## Today's Game

Good afternoon and welcome to the Gerard Buxton Sports Ground for this UHlsport Hellenic League local derby against our near neighbours Shrivenham. A warm welcome to the players, management and supporters from Shrivenham who have made the short journey across town for this afternoon's Bank Holiday encounter.

With the holiday weekend this programme had to go to the printers ahead of Saturday's FA Cup match against Lydney Town so hopefully by the time you read these notes we will have earned our place in the First Qualifying Round. Apologies also for the results, tables and statistics not being fully up to date for this match due to the Bank Holiday Monday scheduling but we will up to date for the next programme.

Our visitors today Shrivenham are back in the Premier Division after a three-season absence and have had a tough to start to life back in the top division. At the time of writing these notes they sit third from bottom with just one point from their opening five fixtures, that coming in a 1-1 draw at home with Virginia Water. Whilst four of the opening five fixtures have been at home, don't read too much into the lack of victories in the opening five fixtures. This is because they have started the season with some really tough fixtures against the top sides in Flackwell Heath, Reading City and Windsor, the latter who they have met twice in those five games. As we saw ourselves recently, Windsor are a very strong side this year, Reading City allegedly have a big budget and Flackwell have been in and around the top of the table for a few seasons now. Be under no doubt that we are in for tough game today, the fact that it is a local derby will in itself mean that the game will be closer than recent form might suggest.

Despite the geographic proximity of our visitors it is surprising to note that we have only met on eight occasions previously with Bassett having the better of things having won four times to just two for Shrivenham, two games having been drawn. We have also had the better of things in recent times, as Bassett have remained unbeaten in the last four meetings between the two sides, winning three and drawing one game. As well as being a local derby both sides have players who have worn the colours of the other club in their line ups today and it is a special welcome back to young goalkeeper Dan Lawrence who played so well for us last season. A warm welcome back also to Chris Jackson, Jack Ellis, Ryan Stanners, Aaron Dainton, Josh Morse, Sam Ockwell. Lewis Waldon, Danny Hale and Lewis Petrie, all of whom have worn the blue and yellow at some time in the past. Our manager Sam Collier has the distinction of managing both teams in the UHlsport Hellenic League Premier Division and will be keen to put one over his former club here this afternoon.

## Fairford

On Tuesday we travelled to Fairford for the return match with our local neighbours just a week or so after playing them here at the Gerard Buxton Sports Ground. In contrast to the previous game it was our opponents who raced into a 2-0 lead but thankfully we pulled it back with goals from Brad Pagliaroli, his sixth of the season, and Matty Bennett. We then went in front just before half time, Rob Lincoln scoring with his first goal for the club. Unfortunately, former Bassett player Mason Thompson scored his second of the game just after half time which completed the scoring meaning the points were shared. Whilst disappointing that we again gave away a lead, this was a much-improved result on last season when we lost 4-0 at Fairford and I am sure Sam will look back on this as a point gained rather than two lost. Fairford are a much stronger side than last season and it is pleasing to have secured four points off them

# Bassett News

from the two games. Still not sure why we had to play them twice so early on but it is great to have got something out of both games.

After having played four games away on the bounce, another quirk of the fixture planning, now sees us scheduled to play five consecutive home games, that is assuming Saturday's FA Cup game does not require a replay.

## Women's Wiltshire County Cup

Our Womens side, who finished runners-up last season, will host Salisbury FC in the Wiltshire County Women's Cup First Round. The game is scheduled to be played Sunday 16th September. We still await details of the Men's Wiltshire Senior Cup draw.

## Free Saturday Skills Sessions scoop prestigious Grassroots Award

Royal Wootton Bassett Town's Free Saturday Skills Sessions have been awarded the Wiltshire FA's Community Project of the Year in the inaugural FA and McDonald's Grassroots Football Awards. Introduced in September 2012 and overseen by Jeff and Helen Tidy, the sessions provide free skills coaching to four- to eleven-year-old boys and girls of all abilities during school term time. There is more on this award later in the programme but well done to Jeff and Helen on winning the award and hope you enjoyed your day at the Community Shield which was part of the prize.

## Shirt Sponsorship

You will see that we are today wearing our brand-new kit for the season, but you will also see that we do not have a sponsor on the front of the shirt. With so many games in the UHlsport Hellenic Premier Division and with opponents from Berkshire, Buckinghamshire, Gloucestershire, Northamptonshire, Oxfordshire as well as games here at the Gerard Buxton Sports Ground there is the potential for extensive coverage of your organisation. There is also the potential for video coverage from the excellent Your Sport Swindon and regular pictures in the Swindon Advertiser. If you are interested in sponsoring the club or know of a firm who would be interested in having their name on the front of our shirts then please get in touch with either myself, Chairman Andy Walduck or Head of Senior Section Pete Yeardeley.

## Next Up at The Gerard Buxton Ground

The next home game here at the Gerard Buxton Sports Ground is this coming Tuesday when the Women's side host Queens Park Rangers Development in a prestigious friendly. The following night the Development Team are home against Football ID in the Corsham Print Wiltshire Senior League. The next First Team fixture is now this coming Saturday when we play Windsor (**again**) a fixture I spotted had been inserted late on Wednesday night. With Bishops Cleeve at home on the following Tuesday (**again**) it means we will have played three teams twice in our opening eight league fixtures. Clearly the league is using an old Amstrad Computer and the old Football Manager game cassette to schedule these fixtures this season. Another consequence of the insertion of the Windsor game means it is now 5 home games and 5 programmes in a fortnight. I will endeavour to keep the content fresh for each one but it will be a challenge. Any contributions greatly appreciated, as I await the usual "fixture flow" response to my outrage at this scheduling. Enjoy today's match and hopefully see you in the bar after the match.

## Swindon Advertiser

*Sam says*

### After Leighton Town Away (to the Swindon Advertiser)

"They were a physical side and we knew that is what we should expect and we adapted our team from the first two games that we have played.

"The first two (league) games were quite comfortable but Saturday was a real test for us but we overcame it well.

"The most pleasing thing from the game is how we had to dig out the win, we went 1-0 up through a good goal and I thought we controlled the first half.

"We knew in the second half that they would come out.

"The pitch was horrendous and it was quite small as well so we couldn't get it down and pass it like we wanted to.

"They were a physical side so for us to ride the storm for 20-25 minutes with 10 men was extremely pleasing and the players deserve the win.

"Things are coming together and we are doing okay. The money from the Cup is massive to us as a club because we don't have any.

"The financial rewards from the game are massive."

### After Windsor Away (to the Swindon Advertiser)

"For 60 minutes we had a game plan and it went to plan, but not only that, it went beyond what we were expecting.

"We were fantastic. We set up to be organised and tight so we were harder to beat because we knew they were a good side.

"We knew they were sharp and good on the ball, we set up perfectly well but we did have five players missing.

"The side we had out was very young. Every time we went forward we scored, we were a threat and went into half time at 2-0.

"Then we scored again and you think the game is over but unfortunately, they scored through a mistake and then a wonder goal so it was 3-2 with 25 minutes to go.

"We had two 17-year-olds in the back four and they were a little bit naïve, so overall it was extremely disappointing.

"I'm disappointed for the players because they did such a great job and we were a consistent threat to them.

"It's hard to get the message out to the players. Once you cross the white line you have to manage the game yourself because there is only so much advice we can give and there is only so much shouting we can do as management."

Enjoy today's game.

*Sam*

## Free Saturday Skills Sessions scoop prestigious Grassroots Award

Royal Wootton Bassett Town's Free Saturday Skills Sessions have been awarded the Wiltshire FA's Community Project of the Year in the inaugural FA and McDonald's Grassroots Football Awards.

Introduced in September 2012 and overseen by **Jeff and Helen Tidy**, the sessions provide free skills coaching to four- to eleven-year-old boys and girls of all abilities during school term time.

On top of that, they have also served as an opportunity for young, aspiring coaches to gain experience under the tutelage of a UEFA B licensed coach.

In recognition of their achievements Jeff and Helen were invited, along with the other winners from around the country, to attend last Sunday's FA Community Shield contest between Manchester City and Chelsea at Wembley as guests of the FA.

It was a fitting, deserved achievement for the pair, who are stepping down after six years running the community football sessions.

Their contribution to the club during that time has been significant – something demonstrated by the number of players who have joined Bassett's youth section after attending the Saturday Skills Sessions.

And they have both left a legacy, which the club will seek to maintain.

The FA and McDonald's Grassroots Football Awards recognise how grassroots leagues, clubs, volunteers and community projects play their part in making the nation's favourite game happen week in and week out up and down the country.

Both National and County FA awards winners were selected.

As an FA partner for 16 years and the longest standing supporter of grassroots football in the UK, McDonald's continues to champion those selfless volunteers who enable everyone to play and enjoy grassroots football in a safe, fun and inclusive environment regardless of age, gender or disability.

Upon announcing the awards, FA Chairman Greg Clarke said: "The FA and McDonald's Grassroots Football Awards are integral to recognising the thousands of exceptional grassroots volunteers all over the UK."

"By providing youngsters with the opportunity to play the nation's favourite game in a fun and safe environment, these volunteers allow the next generation of footballing superstars to develop their skills."

"It's not an exaggeration to say that without their hard work and dedication, football in this country wouldn't be the same."

Royal Wootton Bassett Town Ladies will travel to either Warsash Wasps or Bournemouth Sports in the SSE Women's FA Cup first qualifying round.

Competing in the most prestigious national women's cup knockout tournament for the seventh year in a row, Bassett will be searching for only their second ever win in the competition, their only triumph coming back in 2013-14 when they defeated Cheltenham Civil Service 1-0 in the preliminary round.

In the four seasons since then, the Ladies have been knocked out at the earliest opportunity, with a 5-2 home loss against AFC Bournemouth last year.

Standing in their way of progression this time around will be either Southern Region Women's League Premier Division Warsash Wasps or Hampshire County Women's League Division One outfit Bournemouth Sports.

Like Bassett, Warsash finished runners-up in the league during their first season at step six of the women's football pyramid. And that was enough for them to secure promotion too. The Hampshire-based side also had success in the FA Women's Cup. In only their second participation in the competition, they defeated higher level opposition in the form of Ilminster Town in the first qualifying round before succumbing to defeat against Winchester City Flyers.

Bournemouth, meanwhile, finished fifth in the Hampshire County Women's League Division One. The step seven side pulled off an upset in the Women's Cup as well, prevailing 3-1 against step five Keynsham Town Development before narrowly losing 2-1 against Bassett's league rivals FC Chippenham in the second qualifying round.

They will face off in the preliminary round on Sunday 26th August. The winners will then play Bassett in their first qualifying round tie a week later on Sunday 2nd September, with the victors of that match set to receive £375 in prize money as well as a second qualifying round place.

# From the Sunday Team

## Sunday side set for Division One challenge

After romping to the Swindon Sunday League Division Two title in their inaugural season, Royal Wootton Bassett Town's Sunday team are set to enjoy the challenge of Division One football in 2018-19. The team, managed by Danny Groom and featuring numerous players who have played for the club's youth and senior sections previously, lost just once in the league last season while drawing just two games, and finished with an incredible goal difference of +120. To add to their league crown, they also claimed the Swindon Sunday League Division Two Sportsmanship Prize, proving that they won by playing the game the right way.

However, this coming season is set to be a greater test for the team. But it is one they will relish. Bassett have been promoted to Division One alongside Croft Junior and Highworth Town, who finished third and fourth in Division Two last season, and Division Three winners AFC Mannington. And Bassett will start with a double-header against Highworth, facing the Worthians away to begin their league fixtures on 2nd September before hosting them in the cup a week later.

Alongside those three teams, Bassett will be taking on some of the heavyweights in Swindon Sunday League football. Greyhound have long been one of the league's forces, completing a perfect league season last year, while also reaching the final of the Wiltshire Sunday Cup, a competition they have won on numerous occasions. Last season's Division One runners-up Penhill United will also again be in the mix, as will FC Walcot who knocked Bassett out of the Knockout Cup in 2017-18 before eventually lifting the trophy. Coleshill United and Woodlands Edge round out the nine-team division.

## Davies hails "outstanding" Shrivenham

<https://www.yoursportswindon.co.uk/video-davies-hails-outstanding-shrivenham/>

Shrivenham manager Gareth Davies hailed his side's "outstanding" performance against Flackwell Heath as they were forced to play over an hour of the match with 10 men.

The 28th-minute sending off of goalkeeper Harrison Ellis eventually cost Shrivenham dear as they conceded a 91st minute goal to deny them a much-earned point.

Flackwell's Dean Allen struck the hammer blow for the visitors and Davies admitted he was "gutted" for his players and felt they deserved much more.

"The lads tonight have been outstanding for 60-65 minutes with 10 men," said Davies. "I am absolutely gutted for them.

"I think we deserved was a point minimum tonight."

Davies questioned the decision of the referee to send off his goalkeeper after he collided with Flackwell's Harry Ritchie, adding: "I don't think it was a red card.

"I think he has won the ball but then once he has won the ball then there is only one place he is going to go and that's into the centre forward.

"To be fair I think he (the centre forward) has made a meal out of it but then he's going to do that. I'm going to be slightly biased but I didn't think it was a red card.

"I'm gutted for Harrison (Ellis) he has done well since he has come in."

Shrivenham's performance with 10 men left Davies proud though and believes he has seen enough to convince him that the players can compete in the Hellenic Premier Division.

"The players that we have got here I think are capable of playing at this level," added Davies.

"We have played some good sides so far. The last few games I feel we have improved massively."

## Shrivenham 1 Windsor 3

<https://www.yoursportswindon.co.uk/video-shrivenham-1-windsor-3/>

Wasted chances cost Shrivenham dear as they slipped to another defeat in the Hellenic Premier Division as in-form Windsor hit three goals in 18 minutes to grab all three points at Barrington Park.

Shrivenham had held Windsor, who knocked fellow Wiltshire side Highworth out of the FA Cup recently, until deep into the second half.

And Gareth Davies' men had plenty of chances to take the league in this competitive encounter.

Jamie Pricor's glaring miss on 50 minutes saw him skew his shot wide when he looked certain to score while Lewis Waldon fired wide after bursting through on goal.

Windsor twice hit the post before they eventually took the lead on 69 minutes, Jeevan Panesar firing an unstoppable volley into the Shrivenham net.

Mal Thomas then made it 2-0 on 77 minutes before Dan Roberts completed the win for the visitors on 87 minutes.

Ryan Stanners did pull a goal back for Shrivvy, scoring a fine effort from the edge of the box.

The result leaves Shrivvy lying third bottom of the table, level on points with Fairford Town, who also have just one point on the board.

Shrivenham are without a game at the weekend but return to action when they travel to Royal Wootton Bassett Town, a match which is sure to be a lively affair and where Davies' troops will be targeting their first win of the season.

## Introduction to the Village

Shrivenham is a large village and civil parish in the Vale of White Horse, about 5 miles southwest of Faringdon. The village is close to the county boundary with Wiltshire and about 7 miles east-northeast of Swindon. Shrivenham is located in Oxfordshire following boundary changes in the 1970's.

One of the most westerly villages in Oxfordshire, Shrivenham nestles in the Vale of the White Horse on the route from Swindon to Oxford. A bypass, built in 1984, ensures that Shrivenham's rural atmosphere is preserved. Elm Tree House, a gracious house built in the style of Inigo Jones, a village school built in 1863 and many lovely thatched cottages border the wide tree-lined main street. The village also has a lot of stone walls, an historic pump and a parish church that is unusual for having been rebuilt in the 17th century.

## Interesting Facts

At the end of World War II in Europe, the U.S. Army's Information and Educational Branch was ordered to establish an overseas university campus for demobilised American service men and women. It did this on the Beckett estate at Shrivenham. This, and two campuses in Europe, was set up to provide a transition between army life and subsequent attendance at a university in the USA, and therefore students attended for just one term.

Shrivenham has been the site of UK military colleges since 1946 and the establishment of the Royal Military College of Science (RMCS) in the grounds of Beckett Hall. This college is now called the Defence College of Management and Technology, which is part of the Defence Academy of the United Kingdom.

The academy provides higher education for personnel in the British Armed Forces, Civil Service, other government departments and service personnel from other nations.

## Famous Residents

No famous recent residents are known. The village's most famous residents are the Barrington family.

## Nearest railway station

Nearest Railway station is Swindon.

## Nearest Pubs to Ground

The village has three historic public houses: the Barrington Arms, The Crown and the Prince of Wales. The nearest one to the ground is the Barrington Arms (pictured) but all are within walking distance.

## Things to Do in Shrivenham

Three attractive looking pubs are certainly a good reason for visiting village along with the picturesque High Street.

St Andrew's church is impressively large for a small village, with parts dating back to the 11th, 12th and 13th centuries. Its many unusual features include the central tower, 18 large clear windows, Tuscan-like tapering columns, magnificent brass chandeliers and hanging pyx. There are many memorials to the Barrington family in the village, important landowners locally in previous decades, who as noted earlier are the most famous residents of the village.

Given the close proximity of the two clubs Royal Wootton Bassett Town and Shrivenham have surprisingly only met on 8 occasions previously with Bassett having the better of things having won 4 times to just 2 for Shrivenham, 2 games having been drawn.

Bassett have remained unbeaten in the last 4 meetings between the two sides, winning 3 and drawing one game.

## Connections

Shrivenham will have 2 players in their squad today in Lewis Petrie and Jack Ellis who were part of our side that lost 4-1 to Shrivenham in the Floodlit Cup back in Season 2012-13, the last time we lost to Shrivenham with Ellis getting our goal that night.

Again, another 2 players in the Shrivenham squad today, Sam Ockwell and Ryan Stanners, were part of the Bassett side that did the double over Shrivenham in Season 2013-14. A picture from the "home" game at Cirencester to the right.

Sam Collier has managed both Royal Wootton Bassett Town and Shrivenham in the UHlsport Hellenic Premier Division. Both clubs were also successfully managed by the late Dave Turner in the Premier Division.

Prolific goal scorers Alex Green (pictured) and Steve Robertson have both played for both clubs over the years.

## Harrison Gough (defence)

Gough is an impressive young defender who is a product of Bassett's youth section. Athletic, strong and possessing a good football brain, the youngster made his first team debut last season and will be aiming to cement a regular place in the side this season. Gough spent the majority of last season with the club's Development team and won the side's Players' Player of the Year award as he scored five teams in 24 appearances.

The defender, who is accomplished on the ball and possesses a calm authority that belies his young age, made his first team debut as a substitute in a Floodlit Cup tie against Kidlington Reserves in November and made eight appearances in all. After three further appearances from the bench, Gough made four consecutive starts to finish the season and impressed strongly.

Gough's first start was at home against Ascot United in March and, in a game which Bassett won 1-0, he was awarded man of the match for the crucial role he played in preserving a clean sheet and Bassett's first win in the league since December.

## Goals galore, but again Bassett fall short of victory

Royal Wootton Bassett Town produced a fine comeback to overturn an early 2-0 deficit against Fairford Town. But after leading at the break, they ultimately had to settle for a 3-3 derby draw.

### Cinder Lane, 21<sup>st</sup> August 2018

For the second time in a matter of days, Royal Wootton Bassett Town produced a fine attacking performance that yielded three goals. But, once again, it did not prove enough for victory. Fortunately, this time it was enough for a point as they drew 3-3 in another exciting derby encounter against Fairford Town.

In contrast to Saturday's defeat against Windsor, it was Bassett who found themselves having to recover from a significant deficit as Lee Smith opened the scoring on Fairford for six minutes before Mason Thompson, with his team's second shot of the game, doubled the hosts' advantage quarter of an hour later.

But Saturday's protagonists Matt Bennett and Brad Pagliaroli struck within three minutes of one another to restore parity. Rob Lincoln then put Sam Collier's team ahead on the stroke of half time, taking advantage of an excellent cross-field ball before tucking away his richly deserved first goal of the season into the bottom corner.

Bassett would have hoped to have received a momentum boost from that go-ahead goal going into the break.

However, they were pegged back soon after the restart as Thompson swept home his second after a shot had initially been blocked on the line.

Though there were chances for both teams thereafter, neither was capable of finding a winner, ensuring that a thrilling spectacle ended honours even.

It was another match that would have thrilled the neutral supporter. But for Bassett it was another game that ended in frustration.

At least this time, they did have something to show for their efforts.

# Our History

## Royal Wootton Bassett Town FC • Club History

Situated six miles from Swindon, Royal Wootton Bassett Town Football Club was first established in 1882, making the club one of the oldest in Wiltshire. The club's early achievements came in the Wiltshire Senior Cup, making the final in both 1902-3 and 1903-4, although losing both. The club folded for a period pre-World War 1 before re-forming in the Calne & District League when it began playing at the Gerard Buxton Sports Ground which had been donated by a local dignitary for sporting activities within the town and opened in 1930.

Early successes included winning the Calne & District League in the 1930-31 Season, having finished runners-up the previous season, and then again in 1934-35. Following a move up to the Wiltshire League Division 2 promotion was earned again the following season and the team then remained in the top division in the county until the outbreak of war.

After the war Wootton Bassett Town F.C. recommenced in the County League with limited success until 1958-59 when they won their first Wiltshire League title. In 1987-88 the Wiltshire League Division 1 title was won, elevating the club into the Hellenic League, where they have remained ever since. The club finally won the Wiltshire Senior Cup in 1998-99 and repeated this achievement in 2000-01. The club have had three spells in the Hellenic Premier and gained promotion back in 2012-13.

Since the onset of the new millennium the club has expanded significantly, with the establishment of a thriving Youth Section, Ladies Section, Veterans team and Sunday side. The club now operates 27 teams from under 7s upwards. All play their games at the relocated Gerard Buxton Sports Ground, which opened in the summer of 2015. This growth led to the club being awarded Charter Standard Development Club status by the Football Association in 2008 before this was upgraded to Community Club status a year later. Wootton Bassett Town FC was the first club in Wiltshire to achieve this. International ties have also been established with Dutch amateur side FC 's-Gravenvand.

Season 2018-19 sees Sam Collier in charge of the First Team.

Ten minutes later it was two as Windsor were caught on the break. Lincoln worked well with Dale Richards to steal possession deep inside their own half, and proceeded to go on a lung-bursting run that covered three-quarters the length of the pitch. After flying into the box past centre half Victor Ocansey, his cut back found its way to Pagliaroli via Bennett, and Bassett's leading scorer so far this season fashioned enough space to steer inside the near post.

That wasn't the end of the first half action though as Daniel Roberts saw both a tight-angled shot and free header from a well-worked short corner rebound off the upright.

Bassett's goal had certainly lived a charmed life in the opening period. However, the difference between the teams at the break was the visitors' clinical finishing.

But, crucially, that deserted them twice inside the early stages of the second half. Lincoln found himself in behind the Windsor defence but his shot was repelled by Sobte. Pagliaroli then had the chance to cut back for either Bennett or the onrushing Gio Wrona after he had cut inside from the right, but instead opted to open fire from a tight angle and struck straight at Sobte.

Pagliaroli did make no mistake when Lincoln's inside run and through pass set him free to make it 3-0. Yet that advantage ultimately would not be enough.

Windsor's attacking play become more urgent, a flicked header from Roberts being tipped over by Bowers on the hour. And they soon were back in it when Smith raced clear of his marker to head in. Within seconds, their faint hopes of turning the game around were transformed. Dwelling on the ball deep in his own half, right back George Lance had his pocket picked, and Panesar seized on that costly error by blasting home from distance.

Bassett's defence was now forced to fight a fierce rearguard battle as Windsor continued to open them up. They were fortunate to retain their lead when Masters snatched at a shot, guiding the ball into the clutches of Bowers from six yards out, after Smith had got beyond Richards.

A brief respite from Windsor's pressure almost led to a fourth though. Pagliaroli forced an outstretched Sobte to tip away, but the rebound appeared to drop perfectly for Bennett to follow up, but a bobble led to a scuffed strike that the 'keeper gratefully smothered. Smith then got the hosts back on level terms before a fine tackle from Ocansey halted a surging Bennett as the Bassett forward bore down on goal.

If a winning goal was to arrive though, you had the sense it would be for Windsor. And that duly occurred. Roberts chested down a throw in for Thomas and the substitute forward produced a phenomenal volley that Bowers was powerless to do anything about. There was still time left on the clock to Bassett to try and muster a response. But the wind had well and truly been taken from their sails. And the only incident of note from an attempted attack resulted in a red card for Adam Corcoran, who allegedly kicked out at Andrew Ingram after they went up to challenge for a free kick.

The outcome of the game was arguably a fair one. But the gut-wrenching way in which Bassett suffered defeat was hard to stomach.

It's how you respond to setbacks like this that reveal the true character of a team though. And the important week ahead – including derbies against Fairford Town and Shrivenham with an FA Cup tie against Lydney Town in between – will certainly be a test of that.

**Man of the match: Rob Lincoln** – the tireless winger was involved in all three of Bassett's goals, with his contributions to set up the second and third strikes being especially impressive.

## Furious Windsor comeback stuns Bassett

Windsor came back from 3-0 down to defeat Royal Wootton Bassett Town by the odd goal in seven in a Hellenic League Premier Division thriller.

### Stagg Meadow, 18th August 2018

Royal Wootton Bassett Town saw a three-goal advantage slip as a stunning comeback from Windsor saw the hosts strike four times in a frenzied second half to claim the points in a thrilling advert for Hellenic League football.

From start to finish, the 'Royal Derby' served up a feast of attacking football.

Windsor struck the woodwork four times in an end-to-end opening half, but found themselves 2-0 down at half time as Matt Bennett and Brad Pagliaroli struck for Bassett.

A superb counter attack then resulted in Pagliaroli's second of the game shortly after the restart. That could well have represented his side's fourth, but the visitors had spurned two golden opportunities in the preceding minutes.

Windsor re-grouped though, and grabbed a lifeline when Ashley Smith headed in unmarked from substitute Joshua Masters' cross. Their tails were then wagging when, a minute later, Jeevan Panesar seized on a defensive error and thrashed home an unstoppable 25-yard effort.

The equaliser eventually arrived with just over quarter of an hour remaining as Windsor made their relentless pressure tell. Smith, making a run inside from the right touchline, latched onto Paul Coyne's precise through ball and made no mistake.

They then summoned up a winner in some style as Malachi Thomas' thunderous volley flew into the top corner on 84 minutes.

For Sam Collier's young team, it was a bitter, sickening pill to swallow. No team should go on to lose a game from the position they were in.

But to describe what transpired as a Bassett collapse would be unfair on Windsor, whose attacking display throughout the game was simply sensational.

Their visitors gave as good as they got too. Their performance, particularly in the first half, was a canny one. Having noted how Windsor played in their FA Cup replay at Highworth Town in the week, Collier adopted a 4-5-1 formation, and it functioned well as Bassett looked threatening on the break.

The tone of the game was set in the opening minutes as close-range shots from Panesar and Bennett forced fine reaction saves from 'keepers Hugo Sobte and Alex Bowers.

Windsor then struck the woodwork for the first time on eleven minutes as Smith rose to redirect Keaton August's left-wing delivery across goal and onto the base of the post.

Panesar was next, taking a short free kick from Coyne before smashing a powerful long-range drive off the right upright.

Windsor's constant switching of play was causing Bassett trouble. And one such moment almost brought the opener. The ball was sprayed out to August on the left and he crossed for Matthew Woods, whose close-range attempt was met by an important block from Harrison Gough.

Bassett made the most of a well-executed attack to take the lead on the half hour mark though. Wrona picked out Rob Lincoln with a cross-field pass, and after cutting in from the left the winger's daisy-cutter of a shot came back out off the post. The initial rebound fell for Kai Robinson, whose effort was blocked, but Bennett was on hand to pick up the pieces and buried home from a tight angle.

## CLUB HISTORY

Shrivenham Football Club was formed in 1900 and just eight years later the infant club became one of the founder members of the North Berks League. Success in the early years was hard to find but after winning the Second Division crown at the end of the 1994-95 campaign, two Division One Championships were to follow - in 1997-98 a season which also included the club winning the Charity Shield, and again in 2000-01, which after completing the required ground improvements, saw the club promoted to UHlsport Hellenic League Division One West at the second time of asking.

With our inaugural Hellenic League season ending with a creditable twelfth placed finish a period of building began and after gaining some stability in the league, a further title winning season followed in 2004-05 and the club gained promotion to the Hellenic Premier Division by winning the league by a single point in what was unarguably the most amazing season the club had ever experienced.

A club record breaking eighth place finish was recorded in 2007-08 - the highest league place the club has achieved to date, however a gradual decline began and despite avoiding relegation after finishing bottom of the table in 2012-13, just two seasons later relegation was confirmed after a nineteenth placed finish and a decade of Hellenic Premier League football brought a tough era to an end.

Two seasons of mid-table mediocrity ensued, however the club appointed a new Chairman ahead of the 2017-18 campaign and the introduction of a new management team soon followed as the club began rebuilding its ambitions and the bid to return to the Hellenic Premier Division.

That goal was achieved at the first attempt as an amazing 12-game unbeaten run to the end of the season found the club in second place, and in an exciting final day which saw promotion rivals Easington Sports in third place, needing a result at home and Shrivvy without a fixture, Sports suffered the heartache of defeat against midtable Letcombe and Shrivvy clung on to gain promotion.

New targets have now been set as the club embark on maintaining their Hellenic Premier League status as progress both on and off the field continues to gather pace.

## Collier slams Bassett's sloppy defending in derby

Interview with Nick Taylor of **Your Sport Swindon**

<https://www.yoursportswindon.co.uk/video-collier-slams-bassetts-sloppy-defending-in-derby/>

Royal Wootton Bassett Town boss Sam Collier felt his side's failure to "defend as a team" cost them victory in the Hellenic Premier Division derby against Fairford Town.

The two sides played out a 3-3 draw in what turned out to be a thrilling derby encounter for the neutrals – but Collier felt once his side took the lead, they should have gone on to win the match.

Bassett though got off to the worst possible start as Fairford raced into a two-goal lead courtesy after just 20 minutes with strikes from Lee Smith and Mason Thompson.

The lively Matt Bennett pulled one back for Bassett on the half hour and just three minutes later the visitors were level when Brad Pagliaroli fired home from the edge of the box.

Bassett completed a fantastic comeback just before the break when Rob Lincoln's first goal of the season edged them in front on the stroke of half-time.

Sam Collier's side failed to start the second half as they finished the first and allowed Fairford back into the match when Thompson grabbed his second goal of the game as he clinically finished a sloppy Bassett clearance.

Both sides had chances to win the game although Fairford arguably had the two best ones with Dan Bailey crashing a bullet of a shot off the Bassett bar and Robbie James heading agonisingly wide from a corner with the last moment of the match.

"I'm disappointed really," said Collier. "We came here hoping to get the three points and stop the little rot that we are in.

"We knew they would come out and have a go at us. We were very sloppy in the first 20-25 minutes. We didn't get out of the traps, we were still in the changing rooms.

"I didn't think we defended well as a team. We invited them on a bit.

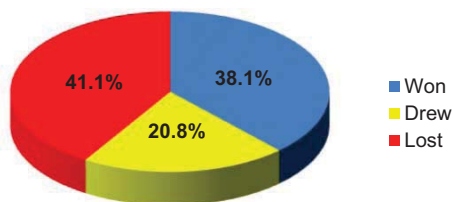

"It's probably a fair result, I think they deserved a point. We'll probably look back at the end of the season and think 'that was a good point'."

Bassett return to action on Saturday when they host Lydney in the FA Cup before facing another local derby on Monday when they take on Shrivenham at the Gerard Buxton Sports Ground.

## No Place Like Home

By Adam Ellis

“There’s no place like home.”

For many of us, our local grounds are like a second home; they bring comfort and a familiarity, and if you’re lucky a comfy seat with a choice of cold or hot beverage. Which is a nice thought for me to imagine when I travel on the train to NLP towers on an uncomfortable chair and without the option of a beverage.

Last weekend on the journey to the office the train was filled with West Ham United fans on their way to the top-flight match against Bournemouth. By chance, I got speaking to a chap sat opposite who had an Irons jacket on and he began talking about how he is a season ticket holder at West Ham but also goes to watch Dagenham & Redbridge ‘four or five times a season’. Two teams with a proud tradition and standing in their community, but a case of David and Goliath. “The bigger they are the harder they fall.” Well, not exactly in this case.

Ever since the city of London won the bid to host the 2012 Olympics I have followed the story of what the government and the Greater London Authority planned to do with the stadium in Stratford long after Mo Farah and Jessica Ennis had graced it. After the 16 days of sporting excellence were showcased to the world, focus switched to whether Jeremy Hunt, sport minister at the time, and Mayor Boris Johnson could get the right deal for the taxpayer by finding a tenant who would prevent the stadium from turning into a defunct patch of overgrowth and stinging nettles. Could they do it? Absolutely not. As of a year ago, £783m of taxpayers’ money had been spent on the stadium with an annual bill of £20m invoiced for security and cleaning and a host of other services. So bad was the deal struck by the ground owners’ London Legacy Development Corporation (LLDC) with West Ham, they appealed against a granted Freedom of Information Act request to have the tenancy contract made public. This after it was known that West Ham would pay £2.5m-a-year in rent over a 99-year lease. Promotions followed for Hunt and Johnson, West Ham’s co-owners sold Upton Park after 110 years on Green Street, while the Daggers sold top goalscorer Oli Hawkins to Portsmouth for an undisclosed fee after relegation to the National League.

Joined by fellow East Londoners Leyton Orient in dropping to the fifth tier, some fan groups have labelled the tenancy agreement as ‘state aid’. The sum of £2.5m a small drop in the Premier League club’s well of riches. I brought this up with the man on the train who said he and a lot of other supporters had failed to analyse what their board was selling them with the move. I asked him whether it must be painful watching football in a stadium built for athletic purposes when Upton Park offered such a good atmosphere. So why not swap his season ticket in 2019 for one at the Daggers? “They need to start winning games if they want to get more than 1,500 through the gate,” he said. “Go where you feel at home, you’re not a 400m hurdler are you?” I joked.

## Midweek 21<sup>st</sup> & 22<sup>nd</sup> August 2018

Melksham Town Reserves, last season's runners-up are the early leaders of the Corsham Print Wiltshire Senior League. They followed up Saturday's 4-0 opening day win over Pewsey Vale Development with a 9-0 demolition of the young Malmesbury Victoria Development side. There were hat-tricks for both Seth Wain and Shaun Benison, Billy Glead bagged a brace and Leigh Rogers added the other Melksham goal. Six points from their opening two games and with 13 goals scored and none conceded Melksham are off to a flying start, but it should be a harder task on Saturday when they travel to Cricklade Town. Malmesbury have had the toughest of possible starts having now played both the champions and runners-up from last season and will be hoping for a better outcome from their trip to Marlborough Town on Saturday.

Shrewton United are carrying on from where they left off last season as they added to the six straight wins at the back end of last season and Saturday's opening day win with a 4-0 away success over Ludgershall Sports, making it eight straight league wins in a row. All four goals were scored in the first half with Dan Burton and Craig Lewis getting their second goals of the season and Dean Smith and Nathan Osgood with their first of the campaign. They took their foot off the gas a little bit in the second half and they were unable to add to the first half goal tally. Like Melksham Town Res they now have six points from six ahead of Saturday's trip to Football ID whilst Ludgershall will be looking to get their first points of the season against Royal Wootton Bassett Town Development.

Corsham Town and Football ID both remain unbeaten after they shared four goals and the points. Darrin Moss followed up his goal in Corsham's win on Saturday with another on Tuesday night, Jordan O'Dwyer the other Corsham scorer. On target for Football ID were Ethan Gilson-Clarke and Adam Bloomfield. On Saturday Football ID have that difficult looking home game against a rampant Shrewton side whilst Corsham are home to Pewsey Vale Development. Pewsey will go into the game in a confident mood as they avenged last season's heavy loss against Westbury United Res with a 3-0 win on Tuesday night. Connor Marsden, James Blake and Hayden Culliford with the Pewsey goals. Whilst Pewsey travel to Corsham Westbury will make the trip to Purton on Saturday.

Wroughton joined Melksham and Shrewton at the top of the table at the end of Tuesday night following an excellent 5-0 away win at Purton, building on from their victory over Westbury on Saturday. Leading 1-0 at the break Wroughton turned on the style in the second half scoring four more times. The Wroughton goals came courtesy of Kyle Parker, Jack Allan, Zak Robinson, Jordan Lea and an own goal. On Saturday they will look to maintain their 100% record when they make the trip to Trowbridge to play a Trowbridge side that were involved in a seven-goal game on Tuesday night. Unfortunately for them they were on the wrong end of a 4-3 score line against Devizes Town Res. Trowbridge led 1-0 at the break but an excellent second half performance saw Devizes turn it round to take the points, their goals coming from Luke Enderby (2), Sam Dodds and Liam Mortimer. The Trowbridge Town scorers on the night were Joshua Hard, Jordon Gullis and Ben Howlett.

Two games were played on Wednesday evening including the defending champions Kintbury Rangers at home against Marlborough Town, who were playing their first game of the season. George Smith put the champions in front before Marlborough got back on level terms from the penalty spot. With Kintbury having most of the play in the first period Harry Way restored Kintbury's lead to make it 2-1 at the break. Kintbury, as they had done on many occasions last season, came out strong in the second half but it took a penalty to extend their lead further. After missing two spot kicks on Saturday, Shaun Thorp was relieved of penalties duties with George Smith taking over the responsibility and he duly dispatched his spot-kick into the back of the Marlborough net. Harry Way scored his second of the match to complete the scoring, 4-1 to Kintbury the final score. The win lifted Kintbury into 2<sup>nd</sup> spot in the table

In the other match on the night Cricklade Town visited Royal Wootton Bassett Town Development and left with all three points to make up for the disappointment of Saturday's opening day loss at Trowbridge. In a tight affair the only goal of the game was scored by Billy Sly and gives Cricklade added confidence going into this Saturday's fixture with league leaders Melksham Town Res.

## Midweek Action & District Leagues

There was no midweek action for Chippenham Town or the two sides in the Southern League Premier Division but both Melksham Town and Highworth Town had midweek fixtures in the Southern League Division One.

On Tuesday evening Melksham Town travelled to Paulton Rovers and made it two wins out of two from their opening fixtures with a 1-0 win. Once again it was Neikell Plummer who fired the only goal of the game scoring for the visitors on 50 minutes. The win means Melksham Town sit in a play-off place in the table but obviously there is a long way to go!

On Wednesday night Highworth Town travelled to former Hellenic League side Slimbridge a side they have not met for a few seasons and in a tight affair neither side could find the net and the points were shared.

At Step 5, whilst we were drawing at Fairford, in the Western League Premier Division newly promoted Westbury United made it four wins from four with a hard fought 2-1 away win at Shortwood United. Westbury sit in 2<sup>nd</sup> place just behind Bitton on goal difference. On Wednesday Bradford Town travelled to Bristol to play Cadbury Heath and came away with an excellent 4-1 win. Cadbury Heath went in front from the penalty spot but a Jack Witcombe header from an Ashton Shanley cross put Bradford back on level terms. Another superb ball through from Shanley put Witcombe in 1 on 1 with the keeper and he was bought down giving Bradford a penalty. Captain Martin Lenihan duly despatched the penalty into the net to put Bradford Town in the lead and 2-1 at the break. Two second half goals from Jake Hiscocks wrapped up the points for a rampant Bradford Town who moved up into 6<sup>th</sup> place in the table as a result of the win.

There was no Step 5 midweek action in the Wessex League as teams were involved in the Hampshire Senior Cup.

At Step 6 there was also no midweek action for any of the Wiltshire based sides.

For coverage of midweek action in the Step 7 Corsham Print Wiltshire Senior League see elsewhere in the programme.

Action in three of the District Leagues in which Wiltshire sides play, the Swindon & District League (three divisions this season), the Trowbridge & District League (2 divisions this season) and the Cirencester & District League (one division this season) kicks off on 1<sup>st</sup> September 2018.

In the Trowbridge & District League champions Freshford United are joined by newly-promoted Holt and Heytesbury, Calne Eagles, Hilperton United, Luxol St Andrews, Melksham Town A, Semington Magpies, Stockton & Codford, Three Dagers and Warminster Town Reserves. Division Two welcomes five new sides, Calne Town Reserves, Lambrook Rangers, Marshfield, Spencers and Warminster United, alongside Aces FC, Greyhound, The Stiffs, Trowbridge Town Reserves, Trowbridge Wanderers Development and Zeals.

The other District League is the Salisbury & District League which has fallen on hard times and has just one division of 5 teams this coming season.

# 1987-88 Revisited

## Diary of Wiltshire League Division One Title Winning Season - Wootton Bassett Town 1987-88

Saturday 19<sup>th</sup> September 1987  
 Aldbourne Park 1 Wootton Bassett Town 1

### Headline: Spoils shared in fine game

The spoils were shared on Saturday in a fine game fought out by arch rivals Aldbourne Park and Wootton Bassett. Aldbourne Park, created last year with the merger of Aldbourne and Park, play very much as the traditional Park sides, looking to get the ball forward quickly and unsettle teams with their fitness and physical presence. Bassett on the other hand prefer to play the ball to feet and the clash of styles proved interesting to watch. It was Aldbourne who started off the more positive, their lively winger Wright causing Bassett some early problems. As Bassett gradually settled the pattern of the game emerged as a hard physical battle where chances were going to be hard to come by.

Bassett failed to really open up the home defence in the first half, though McKay in midfield was constantly probing for an opening. Aldbourne had the best chance of the half when, following some more good work by Wright, a goal bound header from a corner was cleared off the line by Harrison. The second half proved to be just as competitive, indeed, perhaps a little too competitive as the names of M. Johns for Bassett and Woosnam for Aldbourne both went into the referee's book.

Bassett opened the scoring seven minutes into the second half with a soft goal. Following a period of Bassett pressure McKay crossed the ball into the box. The home defence hesitated to clear and the ball bounced into the far corner of the net. Bassett held the lead until 10 minutes from time when a lack of concentration allowed O'Driscoll through. His lob over Rees in the Bassett goal was going to be turned in by the Aldbourne centre forward when he was pulled back by M. Johns, Roberts converted the resulting penalty. A draw seemed the fairest result, and although Bassett will be disappointed not to have won, they should be pleased to come away with a point against one of the championship contenders.

# 1987-88 Revisited

Looking at back at the championship winning season of 1987-88 that saw us promoted to the Hellenic League. Match reports taken from the scrapbook maintained by captain, and later chairman of the club, Paul Harrison.

# Half Time Quiz

Lyric Quiz 2018-19

YEAR: **1977**

Name the artist (1 point) and song (1 point) from the lyrics below in songs that featured in the Top 10 in the year above

- It won't be easy, you'll think it strange  
When I try to explain how I feel  
That I still need your love after all that I've done  
You won't believe me, all you will see is a girl you once knew
- Don't let the small town rumours end our first real romance  
Now I'll admit I've loved a few  
But there was never one like you  
So darling don't believe the things they say
- No more carefree laughter  
Silence ever after  
Walking through an empty house, tears in my eyes  
Here is where the story ends, this is goodbye
- Can't hold out much longer  
'Cause red light means warning,  
Can't hold out I'm burning
- On a dark desert highway, cool wind in my hair  
Warm smell of colitas, rising up through the air  
Up ahead in the distance, I saw a shimmering light  
My head grew heavy and my sight grew dim  
I had to stop for the night.
- She's not a human being  
and There's no future  
And England's dreaming  
Don't be told what you want  
Don't be told what you need  
There's no future
- Just to admit one mistake  
That can be hard to take  
I know we've made them fall  
But only fools come back for more  
Being the fool I am  
I figured in all your plans, darling  
Your perfumed letters didn't say  
That you'd be leaving any day
- Whatever happened to Leon Trotsky?  
He got an ice pick, that made his ears burn  
Whatever happened to dear old Lenin?  
The great Elmyra, And Sancho Panza?
- In your mind you have capacities you know  
To telepath messages through the vast unknown  
Please close your eyes and concentrate  
With every thought you think  
Upon the recitation we're about to sing
- She was the meanest cat  
For she was really tough  
She left her husband flat  
He wasn't tough enough  
She took her boys along  
'Cause they were mean and strong
