henry Spalding comfortably beating Tony Joyce for pace only to be dragged down by the experienced right back. Yet, again no spot kick was awarded. Following the challenge, the ball did break for Dan Bailey but, from an angle, he was first denied by home stopper Max Scholefield before dragging the rebound across the face of goal. Bassett finally got on the board eleven minutes from the break with a well worked goal. With the outside of his boot, Packer played a perfectly weighted pass into the path of Bailey on the right and he whipped in a low cross which Robertson, having broken into the box, expertly guided into the bottom corner. Opportunities continued to present themselves to both teams. Before the break the hands of Scholefield and Lancaster were stung by firm strikes from Keiron Gleed and Spalding respectively.

Then, within a minute of the restart, Packer found himself in behind the Highworth defence, his strike from the edge of the area being repelled by Scholefield. Spalding was next to show the Worthians' backline his heels when he latched onto Alioune Diouf's flick on, but he was denied after opting to shoot from range. With both sets of defences appearing vulnerable, the contest was a finely poised one. But Highworth appeared to strike the decisive blow with 67 minutes on the clock. Central midfielder Steve May collected possession in an advanced position, and a one-two with Corrick on the edge of the area created the space for him to deliver an emphatic, well worked finish. Within moments, the hosts thought they had a fourth when Corrick caught Edmundson dwelling on the ball and his cutback fell for Ryan Stanners on the edge of the area. However, his curling strike crashed down off the bar before being cleared, with the Highworth faithful convinced the ball had crossed the line. Perhaps those remonstrations caused their team to lose their focus, as Bassett broke forward and Packer teased in a cross which Robertson planted into the back of the net. The visitors now appeared in the ascendancy and came close to an equaliser when a Packer header from a Diouf cross narrowly missed the target. The midfielder eventually found his range, and with eleven minutes remaining got Bassett back on terms. Spalding floated a cross in from the left and Packer got in front of marker Paul Alder, producing a glancing header which Scholefield could not keep out. There was still plenty of time to find a winner in a match still fraught with tension. While Bassett posed problems when finding space behind the home full backs, it was Highworth who were able to fashion the best openings in the minutes that remained. Luckily though, a Joyce cross was skewed over by an unmarked Corrick before Stanners' controlled half volley flew wide. A breathless game had brought a valuable point. And Bassett – thanks to their spirited comeback - will arguably be the happier with the outcome, Highworth having conspired to squander a position from which they should have killed the game off.

Man of the match: Sam Packer – in superb form, Packer headed a fantastic equaliser after having previously played a key role in Bassett's first two goals. Time and again, the midfielder's eye for a pass and dangerous deliveries caused difficulties for the Highworth defence.

All tables as at 1st September

All as at 1 September 2016

Combined Counties

Hartley Wintney remain top of the table after the Bank Holiday weekend. Saturday saw them hammer bottom of the table Sutton Common Rovers 8-2 on their own patch. This was followed by a narrow 2-1 home win over Camberley on Bank Holiday Monday. Another team picking up maximum points over the holiday weekend were Woking based Westfield, a 3-0 away win at Badshot Lea was followed by a 3-1 home win over Farnham Town to maintain their 100% record. They are now 3 points behind Hartley Wintney but with 2 games in hand.

Western league

Wiltshire side Melksham Town have been knocked off top spot after they failed to win over the Bank Holiday weekend. On Saturday they lost 3-1 at Bristol Manor Farm and then on Wednesday they could only draw 1-1 with lowly Cadbury Heath. Willand Rovers have taken over at the top of the table after picking up 6 points over the holiday weekend. On Saturday they were narrow 1-0 winners over Cribbs but in midweek hit 6 without reply at home to Sherbourne Town. The other Wiltshire based side Bradford Town also had a good time of it winning 3-1 at home against Bitton on Saturday and then 1-0 away at Brislington on Tuesday night. This win lifted them into 5th place in the table.

Wessex league

Blackfield & Langley continue to set the pace in the Wessex League. On Saturday they won 2-1 at Portland United and this was followed by a 4-1 home win over Fawley on Tuesday night. The two Wiltshire based sides Bemerton Heath Harlequins and Amesbury Town are in 7th and 8th place respectively in the Premier Division League table. On Saturday Bemerton won 2-1 at home against Team Solent whilst Amesbury won 3-2 away at Fareham Town. The two sides then met each other on Tuesday evening and it was honours even with a final score of 1-1.

Non-League Paper Article

Step 3 & 4 - Southern League

Non-League Paper's reporter Steven Coney reviews National League North

THE National League North looks like one of the toughest leagues in the country this season so it's no surprise it has claimed two managerial casualties already.

What is surprising is the calibre of the two bosses that have left their posts. Altrincham's Neil Young and Stalybridge Celtic chief Liam Watson both stepped down from their roles after tough starts to the season.

If the National League North was competitive last season, it's only got more fierce this term with the addition of some seriously strong outfits.

Famous Non-League clubs Altrincham, Kidderminster Harriers and FC Halifax Town came down from the National League while Salford City and Darlington 1883 climbed up from the Evo-Stik NPL Premier.

Add those into a mix that already included the likes of AFC Fylde, Stockport County, Harrogate Town and Tamworth and you have plenty of clubs capable of doing very well.

Experience is key in football, they say. So Alty and Stalybridge should have been well set with Young and Watson in charge.

Young, of course, was the man who helped Chester reclaim their spot at Non-League's top table after the demise of Chester City.

After winning one promotion with Colwyn Bay, he was chosen to spearhead Chester's climb back up the Non-League Pyramid.

Three promotions later and the Blues were back in the Conference - Young clearly had the knowledge needed to take Altrincham back too.

A rebuild of the squad was needed after Alty were relegated but few would have tipped them to start as slowly as they have.

Three draws have been followed by four defeats and the Robins already sit 11 points adrift of the play-offs. Still extremely early in the season, yes, but with the division looking so daunting, that is a lot of ground to make up.

In Watson, Stalybridge had arguably the best manager any club could wish for at their level. Three Conference North titles suggests Watson knows more than most about what is required to succeed.

Of course, he may not have had the resources at Bower Fold that he enjoyed at Southport, where he won two promotions, or AFC Telford United with whom he won the third, but he's a determined character.

He somehow saved Celtic when relegation looked nailed on at the end of the 2014-15 season before leading them to a comfortable 12th place finish in his first full campaign at the helm. One win from their first seven games in 2016-17 was far from ideal.

The gap between the top clubs, who almost inevitably enjoy the most riches in the league, and the bottom half is becoming worryingly big.

Hopes of an unfancied club like Hyde or Alfreton winning the title like in years gone by are diminishing.

For some managers, competing with the likes of Kidderminster, Salford, Darlington, Harrogate and Fylde is an almighty uphill battle.

So you can't blame Young or Watson for walking away from a league that looks completely different from just a few years back when they were the ones on top.

Watson, Celtic chairman Rob Gorski claims, has stepped down due to personal issues and the stresses of football management will hardly help.

For Young, it was a case of doing what was right for himself as well as Altrincham with hopes of an instant return to the National League fading by the week.

Both managers have also claimed they have retired from management which, if true, is a big loss to Non-League football and is a great illustration of how tough the National League North has become, even for the very best.

It looks like the league to watch this season and you can bet Young and Watson will be the first of many casualties it claims this term.

Tables as at 1 September 2016

Premier Division

Chippenham Town maintained their unbeaten start to the new EVO-STIK League Southern Premier Division season on Bank Holiday Monday with a 4-1 win against bottom-markers Cirencester Town. The derby at Hardenhuish Park attracted a crowd of 468, who saw David Pratt after 17 minutes and Matt Jones five minutes later, give the Bluebirds a two-goal cushion at the break. Matt Liddiard reduced the deficit seven minutes after the interval but Pratt's second with 15 minutes left sealed the win, with Jones matching Pratt with his second in the third minute of stoppage time.

Slough Town, Leamington and Dunstable Town have also won five games out of seven. Slough's new Arbour Park attracted a terrific crowd of 1,401 and they saw the Rebels beat relegated Hayes & Yeading United 2-1, coming back from being a 10th minute Lloyd Macklin goal down to win. Lee Barney equalised 10 minutes later and James Dobson won it for the hosts 15 minutes from time.

South & West Division One West

Only three crowds in the National League exceeded the 3,102 who came to see Hereford FC maintain their 100 per cent record in the EVO-STIK League Southern's Division One South & West on Bank Holiday Monday.

And they saw the Bulls beat a Bishops Cleeve side who had won for the first time on Saturday, 4-0 with Mike Symons opening the scoring just before half-time. John Mills then bagged a quickfire brace in the 53rd and 55th minutes to kill Cleeve off, with Pablo Haysham adding a fourth on 63 minutes.

Tiverton Town and Slimbridge are the only other teams yet to lose in 2016-17 after Swindon Supermarine were beaten 2-1 at North Leigh, who recorded back-to-back holiday wins, thanks to Jamie Cook after three minutes and George Seacole right on half-time proving enough, despite Brad Hooper's 65th minute penalty reply.

Tiverton though had to be content with one point from a 1-1 Ladysmead draw with neighbours Taunton Town in front of another healthy crowd of 353.
